ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Tenneco Inc. announced today that the company has amended and renewed its North American trade accounts receivable securitization program. The company extended the term of both facilities to March 23, 2012 and expanded the trade receivables that are eligible for purchase under each facility. The first priority facility will continue to provide financing of up to \$110 million and the second priority facility, which is subordinated to the first priority facility, will continue to provide up to an additional \$40 million of financing. Both facilities monetize accounts receivable generated in the U.S. and Canada that meet certain eligibility requirements, and the second priority facility also monetizes certain additional receivables generated in the U.S. and Canada that would otherwise be ineligible under the first priority facility. The company's accounts receivable securitization programs, both in North America and in Europe, provide the company with financing at costs that are generally favorable to alternative sources of financing and allow the company to reduce borrowings under its revolving credit agreements.

The above summary of the amendments to and renewal of Tenneco's North American trade accounts receivable securitization program is not complete and is qualified in its entirety by reference to the terms of the documents effecting the amendments and renewal, copies of which are filed as Exhibits 10.1 and 10.2 hereto and are incorporated by reference herein.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.
