Item 1.01 Entry into a Material Definitive Agreement.

On July 13, 2011, Key Energy Services, Inc., a Maryland corporation (the Company), entered into an Agreement and Plan of Merger (the Agreement) by and among the Company, Key Merger Sub I LLC, a Louisiana limited liability company and a wholly-owned subsidiary of the Company (Merger Sub I), Key Merger Sub II LLC, a Louisiana limited liability company and a wholly-owned subsidiary of the Company (Merger Sub II), Edge Oilfield Services, L.L.C., a Louisiana limited liability company (Edge), Summit Oilfield Services, L.L.C., a Louisiana limited liability company (Summit) and, together with Edge, the Acquired Companies), and the equity owners of the Acquired Companies (the Holders).

Pursuant to the Agreement, at the effective time of the merger, Merger Sub I will merge with and into Edge and Merger Sub II will merge with and into Summit, with Edge and Summit surviving as subsidiaries of the Company.

The total consideration for the Acquired Companies in the mergers is \$300,000,000, consisting of 7,549,223 shares of the Company's common stock (the Key Shares) and approximately \$164,000,000 in cash, which is subject to working capital and other adjustments at closing. Additionally, the Company has agreed to reimburse the Holders for up to \$40,000,000 for growth capital expenditures incurred in the Eagle Ford shale play between March 1, 2011 and the date of closing.

The Agreement contains customary representations, warranties, covenants and indemnification obligations of the parties. Closing is subject to the satisfaction of certain regulatory approvals and other customary closing conditions. If closing has not occurred by October 31, 2011, the Agreement may be terminated by either the Company or the agent for the Holders.

Under the Agreement, the Holders receiving Key Shares in the transaction and their permitted transferees have agreed to a 180 day lock-up period with respect to all of the Key Shares received and a one year lock-up period with respect to 60% of the Key Shares received.

Under the Agreement, certain Holders have agreed, until the earlier of five years after the date of closing or three years after the date of the termination of such Holder's employment with the Company, not to engage in a competing business or solicit employees or customers of the Acquired Companies that were employees or customers of the Acquired Companies during the 12-month period prior to the date of closing.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the Agreement, a copy of which is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. The Agreement has been included to provide investors with information regarding its terms and is not intended to provide other factual information about the parties thereto. The representations, warranties and covenants contained in the Agreement were made only for the purpose of such Agreement, were made as of specific dates and were solely for the benefit of the parties thereto. The assertions embodied in those representations, warranties and covenants are qualified by information in confidential disclosure schedules that were exchanged in connection with signing the Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations, warranties and covenants set forth in the Agreement. Accordingly, investors should not rely on the representations, warranties and covenants, or any descriptions thereof, as characterizations of the actual state of facts at the time they were made or otherwise.
