Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 13, 2007, the Compensation Committee (the Committee) of the Board of Directors of DUSA Pharmaceuticals, Inc. (the Company) adopted guidelines for the awarding of 2007 bonuses to the Company's executive officers, including the named executive officers (as that term is defined by Item 402(a)(3) of Regulation S-K). The guidelines are based on meeting or exceeding corporate financial performance goals for the fiscal year ending December 31, 2007, as well as individual goals. The corporate goals represent 70% of an officer's bonus opportunity under his employment agreement, and the individual goals represent 30% of such opportunity. The corporate financial performance goals relate to threshold levels of net revenue, and results of operations, and corporate strategic goals relate to product expansion, as well as clinical and product development. The payment of bonuses which usually occurs in the first fiscal quarter following year end, remains subject to the terms of employment agreements with each officer, respectively, and to the complete discretion of the Compensation Committee, even if the individual's personal goals and the corporate performance goals adopted by management of the Company are met.
