Item 1.01 Entry into a Material Definitive Agreement.

On September 15, 2006, Peabody Energy Corporation (the Company) entered into an amendment and restatement in full of its existing second amended and restated credit agreement (the Existing Credit Agreement) dated as of March 21, 2003, with Fleet National Bank, as administrative agent, Wachovia Bank N.A. and Lehman Commercial Paper Inc., each as syndication agent, Fleet Securities, Inc., Wachovia Securities, Inc. and Lehman Brothers Inc., each as arranger, Morgan Stanley Senior Funding, Inc. and U.S. Bank N.A., each as documentation agents and the lenders from time to time party thereto, pursuant to a third amended and restated credit agreement (the Third Amended and Restated Credit Agreement) with Bank of America, N.A., as administrative agent, Citibank, N.A., as syndication agent, and the lenders named therein.

The Third Amended and Restated Credit Agreement provides for a five-year term loan facility of \$950,000,000, which includes a \$510,000,000 delayed draw sub-facility, and a five-year revolving credit facility of \$1,800,000,000 which is available to obtain revolving loans and letters of credit and which includes a \$50,000,000 swingline sub-facility. Loans under the Third Amended and Restated Credit Agreement are available to the Company in U.S. dollars, with a sub-facility under the revolving credit facility available to the Company in Australian dollars, pounds sterling and Euros. Letters of Credit under the Third Amended and Restated Credit Agreement are available to the Company and its subsidiaries in U.S. dollars with a sub-facility available in Australian dollars, pounds sterling and Euros. The Third Amended and Restated Credit Agreement was entered into to finance the acquisition of Excel Coal Limited (which transaction is described in a filing on Form 8-K made on behalf of the Company on July 7, 2006) and related fees and expenses, the financing of other capital expenditures, the refinancing of obligations under the Existing Credit Agreement and the ongoing working capital and other corporate purposes of the Company. Availability of the delayed draw term loan sub-facility is limited to the financing of such acquisition of Excel Coal Limited.

The Third Amended and Restated Credit Agreement contains customary events of default and covenants, including, among other things, covenants that restrict the ability of the Company and certain of its subsidiaries to incur certain additional indebtedness, create or permit liens on assets, and engage in mergers or consolidations, and certain restrictive financial covenants.

If an event of default under the Third Amended and Restated Credit Agreement shall occur and be continuing, the commitments thereunder may be terminated and the principal amount outstanding thereunder, together with all accrued unpaid interest and other amounts owed thereunder, may be declared immediately due and payable.

On September 15, 2006, the Company furthermore entered into an amendment and restatement in full of its existing guarantee and collateral agreement (the Existing Guarantee and Collateral Agreement) dated as of March 21, 2003 among the Company, several of its subsidiaries and Fleet National Bank, as administrative agent under the Existing Credit Agreement, pursuant to an amended and restated guarantee (the Amended and Restated Guarantee) made by several of the Company's subsidiaries in favor of Bank of America, N.A., as administrative agent for the lenders under the Third Amended and Restated Credit Agreement. Under the Amended and Restated Guarantee, a substantial number of the Company's domestic subsidiaries guarantee the Company's obligations under the Third Amended and Restated Credit Agreement.

In connection with the amendments and restatements described in the foregoing, the collateral provided with respect to the Company's obligations under the Existing Credit Agreement and the guarantee obligations

The Company has a number of other commercial relationships with certain parties to the agreements described above. From time to time, several of the agents and lenders and their affiliates have provided, and may in the future provide, investment banking, general financing and advisory services to the Company.

The description of the Third Amended and Restated Credit Agreement is qualified in its entirety by the copy thereof which is attached as Exhibit 10.1 hereto and incorporated herein by reference.
