PROXY STATEMENT

MAILING DATE
MAY 2, 2001

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of REX Stores Corporation, a Delaware corporation (the 'Company'), for use for the purposes set forth herein at its Annual Meeting of Shareholders to be held on June 4, 2001 and any adjournments thereof. All properly executed proxies will be voted as directed by the shareholder on the proxy card. If no direction is given, proxies will be voted in accordance with the Board of Directors' recommendations and, in the discretion of the proxy holders, in the transaction of such other business as may properly come before the Annual Meeting and any adjournments thereof. Any proxy may be revoked by a shareholder by delivering written notice of revocation to the Company or in person at the Annual Meeting at any time prior to the voting thereof.

The Company has one class of stock outstanding, namely Common Stock, \$.01 par value, of which there were 5,062,272 shares outstanding as of April 23, 2001. Only holders of Common Stock whose names appeared of record on the books of the Company at the close of business on April 23, 2001 are entitled to notice of and to vote at the Annual Meeting. Each shareholder is entitled to one vote per share.

A majority of the outstanding shares of Common Stock will constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Directors are elected by a plurality of the votes cast by the holders of Common Stock at a meeting at which a quorum is present. Abstentions and broker non-votes will not be counted toward a nominee's achievement of a plurality and thus will have no effect. A broker non-vote occurs when a broker submits a proxy that indicates

Edgar Filing: REX STORES CORP - Form DEF 14A

the broker does not have discretionary authority to vote the shares on a particular matter.

FISCAL YEAR

All references in this Proxy Statement to a particular fiscal year are to the Company's fiscal year ended January 31. For example, 'fiscal 2000' means the period February 1, 2000 to January 31, 2001.

ELECTION OF DIRECTORS

Six directors are to be elected at the Annual Meeting to hold office until the next Annual Meeting of Shareholders and until their successors are elected and qualified. Unless otherwise directed, it is the intention of the persons named in the accompanying proxy to vote each proxy for the election of the nominees listed below. All nominees, with the exception of Mr. Schwartz, are presently directors of the Company.

If at the time of the Annual Meeting any nominee is unable or declines to serve, the proxy holders will vote for the election of such substitute nominee as the Board of Directors may recommend. INFORMATION CONCERNING THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors held one meeting and took action by unanimous written consent six times during the fiscal year ended January 31, 2001. Each incumbent director attended all meetings of the Board of Directors and Board Committees on which he served.

The Board of Directors has three standing committees: the Executive Committee, the Audit Committee and the Compensation Committee. The Board has no nominating committee.

The Executive Committee (of which Messrs. Rose and Tomchin are members) is empowered to exercise all the powers and authority of the Board of Directors between meetings of the Board, other than the power to fill vacancies on the Board or on any Board committee and the power to declare dividends. The Executive Committee met informally throughout the year and took formal action by unanimous written consent 23 times during fiscal 2000.

The Audit Committee (of which Messrs. Davidoff and Fisher are members) meets with Company personnel and with representatives of the Company's independent public accountants to review internal auditing procedures and matters relating to the annual audit of the Company's financial statements. The committee also annually recommends to the Board of Directors the appointment of independent public accountants. See 'Audit Committee Report.' The Audit Committee met three times during fiscal 2000.

The Compensation Committee (of which Messrs. Davidoff and Fisher are members) establishes the Company's executive compensation policies and administers the Company's stock option plans. See 'Compensation Committee Report on Executive Compensation.' The Compensation Committee met once and took action by unanimous written consent once during fiscal 2000.

DIRECTOR COMPENSATION

Directors who are not officers or employees of the Company may receive a fee of up to \$1,000 plus reasonable expenses for each meeting of the Board attended.

Nonemployee directors are eligible to receive grants of stock options under the Company's 1995 and 1999 Omnibus Stock Incentive Plans. Under the Plans, on the date of each annual meeting of the Company's shareholders, each nonemployee director is awarded a nonqualified stock option to purchase a number of shares of Common Stock such that the exercise price of the option multiplied by the number of shares subject to the option is as near as possible to \$100,000, but in no event more than 10,000 shares. The exercise price of each nonqualified option is the fair market value of the Common Stock on the date of grant. The

Edgar Filing: REX STORES CORP - Form DEF 14A

options are exercisable in five equal annual installments commencing on the first anniversary of the date of grant and expire ten years from the date of grant. For fiscal 2000, each nonemployee director was granted an option to purchase 4,671 shares at an exercise price of \$21.40625 per share.

AUDIT COMMITTEE REPORT

The Audit Committee is comprised of nonemployee directors who meet the independence and financial experience requirements of the New York Stock Exchange. The Audit Committee operates under a written charter, a copy of which is attached to this Proxy Statement as Appendix A.

Management has the primary responsibility for the financial statements and the reporting process, including the Company's systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report on Form 10-K with

3

management, including a discussion of the quality and the acceptability of the Company's financial reporting and controls.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the auditors' written disclosures required by the Independence Standards Board.

The Committee also discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets periodically with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2001 for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors was comprised during

Edgar Filing: REX STORES CORP - Form DEF 14A

fiscal 2000 of Robert Davidoff and Lee Fisher, both outside directors of the Company. This Committee establishes policies relating to compensation of executive officers of the Company and administers the Company's 1995 and 1999 Omnibus Stock Incentive Plans.

6

EXECUTIVE COMPENSATION POLICIES

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive pay and the creation of shareholder value, while at the same time motivating and retaining key employees. To achieve this goal, the Company's executive compensation policies integrate base salary with annual bonuses based upon corporate and individual performance, supplemented with long-term equity-based incentive awards.

Base salary is intended to be set at a level below the base salaries paid to executives of similarly-sized companies within the industry and the peer group. Salaries for executive officers are reviewed by the Committee on an annual basis, subject to the terms of any existing employment agreements.

Annual bonuses are intended to comprise a substantial portion of each senior executive officer's annual cash compensation and are based upon corporate financial performance. For fiscal 2000, to reflect tax savings realized from the Company's investments generating income tax credits, the Committee established the amount of the Company's after-tax earnings as a percentage of net sales (the 'After-Tax Earnings Percentage') as the performance measure for determining senior executives' bonuses. Annual bonuses for the executive officers other than senior executives are established by the Chief Executive Officer based on his assessment of the individual's performance.

Long-term incentive awards are made in the form of annual grants of incentive stock options and nonqualified stock options pursuant to the Omnibus Plans. Stock appreciation rights, restricted stock and other stock-based awards may also be granted under the Plans. The Committee feels that stock options and other stock-based awards are an effective long-term incentive for executive officers to create value for shareholders, since their value bears a direct relationship to the Company's stock price. Stock options are granted at the fair market value of the underlying shares at the date of grant (unless otherwise required by applicable law), and generally vest in installments over multiple years. During fiscal 2000, nonqualified stock options were granted under the 1999 Omnibus Plan to 65 employees, including three executive officers, based primarily on the individual's contribution to the Company's growth and profitability.

CEO COMPENSATION

Stuart Rose, the Chairman and Chief Executive Officer of the Company, received a base salary of \$154,500 in fiscal 2000 pursuant to the terms of his employment agreement.

Mr. Rose earned a cash bonus of \$653,000 for fiscal 2000, compared to his fiscal 1999 cash bonus of \$650,000. This increase was based on the fiscal 2000 After-Tax Earnings Percentage of 3.9609% (compared to the fiscal 1999 After-Tax Earnings Percentage of 3.9399%). In determining Mr. Rose's cash bonus, the Committee utilized a measure of a \$165,000 cash bonus for each After-Tax Earnings Percentage point.

Edgar Filing: REX STORES CORP - Form DEF 14A

Mr. Rose was granted 10,000 nonqualified stock options under the 1999 Omnibus Plan in fiscal 2000 at an exercise price of \$22.8125 per share, which was the fair market value of the underlying shares on the date of grant. The number of options granted to Mr. Rose equaled the option grants to each of the other executive officers under the Plan.

INTERNAL REVENUE CODE SECTION 162(m)

Section 162(m) of the Internal Revenue Code generally disallows a federal income tax deduction to a public company for compensation paid in excess of \$1 million in any taxable year to the corporation's

7

chief executive officer or any of its other named executive officers in the proxy statement. Based on current compensation levels and the present structure of the Company's compensation programs, the Company believes that the annual compensation paid to its executive officers will not exceed or otherwise be subject to the deduction limitation, other than with the possible exception of the nonqualified executive stock options granted in 1993 and 1998 and the nonqualified stock options granted under the 1999 Omnibus Plan. Depending upon the number of options exercised by an executive officer in a particular year and the value of the underlying shares at that time, exercise of the 1993 or 1998 nonqualified executive stock options or the nonqualified options granted under the 1999 Omnibus Plan could result in the individual's annual compensation exceeding the \$1 million deduction limitation.
