On August 4, 2006, Exelon Corporation (Exelon) and PSEG jointly issued a statement relating to their proposed merger. A copy of the statement is attached as exhibit 99.1

The statements contained in this communication about PSEG and its subsidiaries' future performance, including future revenues, earnings, strategies, prospects and all other statements that are not purely historical, are forward-looking statements for purposes of the safe harbor provisions under The Private Securities Litigation Reform Act of 1995. Although PSEG, PSE&G, Power and Energy Holdings believe that these expectations are based on reasonable assumptions, they can give no assurance they will be achieved. There are a number of risks and uncertainties that could cause actual results to differ materially from the forward-looking statements made herein. A discussion of some of these risks and uncertainties is contained in PSEG's Annual Report on Form 10-K and subsequent reports on Form 10-Q and Form 8-K filed with the Securities and Exchange Commission (SEC). A discussion of other risks associated with the proposed merger with Exelon Corporation is included in the definitive joint proxy statement/prospectus that Exelon filed with the SEC. These documents address in further detail the business, industry issues and other factors that could cause actual results to differ materially from those indicated in this communication. In addition, any forward-looking statements included herein represent PSEG's, PSE&G's, Power's and Energy Holdings' estimates only as of today and should not be relied upon as representing estimates as of any subsequent date.
