DEREGISTRATION OF SECURITIES

Telesp Celular Participacoes S.A. (the "Registrant") originally filed a Registration Statement on Form F-4 (Registration No. 333-110080) (the "Registration Statement") with the Securities and Exchange Commission on October 30, 2003 relating to preferred shares, no par value, of the Registrant that were proposed to be issued in a merger of shares (incorporacao de acoes) of Tele Centro Oeste Celular Participacoes S.A. ("TCO") with the Registrant under Brazilian law. The Registration Statement was amended on December 19, 2003 and was declared effective on December 22, 2003.

The Registrant and TCO have terminated the merger of shares. The Registrant and TCO took these actions in light of the statement by the Comissao de Valores Mobiliarios (the Brazilian Securities Commission, or "CVM") on December 26, 2003 that the proposed merger of shares, in the CVM's opinion, "violates applicable laws" and the consequent suspension by the Registrant and TCO of the shareholders' meetings previously scheduled for January 7, 2004. Although the Registrant and TCO disagree with the arguments and conclusion stated in the CVM's decision and continue to be of the opinion that the merger of shares would be the best alternative for both companies and their shareholders, they believe the CVM's decision makes the implementation of the merger of shares, as originally proposed, uncertain due to the potential obstacles that may be created by third parties. Taking into account the best interest of their shareholders, therefore, management of the Registrant and TCO have concluded that the best decision in light of the situation is to cancel the merger of shares.

No securities registered pursuant to the Registration Statement have been issued. The Registrant hereby requests that all the securities registered pursuant to the Registration Statement be removed from registration by means of this Post-Effective Amendment No. 1.

The Registrant intends to carry forward the excess registration fees it paid in connection with the Registration Statement to be used in future registrations pursuant to Rule 457(p) under the Securities Act.
