PROXY STATEMENT

**ANNUAL MEETING OF SHAREHOLDERS
To Be Held July 30, 2003**

This Proxy Statement is furnished in connection with the solicitation, on behalf of the Board of Directors of ITLA Capital Corporation (ITLA Capital), of proxies to be used at the Annual Meeting of Shareholders of ITLA Capital (the Meeting), and all adjournments or postponements of the Meeting. The Meeting will be held at the Hyatt Regency La Jolla, 3777 La Jolla Village Drive, San Diego, California, on July 30, 2003 at 2:00 p.m., California time. The accompanying Notice of Annual Meeting of Shareholders and form of proxy and this Proxy Statement are first being mailed to shareholders on or about June 30, 2003. Certain of the information provided herein relates to Imperial Capital Bank, a wholly owned subsidiary of ITLA Capital (sometimes referred to below as the Bank).

At the Meeting, shareholders of ITLA Capital are being asked to consider and vote upon: (i) the election of three directors of ITLA Capital; and (ii) the ratification of the appointment of Ernst & Young LLP as ITLA Capital's independent auditors for the fiscal year ending December 31, 2003.

Voting Rights and Proxy Information

All shares of the common stock, par value \$.01 per share (Common Stock), of ITLA Capital represented at the Meeting by properly executed proxies received prior to or at the Meeting and not revoked will be voted at the Meeting in accordance with the instructions thereon. If no instructions are indicated, properly executed proxies will be voted FOR the election of all nominees named in this Proxy Statement and FOR the ratification of the appointment of Ernst & Young LLP. ITLA Capital does not know of any matters, other than as described in the Notice of Annual Meeting of Shareholders, that are to come before the Meeting. If any other matters are properly presented at the Meeting for action, the Board of Directors, as proxy for the shareholder, will have the discretion to vote on such matters in accordance with its best judgment.

Directors will be elected by a plurality of the votes cast. The ratification of the appointment of Ernst & Young LLP as ITLA Capital's independent auditors requires the affirmative vote of a majority of the votes cast on the matter. In the election of directors, shareholders may either vote FOR all nominees for election or withhold their votes from one or more nominees for election. Votes that are withheld and shares held by a broker, as nominee, that are not voted (so-called broker non-votes) in the election of directors will not be included in determining the number of votes cast. For the proposal to ratify the appointment of the independent auditors, shareholders may vote FOR, AGAINST or ABSTAIN with respect to this proposal. Proxies marked to abstain will have the same effect as votes against the proposal, and broker non-votes will have no effect on the proposal. The holders of at least one-third of the outstanding shares of the Common Stock, present in person or represented by proxy, will constitute a quorum for purposes of the Meeting. Proxies marked to abstain and broker non-votes will be counted for purposes of determining a quorum.

A proxy given pursuant to this solicitation may be revoked at any time before it is voted. Proxies may be revoked by: (i) duly executing and delivering to the Secretary of ITLA Capital a subsequent proxy relating to the same shares prior to the exercise of such proxy; (ii) filing with the Secretary of ITLA Capital at or before the Meeting a written notice of revocation bearing a later date than the proxy; or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not in and of itself constitute revocation of a

Agreements with Mr. Haligowski

ITLA Capital has entered into an employment agreement with Mr. Haligowski. The employment agreement provides for an initial employment term of five years, with the agreement automatically annually extending for an additional one-year period each year unless either party provides the other with at least 90 days notice of the non-extension or termination. The employment agreement provides that ITLA Capital may terminate Mr. Haligowski for cause, as defined in the employment agreement. In the event Mr. Haligowski is involuntarily terminated, as defined in the employment agreement, including following a change of control, as defined in the employment agreement, Mr. Haligowski will be entitled to receive during the remaining term of the agreement his base salary calculated at the highest annual rate during the three years prior to his involuntary termination and the average amount of cash bonus and incentive compensation paid for the two years prior to his involuntary termination, if any, the continuation of all employment related benefits for the 60 months following the date of termination and the immediate vesting of any stock options and restricted stock awards previously granted and outstanding. As a result of a change of control, Mr. Haligowski will also be retained as a consultant for an eighteen month period following the change in control at a monthly consulting fee equal to 75% of his base salary and an additional contribution to his account in ITLA Capital's Supplemental Executive Retirement Plan equal to 3.95 times his base salary. In addition, the terms of the employment agreement shall be extended 60 months and stock options and restricted stock awards previously granted and outstanding, salary continuation plans, equity club memberships and other fringe benefits shall immediately vest following a change of control. The annual base salary for Mr. Haligowski under the employment agreement is currently \$447,500 (which may be increased from time to time by the Board of Directors). The employment agreement also provides for, among other things, annual incentive compensation, disability pay, participation in stock benefit and salary continuation plans, and other fringe benefits, including a supplemental housing payment of not less than \$2,500 per month, an automobile allowance of not less than \$1,950 per month, and life insurance coverage in an amount not less than four times Mr. Haligowski's annual salary. In addition, ITLA Capital must maintain health, dental and life insurance benefits for the 60 months following an involuntary termination and transfer title to ITLA Capital's owned vehicle currently used by Mr. Haligowski. In March 2000, ITLA Capital adopted a Salary Continuation Plan for the benefit of Mr. Haligowski. Under the terms of this plan, Mr. Haligowski will be entitled to receive monthly payments, based on 75% of his average monthly base salary for the three years preceding the year in which the plan benefits become payable, for a 15 year period. The benefits under the plan become payable on the earlier of Mr. Haligowski's retirement upon reaching age 65, or his death, disability, or involuntary termination (other than a termination for cause, as defined in the agreement). If Mr. Haligowski voluntarily terminates his employment prior to reaching age 65, the benefit payable to him under the plan will be prorated.

based on the ratio of the actual period that he worked while the plan is in effect to the scheduled period of time that he would have worked if he had continued to work until reaching age 65. If ITLA Capital undergoes a change of control, the vesting of plan benefits accelerates and become payable monthly over a ten-year period, with an increased monthly payment to reflect the shorter payment period.

Change of Control Agreements

ITLA Capital has entered into change of control agreements with Messrs. Bruce, Doyle, Romelt and Nickbarg. The change in control agreements have initial terms of one year and shall automatically extend for additional one-year periods upon a change of control, as defined in the agreement, or upon their anniversary date, unless either party provides the other with at least 90 days notice of termination. These agreements provide that in the event the officer is involuntarily terminated within 24 months following a change of control, as defined in the agreement, the officer shall be entitled to receive upon such termination an amount equal to the greater of the annualized salary as in effect on the date of the change of control or the date of termination for a period of up to 18 months and a pro rata portion of his bonus from the previous year. In addition ITLA Capital will maintain health, dental and life insurance benefits for up to the next 18 months for each officer and transfer title to ITLA Capital's owned vehicle currently used by the officer or, in the event the officer receives a monthly cash car allowance in lieu of the use of our vehicle, ITLA Capital shall pay an amount equal to up to 18 times the monthly allowance. Stock options and restricted stock awards previously granted and outstanding will also immediately vest. The annual base salaries for Messrs. Bruce, Doyle, Romelt and Nickbarg are currently \$230,000, \$195,000, \$185,000 and \$175,000, respectively.

Both Mr. Haligowski's employment agreement and the change of control agreements also provide that to the extent any payments made may be considered excess parachute payments under Section 280G of the Internal Revenue Code that are subject to excise tax, ITLA Capital will pay an additional amount needed to insure that the amount of payments and value of benefits received equals the same amount in the absence of any excise tax.

Supplemental Executive Retirement Plan (SERP)

The SERP provides that the compensation committee may make restricted stock awards under ITLA Capital's Recognition and Retention Plan (the RRP) on a tax deferred basis through the SERP. The SERP further provides that Mr. Haligowski shall receive an allocation annually, subject to the performance terms of the RRP, of a restricted stock award equal to one-third of his base salary and all other participants shall receive an award equal to one-fifth of base salary subject to the approval of the compensation committee, which may also allocate a greater or lesser award or no award in its discretion. For this purpose, each share of Common Stock has been valued at \$9.00 per share, the fair market value of the Common Stock on the date of issuance to the SERP. A participant shall only have a vested right to amounts allocated to his or her account if the participant is employed on the last day of a three year vesting cycle or earlier at the discretion of the compensation committee. Upon a change in control (as defined in the SERP), the participant shall have an accelerated vesting of all shares allocated to his or her account. The participant shall only have a right to vested shares in his or her account upon normal retirement, death, disability or termination. The last day of the next vesting cycle for shares allocated to the SERP accounts for the benefit of the participants for the years 2003, 2004 and 2005 is December 31, 2005.

Nonqualified Deferred Compensation Plan

The ITLA Capital Corporation Supplemental Salary Savings Plan (the Supplemental Plan) and Nonqualified Deferred Compensation Plan (the Deferral Plan) are designed to provide additional retirement benefits for certain officers and highly compensated employees. The Supplemental Plan provides participating employees with an opportunity to make up benefits not available under ITLA Capital's 401(k) Plan due to any application of limitations on compensation and maximum benefits under the 401(k) Plan. Benefits under the Supplemental Plan are provided at the same time and in the same form as benefits under the 401(k) Plan, and become taxable to the participant at that point. The Deferral Plan allows a participant to defer receipt of, and current taxation upon, designated portions of the participant's direct cash compensation

Table of Contents

until a future date specified by the participant. Both of these plans are unfunded plans, meaning that all benefits payable thereunder are payable from ITLA Capital's general assets, and funds available to pay benefits are subject to the claims of ITLA Capital's general creditors. ITLA Capital has established a Rabbi Trust with a third party FDIC insured financial institution which holds the contributions to the Supplemental Plan and Deferral Plan, for the purpose of providing the benefits set forth under the terms of the plans. Participants only have the rights of unsecured creditors with respect to the Rabbi Trust assets.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors has furnished the following report on executive compensation:

Compensation Policies. Under the supervision of the Board of Directors, ITLA Capital has developed and implemented compensation policies, plans and programs which seek to enhance the profitability of ITLA Capital, and thus shareholder value, by closely aligning the financial interests of ITLA Capital's employees, including its Chief Executive Officer and ITLA Capital's other senior management, with those of its shareholders.

The executive compensation program of ITLA Capital is designed to:

Support a pay-for-performance policy that differentiates compensation based on corporate and individual performance;

Motivate employees to assume increased responsibility and reward them for their achievements;

Provide compensation opportunities that are comparable to those offered by other leading companies, allowing ITLA Capital to compete for and retain talented executives who are critical to ITLA Capital's long-term success; and

Align the interests of executives with the long-term interests of shareholders through award opportunities that can result in ownership of Common Stock.

At present, the executive compensation program is comprised of salary, annual cash bonus incentive opportunities, long-term incentive opportunities in the form of stock options and restricted stock awards, and miscellaneous benefits typically offered to executives by major corporations. The Committee considers the total compensation (earned or potentially available) in establishing each element of compensation so that total compensation paid is competitive with the market place, based on an independent compensation consultant's survey of salary competitiveness of other financial institutions.

For Mr. Haligowski and the other executive officers, as an executive's level of responsibility increases, a greater portion of his or her potential total compensation opportunity is based on ITLA Capital performance incentives rather than on salary. Reliance on ITLA Capital performance causes greater variability in the individual's total compensation from year to year. By varying annual and long-term compensation and basing both on corporate performance, ITLA Capital believes executive officers are encouraged to continue focusing on building profitability and shareholder value.

Salaries and Bonuses. With respect to Mr. Haligowski's base salary, the Committee took into account a comparison of salaries of chief executive officers of financial institutions statewide and established Mr. Haligowski's salary at \$447,500 as of January 1, 2002. Likewise, each executive officer's base salary was determined utilizing financial institution compensation surveys. Mr. Haligowski's cash bonus for 2002 was determined by the Committee after considering Mr. Haligowski's individual performance and the performance of ITLA Capital during 2002, as well as the recommendation of the independent compensation consultant. The 2002 cash bonuses for the other executive officers were also determined by the Committee based on the individual performance of each officer and the performance of ITLA Capital during 2002, as well as the recommendations of Mr. Haligowski.

Stock Option Awards. The Employee Stock Incentive Plan is designed to align a significant portion of the executive compensation program with shareholder interests. The Employee Stock Incentive Plan provides

Table of Contents

for the granting of stock-based awards. To date, stock options are the only awards granted under the Employee Stock Incentive Plan to executive officers and other key employees.

Restricted Stock Awards. In 1996, the Committee adopted a policy relating to the granting of restricted stock awards to executive officers and certain key employees under the RRP to be carried out by the Committee. Under this policy, awards may be granted to plan participants by the Committee utilizing objective criteria adopted by the Committee and approved by the Board of Directors, after taking into account the proposed allocations under ITLA Capital's SERP, the practices of other publicly traded financial institutions and such other factors as deemed appropriate. In addition, under the formula, no awards under the proposed RRP may be granted in any year in which Imperial Capital Bank does not achieve a return on average assets of at least .50% and remain adequately capitalized under FDIC rules.

PROPOSAL II RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

On May 29, 2002, the Board of Directors of ITLA Capital dismissed ITLA Capital's independent auditors, Arthur Andersen LLP, and upon recommendation by its Audit Committee, approved the engagement of Ernst & Young LLP as ITLA Capital's independent auditors for the year ending December 31, 2002, subject to the ratification of that appointment by ITLA Capital's shareholders at the Meeting.

The reports of Arthur Andersen LLP on ITLA Capital's financial statements as of and for the years ending December 31, 2001 and 2000, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During ITLA Capital's fiscal years ended December 31, 2001 and 2000, and the subsequent interim period from January 1, 2002 through May 29, 2002, there were no disagreements with Ernst & Young LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Arthur Andersen LLP would have caused Ernst & Young LLP to make reference to the matter in their report. There were no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

Prior to the dismissal of Arthur Andersen LLP, ITLA Capital did not consult with Ernst & Young LLP regarding: (i) the application of accounting principles to a specified transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on ITLA Capital's financial statements; or (iii) a reportable event (as defined in paragraph 304(a)(1)(v) of Regulation S-K).

The Audit Committee of ITLA Capital's Board of Directors has engaged Ernst & Young LLP to serve as ITLA Capital's independent auditors for the 2003 fiscal year, subject to the ratification of that appointment by ITLA Capital's shareholders at the Meeting. A representative of Ernst & Young LLP is expected to attend the Meeting to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires. Ratification of the appointment of the independent auditors requires approval of a majority of the votes cast on the proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE **FOR** THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS ITLA CAPITAL'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2002.

For the fiscal year ended December 31, 2002, Ernst & Young LLP, the independent accounting firm which audited ITLA Capital's 2002 financial statements, provided various audit and non-audit services to ITLA Capital. Set forth below are the aggregate fees billed for these services.

(a) *Audit Fees.* The aggregate fees billed to ITLA Capital by Ernst & Young LLP for professional services rendered for the audit of ITLA Capital's financial statements for fiscal 2002 and the reviews of the financial statements included in ITLA Capital's Form 10-Qs for that year were \$181,000.00.

(b) *Financial Information Systems Design and Implementation Fees.* There were no fees for financial information systems design and implementation billed to ITLA Capital by Ernst & Young LLP for fiscal 2002.

(c) *All Other Fees.* Other than audit fees, the aggregate fees billed to ITLA Capital by Ernst & Young LLP for fiscal 2002 were \$91,600.00.

The Audit Committee of the Board of Directors considered whether the provision of the services described in item (c) above by Ernst & Young, LLP was compatible with maintaining the independence of Ernst & Young, LLP.

- ABSTAIN**

In its discretion, the Board of Directors, as proxy for the shareholder, is authorized to vote on any other business that may properly come before the Meeting or any adjournment or postponement thereof.

The Board of Directors recommends a vote **FOR** the election of all director nominees named above and **FOR** the ratification of the appointment of Ernst & Young LLP.

This proxy may be revoked at any time before it is voted by: (i) duly executing a subsequent proxy relating to the same shares and delivering it to the Secretary of ITLA Capital prior to the exercise of this proxy; (ii) filing with the Secretary of ITLA Capital at or before the Meeting a written notice of revocation bearing a later date than the proxy; or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy). If this proxy is properly revoked as described above, then the power of the Board of Directors as attorneys and proxies for the undersigned shall be deemed terminated and of no further force and effect.

The undersigned acknowledges receipt from ITLA Capital prior to the execution of this Proxy, of Notice of the Meeting, a related Proxy Statement and ITLA Capital's Annual Report to Shareholders for the fiscal year ended December 31, 2002.
