State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, -SAR, or the transition report or portion thereof, could not be filed within the prescribed time period.

In September 2006, the registrant changed its certifying accountants. In working with its new independent auditors, there has been a delay in the auditors completing their review of the current report and thus, the registrant has not been able to file its Form 10-QSB by the due date. Management believes that it will be able to complete and file its Form 10-QSB for the period ended September 30, 2006 within the prescribed extension period.
