Report of Independent Auditors

To the Trustees, Administrative Committee  
and Participants of the Oneida Ltd.  
401(k) Savings Plan

In our opinion, the accompanying statements of net assets available for benefits  
and the related statements of changes in net assets available for benefits

Edgar Filing: ONEIDA LTD - Form 11-K

present fairly, in all material respects, the net assets available for benefits of the Oneida Ltd. 401(k) Savings Plan (the "Plan") at December 31, 2002 and 2001, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. Description of the Plan

The following brief description of the Oneida Ltd. 401 (k) Savings Plan ("the Plan") sponsored by Oneida Ltd. ("the Company") is provided for general information purposes only. Participants should refer to the Plan agreement, as amended for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan principally comprised of employee payroll withholdings, deferred bonuses and employer contributions. All full-time employees of Oneida Ltd., Kenwood Silver Company, Inc. and Buffalo China, Inc. are eligible after 1,000 hours of service within a calendar year or within the first year of service. The Plan also has established criteria for redistribution of forfeitures, normal, early and disability retirement, death benefits and withdrawals of voluntary contributions under approved financial hardship cases. As part of the Plan, the Company entered into a trust agreement with Fidelity Investments Institutional Operations Company, Inc., trustee and recordkeeper, pursuant to the terms of the agreement between the Oneida Ltd. 401 (k) Savings Plan and Fidelity Management Trust Company.

Contributions

Through automatic payroll deduction, employees in the Plan ("Participants") may contribute from 1% to 25% of eligible pay on a pre-tax basis, up to the annual IRS dollar limit as specified in writing and may change such election at any time. The Plan allows Participants to hold no more than twenty-five percent (25%) of the Participants existing account balance in Oneida Ltd. Company Stock. During 2002, the Company offered a catch-up contribution to employees 50 and above. As a result, all eligible employees were allowed to contribute an additional \$1,000 to the Plan.

Contributions from Oneida Ltd. ("the Company") to the Plan are discretionary. There were no employer contributions made during 2002.

Vesting

After 5 vesting years of service, Participants are fully vested in any employer contributions to their accounts, as well as earnings thereon. A vesting year of service is any year in which the employee works 1,000 or more hours. Participants are always fully vested in their contributions to the Plan and any earnings thereon. Forfeited employer contributions

## Edgar Filing: ONEIDA LTD - Form 11-K

are used to reduce future employer contributions. Forfeitures were \$5,639 during 2002. Plan assets include accounts of terminated employees who have elected to remain in the Plan. These assets amounted to \$2,381,497 at December 31, 2002.

### Participant Loans

The Plan allows Participants to borrow amounts up to \$50,000 from their accounts. Participant loans are repayable over one to five years, or up to 30 years if for a primary residence, and bear interest at prime plus 1%.

1. Description of the Plan (Continued)

#### Benefit Payments

On termination of service due to death, disability or retirement, a Participant may elect to receive an amount equal to the value of the Participant's vested interest in his or her account in either a lump sum payment or annuity payments.

#### Investment Income

Net investment fund income is allocated to each Participant's investment account in the ratio of their individual investment account to the investment fund in total.

#### Reclassifications

Certain amounts from 2001 have been reclassified for comparative purposes.

2. Summary of Significant Accounting Policies

The accounting principles and practices which affect the more significant elements of the financial statements are:

#### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires

## Edgar Filing: ONEIDA LTD - Form 11-K

management to make significant estimates and assumptions that affect the reported amounts of net assets and liabilities and changes, therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

Investments are carried at fair value based upon quoted market prices in active markets at year-end. Income from investments is recorded on an accrual basis. The Plan presents in the statement of changes in net assets the net appreciation or depreciation in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

### Loans Receivable

Loans receivable from Participants are carried at cost which approximates fair value.

### Administrative Costs

Various administrative costs, principally administrator's fees, are paid by the Company. Investment expenses are paid by the Plan.

## 2. Summary of Significant Accounting Policies (Continued)

### Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds or the Company's common stock. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect Participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

## 3. Investments

Investments are held within various mutual funds or the Company's common stock as directed by the Participants. While some funds maintain constant

## Edgar Filing: ONEIDA LTD - Form 11-K

net asset values, neither income nor principal is guaranteed for any investments. Participants may make transfers between funds at any time.

Participants may direct funds in any whole percent increment to the investment vehicles offered by the Plan. The Plan offers 71 mutual funds and the Company's common stock as investment options. The mutual funds have varying investment objectives, which include generating capital appreciation on domestic and international common stocks, interest income from corporate and government bonds and dividend income.

Fidelity Investments Institutional Operations Company, Inc. ("Fidelity") is the trustee of the Plan. As trustee, Fidelity holds the Plan's investment assets and executes investment transactions.

The following investments represent 5 percent or more of the Plan's net Assets:

	December 31,	
	2002	2001
Fidelity Magellan	\$13,084,134	\$17,818,163
Fidelity Managed Income Portfolio	7,982,676	7,526,179
Fidelity Spartan U.S. Equity Index	3,378,068	4,520,089

Fidelity Retirement Government Money Market	3,199,393	3,244,087

	\$ (9,208,716)

4. Transactions with Related Parties

Certain Plan investments are securities issued by the Company and, therefore, these transactions qualify as party-in-interest transactions. Securities issued by the Company are as follows:

	December 31, 2002		December 31, 2001	
	Number of Shares	Fair Value	Number of Shares	Fair Value
Oneida LTD. Common Stock	17,751	\$127,918	12,059	\$156,164

5. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to discontinue contributions or terminate the Plan at any time subject to provisions of ERISA. In the event of Plan termination, and after payment of all expenses, the assets of the Plan will be distributed to Participants based upon amounts standing to their credit as of the date of liquidation.

6. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated September 19, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.
