### Allmerica Financial Board Announces Management Changes

WORCESTER, Mass., October 25, 2002 - The Board of Directors of Allmerica Financial Corporation (NYSE: AFC) today announced they have accepted the resignation of John F. O'Brien as President and Chief Executive Officer, effective immediately. O'Brien will continue as a Director and will be involved in the transition.

In addition, the Board of Directors elected Michael P. Angelini as its Chairman and established an Office of the Chairman, comprised of Angelini, J. Kendall Huber, Senior Vice President and General Counsel, Edward J. Parry, III, newly appointed President of Allmerica Asset Accumulation and AFC's Chief Financial Officer, and Robert P. Restrepo, Jr., President of Allmerica Property & Casualty Companies. Angelini will continue as chairman and partner of the Worcester law firm Bowditch & Dewey, LLP, and has been an Allmerica Director since 1984. The Board also has established a Search Committee to select a replacement for O'Brien. Candidates will include current members of management.

O'Brien joined Allmerica in 1989. During his tenure at Allmerica, he led the company's successful conversion to a public company and several years of growth in each of Allmerica's business segments. "Jack O'Brien has led Allmerica through important changes over the past 13 years and the Board and I thank him for his service to the company," Angelini said. More recently, the extended decline in the equity markets has impacted Allmerica's asset accumulation business, which has resulted in the previously announced strategic reorganization of that business.

Allmerica Financial Corporation is the holding company for a diversified group of insurance and financial services companies based in Worcester, Mass. The companies provide property and casualty insurance, asset management and retirement products and services to individual and institutional clients throughout the country.
