This proxy is solicited on behalf of the Board of Trustees of each Fund, and is revocable by the person giving it prior to exercise by a signed writing filed with the Funds' Secretary, or by executing and delivering a later dated proxy, or by attending the meeting and voting the shares in person. If you attend the meeting in person, please be prepared to present photo identification. Each proxy will be voted in accordance with its instructions; if no instruction is given, an executed proxy will authorize the persons named as attorneys, or any of them, to vote in favor of the election of each Trustee. This proxy material is being mailed to shareholders on or about February 22, 2011.

The Board of Trustees of each Fund has fixed the close of business on February 10, 2011 as the record date for the determination of the shareholders entitled to notice of and to vote at the meeting and any adjournments or postponements thereof. Shareholders at the close of business on the record date will be entitled to one vote for each share held. The number of Common Shares, \$.01 par value per share, of each Fund outstanding on February 10, 2011, were as follows:

<u>Fund</u>	No. of Common Shares
	<u>Outstanding on February 10, 2011</u>

Information relating to these shareholders can be found at Exhibit C. As of February 10, 2011, to each Fund's knowledge, (i) no other shareholder beneficially owned more than 5% of the outstanding shares of a Fund; and (ii) the Trustees and officers of each Fund, individually and as a group, owned beneficially less than 1% of the outstanding shares of each Fund.

The Board of Trustees of the Funds know of no business other than that mentioned in Item 1 of the Notice of Annual Meeting of Shareholders which will be presented for consideration. If any other matters are properly presented, it is the intention of the persons named as attorneys in the enclosed proxy to vote the proxies in accordance with their judgment on such matters.

PROPOSAL 1. ELECTION OF TRUSTEES

Each Fund's Agreement and Declaration of Trust provides that a majority of the Trustees shall fix the number of the entire Board and that such number shall be at least two and no greater than fifteen. Each Board will fix the appropriate number of Trustees from time to time. Each Fund's Agreement and Declaration of Trust further provides that the Board of Trustees shall be divided into three classes. The term of office of the Class III Trustees expires on the date of the 2011 Annual Meeting, and the term of office of the Class I and Class II Trustees will expire one

Edgar Filing: Eaton Vance Tax-Managed Buy-Write Income Fund - Form DEF 14A

and two years thereafter, respectively. Accordingly, only nominees for Class III Trustee are currently proposed for election. Class III Trustees chosen to succeed the Trustees whose terms are expiring will be elected for a three-year term. An effect of staggered terms is to limit the ability of entities or persons to acquire control of a Fund.

The Trustees of each Fund shall be elected by the affirmative vote of a plurality of the shares of the Fund entitled to vote. No nominee is a party adverse to the Funds or any of its affiliates in any material pending legal proceeding, nor does any nominee have an interest materially adverse to the Funds.

Board Meetings and Committees

The Board of Trustees has general oversight responsibility with respect to the business and affairs of each Fund. The Board has engaged an investment adviser and (if applicable) a sub-adviser (collectively the "adviser") to manage each Fund and an administrator to administer each Fund and is responsible for overseeing such adviser and administrator and other service providers to the Fund. The Board is currently composed of eight Trustees, including seven Trustees who are not "interested persons" of a Fund, as that term is defined in the 1940 Act (each an Independent Trustee). In addition to eight regularly scheduled meetings per year, the Board holds special meetings or informal conference calls to discuss specific matters that may require action prior to the next regular meeting. As discussed below, the Board has established five committees to assist the Board in performing its oversight responsibilities.

The Board has appointed an Independent Trustee to serve in the role of Chairman. The Chairman's primary role is to participate in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairman also presides at all meetings of the Board and acts as a liaison with service providers, officers, attorneys, and other Trustees generally between meetings. The Chairman may perform such other functions as may be requested by the Board from time to time. Except for any duties specified herein or pursuant to each Fund's Declaration of Trust or By-laws, the designation of Chairman does not impose on such Independent Trustee any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

Each Fund is subject to a number of risks, including, among others, investment, compliance, operational, and valuation risks. Risk oversight is part of the Board's general oversight of each Fund and is addressed as part of various activities of the Board of Trustees and its Committees. As part of its oversight of each Fund, the Board directly, or through a Committee, relies on and reviews reports from, among others, Fund management, the adviser, the administrator the principal underwriter, the Chief Compliance Officer (the CCO), and other Fund service providers responsible for day-to-day oversight of Fund investments, operations and compliance to assist the Board in identifying and understanding the nature and extent of risks and determining whether, and to what extent, such risks can be mitigated. The Board also interacts with the CCO and with senior personnel of the adviser, the administrator principal underwriter and other Fund service providers and provides input on risk management issues during meetings of the Board and its Committees. Each of the adviser, the administrator the principal underwriter and the

Edgar Filing: Eaton Vance Tax-Managed Buy-Write Income Fund - Form DEF 14A

other Fund service providers has its own, independent interest and responsibilities in risk management, and its policies and methods for carrying out risk management functions will depend, in part, on its individual priorities, resources and controls. It is not possible to identify all of the risks that may affect a Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve a Fund's goals.

The Board, with the assistance of management and with input from the Board's various committees, reviews investment policies and risks in connection with its review of Fund performance. The Board has appointed a Fund CCO who oversees the implementation and testing of each Fund compliance program and reports to the Board regarding compliance matters for the Funds and their principal service providers. In addition, as part of the Board's periodic review of the advisory, subadvisory (if applicable), distribution and other service provider agreements, the Board may consider risk management aspects of their operations and the functions for which they are responsible. With respect to valuation, the Board approves and periodically reviews valuation policies and procedures applicable to valuing each Fund's shares. The administrator and the adviser are responsible for the implementation and day-to-day administration of these valuation policies and procedures and provides reports periodically to the Board regarding these and related matters. In addition, the Board or the Audit Committee of the Board receives reports periodically from the independent public accounting firm for each Fund regarding tests performed by such firm on the valuation of all securities, as well as with respect to other risks associated with mutual funds. Reports received from service providers, legal counsel and the independent public accounting firm assist the Board in performing its oversight function.

Each Fund's Declaration of Trust does not set forth any specific qualifications to serve as a Trustee. The Charter of the Governance Committee also does not set forth any specific qualifications, but does set forth certain factors that the Committee may take into account in considering Independent Trustee candidates. In general, no one factor is decisive in the selection of an individual to join the Board. Among the factors the Board considers when concluding that an individual should serve on the Board are the following: (i) knowledge in matters relating to the mutual fund industry; (ii) experience as a director or senior officer of public companies; (iii) educational background; (iv) reputation for high ethical standards and professional integrity; (v) specific financial, technical or other expertise, and the extent to which such expertise would complement the Board of Trustees' existing mix of skills, core competencies and qualifications; (vi) perceived ability to contribute to the ongoing functions of the Board of Trustees, including the ability and commitment to attend meetings regularly and work collaboratively with other members of the Board of Trustees; (vii) the ability to qualify as an Independent Trustee for purposes of the 1940 Act and any other actual or potential conflicts of interest involving the individual and each Fund; and (viii) such other factors as the Board determines to be relevant in light of the existing composition of the Board of Trustees.

Among the attributes or skills common to all Trustees are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the other Trustees, management, sub-advisers, other service providers, counsel and independent registered public accounting firms, and to exercise effective and independent business judgment in the performance of their duties as Trustees. Each Trustee's ability to perform his or her duties effectively has been attained through the Trustee's business, consulting, public service and/or academic positions and through experience from service as a Board member in the Eaton Vance Group of Funds (and/or in other capacities, including for any predecessor funds), public companies, or nonprofit entities or other organizations as set forth below. Each Trustee's ability to perform his or her duties effectively also has been enhanced by his or her educational background, professional training, and/or other life experiences.

In respect of each current Trustee, the individual's substantial professional accomplishments and experience, including in fields related to the operations of the Eaton Vance Group of Funds, were a significant factor in the determination that the individual should serve as a Trustee. The following is a summary of each Trustee's particular professional experience and additional considerations that contributed to the Board's conclusion that he or she should serve as a Trustee: *Benjamin C. Esty*. Mr. Esty has served as a Trustee in the Eaton Vance Group of Funds since 2005 and is the Chairperson of the Portfolio Management Committee. He is the Roy and Elizabeth Simmons Professor of Business Administration and Finance Unit Head at the Harvard University Graduate School of Business Administration.

Thomas E. Faust Jr. Mr. Faust has served as a Trustee in the Eaton Vance Group of Funds since 2007. He is currently Chairman, Chief Executive Officer and President of EVC, Director and President of EV, Chief Executive Officer and President of Eaton Vance and BMR, and Director of EVD.

Allen R. Freedman. Mr. Freedman has served as a Trustee in the Eaton Vance Group of Funds since 2007. Mr. Freedman also serves as a Director of Assurant, Inc. and Stonemor Partners L.P. Mr. Freedman was previously a Director of Systems & Computer Technology Corp. from 1983-2004 and Chairman from 2002-2004, a Director of Loring Ward International from 2005-2007 and Chairman and a Director of Indus International, Inc. from 2005-2007. Mr. Freedman was formerly the Chairman and Chief Executive Officer of Fortis, Inc. (predecessor to Assurant, Inc.), a specialty insurance company he founded in 1978 and from which he retired in 2000. Mr. Freedman also previously served as a Director of the Fortis Mutual Funds. Mr. Freedman is a founding director of the Association of Audit Committee Members, Inc.

William H. Park. Mr. Park has served as a Trustee in the Eaton Vance Group of Funds since 2003 and is the Chairperson of the Audit Committee. He has been Chief Financial Officer of Aveon Group, L.P. since 2010. Previously, Mr. Park served as Vice Chairman of Commercial Industrial Finance Corp. from 2006-2010, as President and Chief Executive Officer of Prizm Capital Management, LLC from 2002-2005, as Executive Vice President and Chief Financial Officer of United Asset Management Corporation from 1982-2001 and as Senior Manager of Price Waterhouse (now PricewaterhouseCoopers) from 1972-1981.

The Audit Committee met fifteen times, the Contract Review Committee met eight times, the Governance Committee met six times, the Portfolio Management Committee met eight times and the Compliance Reports and Regulatory Matters Committee met thirteen times during such period. The purposes of the Audit Committee are to (i) oversee each Fund's accounting and financial reporting processes, its internal control over financial reporting, and, as appropriate, the internal control over financial reporting of certain service providers; (ii) oversee or, as appropriate, assist Board oversight of the quality and integrity of each Fund's financial statements and the independent audit thereof; (iii) oversee, or, as appropriate, assist Board oversight of, each Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal control over financial reporting and independent audits; (iv) approve, prior to appointment, the engagement and, when appropriate, replacement of the independent auditors, and, if applicable, nominate independent auditors to be proposed for shareholder ratification in any proxy statement of each Fund; (v) evaluate the qualifications, independence and performance of the independent auditors and the audit partner in charge of leading the audit; and (vi) prepare, as necessary, such Audit Committee reports consistent with the requirements of applicable Securities and Exchange Commission ("SEC") and stock exchange rules for inclusion in the proxy statement for the Annual Meeting of Shareholders of the Fund. Each Fund's Board of Trustees has adopted a written charter for its Audit Committee, a copy of which is attached as Exhibit A. The written charter is also available on the Eaton Vance website, www.eatonvance.com, by selecting "Individual Investors" followed by "Investor Resources" and then "Corporate Governance". The Audit Committee's Report is set forth below under Additional Information. The Board of Trustees of each Fund has designated Mr. Park as the Fund's Audit Committee financial expert.

Messrs. Verni (Chair), Esty, Freedman, Park and Pearlman, and Ms. Peters serve on the Contract Review Committee of the Board of Trustees of each Fund. The purposes of the Contract Review Committee are to consider, evaluate and make recommendations to the Board of Trustees concerning the following matters: (i) contractual arrangements with each service provider to each Fund, including advisory, sub-advisory, transfer agency, custodial and fund accounting, distribution services (if any) and administrative services; (ii) any and all other matters in which any of each Fund's service providers (including Eaton Vance or any affiliated entity thereof) has an actual or potential conflict of interest with the interests of the Fund or its shareholders; and (iii) any other matter appropriate for review by the Independent Trustees, unless

Messrs. Esty (Chair) and Freedman, and Ms. Peters are currently members of the Portfolio Management Committee of the Board of Trustees of each Fund. The purposes of the Portfolio Management Committee are to: (i) assist the Board of Trustees in its oversight of the portfolio management process employed by each Fund and their investment adviser and sub-adviser(s), if applicable, relative to the Funds' stated objective(s), strategies and restrictions; (ii) assist the Board of Trustees in its oversight of the trading policies and procedures and risk management techniques applicable to the Funds; and (iii) assist the Board of Trustees in its monitoring of the performance results of all funds, giving special attention to the performance of certain funds that it or the Board of Trustees identifies from time to time.

Messrs. Pearlman (Chair) and Park, and Ms. Stout are currently members of the Compliance Reports and Regulatory Matters Committee of the Board of Trustees of each Fund. The purposes of the Compliance Reports and Regulatory Matters Committee are to: (i) assist the Board of Trustees in its oversight role with respect to compliance issues and certain other regulatory matters affecting the Funds; (ii) serve as a liaison between the Board of Trustees and the Funds' CCO; and (iii) serve as a qualified legal compliance committee within the rules promulgated by the SEC.

Mmes. Stout (Chair) and Peters, and Messrs. Esty, Freedman, Park, Pearlman and Verni serve on the Governance Committee of the Board of Trustees of each Fund. Each Governance Committee member is independent under applicable listing standards of the New York Stock Exchange. The purpose of the Governance Committee is to consider, evaluate and make recommendations to the Board of Trustees with respect to the structure, membership and operation of the Board of Trustees and the Committees thereof, including the nomination and selection of Independent Trustees and a Chairperson of the Board and the compensation of Independent Trustees.

Each Fund's Board of Trustees has adopted a written charter for its Governance Committee, a copy of which is available on the Eaton Vance website, www.eatonvance.com, by selecting "Individual Investors" followed by "Investor Resources" and then "Corporate Governance". The Governance Committee identifies candidates by obtaining referrals from such sources as it deems appropriate, which may include current Trustees, management of the Fund, counsel and other advisors to the Trustees, and shareholders of the Funds who submit recommendations in accordance with the procedures described in the Committee's charter. In no event shall the Governance Committee consider as a candidate to fill any vacancy an individual recommended by management of the Funds, unless the Governance Committee has invited management to make such a recommendation. The Governance Committee will, when a vacancy exists or is anticipated, consider any nominee for Independent Trustee recommended by a shareholder if such recommendation is submitted in writing to the Governance Committee, contains sufficient background information concerning the candidate, including evidence the candidate is willing to serve as an Independent Trustee if selected for the position, and is received in a sufficiently timely manner. The Governance Committee's procedures for identifying and evaluating candidates for the position of Independent Trustee, including the procedures to be followed by shareholders of a Fund wishing to recommend such candidates for consideration by the Governance Committee and the qualifications the Governance Committee will consider, are set forth in an appendix to the Committee's charter.

The Governance Committee does not have a formal policy to consider diversity when identifying candidates for the position of Independent Trustee. Rather, as a matter of practice, the Committee considers the overall diversity of the Board's composition when identifying candidates. Specifically, the Committee considers how a particular candidate could be expected to contribute to overall diversity in the backgrounds, skills and experiences of the Board's members and thereby enhance the effectiveness of the Board. In addition, as part of its annual self-evaluation, the Board has an opportunity to consider the diversity of its members, including specifically whether the Board's members have the right mix of characteristics, experiences and skills. The results of the self-evaluation are considered by the Governance Committee in its decision-making process with respect to candidates for the position of Independent Trustee.

Communications with the Board of Trustees

Remuneration of Trustees

Each Independent Trustee is compensated for his or her services according to a fee schedule adopted by each Board of Trustees, and receives a fee that consists of an annual retainer and a committee service component. Each Fund currently pays each Independent Trustee a pro rata share, as described below of: (i) an annual retainer of \$170,000; (ii) an additional annual retainer of \$115,000 for serving as the Chair of the Independent Trustees; (iii) an additional annual retainer of \$40,000 for Committee Service; (iv) an additional annual retainer of \$20,000 for serving as the Governance Committee Chair, the Audit Committee Chair, the Compliance Committee Chair or the Portfolio Management Committee Chair; and (v) out-of-pocket expenses. The pro rata share paid by each Fund is based on the Fund's average net assets as a percentage of the average net assets of all the funds in the Eaton Vance Fund Complex. For the fiscal year ended December 31, 2010, the Trustees of each

- (5) Includes \$162,500 of deferred compensation.

Trustees of each Fund who are not affiliated with Eaton Vance may elect to defer receipt of all or a percentage of their annual fees in accordance with the terms of a Trustees Deferred Compensation Plan (the "Trustees Plan"). Under the Trustees Plan, an eligible Trustee may elect to have his or her deferred fees invested by each Fund in the shares of one or more funds in the Eaton Vance Fund Complex, and the amount paid to the Trustees under the Trustees Plan will be determined based upon the performance of such investments. Deferral of Trustees' fees in accordance with the Trustees Plan will have a negligible effect on a Fund's assets, liabilities, and net income per share, and will not obligate a Fund to retain the services of any Trustee or obligate a Fund to pay any particular level of compensation to the Trustee. No Fund has a retirement plan for its Trustees.

The Board of Trustees recommends that shareholders vote FOR the election of the three Class III Trustee nominees.

Each Fund's Audit Committee has adopted policies and procedures relating to the pre-approval of services provided by the Fund's independent registered public accounting firm (the "Pre-Approval Policies"). The Pre-Approval Policies establish a framework intended to assist the Audit Committee in the proper discharge of its pre-approval responsibilities. As a general matter, the Pre-Approval Policies (i) specify certain types of audit, audit-related, tax, and other services determined to be pre-approved by the Audit Committee; and (ii) delineate specific procedures governing the mechanics of the pre-approval process, including the approval and monitoring of audit and non-audit service fees. Unless a service is specifically pre-approved under the Pre-Approval Policies, it must be separately pre-approved by the Audit Committee. The Pre-Approval Policies and the types of audit and non-audit services pre-approved therein must be reviewed and ratified by each Fund's Audit Committee at least annually. Each Fund's Audit Committee maintains full responsibility for the appointment, compensation, and oversight of the work of the Fund's independent registered public accounting firm.

Each Fund's Audit Committee has considered whether the provision by the Fund's independent registered public accounting firm of non-audit services to the Fund's investment adviser, as well as any of its affiliates that provide ongoing services to the Fund, that were not pre-approved pursuant to Rule 2-01(c)(7)(ii) of Regulation S-X is compatible with maintaining the independent registered public accounting firm's independence.

Proxy Solicitation and Tabulation

The expense of preparing, printing and mailing this Proxy Statement and enclosures and the costs of soliciting proxies on behalf of the Board of Trustees of each Fund will be borne ratably by the Funds. Proxies will be solicited by mail and may be solicited in person or by telephone or facsimile by officers of a Fund, by personnel of its administrator, Eaton Vance, by the transfer agent, American Stock Transfer & Trust Company, or by broker-dealer firms. The expenses associated with the solicitation of these proxies and with any further proxies which may be solicited by a Fund's officers, by Eaton Vance personnel, by American Stock Transfer & Trust Company, or by broker-dealer firms, in person, or by telephone or by facsimile will be borne by that Fund. A written proxy may be delivered to a Fund or its transfer agent prior to the meeting by facsimile machine, graphic communication equipment or similar electronic transmission. A Fund will reimburse banks, broker-dealer firms, and other persons holding shares registered in their names or in the names of their nominees, for their expenses incurred in sending proxy material to and obtaining proxies from the beneficial owners of such shares. Total estimated proxy solicitation costs per Fund are approximately \$81,413.

All proxy cards solicited by the Board of Trustees that are properly executed and received by the Secretary prior to the meeting, and which are not revoked, will be voted at the meeting. Shares represented by such proxies will be voted in accordance with the instructions thereon. If no specification is made on the proxy card with respect to Proposal 1, it will be voted FOR the matters specified on the proxy card. All shares that are voted and votes to ABSTAIN will be counted towards establishing a quorum, as will broker non-votes. (Broker non-votes are shares for which (i) the beneficial owner has not voted and (ii) the broker holding the shares does not have discretionary authority to vote on the particular matter.) Accordingly, abstentions and broker non-votes, which will be treated as shares that are present at the meeting but which have not been voted, will assist a Fund in obtaining a quorum but will have no effect on the outcome of Proposal 1.

A quorum requires the presence, in person or by proxy, of a majority of the outstanding shares of a Fund entitled to vote. In the event that a quorum is not present at the meeting, or if a quorum is present at the meeting but sufficient votes by the shareholders of a Fund in favor of the Proposal set forth in the Notice of this meeting are not received by April 22, 2011, the persons named as attorneys in the enclosed proxy may propose one or more adjournments of the meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares of that Fund present in person or by proxy at the session of the meeting to be adjourned. The persons named as attorneys in the enclosed proxy will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the Proposal for which further solicitation of proxies is to be made. They will vote against any such adjournment those proxies required to be voted against such Proposal. The costs of any such additional solicitation and of any adjourned session will be borne by the Funds. If any of the nominees are not elected by shareholders, the current Trustees may consider other courses of action.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of the copies of the forms received by the Funds, all of the Trustees and officers of each Fund, EVM and its affiliates, Parametric Portfolio Associates, LLC and any person who owns more than ten percent of a Fund's outstanding securities have made all filings required under Section 16(a) of the Securities Exchange Act of 1934 regarding ownership of shares of the Funds for the Funds' fiscal year ended December 31, 2010.

Each Fund will furnish without charge a copy of its most recent Annual Report to any shareholder upon request. Shareholders desiring to obtain a copy of such reports should call 1-866-439-6787, send an email to info@amstock.com or write to the Fund c/o American Stock Transfer & Trust Company, 59 Maiden Lane, New York, NY 10038. Shareholder reports are also available on the Eaton Vance website, www.eatonvance.com, by selecting "Individual Investors" followed by "Investor Resources" and then "Closed-End Funds".

SHAREHOLDER PROPOSALS

To be considered for presentation at a Fund's 2012 Annual Meeting of Shareholders, a shareholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 must be received at the Fund's principal office c/o the Secretary of the Fund no later than the close of business October 25, 2011. Written notice of a shareholder proposal submitted outside of the processes of Rule 14a-8 must be delivered to the Fund's principal office c/o the Secretary of the Fund no later than the close of business January 23, 2012 and no earlier than December 26, 2011. In order to be included in the Fund's proxy statement and form of proxy, a shareholder proposal must comply with all applicable legal requirements. Timely submission of a proposal does not guarantee that such proposal will be included.

AUDIT COMMITTEE CHARTER

I. Composition of the Audit Committee.

The Audit Committee (the Committee) of each registered investment company sponsored by Eaton Vance Management (each a Fund) shall be comprised of a minimum of three members appointed by the Board of Trustees, which shall also determine the number and term of such members. All members of the Committee shall be Trustees who are not interested persons (as defined under the Investment Company Act of 1940, as amended) of any Fund or of the investment adviser or sub-adviser of any Fund (each, an Independent Trustee and collectively, the Independent Trustees).
