Citigroup Global Markets Holdings Inc.
Guaranteed by Citigroup Inc.

Buffered Digital Plus Securities Linked to the EURO STOXX 50® Index Due September 5, 2023

Preliminary Terms

Issuer: Citigroup Global Markets Holdings Inc.
Guarantor: Citigroup Inc.
Underlying: The EURO STOXX 50® Index
Pricing date: August 28, 2018
Valuation date: August 31, 2023
Maturity date: September 5, 2023
Digital return amount: \$550 per security (representing a digital return equal to 55% of the stated principal amount).
Buffer amount: 25%

For each \$1,000 stated principal amount security you hold at maturity:

- If the final underlying value is **greater than or equal to** the initial underlying value: \$1,000 + the greater of (i) the digital return amount and (ii) \$1,000 × the underlying return
- If the final underlying value is **less than** the initial underlying value by an amount **less than or equal to** the buffer amount: \$1,000

Payment at Maturity: · If the final underlying value is **less than** the initial underlying value by an amount **greater than** the buffer amount: \$1,000 + (\$1,000 × the underlying return) + \$250

If the underlying depreciates from the initial underlying value to the final underlying value by more than the buffer amount, your payment at maturity will be less, and possibly significantly less, than the \$1,000 stated principal amount per security. You should not invest in the securities unless you are willing and able to bear the risk of losing a significant portion of your investment. All payments on the securities are subject to the credit risk of Citigroup Global Markets Holdings Inc. and Citigroup Inc.

CUSIP / ISIN: 17324CYL4 / US17324CYL44

Initial underlying value: The closing value of the underlying on the pricing date
Final underlying value: The closing value of the underlying on the valuation date
Underlying return:

The final underlying value *minus* the initial underlying value, *divided by* the initial underlying value

Selected Risk Considerations

You may lose a significant portion of your investment. If the underlying depreciates by more than the buffer amount, you will lose 1% of the stated principal amount of the securities for every 1% by which that depreciation exceeds the buffer amount.

The securities do not pay interest.

You will not receive dividends or have any other rights with respect to the underlying.

Your payment at maturity depends on the closing value of the underlying on a single day.

The securities are subject to the credit risk of Citigroup Global Markets Holdings Inc. and Citigroup Inc. If Citigroup Global Markets Holdings Inc. defaults on its obligations under the securities and Citigroup Inc. defaults on its guarantee obligations, you may not receive anything owed to you under the securities.

The securities will not be listed on any securities exchange and you may not be able to sell them prior to maturity.

The estimated value of the securities on the pricing date will be less than the issue price. For more information about the estimated value of the securities, see the accompanying preliminary pricing supplement.

The value of the securities prior to maturity will fluctuate based on many unpredictable factors.

The EURO STOXX 50® Index is subject to risks associated with non-U.S. markets.

The performance of the EURO STOXX 50® Index will not be adjusted for changes in the exchange rate between the euro and the U.S. dollar.

The issuer and its affiliates may have conflicts of interest with you.

The U.S. federal tax consequences of an investment in the securities are unclear.

The above summary of selected risks does not describe all of the risks associated with an investment in the securities. You should read the accompanying preliminary pricing supplement and product supplement for a more complete description of risks relating to the securities.
