(a) Murphy Oil USA, Inc., Murphy USA Inc., 864 Holdings, Inc., Murphy Oil Trading Company (Eastern), Spur Oil Corporation and Superior Crude Trading Company (collectively, the “Delaware Registrants,” and each, a “Delaware Registrant”) are each incorporated under the laws of the State of Delaware.

## Edgar Filing: Murphy USA Inc. - Form POSASR

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent to any of the Delaware Registrants. The Delaware General Corporation Law provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise. The Amended and Restated Certificate of Incorporation of Murphy USA Inc. and the Bylaws of each other Delaware Registrant provide for indemnification by each Delaware Registrant of its directors, officers and employees.

Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for any breach of the director's duty of loyalty to the corporation or its stockholders, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, for unlawful payments of dividends or unlawful stock repurchases, redemptions or other distributions, or for any transaction from which the director derived an improper personal benefit. The certificates of incorporation of Murphy USA Inc., 864 Holdings, Inc. and Superior Crude Trading Company provide for such limitation of liability.

(b) 864 Beverage, Inc. is incorporated under the laws of the State of Texas. The Texas Business Organizations Code provides that, subject to certain limitations, a corporation may indemnify a governing person, former governing person, or delegate who was, is, or is threatened to be made a respondent in a proceeding, to the extent that it is determined that the person acted in good faith; that the person reasonably believed, in the case of conduct in the person's official capacity, that the person's conduct was in the corporation's best interests; and, in any other case, that the person's conduct was not opposed to the corporation's best interests; and in the case of a criminal proceeding, did not have a reasonable cause to believe the person's conduct was unlawful. With respect to expenses,

the amount of expenses other than a judgment must be reasonable. The Bylaws of 864 Beverage, Inc. provide for indemnification of its directors, officers and employees.

(c) 591 Beverage, Inc. is incorporated under the laws of the State of Nebraska. Under Sections 21-20,102 to 21-20,111 of the Nebraska Business Corporation Act, indemnification of directors and officers may be provided for judgments, fines, settlements, penalties, and expenses, including attorneys' fees, incurred in connection with any threatened, pending, or completed action, suit, or proceeding other than an action by or in the right of the corporation. This applies to any civil, criminal, investigative or administrative action, provided that the director or officer involved acted in good faith, in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. The Articles of Incorporation of 591 Beverage, Inc. provide for indemnification of its directors, officers and employees to the extent permitted by the laws of the State of Nebraska.

(d) El Dorado Properties LLC was formed under the laws of the State of Arkansas. Section 4-32-404 of the Arkansas Small Business Entity Tax Pass Through Act provides that a limited liability company's operating agreement may: (a) eliminate or limit the personal liability of a member or manager for monetary damages for breach of any duty provided for in Section 4-32-402 and (b) provide for indemnification of a member or manager for judgments, settlements, penalties, fines, or expenses incurred in a proceeding to which a person is a party because the person is or was a member or manager. The operating agreement of El Dorado Properties LLC provides that the company shall, to the fullest extent not otherwise prohibited by applicable law, indemnify its member and each officer of the company designated in writing by the member from and against any and all claims, liabilities, obligations, costs and expenses (including reasonable attorney's fees), incurred by or asserted against the member or any officer, to the extent arising out of or resulting from the good faith performance by such person of duties or services for or on behalf of the company; provided, the person's actions or omissions giving rise to such claims, liabilities, obligations, costs or expenses did not constitute intentional willful misconduct or a knowing violation of law.

(e) Each registrant maintains standard policies of insurance under which coverage is provided to its directors, officers and employees against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not such Registrant would have the power to indemnify him or her against such liability under the applicable law.

#### Item 17. Undertakings

(a) Each undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of securities registered hereby, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which (ii) was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of

1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule

415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

- Each undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (b)

Edgar Filing: Murphy USA Inc. - Form POSASR

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, each registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in

connection with the securities being registered, each registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
