This Proxy Statement and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") for use at the Annual Meeting of Shareholders of Downey Financial Corp., a Delaware corporation ("Downey"), to be held at 10:00 a.m., local time, on Wednesday, April 26, 2006, at the Irvine Marriott Hotel, 18000 Von Karman Avenue, Irvine, California 92612, and any adjournments thereof (the "Annual Meeting"). This Proxy Statement and the accompanying form of proxy are being mailed to shareholders on or about March 16, 2006. The mailing address of the principal office of Downey is 3501 Jamboree Road, Newport Beach, California 92660. Downey's telephone number is (949) 854-0300.

RECORD DATE AND VOTING OF SHARES

On February 27, 2006, the record date for determining the shareholders entitled to notice of and to vote at the Annual Meeting, 27,853,783 shares of Downey's common stock ("Common Stock") were outstanding. A majority of the shares entitled to vote will constitute a quorum at the Annual Meeting. The three director nominees receiving the highest number of affirmative votes at the Annual Meeting, including those votes properly submitted by proxy, will be elected. All other proposals require the affirmative "**FOR**" vote of a majority of those shares present in person or represented by proxy and entitled to vote on those proposals at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining a quorum, but are not considered as having voted for purposes of determining the outcome of a vote.

VOTING AND REVOCATION OF PROXIES

Proxies are being solicited on behalf of the Board of Directors of Downey. All shares represented by a properly executed proxy will be voted in accordance with the directions on such proxy. If no directions are specified, such shares will be voted **FOR** the election of the Board's nominees for directors presented under Proposal 1 and **FOR** the ratification of KPMG LLP as auditors for the year 2006 presented under Proposal 2. If for any reason one or more of the nominees should be unable or refuse to serve as a director (an event which the Board does not anticipate), the persons named in the enclosed proxy, in their discretion, will vote for substitute nominees of the Board unless otherwise instructed. If any other matters are properly presented to the Annual Meeting for action (including any proposal to adjourn the Annual Meeting), the persons named in such proxy and acting thereunder will vote in accordance with their best judgment on such matters.

Any shareholder may revoke his or her proxy at any time before it is voted by filing with the General Counsel/Corporate Secretary of Downey a written instrument revoking it or by filing a duly executed proxy bearing a later date. The execution of the enclosed proxy will not affect the right of a shareholder to vote in person if such shareholder should decide to attend the Annual Meeting and desires to vote in person.

SOLICITATION OF PROXIES

Proxies are being solicited on behalf of the Board of Directors of Downey. Downey will bear the cost of soliciting proxies. Directors and officers of Downey and directors, officers and employees of Downey Savings and Loan Association, F.A. (the "Bank") may solicit proxies personally, by mail, telephone, telecopier or other electronic transmission. Such directors, officers or employees will receive no compensation for their solicitation services other than their regular salaries, but may be reimbursed for out-of-pocket expenses. Downey will request record holders of shares beneficially owned by others to

forward this Proxy Statement and related materials to the beneficial owners of such shares and will reimburse such record holders for their reasonable expenses incurred in doing so.

PROPOSAL 1. ELECTION OF DIRECTORS

The directors of Downey are divided into three classes, as nearly equal in number as possible, with one class to be elected annually. The members of each class are elected for terms of three years and until their successors are elected and qualified, with one of the three classes of directors being elected each year. Article III, Section 3.2 of Downey's Bylaws provides that the Board shall be composed of not less than seven nor more than nine members, the exact number to be fixed by the Board.

Accordingly, at this Annual Meeting, three Class 2 Directors are to be elected to serve three-year terms and until their respective successors are elected and qualified. The following persons have been nominated by the Board to serve as directors:

For election as Class 2 Directors to hold office until the 2009 Annual Meeting of Shareholders, and until their successors are duly elected and qualified: Michael B. Abrahams; Cheryl E. Olson; and Lester C. Smull.

The Board of Directors unanimously recommends a vote "FOR" the election of each of the nominees.

Information Concerning Nominees and Directors

Certain information concerning each nominee for director and each current director is set forth below. For information regarding ownership of Downey Common Stock by nominees and directors of Downey, see "Security Ownership of Directors and Executive Officers" below. There are no arrangements or understandings between any director, or any nominee, or any other person pursuant to which such director or nominee is or was nominated to serve as director.

PROPOSAL 2. RATIFY THE APPOINTMENT OF AUDITORS

The Audit Committee of the Board has appointed KPMG LLP as Downey s auditors for 2006 and this appointment is being submitted to the shareholders for ratification. In the event the appointment is not ratified by a majority of votes cast, in person or by proxy, it is anticipated that no change in auditors would be made for the current year because of the difficulty and expense of making any change so long after the beginning of the current year. However, such vote would be considered in connection with the appointment of auditors for the next year. Even if the appointment is ratified, the Audit Committee may appoint a new independent auditor at any time during the year.

KPMG LLP was Downey s auditor for the year ended December 31, 2005, and their representative is expected to attend the Annual Meeting, be available to respond to appropriate questions from shareholders, and have the opportunity to make a statement if he/she desires to do so.

In 1989, the Board engaged KPMG LLP as Downey s independent auditor and the relationship which has existed has been the customary relationship between an independent accountant and client. The 2006 audit engagement agreement between Downey and KPMG contains a provision in which each party waives their respective right to recover punitive damages from the other party.

Fees

During 2004 and 2005, Downey paid KPMG LLP the following amounts for the services as described below:

	2004	2005
Audit Fees ⁽¹⁾	\$ 577,000	\$ 580,000

Audit-Related Fees ⁽²⁾	159,200	91,500
Tax Fees ⁽³⁾	45,000	15,465
Other Fees	-0-	-0-

(1) For audit and review of annual financial statements, management's assessment of internal control and review of the unaudited financial statements included in the Form 10-Qs.

(2) For assurance and related services reasonably related to the performance of the financial statements not reported above under Audit Fees.

(3) For the following services: tax compliance; tax advice; and tax planning.

The Audit Committee has approved all of the fees described above.

The Board recommends that shareholders vote "FOR" this proposal. Proxies, unless indicated to the contrary, will be voted "FOR" this proposal.

Board Meetings

During 2005, the Board met 12 times for regular meetings. All directors attended at least 75% of the aggregate meetings held during 2005 by the Board and the committees of the Board on which they served.

During 2005, the independent directors met (without management) two times. The independent director meetings were chaired by Downey's Chairman of the Board or, if he was not present, by the Vice-Chairman.

Director Attendance at Annual Meetings

Downey's corporate governance policies state that directors are expected to attend annual meetings of shareholders. All nine directors attended the 2005 Annual Meeting.

DIRECTOR INDEPENDENCE

On November 4, 2003, the Securities and Exchange Commission ("SEC") approved the final corporate governance rules of the New York Stock Exchange ("NYSE"), including final criteria for director independence and a requirement that listed companies have a majority of independent directors. Applying the NYSE's final independence criteria, the Board has determined that six directors (Abrahams, Finnell, Hunter, McAlister, McQuarrie and Olson) are independent, because each such director has no material relationship with Downey or the Bank, either directly or as a partner, shareholder or officer of an organization that has a relationship with Downey or the Bank. The Board also determined that the remaining three directors (Rosenthal, Smull and Wolfe) are not independent.

AUDIT COMMITTEE REPORT

The Audit Committee is responsible for monitoring the integrity of Downey's financial reporting process and systems of internal controls regarding financial reporting, accounting and legal compliance. In addition, the Audit Committee is responsible for the selection and hiring of the independent auditor and monitoring the independence and performance of Downey's independent auditors, the internal auditing department and the internal asset review function. The Audit Committee also facilitates communication among the independent auditors, management, the internal auditing department, the internal asset review department and the Board. The current members of the Audit Committee are Gerald E. Finnell, Chair, Michael B. Abrahams and Brent McQuarrie. The Board has determined that each member of the Audit Committee is independent under applicable listing standards and that Gerald E. Finnell qualifies as an "audit committee financial expert."

Audit Philosophy

During 2006, the Board re-approved the Audit Committee charter, which complies with the rules relating to the functioning of corporate audit committees promulgated by the SEC and NYSE. The charter is attached to this Proxy Statement as Appendix A and is available on Downey's website at www.downeysavings.com by clicking on "Investor Relations" and then "Corporate Governance."

During 2005, the Audit Committee met 13 times. The Audit Committee reviewed and discussed with management Downey's quarterly earnings releases and financial statements as well as the annual audited financial statements. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61.

Communications with Independent Auditors

The Audit Committee discussed with the independent auditors changes in significant accounting policies, the process used by management in formulating material accounting estimates and the independent auditor's conclusions regarding the reasonableness of such policies, estimates and adjustments arising from the audit, if any, and any disagreements with management over the application of accounting principles.

The Audit Committee received, reviewed and discussed with the independent auditors, the auditor's written disclosures regarding independence and the letter from the auditor required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. Based on the review of such disclosures and giving consideration to the non-audit services provided by KPMG LLP during 2005, the Audit Committee has concluded that KPMG's independence has not been impaired or compromised.

Section 404 of the Sarbanes-Oxley Act of 2002

The Audit Committee reviewed and discussed Downey's compliance with Section 404 of the Sarbanes-Oxley Act of 2002, including the Public Company Accounting Oversight Board's Auditing Standard No. 2 regarding the audit of internal control over financial reporting. The Audit Committee also reviewed and discussed Downey's guidelines for risk assessment and risk management and the major risk exposures of Downey and its business units, as appropriate.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires the Audit Committee's pre-approval of audit and non-audit services performed by the independent auditor to assure that such services do not impair the auditor's independence. Unless a type of service has received specific pre-approval by the Audit Committee, the independent auditor may not be engaged to perform the service. Any proposed services exceeding pre-approved cost levels also require specific pre-approval by the Audit Committee. The Audit Committee has delegated to the Chairman of the Audit Committee pre-approval authority for audit and non-audit services. The Audit Committee may also delegate such pre-approval authority to one or more of its members beyond the Chairman.

Based on the Audit Committee's review and discussions described above, the Audit Committee recommended to the Board that the audited financial statements be included in Downey's Form 10-K filed with the SEC.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The current members of the Compensation Committee are Michael B. Abrahams, Chair, Cheryl E. Olson and James H. Hunter. The Board has determined that each member of the Compensation Committee is independent under applicable listing standards. The independent directors of the Board have approved a written charter for the Compensation Committee to comply with SEC and NYSE requirements. The charter is available on Downey's website at www.downeysavings.com by clicking on "Investor Relations" and then "Corporate Governance."

Executive Compensation Philosophy

The Compensation Committee's goal is to align compensation programs with the strategic direction of Downey and the Bank and to attract, motivate and retain the best qualified employees. In carrying out its duties, the Compensation Committee evaluates compensation and benefits programs, including both qualified and nonqualified programs, and other benefits programs affecting all employees to ensure they are cost effective, competitive and fair.

The Compensation Committee periodically compares Downey's pay policies to peer group institutions. The Compensation Committee strives to implement benefits programs which, based upon competitive and cost considerations, deliver the highest level of value consistent with corporate and shareholder interests. Total compensation (including benefits) is established in the context of overall job responsibilities, achieving corporate performance goals and objectives, individual performance, as well as competitive compensation conditions.

2005 Components of Executive Compensation

During 2005, the components of the compensation programs included a base salary, a bonus program ("Annual Incentive Plan"), a Deferred Compensation Plan, a Section 125 Cafeteria Plan (i.e., medical, vision, dental and life coverages) and an Employees Retirement and Savings Plan (401(k) Plan).

Base Salary

During 2005 and early 2006, the Compensation Committee recommended and the independent directors of the Board approved the 2006 base salary of Daniel D. Rosenthal, the President and Chief Executive Officer. For further information regarding Mr. Rosenthal's 2006 base salary, see the paragraph below under the heading "President and Chief Executive Officer Compensation." The Compensation Committee also recommended and the independent directors of the Board approved the 2006 base salaries of other executive officers in accordance with the Compensation Committee charter. The Compensation Committee based its recommendations on assessment of market conditions and competitive factors, including salary surveys from nationally recognized third parties and salary surveys among the Bank's competitors.

Annual Incentive Plan

During 2005, the Compensation Committee reviewed and the independent directors of the Board approved a 2005 Annual Incentive Plan for Downey. The Compensation Committee established individual performance criteria and Downey's 2005 approved corporate performance target for net income, which aligned each participant's compensation with Downey's approved business plan. During 2005, bonus incentives targeted under the Annual Incentive Plan for the current President (who is also the Chief Executive Officer) were targeted at 120% of the base salary. Other executive officers and eligible participants of Downey and the Bank were targeted at between 10% and 100% of their base salary. Pursuant to the Annual Incentive Plan, those targeted amounts may be adjusted based upon individual and

corporate performance goals which provide for a potential bonus payment of up to 144% of an individual's targeted bonus amount. However, to the extent that actual corporate performance was below 80% of the approved corporate performance goal, no bonus amounts were to be paid to participants pursuant to the Annual Incentive Plan.

During 2005, Downey achieved 120% of its corporate performance target. Based upon 2005 corporate and individual participant performance, bonuses paid, relative to the targeted amounts for all such participants, represented, on average, 129% of the bonus target.

Deferred Compensation Program

During 1999, a 1999 Deferred Compensation Program was approved for key management employees and directors. Salary deferred pursuant to the 1999 Deferred Compensation Program earns interest at the current rate paid on one year certificates of deposit. The rate of interest paid in 2005 was 3.10%. Currently, 106 management employees and the directors are eligible to participate in the program. During 2005, 14 management employees elected to defer compensation pursuant to the 1999 Deferred Compensation Program. In November 2005, the independent directors of the Board approved an amendment to the 1999 Deferred Compensation Program designed to cause the Program to comply with newly applicable federal laws.

Employees Retirement and Savings Plan

The Bank offers to its employees a 401(k) plan. It is called the Downey Savings and Loan Association, F.A. Employees Retirement and Savings Plan. Participants are permitted to make contributions on a pre-tax basis, a portion of which is matched by the Bank. For 2005, the Bank contributed \$2.1 million as the employer match to the Downey Savings and Loan Association, F.A. Employees Retirement and Savings Plan.

Employee Stock Purchase Plan

Downey offers its employees participation in Downey's Employee Stock Purchase Plan. Downey believes that ownership of Downey's stock by employees will foster greater employee interest in Downey's success, growth and development and will be to the mutual benefit of the employee and Downey. The Employee Stock Purchase Plan is designed to provide employees a continued opportunity to purchase Downey stock through systematic payroll deductions. Downey bears all costs of administering the Employee Stock Purchase Plan, including broker's fees, commissions, postage and other costs incurred with stock purchases. If an employee elects to terminate participation in the Employee Stock Purchase Plan, or sells stock acquired through the Employee Stock Purchase Plan, the employee is responsible for the associated costs.

President and Chief Executive Officer Compensation

During 2005, Daniel D. Rosenthal served as President and Chief Executive Officer of Downey and the Bank. In accordance with the Annual Incentive Plan, achievement of Downey's 2005 corporate performance measured by net income and Mr. Rosenthal's individual performance, the Compensation Committee recommended and the independent directors of the Board approved an incentive compensation payment to Mr. Rosenthal of \$950,400, which amount represents 144% of the targeted incentive amount. The Compensation Committee recommended and the independent directors of the Board approved for Mr. Rosenthal a 2006 base salary of \$605,000 and target bonus (expressed as a percentage of base salary) of 120%.

Non-Employee Director Compensation

During 2005, the Compensation Committee also reviewed director compensation at Downey and comparable financial institutions and trends in director compensation as a result of increased workload and risk under the Sarbanes-Oxley Act of 2002. Based upon its review and analysis, in January and February 2005, the Compensation Committee recommended and the independent directors of the Board approved changes in non-employee director compensation, as described in "Director Compensation" below.

Conclusion

The Compensation Committee believes that the management team is dedicated to achieving significant improvement in Downey's long-term financial performance. The Compensation Committee further believes that Downey's compensation policies are designed to align closely the financial interests of senior executive management with the interests of Downey's shareholders and, as administered by the Compensation Committee, will enhance management's efforts in these areas.

Michael B. Abrahams, Chairman

Director Compensation

Annual Compensation

In January and February 2005, the Compensation Committee recommended and the Board approved certain increases in non-employee director compensation. The following chart reflects director compensation in effect since January 1, 2005.

Annual retainer to each director	(1)	\$36,000

Additional annual retainer to Chair of Bank Board	(2)	2,500
Additional annual retainer to Chair of Audit Committee		30,000

Committee meeting fee (per meeting)		1,000
Committee meeting fee (per day, other than on Board meeting day)		N/A
DSL Board meeting fee (per day)	(3)	1,000

(1) Each director of Downey is also a director of the Bank. The annual retainer listed is for services on both Boards.

(2) Downey and the Bank's Chairman has declined to accept the \$2,500 per year additional annual retainer from Downey or the Bank.

(3) There is no annual retainer paid to DSL Board members and no DSL Board meeting fee is paid if the meeting is on the same day as a Downey or Bank Board meeting.

Non-employee directors who review the Thrift Financial Reports and Consolidated Maturity/Rate Schedules required to be filed quarterly with the Office of Thrift Supervision receive a fee of \$500 per quarter. Directors are reimbursed for reasonable out-of-pocket expenses and are entitled to receive the same medical coverage benefits provided to the Bank's employees.

Employee directors receive no compensation for Board service.

For further information regarding payments received by Mr. Smull, see "Transactions with Management and Certain Business Relationships."

Director Retirement Benefits Plan

During 2004, the Board approved a revised Director Retirement Benefits Plan (the "DRB Plan"). To be eligible for the DRB Plan benefits, the director must have retired from the Board, not been an employee of Downey or the Bank while a director, and served as a director for a minimum of either three years (if he or she joined the Board before April 23, 2003) or five years (if he or she joined the Board on or after April 23, 2003). The total benefit an eligible director receives under the DRB Plan equals one-third of the months the director served (up to a maximum of 60 months) multiplied by the average monthly director compensation received during the 36 months preceding retirement. The total benefit will be paid to each eligible director or his or her designated beneficiary, in 60 equal monthly installments, without interest, beginning the month after retirement. If a majority interest of Downey's outstanding stock is transferred or acquired (other than by will or by the laws of descent and distribution), then the entire earned benefit becomes payable immediately, and the three-year (or five year) minimum service requirement does not apply. If a retired director so requests, Downey, at its option, may make a single lump-sum payment of the total benefit. Any such accelerated payment would be discounted to the present value at the interest rate then in effect for the Bank's two-year certificates of deposit.

Founder Retirement Agreement

On December 21, 1989, the Bank entered into a retirement agreement (the "Founder Retirement Agreement") with Mr. McAlister, pursuant to which Mr. McAlister's compensation was \$32,167 per month, which payments commenced upon Mr. McAlister's retirement as President of DSL Service Company, a subsidiary of the Bank, in 1993. The Founder Retirement Agreement provides for adjustments to compensation payments every three years, based on the Consumer Price Index, as defined under the Founder Retirement Agreement. Pursuant to these adjustments, Mr. McAlister's compensation was adjusted to \$39,210 per month, effective as of July 1, 2003.

During 2000, in consideration and in recognition of Mr. McAlister having completed more than thirty years of service and his continuing involvement with the growth of Downey and the Bank, the Bank agreed to amend the Founder Retirement Agreement pursuant to which Mr. McAlister and the Bank agreed that Mr. McAlister would be entitled to receive monthly compensation for so long as Mr. McAlister lives but not less than 120 months from June 28, 2000. Thus, the payments will be made to Mr. McAlister's estate through June 2010 should he die prior to that date. During 2005, Mr. McAlister received \$494,869 under the Founder Retirement Agreement. If a majority interest of Downey's Common Stock is transferred or acquired, then such compensation shall continue as scheduled or, at Downey's option, a lump-sum payment equal to the then present value of any remaining compensation shall be paid.

Compensation Committee Interlocks and Insider Participation

The members of Downey's 2005 Compensation Committee were Michael B. Abrahams, Cheryl E. Olson, and James H. Hunter. During the last fiscal year, no member of the Compensation Committee was an officer or employee of Downey or any of its subsidiaries. As discussed more fully below under the caption "Certain Relationships and Related Transactions - Loans to Management and Directors," which discussion is incorporated herein by reference, the Bank has made various loans to, and DSL has made certain equity investments in real estate ventures associated with, McMillin Companies, LLC, of which Mr. Hunter serves as Executive Vice President of Planning and Acquisition.

None of Downey's executive officers has ever served as a director or member of the compensation committee

(or other board committee performing equivalent functions) of another entity, in which a member of Downey's Compensation Committee has served as an executive officer.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE REPORT

The current members of the Nominating and Corporate Governance Committee ("NCGC") are Cheryl E. Olson, Chair, Maurice L. McAlister and Brent McQuarrie. The Board has determined that each member of the NCGC is independent under applicable listing standards. In accordance with SEC and NYSE requirements, the Board has approved (i) a written charter for the NCGC; (ii) corporate governance guidelines; (iii) a code of ethical conduct for directors and financial officers; and (iv) a code of ethical conduct for all employees. Items (i)-(iii) and a summary of item (iv) are available on Downey's website at www.downeysavings.com by clicking on "Investor Relations" and then "Corporate Governance."

Nomination of Director Candidates

The NCGC is primarily responsible for identifying qualified director candidates, including shareholder nominees, and the NCGC considers, among other things, a candidate's age, diversity, skills, background, experience and ability to represent the long-term interests of shareholders as a whole.

The NCGC will consider shareholder nominations for director in accordance with Downey's Bylaws. The nominating shareholder must be eligible to vote for the election of directors at the annual meeting for which the shareholder's director candidate is nominated. To be timely, a shareholder's nomination must be delivered to or received at Downey's principal executive offices not less than 20 days prior to the annual meeting; provided, however, that if Downey gives shareholders less than 30 days' notice of the date of the annual meeting (which notice must be accompanied by a proxy or information statement which identifies the nominees of the Board), to be timely Downey must receive the shareholder nomination by the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed. Such shareholder's nomination notice shall set forth as to each director nominee (i) the name, age, business address and residence address of such nominee; (ii) the principal occupation or employment of such nominee; and (iii) such nominee's written consent to serve as a director, if elected; and as to the shareholder giving the notice (i) the name and address of such shareholder; and (ii) the class and number of shares of Downey which are owned of record by such shareholder.

At the request of the Board, any person nominated by the Board for election as a director shall furnish to the General Counsel/Corporate Secretary of Downey the information required to be set forth in a shareholder's notice of nomination which pertains to the nominee together with the required written consents. Ballots bearing the names of all persons nominated by the NCGC and by shareholders shall be provided for use at the annual meeting. If the NCGC fails or refuses to act at least 20 days prior to the annual meeting, nominations for directors may be made at the Annual Meeting by any shareholder entitled to vote and shall be voted upon. No person shall be elected as a director of Downey unless nominated in accordance with the procedures set forth in this section.

Downey does not currently employ or pay a fee to any third party to assist in identifying or evaluating director candidates.

Shareholder-Director Communications

The Board welcomes communications from shareholders. You may send communications to the Board or any

particular directors(s) in care of Downey's General Counsel/Corporate Secretary, 3501 Jamboree Road, North Tower, Newport Beach, California 92660, who shall forward the communications to the director(s) and may review such communications and distribute a copy to Downey's senior management.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Management and Certain Business Relationships

During 2005, employees of Downey and the Bank provided accounting and related services to Maurice L. McAlister, Chairman of Downey's Board of Directors, certain members of Mr. McAlister's family and certain of his controlled affiliates. The aggregate value of these services was approximately \$74,454. Downey and the Bank have been fully reimbursed for the services provided.

From time to time, the Bank's Board has approved having the Bank enter into commercial leases with California partnerships in which Lester C. Smull, a director of Downey and the Bank, is the managing general partner. These commercial leases are for a total of five Bank branches, one each in Huntington Beach, Dana Point, Chino, Simi Valley and Mission Viejo, California, and a branch regional office in Chino, California. The Bank's aggregate rental obligations on the six leases as of February 2006 is approximately \$37,280 per month. Management believes that the terms of the leases, including the monthly rent, are at least as favorable to the Bank as prevailing terms that could be obtained from a non-affiliated person.

Loans to Management and Directors

The Bank offers loans to directors, officers and employees of Downey, the Bank and their respective subsidiaries. These loans are made in the ordinary course of business and, in the judgment of management, do not involve more than the normal risk of collectability or present other unfavorable features. The loans are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons.

Over a period of approximately 30 years, the Bank has made various loans to Director Smull, in his individual capacity, to the Smull Family Trust and to a number of California partnerships in which Director Smull is a managing general partner. As of December 31, 2005, the Bank had loans outstanding to Director Smull or his related partnerships in an aggregate amount of approximately \$21.3 million. Each of the loans to Director Smull or his related partnerships (i) was made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons; and (ii) did not involve more than the normal risk of collectability or present other unfavorable features.

The Bank has made various loans to McMillin Companies, LLC, where Director Hunter is Executive Vice President of Planning and Acquisition. As of December 31, 2005, the Bank had loans outstanding to McMillin

Companies, LLC and related entities in an aggregate amount of \$4.6 million. In addition, DSL has equity investments in real estate ventures associated with McMillin Companies, LLC, specifically (as of December 31, 2005) a \$1.3 million investment in Cristal @ Morgan Hill, LLC, a \$13.9 million investment in Montevina @ Morgan Hill, LLC, and a \$12.0 million investment in Ruffino @ Morgan Hill, LLC. Each of the loans to, and equity investments with, the McMillin-related entities (i) was made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons; and (ii) did not involve more than the normal risk of collectability or present other unfavorable features.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

At the close of business on February 27, 2006, the record date for the Annual Meeting, there were 27,853,783 shares of Downey's Common Stock outstanding and entitled to vote, all of one class, and each having one vote. The holders of a majority of the shares outstanding and entitled to vote, either present in person or represented by proxy, constitute a quorum for the Annual Meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Downey's and, as may be determined, the Bank's and their respective subsidiaries' executive officers, directors and persons who own more than ten percent (10%) of Downey's Common Stock, to file with the SEC and the NYSE reports of ownership of Downey securities and changes in reported ownership. Officers, directors and greater than ten percent (10%) shareholders are required by SEC rules to furnish Downey with copies of all Section 16(a) reports they file.

Based solely on a review of the reports furnished to Downey, or written representations from reporting persons that all reportable transactions were reported, Downey believes that during the period January 1, 2005 to December 31, 2005, Downey's officers, directors and greater than ten percent (10%) owners timely filed all reports they were required to file under Section 16(a), except that one report, covering a total of one open market purchase transaction by Jaime McQuarrie, the daughter of Director Brent McQuarrie, was not timely reported on SEC Form 4. The transaction was reported as soon as it became known and a SEC Form 4 was filed one day late.

NEW YORK STOCK EXCHANGE CEO CERTIFICATION

The certification of Downey's Chief Executive Officer as required by the NYSE listing standards, Section 303A.12(a), was submitted to the NYSE on May 4, 2005.

PROPOSALS OF SHAREHOLDERS

It is presently anticipated that the 2007 annual meeting of shareholders will be held in April 2007. Shareholders desiring to exercise their rights under the proxy rules to submit shareholder proposals are advised that their proposals must be received by Downey no later than November 11, 2006, in a form that complies with applicable securities laws, in order to be eligible for inclusion in Downey's proxy statement relating to that meeting. Shareholders desiring to submit proposals pursuant to the proxy rules should submit their proposals to the General Counsel/Corporate Secretary, Downey Financial Corp., 3501 Jamboree Road, Newport Beach, California 92660. In addition, in the event a proposal is not submitted to Downey prior to January 30, 2007, the proxy to be solicited by the Board of Directors for the 2007 annual meeting of shareholders will confer authority on the holders of the proxy to vote the shares in accordance

with their best judgment and discretion if the proposal is presented at the 2007 annual meeting of shareholders without any discussion of the proposal in the proxy statement for such meeting.

Pursuant to Downey's Bylaws, only such business shall be conducted, and only such proposals shall be acted upon at the Annual Meeting as are properly brought before the Annual Meeting. For any new business proposed by management to be properly brought before the Annual Meeting such new business shall be approved by the Board, either directly or through its approval of proxy solicitation materials related thereto, and shall be stated in writing and filed with the General Counsel/Corporate Secretary of Downey at least 60 days before the date of the Annual Meeting, and all business so stated, proposed and filed shall be considered at the Annual Meeting. Any shareholder may make any other proposal at the Annual Meeting and the same may be discussed and considered, but unless properly brought before the Annual Meeting, such proposal shall not be acted upon at the Annual Meeting. For a proposal to be properly brought before an annual meeting by a shareholder, the shareholder must have given timely notice thereof in writing to the General Counsel/Corporate Secretary of Downey. To be timely, a shareholder's notice must be delivered to or received at the principal executive offices of Downey not less than 120 calendar days before the date Downey's proxy statement is released to shareholders in connection with the previous year's annual meeting of shareholders, except that, if no annual meeting was held in the previous year or if the date of the annual meeting has been changed by more than 30 calendar days from the date contemplated at the time of the previous year's proxy statement, notice by the shareholder to be timely must be so received no later than the close of business on the 10th day following the day

Notwithstanding anything in the Bylaws to the contrary, no business shall be conducted at an annual meeting except in accordance with the procedures set forth in Downey's Bylaws.

APPENDIX A

DOWNEY FINANCIAL CORP. CHARTER FOR THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

I. Audit Committee Purpose

The Audit Committee shall be appointed by the Board of Directors, to assist the Board in fulfilling its oversight responsibilities. The Audit Committee's primary duties and responsibilities are to:

- Assist Board oversight of the integrity of the financial statements of Downey Financial Corp. and its subsidiaries (individually "DFC" and with DFC's subsidiaries, collectively called "Downey");
- Assist Board oversight of the independence, qualifications and performance of Downey's independent auditors, the performance of the internal auditing department, and the internal asset review function;
- Assist Board oversight of Downey's compliance with legal and regulatory requirements; and
- Prepare any report required by the rules of the United States Securities and Exchange Commission ("SEC") to be included in DFC's annual proxy statement.

The Audit Committee shall have the sole authority to appoint or replace the independent auditors, subject to any required shareholder ratification. The Audit Committee may retain, at Downey's expense, independent legal, accounting, or other consultants or experts it deems necessary in the performance of its duties. Downey shall provide for appropriate funding, as determined by the Audit Committee, to compensate the independent auditors and any advisors the Audit Committee employs, and to cover ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

II. Audit Committee Composition and Meetings

Audit Committee members shall satisfy the requirements for independence and expertise established by the New York Stock Exchange, Inc., in Rule 10A-3 of the Securities Exchange Act of 1934 ("Exchange Act") and other rules and regulations of the SEC. The Audit Committee shall be comprised of at least three directors, each of whom shall be independent non-executive directors, free from any relationship that would interfere with the exercise of his or

her independent judgment. Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by DFC's Board in its business judgment. At least one member of the Audit Committee shall have accounting or related financial management expertise.

The Audit Committee shall meet periodically (at least annually) in separate executive sessions with management, the Director of Internal Audit, the Director of Internal Asset Review, the independent auditors, and as a committee to discuss any matters that the Committee or each of those groups believe should be discussed.

III. Audit Committee Responsibilities and Duties

The Audit Committee shall:

1. Meet to review and discuss with management and the independent auditors Downey's quarterly and annual audited financial statements, including disclosures made in "management's discussion and analysis of financial condition and results of operations" prior to filing or distribution and recommend to the Board whether the audited financial statements should be included in DFC's Form 10-K.

2. Discuss significant financial risk exposures and the steps management has taken to monitor, control, and report such exposures.

3. Review major issues regarding accounting principles and financial statement presentations, including any significant changes in Downey's selection or application of accounting principles, any major issues as to the adequacy of Downey's internal controls and any special steps adopted in light of any material control deficiencies identified.

4. Discuss with management and the independent auditors the effect(s) of regulatory and accounting initiatives as well as off-balance sheet structures on Downey's financial statements.

5. Discuss DFC's earnings press releases including the type and presentation of information to be included therein (paying particular attention to any use of "pro forma" or "adjusted" non-GAAP information) as well as financial information and earnings guidance provided to analysts and rating agencies, if any.

6. Review and discuss quarterly reports from the independent auditors on: significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including all critical accounting policies and practices to be used; all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments and the treatment preferred by the independent auditors; and other material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences.

7. Review the independence and performance of the independent auditors and annually select the independent auditors or approve any discharge of independent auditors when circumstances warrant.

8. Assume direct responsibility for the compensation and oversee the work of the independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for purposes of preparing or issuing an audit report or related work. The independent auditors shall report directly to the Audit Committee. Preapprove all auditing services and permitted non-audit services (including the fees

and terms thereof) to be performed for Downey by its independent auditors, subject to the de minimus exceptions for non-audit services described in Section 10A(I)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to completion of the audit.

9. Set clear policies for the hiring of employees or former employees of the independent auditors who participated in any capacity in any audit of Downey.

10. Discuss certain matters required to be communicated to audit committees in accordance with AICPA SAS 61.⁽¹⁾

(1) Statement of Auditing Standards (SAS) No. 61 requires auditors to discuss certain matters with audit committees. The communication may be in writing or oral and may take place before or after the financial statements are issued. Items to be communicated include:

- *The auditors' responsibility under Generally Accepted Auditing Standards (GAAS);*
- *Significant accounting policies;*
- *Management's judgments and accounting estimates;*
- *Significant audit adjustments;*

- *Other information in documents containing audited financial statements;*
- *Disagreements with management including accounting principles, scope of audit, disclosures;*
- *Consultation with other accountants by management;*
- *Major issues discussed with management prior to retention; and*
- *Difficulties encountered in performing the audit.*

11. Evaluate the lead partner of the independent auditor team. Ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law. Consider whether there should be regular rotation of the audit firm itself in order to assure continuing auditor independence. Obtain and review a report from the independent auditors at least annually describing (a) the independent auditors' internal quality control procedures, (b) any material issues raised by the most recent internal quality control review or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five (5) years respecting one or more independent audits carried out by the firm, (c) any steps taken to deal with any such issues, and (d) all relationships between the independent auditors and Downey. Evaluate the qualifications, performance and independence of the independent auditors, taking into account the opinions of management and the internal auditors. The Audit Committee shall present its conclusions with respect to the independent auditors to the Board.

12. Review and discuss with the independent auditors and management guidelines and policies with respect to risk assessment and risk management and financial strength.

13. Discuss with management and the independent auditors any correspondence with regulators or other governmental agencies and any published reports which raise material issues regarding Downey's financial statements or accounting policies.

14. Annually prepare a report to shareholders as required by the SEC to be included in DFC's annual proxy statement.
15. Establish procedures for the Audit Committee to receive, retain and address complaints Downey receives regarding accounting, internal accounting controls, or auditing matters, and any confidential, anonymous submissions by Downey employees regarding questionable accounting or auditing matters.
16. Maintain minutes of meetings and periodically report to the Board.
17. Evaluate the Audit Committee's performance annually.
18. Review with the independent auditors any audit problems or difficulties and management's response. This review should include any difficulties the auditor encountered in the course of the audit work, including any restrictions on the scope of the independent auditor's activities or on access to requested information, and any significant disagreements with management. The committee may also review with the auditor: any accounting adjustments that were noted or proposed by the auditor but were "passed" (as immaterial or otherwise); any communications between the audit team and the audit firm's national office respecting auditing or accounting issues presented by the engagement; and any "management" or "internal control" letter issued, or proposed to be issued, by the audit firm to Downey.
