SOLICITATION AND VOTING

We are sending you this Proxy Statement and the enclosed proxy card because the Board of Directors of Birmingham Bloomfield Bancshares, Inc. (the Company we or us) is soliciting your proxy to vote at the 2010 annual meeting of Shareholders (the Annual Meeting). This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be Held on May 17, 2010.

This proxy statement and annual report to shareholders are available online at www.bankofbirmingham.net

You are invited to attend our Annual Meeting on May 17, 2010 beginning at 7:00 p.m., local time. The Annual Meeting will be held at the Birmingham Community House, 380 South Bates Street,, Birmingham, Michigan.

This Proxy Statement and the enclosed form of proxy are being mailed starting on or about April 7, 2010.

Shareholders Entitled to Vote

Holders of record of common stock of the Company at the close of business on March 22, 2010 are entitled to receive this notice. Each share of common stock of the Company is equal to one vote.

There is no cumulative voting at the Annual Meeting.

As of the record date, there were 1,800,000 common shares issued and outstanding.

Voting Procedures

You can vote on matters to come before the meeting in one of two ways:

you may come to the Annual Meeting and cast your vote there; or

you may vote by signing and returning the enclosed proxy card. If you do so, the individuals named as proxies on the card will vote your shares in the manner you indicate.

You may also choose to vote for all of the nominees for Director and each proposal by simply signing, dating and returning the enclosed proxy card without further direction. All signed and returned proxies that contain no direction as to vote will be voted **FOR** each of the nominees for Director and **FOR** each of the proposals.

The Board of Directors has selected John Erb and Thomas J. Wagner as the persons to act as proxies on the proxy card.

If you plan to attend the Annual Meeting and vote in person, you should request a ballot when you arrive.

HOWEVER, IF YOUR SHARES ARE HELD IN THE NAME OF YOUR BROKER, BANK OR OTHER NOMINEE, THE INSPECTOR OF ELECTION WILL REQUIRE YOU TO PRESENT A POWER OF ATTORNEY OR PROXY IN YOUR NAME FROM SUCH BROKER, BANK OR OTHER NOMINEE FOR YOU TO VOTE SUCH SHARES AT THE ANNUAL MEETING. Please contact your broker, bank or nominee.

Required Vote

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the shareholders at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because such broker, bank or nominee does not have discretionary authority to vote and has not received instructions from the beneficial owner.

Once a quorum is achieved, a plurality of votes cast is all that is necessary for the election of Directors. Abstentions and broker non votes are not counted in determining the vote. As to all other matters, the affirmative vote of a majority of votes cast is necessary for the approval of such matters. Abstentions and broker non votes are not counted for purposes of approving the matters.

Revoking a Proxy

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of three ways:

you may send in another proxy with a later date;

you may notify the Company's Secretary in writing at Birmingham Bloomfield Bancshares, Inc., 33583 Woodward Avenue, Birmingham, Michigan 48009; or

you may revoke by voting in person at the Annual Meeting.

If you choose to revoke your proxy by attending the Annual Meeting, you must vote in accordance with the rules for voting at the Annual Meeting. Attending the Annual Meeting alone will not constitute revocation of a proxy.

List of Shareholders

A list of shareholders entitled to vote at the Annual Meeting will be available for examination by shareholders for any purpose related to the Annual Meeting at the Company's offices at 33583 Woodward Avenue, Birmingham, Michigan for a period of ten days prior to the Annual Meeting. A list will also be available at the Annual Meeting itself.

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, mail or telegram. We do not intend to engage a proxy solicitation firm to assist us in the distribution and solicitation of proxies. The Company will also request persons, firms and corporations holding shares in their names for other beneficial owners to send proxy materials to such beneficial owners. The Company will reimburse these persons for their expenses.

Inspector of Election

Your proxy returned in the enclosed envelope will be delivered to the Company's transfer agent, Registrar and Transfer Company. The Board of Directors has designated Harry Cendrowski and Lance Krajacic to act as inspectors of election and to tabulate the votes at the Annual Meeting.

Other Matters

The Board of Directors knows of no business which will be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting of Shareholders. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the proxies to vote the shares on such matters in their discretion.

The Executive Committee

The Executive Committee generally acts in lieu of the full board of directors between board meetings. This committee is responsible for formulating and implementing policy decisions, subject to review by the entire board of directors.

The Audit Committee

The Audit Committee is responsible for the annual appointment of the public accounting firm to be our outside auditors. The Committee is also responsible for the following tasks:

maintaining a liaison with the outside auditors;

review the adequacy of internal controls;

review with management and outside auditors financial disclosures of the Company; and

review any material changes in accounting principles or practices used in preparing statements.

Audit Committee Financial Expert

Our Board of Directors has determined that we have an Audit Committee financial expert, as defined by the Securities and Exchange Commission, serving on our Audit Committee. Harry Cendrowski is our Audit Committee financial expert, and he is independent as independence for audit committee members is defined in the NASDAQ's listing standards, as those standards have been modified or supplemented.

The Nomination and Governance Committee

The Nomination and Governance Committee identifies individuals to become board members and selects, or recommends for the board's selection, director nominees to be presented for shareholder approval at the annual meeting of shareholders or to fill any vacancies.

Our Board of Directors has adopted a written charter for the Nomination and Governance Committee, a copy of which is available to shareholders on our website, at <http://www.bankofbirmingham.net>. Each of the members of our Nomination and Governance Committee is independent as independence is defined in the NASDAQ's listing standards, as those standards have been modified or supplemented.

The Nomination and Governance Committee's policy is to consider director candidates recommended by shareholders. Such recommendations must be made pursuant to timely notice in writing to:

Birmingham Bloomfield Bancshares, Inc.
33583 Woodward Avenue
Birmingham, Michigan 48009

Article II, Section 6 of the Company's Bylaws governs nominations for election to the Board of Directors and requires all nominations for election to the Board of Directors, other than those made by or at the direction of the Board, to be made pursuant to timely notice in writing to the Company, as set forth in the Bylaws. To be timely, a shareholder's notice must be delivered, or mailed, and received at the principal executive offices of the Company not less than 60 days nor more than 270 days prior to the meeting; provided, however, that in the event less than 30 days notice or prior disclosure of the date of the meeting is given or made to shareholders, notice by the shareholder to be timely must be so received not later than the close of business on the tenth day following the day on which such notice of the date of the meeting was mailed or such disclosure was made. No notice has been received by the Company in connection with the Annual Meeting. Each written notice of a shareholder nomination must set forth certain information specified in the Bylaws. The presiding officer of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the procedures set forth in the Bylaws.

The Nomination and Governance Committee has not established specific, minimum qualifications for recommended nominees or specific qualities or skills for one or more of our directors to possess. The Nomination and Governance Committee uses a subjective process for identifying and evaluating nominees for director, based on the information available to, and the subjective judgments of, the members of the Nomination and Governance Committee and our then current needs. The committee does not believe there would be any difference in the manner in which it evaluates nominees based on whether the nominee is recommended by a shareholder. It is anticipated that nominees will be either existing directors or business associates of our directors or officers. While diversity is a consideration among other factors in reviewing nominees, there is no formal diversity policy in place.

The Compensation Committee

The Compensation Committee is responsible for establishing annual and long-term performance goals for the Chief Executive Officer and senior management. This Committee is also responsible for reviewing and making determinations concerning senior officers' compensation and other incentive compensation programs. The committee makes recommendations to the board, but does not have the authority to establish compensation. The committee may utilize banking industry compensation surveys from time-to-time, but does not utilize compensation consultants in recommending compensation. For officers other than the President and Chief Executive Officer, the committee utilizes advice from the President and Chief Executive Officer in making its recommendation to the board. The committee is also responsible for reviewing and recommending that the Company's Compensation Discussion and Analysis be included in this proxy statement.

Our Board of Directors has adopted a written charter for the Compensation Committee, a copy of which is available to shareholders on our website at <http://www.bankofbirmingham.net>. Each of the voting members of our Compensation Committee is independent as independence is defined in NASDAQ's listing standards, as those standards have been modified or supplemented.

Board Structure and Risk Management

The Board of Directors' involvement in the company incorporates the oversight of risk management via the regular board meetings along with the sub-committees of the board as described above. The Board has determined that the additional system of checks and balances provided to the company by separating the roles of Chairman and Chief Executive Officer is in its and its shareholder's best interest. Additional perspectives on the environment in which the company operates and risk management strategies are provided by the board through the diversity of their respective backgrounds and experiences.

Code of Ethics

The Company has adopted a Code of Ethics that applies to all of our employees, officers and directors, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics contains written standards that we believe are reasonably designed to deter wrongdoing and to promote:

Honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

Full, fair, accurate, timely, and understandable disclosure in reports and documents that we file with, or submit to, the Securities and Exchange Commissions and in other public communications we make;

Compliance with applicable governmental laws, rules and regulations;

The prompt internal reporting of violations of the code to an appropriate person or persons named in the code; and

Accountability for adherence to the code.

This Code of Ethics is attached to our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 as Exhibit 14. We have also posted it on our Web site at <http://www.bankofbirmingham.net>. We will provide to any person without charge, upon request, a copy of our Code of Ethics. Requests for a copy of our Code of Ethics

should be made to our Secretary at 33583 Woodward Avenue, Birmingham, Michigan 48009. We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or a waiver from, a provision of our Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions and that relates to any element of the code definition enumerated in Securities and Exchange Commission, Regulation S-K, Item 406(b) by posting such information on our Web site at <http://www.bankofbirmingham.net> within four business days following the date of the amendment or waiver.

Shareholder Communications with the Board

Our Board of Directors has a process for shareholders to send communications to the Board of Directors, its Nomination and Governance Committee or its Audit Committee, including complaints regarding accounting, internal accounting controls, or auditing matters. Communications can be sent to the Board of Directors, its Nomination and Governance Committee or its Audit Committee or specific directors either by regular mail to the attention of the Board of Directors, its Nomination and Governance Committee, its Audit Committee or specific directors, at our principal executive offices at 33583 Woodward Avenue, Birmingham, Michigan 48009. All of these communications will be reviewed by our Secretary (1) to filter out communications that our Secretary deems are not appropriate for our directors, such as spam and communications offering to buy or sell products or services, and (2) to sort and relay the remainder to the appropriate directors. We encourage all of our directors to attend the annual meeting of shareholders, if possible. All of our then current directors attended our 2009 annual meeting of shareholders.

Directors Compensation

We do not currently pay any cash compensation for service as a Company or Bank director. We may elect to compensate our directors through the payment of fees in the future, but have no plans to do so at this time.

ITEM 1. ELECTION OF DIRECTORS

The Board of Directors is divided into three classes of three to six directors per class. Each class of directors is appointed to three-year terms. One class of directors will be up for election each year. This results in a staggered Board which ensures continuity from year to year. Six Class II directors will be elected at the Annual Meeting to serve a three-year term expiring at our Annual Meeting in 2013. The nominees and directors were selected based upon their experience, prominence in the communities we serve and diversity as listed below among other reasons.

The persons named in the enclosed proxy card intend to vote the proxy for the election of each of the six nominees unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as director will continue in office until his or her successor has been elected, or until his death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as Class II Directors whose terms will expire in 2013: Donald E. Copus, Robert E. Farr, Charles Kaye, Scott B. McCallum, Daniel P. O'Donnell, and Henry G. Spellman.

The Board of Directors recommends a vote FOR the election of these nominees as Directors.

We expect each nominee to be able to serve if elected. If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees. The principal occupation, the specific factors that led the board to conclude that the person should serve as a director and certain other information about the nominees is set forth below.

Backgrounds of our Other Executive Officers

In addition to the information about our Chief Executive Officer, Robert E. Farr which is set forth above, the following is information about the Company's other executive officers:

Lance N. Krajacic, Age 49, Mr. Krajacic is our Executive Vice President and Chief Credit Officer/Chief Operations Officer. Prior to joining the Company in 2006, he served as Senior Vice President and head of the Business Financial Services Group for TCF Bank in Michigan, since 1995. Prior to joining TCF Bank, he spent four years at Great Lakes Bancorp, where he headed the commercial loan division, and nine years at Michigan National Bank, where he managed a \$40 million commercial loan portfolio.

Deborah A. Thompson, Age 52. Ms. Thompson is our Chief Financial Officer. Prior to joining the Company in 2009, she served as the Chief Financial Officer and Chief Operations Officer of SOC Credit Union since 1991. Prior to joining SOC Credit Union, she spent eleven years with Michigan National Corporation as a Vice President and Regional Controller.

Impact of ARRA on our Executive Compensation

The American Recovery and Reinvestment Act of 2009 (ARRA) was enacted on February 17, 2009. Among other things, ARRA sets forth limits on executive compensation at all financial institutions (including the Company) that receive federal funds under the U.S. Treasury's Capital Purchase Program. The executive compensation restrictions in ARRA include among others: prohibitions on golden parachute payments, prohibitions on the payment of any bonus and incentive compensation (except for certain grants of long term restricted stock), prohibitions on the provision of tax gross-ups, the requirement of a clawback of any bonus or incentive compensation paid to certain employees based on statements of earnings, gains or other criteria that are later proven to be materially inaccurate. Therefore, the discussions which follow concerning the terms of our executive officers' employment agreements and post-termination compensation are subject to the executive compensation restrictions under ARRA.

Employment Agreements

Robert Farr and Lance Krajacic. Bank of Birmingham has entered into employment agreements with Messrs. Farr and Krajacic, each of which has a term of one year (with certain exceptions). For each day during the term of the agreement, the term shall automatically be extended one additional day, unless either party elects to give the other party 30 day advance written notice of non-renewal. Upon the Bank giving notice of non-renewal, The Executive shall have the right to remain employed by the Bank for one year following the date the Bank gives notice of non-renewal unless the termination is for good cause.

Under the terms of the agreements, Mr. Farr receives a base salary of \$145,000 per year, and Mr. Krajacic \$135,000. Following the first year of the agreement, the base salaries are to be reviewed by the Bank's board of directors and may be increased as a result of that review. Each of the executives is eligible to participate in any executive incentive bonus plan and all other benefit programs that the Bank has adopted. Each of the executives is also entitled to receive other customary benefits such as health, dental and life insurance, membership fees to banking and professional organizations and an automobile allowance. In addition, the Bank has agreed to provide term life insurance coverage for each of the executives not to exceed 200% of the Executive's base salary for terms of not less than 10 years. In the case of Mr. Farr, the Bank has agreed to pay (or reimburse) Mr. Farr up to \$500 per month at a country club, which must meet the approval of the Board of Directors and for an automobile allowance of \$750 per month. Mr. Farr has not engaged membership with any club during 2009.

The employment agreements also provide for grants of stock options, the details of which are included in the 2009 Equity Awards table set forth below.

The employment agreements contain customary non-interference provisions that generally apply for a period of one year following the termination of the executive's employment with the Bank. Finally, each of the employment agreements contains provisions which require various differing payments to the executives upon termination and acknowledgement of the fact that the agreements may be assigned by the Bank to any successor-in interest and remain fully enforceable by either party upon assignation. The payments are described in detail below under the caption, Payments upon Termination.

401(k) Plan

The Bank has a 401(k) Plan in which substantially all employees may participate. The Bank may contribute to the 401(k) Plan at the discretion of the Board of Directors.

Payments upon Termination

Under each named executive officer's employment agreement, the executive officer is entitled to different payments and benefits depending upon the manner in which his employment terminates. If the executive is terminated for Good Cause (see below), or he resigns, dies or becomes disabled, then the agreement and the Bank's obligations under it are automatically terminated; provided, however, in the case of death, the Bank is required to provide health insurance benefits to the executive's spouse at its cost for the period permitted by the Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA). The Company estimates the approximate value of this benefit to be provided to an executive's spouse under this provision would be zero.

If the Bank terminates the executive's employment for any reason other than Good Cause then the executive is entitled to severance as follows:

1. The Executive shall be entitled to continue in the employment of the Bank for a one year period following the date of notice, with base salary and entitlements based upon the employment contract.

The Company estimates that if such termination had occurred on December 31, 2009, total compensation payable to Mr. Farr would be \$160,000 and Mr. Krajacic \$135,000. The amounts are payable in accordance with the Bank's normal payroll procedures.

Good Cause is defined under each executive's agreement to include: (i) a breach of the agreement or gross negligence in performance there under; (ii) a failure to follow policy or engaging in unsafe or unsound banking practices; (iii) conviction of a misdemeanor involving moral turpitude or a felony; (iv) gross misconduct in the course of employment including, indecency, immorality, gross insubordination, dishonesty, harassment, use of illegal drugs, or fighting; (v) substantial unsatisfactory job performance; and (vi) prohibition from engaging in the business of banking by any regulator.

Outstanding Equity Awards

The following table sets forth certain information concerning the stock options owned by the individuals named above in the summary compensation table as of December 31, 2009:

2009 OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END TABLE

Name	Option Awards		Option Exercise Price (\$)	Option Expiration Date
	Number of Securities Underlying Unexercised Options (#) Exercisable	Number of Securities Underlying Unexercised Options (#) Un-exercisable		
Robert E. Farr	30,000	20,000	\$ 10.00	4/23/2017
Lance N. Krajacic	25,000	0	\$ 10.00	4/23/2017

(2) The Company issued 50,000 and 25,000 options to Messrs. Farr and Krajacic on April 23, 2007, respectively, at an exercise price of \$10.00 per share. The options vest ratably (1/3rd per year) over a three-year period in the case of Mr. Krajacic and over a five year period (1/5 per year) in the case of Mr. Farr.

Transactions with Certain Related Persons

The Bank makes loans to directors and executive officers from time-to-time in the ordinary course of business. The Bank's current policy provides that:

In the case of banking transactions, each transaction will be on substantially the same terms, including price or interest rate and collateral, as those prevailing at the time for comparable loans with persons not related to the

lender, and any banking transactions will not be expected to involve more than the normal risk of collection or present other unfavorable features to us;

In the case of business transactions, each transaction will be on terms no less favorable than could be obtained from an unrelated third party; and

In the case of all related party transactions, each transaction will be approved by a majority of the directors, including a majority of the directors who do not have an interest in the transaction.

The following is a summary of the business transactions in 2009 involving the Company and related persons:

We have a continuing agreement with Schwartz Financial Group, an entity partially owned by director Walter Schwartz, to provide brokerage and certain other administrative services in connection with the 401(k) Plan that we offer our employees. Schwartz Financial Group receives a commission of 25 basis points on any brokerage transaction that it executes in connection with the Plan. These fees would be paid directly by the respective mutual fund companies involved in the trade and included in the mutual fund's annual administrative expenses. We have entered into a short term lease agreement for a period of six months beginning January 15, 2010 and terminating on July 15, 2010. The lease covers office space for one of our business development officers. The lease arrangement calls for payments of \$900 per month which incorporates a \$60 per month telephone allowance, with a one percent late charge for rent payments not received by the fifth day of the month it is due. Our board of directors believes that the above-described transaction is on terms no less favorable than could have been obtained from an unrelated third party. The Board considered the foregoing relationships in determining Mr. Schwartz's independence.

ITEM 2. ADVISORY VOTE ON EXECUTIVE COMPENSATION

On February 17, 2009, the President signed into law the American Recovery and Reinvestment Act of 2009. Among other things, the broad sweeping legislation requires that TARP recipients during the period in which any obligation arising from financial assistance provided under the TARP remains outstanding shall permit a separate [nonbinding] shareholder vote to approve the compensation of executives, as disclosed pursuant to the compensation disclosure rules of the Commission. The nonbinding vote is required annually at each annual or other meeting of shareholders during the period that any obligation arising from financial assistance provided under the TARP remains outstanding.

On April 24, 2009, the Company completed the sale of \$1.635 million of preferred stock and a warrant to purchase up to 82 shares of the Company's common stock to the U.S. Treasury under the TARP Program. Also, on December 18, 2009, the Company completed the sale of an additional \$1.744 million of preferred stock to the U.S. Treasury under the TARP Program. As a result, the Company is submitting this nonbinding proposal for consideration by shareholders in compliance with Section 7001 of the American Recovery and Reinvestment Act of 2009.

This proposal, commonly known as a "Say-on-Pay" proposal, gives you as a shareholder the opportunity to endorse or not endorse our executive pay program and policies through the following resolution:

Resolved, that the shareholders approve the executive compensation of the Company, as described in the Executive Compensation and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this Proxy Statement.

The affirmative vote of a majority of votes cast on this proposal, without regard to abstentions or broker non votes, is required for approval of this proposal. Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors unanimously recommends a vote FOR approval of the executive compensation of the Company, as described in the Executive Compensation and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this Proxy Statement.
