Subject Line: Announcement: BPL - BGH Merger  
*SENT ON BEHALF OF FORREST WYLIE ...*

Buckeye Partners, L.P. ( BPL or Buckeye ) and Buckeye GP Holdings L.P. ( BGH ) recently announced that a definitive agreement has been reached to combine the two partnerships. It is important for Buckeye's employees to know that the merger is not expected to result in changes to Buckeye's management, employees, or operations. The merger would be achieved through an exchange of newly issued BPL limited partnership units for all of the outstanding limited partnership units of BGH. Under the terms of the merger agreement, BGH's unitholders would receive 0.705 BPL limited partnership units in exchange for each BGH limited partnership unit owned at closing. The transaction would result in approximately 20 million additional limited partnership units being issued by BPL. The terms of the merger agreement were approved by both the audit committee of BPL's general partner, comprised solely of independent directors acting pursuant to a delegation of authority from the full board of directors, and the board of directors of BGH's general partner. In light of my roles at the two partnerships, I recused myself from the vote at the BGH board. There are several benefits of the merger:

The general partner incentive distributions currently paid by BPL to BGH would be eliminated, thereby reducing BPL's cost of capital, which would improve its competitive position when pursuing growth opportunities and its ability to accelerate growth in distributable cash flow.

The merger would result in a single, larger entity with a broader investor base.

BPL's investment-grade credit metrics would be maintained, as the merger would be completed with 100 percent equity consideration.

BPL's unitholders would receive the right to elect seven of the nine BPL directors.

We expect the merger would take several months to complete. Both BPL and BGH must prepare documents to be filed with and reviewed by the Securities and Exchange Commission ( SEC ) and information must be sent to both sets of unitholders describing the merger and announcing a date for each to vote on the merger, which we expect to occur in the fourth quarter. A majority of both the BPL limited partnership units and BGH limited partnership units outstanding must vote in favor of the merger for it to be approved. Following the merger, the independent members of BGH's board of directors are expected to join BPL's board, further strengthening our governance.

I appreciate everyone's continued dedication to Buckeye to make 2010 a successful year. Again, this merger would have no impact on Buckeye's underlying operations and we believe it would benefit our organization going forward. Please do not hesitate to contact me or other members of the executive team if you have any questions throughout the merger process. We will update you periodically as the merger process progresses. To ensure that we stay in compliance with SEC rules applicable in these matters, you should not forward this information to anyone outside the company and should refer all inquiries from the media or other external contacts to Mark Stockard in the Investor Relations department.

Thank you
