INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

The Company is a controlled company under the corporate governance rules of NASDAQ. Therefore the Company is not required to and does not have (1) a majority of independent directors; (2) a nominating committee comprised solely of independent directors to identify and recommend nominees to the Board of Directors; and (3) a compensation committee comprised solely of independent directors. The Company qualifies as a controlled company due to the ownership by the Sumas Family Group of shares allowing it to cast more than 50% of the votes eligible to be cast for the election of directors. The Board of Directors has determined that each nonmanagement director is independent as defined by the listing standards of NASDAQ.

The Board held four meetings in fiscal 2007. All directors attended at least 75% of the meetings of the Board, and meetings of Board committees on which the director served, during the time such director served on the Board or committee.

The Executive Committee, which consists of Perry Sumas, James Sumas, Robert Sumas, William Sumas and John P. Sumas, meets on call and is authorized to act on all matters pertaining to corporate policies and overall Company performance.

Table of Contents

The Compensation Committee

The Compensation Committee, which consists of James Sumas, John P. Sumas and John J. McDermott, has the primary responsibility for establishing the compensation paid to executive officers of the Company. This includes base salary, bonus awards, employment agreements and supplemental retirement plans. The full Board of Directors reviews and approves restricted share awards and stock option grants. During fiscal 2007, the Compensation Committee met three times. The Compensation Committee does not utilize a charter.

The Audit Committee

The Audit Committee is comprised of three directors, John J. McDermott, Steven Crystal and David C. Judge, each of whom is independent as defined by the listing standards of NASDAQ. The Audit Committee: (1) monitors the integrity of the Company's financial reporting process and systems of internal controls regarding financial, accounting, regulatory and legal compliance; (2) retains and monitors the independence and performance of the Company's independent auditors; (3) provides an avenue of communication among the independent auditors, management and the Board of Directors; and (4) approves in advance the fees paid to the independent auditing firm for all services provided. The Audit Committee operates under a charter adopted by the Board of Directors, which is attached to this proxy statement as Appendix A. During fiscal 2007, the Audit Committee met eight times.

The Securities and Exchange Commission has adopted rules implementing Section 407 of the Sarbanes Oxley Act of 2002 requiring public companies to disclose information about Audit Committee financial experts. The Board of Directors of the Company has concluded that none of the three independent audit committee members meet the SEC definition of Audit Committee financial expert as none have served as a principal accounting officer or public accountant, or have been responsible for actively supervising a principal accounting officer. SEC rules do not require Audit Committees to have a financial expert. However, the Board of Directors has determined that all three independent members of the Audit Committee meet the NASDAQ requirements for audit committee members. NASDAQ requires Audit Committee members be able to read and understand financial statements. In addition, NASDAQ rules require one member of the Audit Committee to have employment experience in finance or accounting, or other comparable experience which results in financial sophistication, including as a senior officer with financial oversight responsibilities.

The current members of the Audit Committee include two individuals who have diverse and extensive experience in the finance industry, including responsibilities for analysis of financial statements in connection with corporate lending to the supermarket industry. A third member of the Audit Committee is CEO of several operating companies, including three retail companies. The Board of Directors believes all three members of the Audit Committee have the ability to read and understand financial statements and an understanding of the retail industry appropriate to perform their Audit Committee duties. The Company may consider the addition of an Audit Committee member in the future meeting the financial expert definition adopted by the SEC.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is comprised of three independent directors, as defined by the listing standards of NASDAQ, and operates under a charter adopted by the Board of Directors. The members of the Committee are John J. McDermott (Chair), Steven Crystal and David C. Judge. The Committee appoints the Company's independent auditors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a

report thereon. In addition, the independent auditors are responsible for expressing an opinion on the effectiveness of the Company's internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements for the year ended July 28, 2007, management's assessment of the effectiveness of the Company's internal control over financial reporting as of July 28, 2007, and the independent auditor's evaluation of the Company's internal control over financial reporting

Table of Contents

as of that date. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent auditors also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report of the independent auditors, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended July 28, 2007 filed with the Securities and Exchange Commission.

The following table presents fees for professional services rendered by KPMG LLP for the audit of the Company's annual consolidated financial statements for fiscal 2007 and 2006, and fees billed for other services rendered by KPMG LLP:

	2007	2006
Audit fees(1)	\$ 656,000	\$ 190,000
Audit-related fees(2)	48,000	33,000
Tax fees(3)	45,000	43,000
All other fees		
Total fees	\$ 749,000	\$ 266,000

(1) Audit fees consist of audits of the annual consolidated financial statements, quarterly reviews and services provided in connection with statutory and regulatory filing engagements, including issuance of consents.

(2) Audit related fees consist of audits of financial statements of employee benefit plans.

(3) Tax fees consist of fees for tax compliance and consultation services.

The Audit Committee has considered whether the providing of non-audit services is compatible with maintaining the auditors' independence. The Audit Committee pre-approves all services provided by the principal auditors.

NOMINATION OF CANDIDATES TO THE BOARD OF DIRECTORS

The full Board of Directors acts on all matters concerning the identification, evaluation and nomination of director candidates. The Board does not utilize a charter in performing this function. As a matter of policy, the Board will consider nominations of director candidates submitted by any shareholder upon the submission of the names and biographical data of the candidates (including any relationship to the proposing shareholder) in writing to the Board of Directors at 733 Mountain Avenue, Springfield, New Jersey, 07081. Information regarding director candidates for

The Board's process for evaluating candidates recommended by any shareholder is the same as for candidates recommended by the Board, management or others. In searching for appropriate candidates, the Board adheres to criteria established for the consideration and selection of candidates. The Board views the candidate's qualifications in light of the needs of the Board and the Company at that time given the then current mix of director attributes. Among other criteria, the Board may consider the following skills, attributes and competencies of a new member:

(i) possessing the highest ethical standards and integrity; (ii) a willingness to act on and be accountable for Board decisions; (iii) an ability to provide prudent, informed and thoughtful counsel to top management on a broad range of issues; (iv) relevant industry or business knowledge; (v) senior management experience and demonstrated leadership; (vi) financial literacy; (vii) individual backgrounds that provide a portfolio of experience and knowledge

commensurate with the Company's needs. Each director will be considered without regard to gender, race, religion, national origin or sexual orientation.

COMMUNICATION WITH THE BOARD OF DIRECTORS

Shareholders and other interested parties may communicate with the Board of Directors by sending written communication to the directors c/o the Company's Secretary, 733 Mountain Avenue, Springfield, New Jersey 07081. All such communications will be reviewed by the Secretary to determine which communications will be forwarded to the directors. All communications will be forwarded except those that are related to Company products, are solicitations, or otherwise relate to improper or irrelevant topics, as determined in the sole discretion of the Secretary. The Secretary shall report to the Board of Directors on the number and nature of communications that were determined not to be forwarded.

The Company has a policy of requiring all directors standing for election at the annual meeting of shareholders to attend such meeting, unless unforeseen circumstances arise. All eight directors attended the 2006 annual meeting of shareholders held on December 8, 2006.

CODE OF ETHICS

The Company has a written Code of Ethics that applies to, among others, the Chief Executive Officer, Chief Financial Officer and Principal Accounting Officer. During fiscal 2007, there were no changes to, or waivers of, the Code of Ethics. The Company will furnish a copy of the Code of Ethics, without charge, to each person who forwards a written request to Mr. Robert Sumas, Secretary, Village Super Market, Inc., 733 Mountain Avenue, Springfield, New Jersey 07081. The Code of Ethics is also available at sec.gov as an Exhibit to the 2007 Form 10-K.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee of the Board has the primary responsibility for establishing the compensation paid to the executive officers of the Company, including the named executive officers who are identified in the Summary Compensation Table below. This includes base salary, bonus awards, employment agreements and supplemental retirement plans. The full Board of Directors reviews and approves restricted share awards and stock option grants. The Compensation Committee consists of James Sumas, Chairman of the Board of Directors, Chief Executive Officer and Chief Operating Officer; John P. Sumas, Executive Vice President; and John J. McDermott, an independent director.

The primary objective of the Company's executive compensation program is to attract, motivate and retain executive officers of outstanding ability and to align the interests of these executive officers with the interests of shareholders. Most of the named executive officers own a substantial amount of the Company's common stock and thus have a direct and substantial interest in the long-term growth of shareholder's wealth. In light of this ownership, there is less need to directly relate compensation for the named executive officers to long-term Company performance.

Neither management nor the Compensation Committee currently engages any consultant related to executive or director compensation matters. In setting compensation levels the committee considers the overall level of responsibility and performance of the individual executive, compensation levels of executive officers obtained through commercially available survey data, compensation of executive officers obtained through reviews of annual proxy statements, compensation paid to corporate executives of Wakefern and other ShopRite members, the financial performance of the Company and other achievements during the most recently completed fiscal year, overall

economic conditions, and competitive operating conditions. The Compensation Committee subjectively utilizes the above factors in setting compensation for the named executive officers.

The Company's executive compensation for the named executive officers includes the following components: base salary, annual bonus plan, restricted stock awards, retirement benefits and other benefits.

Table of Contents

Salary

Named executive officers are paid a base salary with annual increases at the discretion of the Compensation Committee. In addition to the competitive data outlined above and Company performance, individual factors are also considered in setting base salaries, including the executive's experience, achievements, leadership and value to the Company. Based on subjective and qualitative considerations, including the Company's improved performance in fiscal 2007, the Compensation Committee granted raises to each of the named executive officers of approximately 8% in fiscal 2007.

Annual Bonus

The Company's executive compensation program includes an annual non-equity incentive cash bonus designed to reward executive officers for overall Company success and individual performance. The actual bonus amounts earned by the named executive officers are reflected in the Summary Compensation Table in the fiscal year earned, even though these bonus amounts are paid in the subsequent year. These amounts are awarded subjectively by the Compensation Committee based on the criteria outlined above. The bonuses awarded in fiscal 2007 by the Committee were based on the Company's improved levels of net income, EBITDA and sales. Although the annual bonus award is not targeted as a specific percentage of the named executive officer's base salary, the bonus awards in fiscal 2007 range from 25% to 37% of base salary. In addition, an employment agreement with Mr. Begley dated January 4, 2004 requires the Company to pay a retention bonus of a minimum of \$75,000 per year, payable one year after such bonus is earned, conditioned on Mr. Begley's continued employment with the Company.

Equity

Awards based on the Company's common stock have been granted periodically to the named executive officers and approximately sixty other employees. The Compensation Committee believes these equity awards align the interest of employees with the interest of shareholders. The Company has utilized both restricted share grants and option grants. The last grant of stock options to named executive officers occurred in 1997. The only grant of restricted shares to named executive officers was in April 2005. No equity based awards were granted to any of the named executive officers in fiscal 2007. The Compensation Committee considers several factors in determining the amounts of stock based awards granted to the named executive officers, including the officer's level in the organization, individual performance and comparison to compensation levels at similar companies.

The Company has historically set the exercise price for stock options as the closing price of the Company's Class A common stock on the date of grant. Options have generally been granted at the Board of Directors meeting held in December, which is shortly after the release of first quarter earnings.

The Company does not have specific equity ownership guidelines, although as noted above, most of the named executive officers own a substantial amount of the Company's common stock.

Retirement Benefits

The Company maintains a defined benefit and a defined contribution plan for its non-union employees. The named executive officers participate in both of these plans, as well as a supplemental executive retirement plan. Additional details regarding retirement benefits available to the named executive officers can be found in the 2007 Pension Benefits Table and the accompanying narrative description that follows this discussion and analysis.

Village also maintains a deferred compensation plan in which the named executive officers, as well as other supervisory employees, are eligible to participate. One named executive officer participates in this plan. This plan is a

non-qualified plan under which participants may elect to defer the receipt of a portion of their salary or bonus otherwise payable to them. Compensation deferred bears interest at the actual rate of return earned on the contributed assets, which are invested in mutual funds and thus is not a preferential rate of interest. Deferred amounts are paid out only in cash, in accordance with deferral options selected by the participant at the time the deferral election is made.

Other Benefits

The Company's group health, dental, vision and life insurance plans are available to eligible full-time and part-time employees. These plans do not discriminate in favor of the named executive officers. Non-employee directors of the Company's Board of Directors do not participate in these plans. The Company provides the named executive officers, as well as all supervisory personnel, a Company vehicle. The Company provides the named executive officers with long-term disability insurance. The Company pays golf club membership dues for one named executive officer, John P. Sumas. There are no other benefits provided to the named executive officers.

The Company believes the perquisites described above are necessary and appropriate in providing competitive compensation to our executive officers.

Employment Agreements

The Company entered into an employment agreement with Mr. Begley dated January 1, 2004. The original agreement expired December 31, 2006, but has been extended for one year. Under the agreement, the Company agreed to pay Mr. Begley a base salary and bonus at least equal to that existing on the date of the contract, with increases at least commensurate with the increases granted to the other executive officers of the Company. The Board of Directors may decrease Mr. Begley's compensation in proportion to decreases commensurate with the other executive officers of the Company. In addition, the Company agreed to pay Mr. Begley a retention bonus of a minimum of \$75,000 per year payable one year after such bonus is earned, conditioned on Mr. Begley's continued employment with the Company. This agreement contains a covenant not to compete with the Company. The agreement includes payments in the event of the termination of Mr. Begley within five years following a change in control. The change in control and termination payment due is calculated as five years of base salary and bonus using the previous five years average less amounts paid subsequent to the change in control. If the change in control and termination had occurred on July 28, 2007, the amount due would be \$2,750,000. There are no other severance payments or change in control agreements with named executive officers.

The Company's equity plans described above provide for accelerated vesting of options and restricted share grants in the event of a change in control of the Company. This potential acceleration applies to all employees receiving grants and does not discriminate in favor of the named executive officers.

Deductibility of Compensation

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation paid to named executive officers to \$1,000,000 annually. Compensation that is qualified performance-based compensation generally is not subject to this \$1,000,000 deduction limit. The Company's awards of restricted stock that vests solely on the passage of time are not performance based and, as a result, compensation expense for those awards would not be deductible to the extent they exceeded \$1,000,000 for any officer. All compensation paid in fiscal 2007 is deductible as no named executive officer compensation under these rules exceeded \$1,000,000.

Financial Statement Restatement

The Company does not have a policy relative to making retroactive adjustments to any incentive compensation paid to the named executive officers where payment was based on the achievement of results that were subsequently the subject of restatement. The Company has never restated its financial statements.

- (1) The present value of the accumulated benefit for each named executive officer reflects pension benefits payable at the earliest age the named executive officer may retire without significant benefit reductions, or current age, if later. The same assumptions used in Note 8 to the Village Super Market, Inc. audited financial statements in the 2007 Annual Report and the Management's Discussion and Analysis included therein are used in calculating the present value of accumulated pension benefits.

The Company maintains a defined benefit pension plan (the Village Super Market Employees Retirement Plan, or VSMERP) for employees not covered by a collective bargaining agreement who have been employed with the Company for more than six months and who are over the age of twenty-one. For purposes of determining plan benefits, compensation is the regular base pay of the participant plus bonuses. Effective January 1, 1989, the plan benefit formula was amended. Retirement benefits are equal to the pension accrued to December 31, 1998 plus 1% of average compensation times each year of post-1988 service plus .75% of average compensation in excess of Table II of the 1989 Covered Compensation Table times each year of post-1988 service. Average compensation for post-1988 service is based on the five highest consecutive years' compensation. Normal retirement date is age 65. Employees are eligible for early retirement upon the attainment of age 55 and the completion of at least 15 years of vested service. Benefits are reduced by 1/15 for each of the first five years the early retirement date precedes normal retirement date and 1/30 for each of the succeeding five years. The Company has never granted any extra years of credited service.

In addition to the defined benefit pension plan described above, the Company adopted the Supplemental Executive Retirement Plan of Village Super Market, Inc. (the SERP) effective January 1, 2004 for the named executive officers to compensate for limitations on benefits available through the VSMERP. Participants vest in the SERP benefit at a rate of 20% per year of service beginning in calendar 2004. The retirement benefit at normal retirement date for the SERP is calculated as 50% of the individual's average compensation during his or her highest sixty consecutive months in the last ten years before retirement, reduced by both the benefit the participant is entitled to receive under the VSMERP and the amount of the participant's social security benefits. Normal retirement is defined as the later of

age 65 or five years of participation in the SERP. Early retirement is permitted upon the attainment of age 55 and the completion of at least five years of vesting service. Early retirement benefits are subject to a reduction of 1/15 for each of the first five years the early retirement date precedes the normal retirement date and 1/30 for each of the succeeding five years. Covered compensation under the SERP includes all salary and bonuses, whether paid in cash or deferred.

Table of Contents**NONQUALIFIED DEFERRED COMPENSATION**

The following table provides information on nonqualified deferred compensation for the named executive officers for fiscal 2007.

Name	Executive Contributions in Last FY (\$)	Registrant Contributions in Last FY (\$)	Aggregate Earnings in Last FY (\$)	Aggregate Withdrawals/ Distributions (\$)	Aggregate Balance at Last FYE (\$)
James Sumas					
Kevin Begley			34,635		331,114
Robert Sumas					
William Sumas					
John P. Sumas					

The named executive officers are eligible to participate in a nonqualified deferred compensation plan under which certain employees may elect to defer the receipt of a portion of their salary or bonus otherwise payable to them, and thereby defer taxation of the deferred amount until actual payment in future years. Participants may elect to defer payment for a specified number of years or until retirement or termination of employment. Earnings on deferred amounts are allocated to individuals based on the actual performance of the invested funds, which is not a preferential rate.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee consists of James Sumas, who is an executive officer of the Company serving as the Chairman of the Board of Directors, Chief Executive Officer and Chief Operating Officer; John P. Sumas, who is an executive officer of the Company serving as Executive Vice President; and John J. McDermott, who is a former executive officer of the Company, having resigned as General Counsel in 1983. As noted elsewhere in the Proxy Statement under Transactions with Related Parties, James Sumas and John P. Sumas, through Sumas Realty Associates, have certain business relationships with the Company. There are no other compensation committee interlocks between the Company and other entities involving the Company's executive officers and the Company's Board members who serve as executive officers of such other entities.

Directors who are employees of the Company receive no compensation for services as directors. Each director has the option to receive \$14,400 of restricted shares with a one year vesting period in lieu of the \$12,000 annual cash retainer. In addition, the Company has periodically granted to each of its non-employee directors options to purchase shares or restricted shares.
