Item 1.01. Entry into a Material Definitive Agreement.

On August 3, 2009, (i) PepsiCo, Inc., a North Carolina corporation (the “Company”), The Pepsi Bottling Group, Inc., a Delaware corporation (“PBG”), and Pepsi-Cola Metropolitan Bottling Company, Inc., a New Jersey corporation wholly-owned by the Company (“Metro”), entered into an Agreement and Plan of Merger (the “PBG Merger Agreement”) and (ii) the Company, PepsiAmericas, Inc., a Delaware corporation (“PAS”), and Metro entered into an Agreement and Plan of Merger (the “PAS Merger Agreement” and, together with the PBG Merger Agreement, the “Merger Agreements”).

The PBG Merger Agreement provides that, upon the terms and subject to the conditions set forth in the PBG Merger Agreement, PBG will be merged with and into Metro (the “PBG Merger”), with Metro continuing as the surviving corporation (the “Surviving Corporation”) and a wholly owned subsidiary of the Company. As of the effective time of the PBG Merger, each outstanding share of common stock of PBG (each, a “PBG Share”) that is not owned by Metro, PepsiCo or a subsidiary of PepsiCo or held by PBG as treasury stock will be cancelled and converted into the right to receive, at the holder’s election, either 0.6432 shares of common stock of the Company or \$36.50 in cash, without interest, subject to proration provisions which provide that an aggregate 50% of the outstanding PBG Shares will be converted into the right to receive common stock of the Company and an aggregate 50% of the outstanding PBG Shares will be converted into the right to receive cash.

The PAS Merger Agreement provides that, upon the terms and subject to the conditions set forth in the PAS Merger Agreement, PAS will merge with and into Metro (the “PAS Merger”), with Metro continuing as the surviving corporation and a wholly owned subsidiary of the Company. As of the effective time of the PAS Merger, each outstanding share of common stock of PAS (each, a “PAS Share”) that is not owned by Metro, PepsiCo or a subsidiary of PepsiCo or held by PAS as treasury stock will be cancelled and converted into the right to receive, at the holder’s election, either 0.5022 shares of common stock of the Company or \$28.50 in cash, without interest, subject to proration provisions which provide that an aggregate 50% of the outstanding PAS Shares will be converted into the right to receive common stock of the Company and an aggregate 50% of the outstanding PAS Shares will be converted into the right to receive cash.

Consummation of each of the Mergers is subject to various conditions, including, in the case of the PBG Merger, the adoption of the PBG Merger Agreement by PBG’s stockholders, the absence of legal prohibitions and the receipt of requisite regulatory approvals, and, in the case of the PAS Merger, the adoption of the PAS Merger Agreement by PAS’s stockholders, the absence of legal prohibitions and the receipt of requisite regulatory approvals. In addition, the Company’s obligation to consummate the PAS Merger is subject to the satisfaction of certain conditions to the consummation of the PBG Merger to the extent they relate to competition laws. Consummation of the Mergers is not subject to a financing condition.

Each of the Merger Agreements contains certain termination rights for both the Company, on the one hand, and PBG or PAS, as the case may be, on the other hand. The PBG Merger Agreement provides that, upon termination under specified circumstances, PBG would be required

to pay the Company a termination fee of \$165.3 million. The PAS Merger Agreement provides that, upon termination under specified circumstances, PAS would be required to pay the Company a termination fee of \$71.6 million.

The foregoing summary of the Merger Agreements, and the transactions contemplated thereby, does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreements, which are attached as Exhibit 2.1 (PBG Merger Agreement) and Exhibit 2.2 (PAS Merger Agreement) and incorporated herein by reference.

The Merger Agreements have been included to provide security holders with information regarding their terms. They are not intended to provide any other factual information about the Company, PBG or PAS. The representations, warranties and covenants contained in each Merger Agreement were made solely for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to such Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to security holders. Security holders are not third-party beneficiaries under the Merger Agreements and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, PBG, PAS or Metro. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreements, which subsequent information may or may not be fully reflected in the Company's public disclosures.

#### Item 8.01. Other Events.

The foregoing summary of the Commitment Letter, and the transactions contemplated thereby, does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Commitment Letter, which is attached as Exhibit 99.2 and incorporated herein by reference.
