We are not able to file a timely Form 20-F because our financial statements and audit as at and for the three years ended December 31, 2004 are still in progress as a result of our and our auditors' conclusion that our joint venture interests should be consolidated under the equity method of accounting in accordance with generally accepted accounting principles in the United States, rather than under a proportionate method of accounting.

As a result of our financial statement preparation and audit process not being complete, we are unable to file our Form 20-F by the prescribed filing deadline without unreasonable effort and expense. We intend to file our Form 20-F no later than fifteen calendar days following the prescribed due date.
