What are the Committees of the Board?

The Trustees have determined that the efficient conduct of the Trust's affairs makes it desirable to delegate responsibility for certain specific matters to committees of the Board. The committees meet as often as necessary, either in conjunction with regular meetings of the Board or otherwise.

Audit Committee. The Trust has an audit committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, composed of Independent Trustees who are independent as that term is defined in the NYSE's listing standards pertaining to closed-end funds and as defined in the 1940 Act. The Audit Committee is charged with (i) oversight of the Trust's financial statements and the independent audit thereof; and (ii) selecting and evaluating a firm of independent accountants for the Trust and reviewing accounting matters with the accountants. The Audit Committee is governed by a written charter, which is attached to this Proxy Statement as Appendix A.

The Audit Committee presents the following report:

The Audit Committee has performed the following functions: (i) the Audit Committee reviewed and discussed the audited financial statements of the Trust with management of the Trust, (ii) the Audit Committee discussed with the independent accountants the matters required to be discussed by the Statement on Auditing Standards No. 61, (iii) the Audit Committee received the written disclosures and the letter from the independent auditors required by ISB Standard No. 1 and has discussed with the accountants the accountants' independence and (iv) the Audit Committee recommended to the Board of Trustees of the Trust that the financial statements be included in the Trust's Annual Report for the past fiscal year.

Nominating Committee. The Trust has a Nominating Committee, which performs the functions set forth in the Trust's Nominating Committee Charter. The Nominating Committee is composed of all of the Trust's Independent Trustees. The Nominating Committee Charter is attached to this Proxy Statement as Appendix B.

As part of its duties, the Nominating Committee nominates individuals for Independent Trustee membership on the Board. The Nominating Committee will consider trustee candidates recommended by shareholders. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a shareholder must submit the recommendation in writing, which must include the following information:

The name of the shareholder and evidence of the person's ownership of shares of the Trust, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Trustee of the Trust and the nominee's consent to be named as a Trustee if selected by the Nominating Committee and nominated by the Board.

The shareholder recommendation and related information described above must be sent to the Trust's Secretary, c/o the Advisor at 201 King of Prussia Road, Suite 600, Radnor, Pennsylvania 19087 and must be received by the Secretary no less than 120 days prior to the anniversary date of the Trust's most recent annual meeting of shareholders. The Nominating Committee believes that the minimum qualifications for serving as a Trustee of the Trust are that a candidate demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Trust and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Trust. The Nominating Committee also seeks to have the Board represent a diversity of backgrounds and experience. The Trust does not pay any third party a fee to assist in the process of identifying and evaluating candidates.

Does the Trust have a policy with respect to the attendance of Trustees at the Annual Meeting?

The Trust does not, as a matter of policy, require Trustees that are standing for election at an annual meeting to attend such annual meeting. Mr. Ferguson attended the annual meeting of the Trust held on October 27, 2010.

How can shareholders send communications to the Board?

Shareholders and other interested parties may contact the Board or any member of the Board by mail. To communicate with the Board or any member of the Board, correspondence should be addressed to the Board or the Board members with whom you wish to communicate by either name or title. All such correspondence should be sent c/o Secretary of the Trust at 201 King of Prussia Road, Suite 600, Radnor, Pennsylvania 19087.

The following table shows the dollar range of equity securities beneficially owned by each Interested Trustee and each Independent Trustee as of as of August 31, 2011 or a more recent date. Dollar amount ranges disclosed are set forth as

Richard L. Sutton	\$ 35,000	Not Applicable	Not Applicable

What are the Trustees' qualifications?

The Board has concluded that, based on each Trustee's experience, qualifications, attributes and skills on an individual basis and in combination with those of the other Trustees, each Trustee is qualified and should continue to serve as such. In determining that a particular Trustee was and continues to be qualified to serve as a Trustee, the Board has considered a variety of criteria. In addition, the Board has taken into account the actual service, commitment and participation of each Trustee during his tenure in concluding that each Trustee should continue to serve. Information about the specific experience, skills, attributes and qualifications of each Trustee, which in each case led to the Board's conclusion that the Trustee should continue to serve as a trustee of the Trust, is as follows:

The Board has concluded that Mr. Bartholdson should continue to serve as a Trustee because of his general financial acumen, including the experience he gained as the Chief Financial Officer of a publicly traded company. Mr. Bartholdson has substantial experience in and knowledge of public company accounting and auditing. Mr. Bartholdson has gained additional understanding of the Trust's business by serving as a Trustee since 2004. Mr. Bartholdson also serves as a Trustee of other U.S.-registered investment companies, which provides him with additional perspective on operation and management of the Trust.

The Board has concluded that Mr. Hammer should continue to serve as Trustee given his significant experience as an executive throughout the financial services industry, including disciplines such as banking, consumer finance and private equity, as well as investment management. Mr. Hammer has gained additional understanding of the Trust's business by serving as a Trustee since 2004.

The Board has concluded that Mr. Nakahara should continue to serve as a Trustee because of his background in real estate, including his academic and industry

experience, his knowledge of the financial services industry and the experience he has gained serving as a Trustee since 2004.

The Board has concluded that Mr. Sutton should continue to serve as a Trustee because of his experience as an attorney in corporate practice, including experience related to corporate acquisitions and financing and the legal responsibilities of corporate directors. Mr. Sutton has gained additional understanding of the Trust's business by serving as a Trustee since 2004. Mr. Sutton also serves as a Trustee of another closed-end, listed investment company managed by the Advisor, which provides him with additional perspective on operation and management of the Trust.

The Board has concluded that Mr. Ferguson should continue to serve as a Trustee because of the experience he has gained in establishing and leading the business of the Advisor. Mr. Ferguson founded the Advisor, along with Mr. Jarrett Kling and Mr. Ken Campbell, in 1991, and currently serves as its Chief Executive and Chief Investment Officer. Mr. Ferguson has substantial experience in the real estate investment management business and has gained additional understanding of the Trust's business by serving as a Trustee since 2004.

The Board believes that, collectively, the Trustees have the appropriate experience, qualifications, attributes, and skills, which allow the Board to operate effectively in governing the Trust and protecting the interests of shareholders. Experience, qualifications, attributes and/or skills common to all Trustees include the ability to critically review, evaluate and discuss information provided to them and to interact effectively with the other Trustees and with representatives of the Advisor, other service providers, legal counsel and the Trust's independent registered public accounting firm, the capacity to address financial and legal issues and exercise reasonable business judgment and a commitment to the representation of the interests of the Trust and its shareholders.

In its periodic assessment of the effectiveness of the Board, the Board considers the skills and experience of the individual Trustees in the broader context of the Board's overall composition so that the Board, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the business of the Trust.

In the future, when the Board determines to add a new Trustee or replace a departing Trustee, the Board intends to consider not only a candidate's experience, qualifications, attributes, and skills, but also whether the candidate's background would add to the Board's diversity.

Mr. Ferguson, the Chairman of the Board, is not an Independent Trustee. He also serves as the Trust's President and Chief Executive Officer. As Chairman, Mr. Ferguson's duties include setting the agenda for each Board meeting in consultation with the Trust's other officers (who are employed by the Advisor), as well as the Trust's external legal counsel, counsel to the independent trustees, auditors and administrator. Mr. Ferguson also presides at each Board meeting, meets with the Trust's other

officers between Board meetings, and facilitates communication, coordination and an orderly and efficient flow of information and input among the Trustees, the Trust's officers and other employees of the Advisor. The Trust has not appointed a Lead Independent Trustee. Mr. Bartholdson serves as Chairman of the Trust's Audit Committee and is the Audit Committee Financial Expert. The Trustees have determined that the Board's leadership by Mr. Ferguson, as Chairman of the Board, and Mr. Bartholdson, as Chairman of the Audit Committee, is appropriate because they believe it appropriately reflects the relationships among the Trustees, the Advisor and the Trust's other officers. The Trustees exercise their independent judgment in evaluating and managing the Trust's relationship with the Advisor, as well as the performance of the Trust's officers and other service providers.

What are the Trust's Risk Management procedures?

The Trust is subject to investment, compliance and operational risks, among others. Like most investment companies, the day-to-day business of the Trust, including the management of risk, is performed by third party service providers, such as the Advisor and the Trust's administrator. The Trustees are responsible for overseeing the Trust's service providers and, accordingly, oversee their respective risk management practices, as applicable to the Trust. Each service provider has its own risk management practices, and its policies and methods of risk management may differ from the Trust's in the setting of priorities, the resources available or the effectiveness of relevant controls.

The Advisor is responsible for the mitigation of investment risk within the parameters of the Trust's investment objectives, strategies and guidelines. The Advisor provides a detailed report on investment performance at each quarterly Board meeting. Among other things, the Board also reviews information about the Trust's investments, including portfolio holdings, investment performance and the factors impacting performance during the period.

Compliance risk derives from the failure (or perceived failure) to comply with laws, regulations or standards. Under the guidance of its Chief Compliance Officer, the Trust maintains a comprehensive compliance program designed to ensure compliance with laws applicable to its business, thereby mitigating compliance risk. The Trust's Chief Compliance Officer reports regularly to the Board to review and discuss compliance issues and, at least annually, provides the Board with a report reviewing the adequacy and effectiveness of the Trust's policies and procedures and those of its service providers, including the Advisor and the Trust's administrator. The report addresses the operation of the policies and procedures of the Trust and each service provider since the date of the last report; any material changes to the policies and procedures since the date of the last report; any recommendations for material changes to the policies and procedures; and any material compliance matters since the date of the last report.

The Trust's administrator and custodian provide the Trust with reports detailing their respective operating controls and procedures. The Trust's officers review those

reports in the context of the Trust's day-to-day operations, preparation of financial reports and compliance with applicable regulations. The officers provide the Board with summary reports relating to operational controls and procedures. The Trustees also receive reports directly from the administrator, relating to matters such as valuation, financial reporting and portfolio compliance, and from the custodian, relating to the Trust's custody arrangements. The Advisor provides the Trustees with a quarterly report on fair valuation, and the Trustees approve the valuation of such securities.

Annually, the independent registered public accounting firm reviews with the Audit Committee its audit of the Trust's financial statements, focusing on major areas of risk encountered by the Trust and noting any significant deficiencies or material weaknesses in the Trust's internal controls.

The Board recognizes that not all risks that may affect the Trust can be identified and/or quantified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Trust's objectives, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness.

Are there any legal proceedings involving the Trust's Executive Officers or Trustees?

The following chart sets forth certain legal actions involving the Trust's Executive Officers, Trustees and nominees for trustee for the past ten years. Such actions include: (i) any judicial or administrative proceedings resulting from involvement in mail or wire fraud or fraud in connection with any business entity; (ii) any judicial or administrative proceedings based on violations of federal or state securities, commodities, banking or insurance laws and regulations, or any settlement to such actions; and (iii) any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organization.

Deadline for Shareholder Proposals

Shareholder proposals intended for inclusion in the Trust's proxy statement in connection with the 2012 annual meeting of shareholders pursuant to Rule 14a-8 under the Exchange Act must have been received at the Trust's principal executive offices by May 12, 2012. In order for proposals made outside of Rule 14a-8 under the Exchange Act to be considered timely within the meaning of Rule 14a-4(c) under the Exchange Act, such proposals must be received by the Trust at the Trust's principal executive offices not later than July 24, 2012.

Privacy Principles of the Trust

The Trust is committed to maintaining the privacy of shareholders and to safeguarding their non-public personal information. The following information is provided to help you understand what personal information the Trust collects, how the Trust protects that information and why, in certain cases, the Trust may share information with select other parties.

Generally, the Trust does not receive any non-public personal information relating to its shareholders, although certain non-public personal information of its shareholders may become available to the Trust. The Trust does not disclose any non-public personal information about its shareholders or former shareholders to anyone, except as permitted by law or as is necessary in order to service shareholder accounts (for example, to a transfer agent or third party administrator).

The Trust restricts access to non-public personal information about the shareholders to employees of the Advisor with a legitimate business need for the information. The Trust maintains physical, electronic and procedural safeguards designed to protect the non-public personal information of its shareholders.

Voting

The Board has fixed the close of business on August 25, 2011 as the record date for the determination of shareholders of the Trust entitled to notice of, and to vote at, the Annual Meeting. Shareholders of the Trust on that date will be entitled to one vote on each matter to be voted on by the Trust for each share held and a fractional vote with respect to fractional shares with no cumulative voting rights. The presence in person or by proxy of shareholders owning a majority of the shares entitled to vote on any matter is necessary to constitute a quorum for the transaction of business at the Annual Meeting.

In the event that a quorum of shareholders is not represented at the Annual Meeting, the meeting may be adjourned by a majority of the shareholders present in person or by proxy until a quorum exists. If there are insufficient votes to approve any Proposal, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit additional time for the solicitation of proxies, in accordance with applicable law. Adjourned meetings must be held within a reasonable time after the date originally set for the meeting (but not more than six months beyond the originally scheduled meeting date). Solicitation of votes may continue to be made without any obligation to provide any additional notice of the adjournment. The persons named as proxies will vote in favor of such adjournment(s) in their discretion.

For purposes of determining the presence of a quorum for transacting business at the Annual Meeting, executed proxies marked as abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not

have discretionary power) will be treated as shares that are present for quorum purposes but which have not been voted. Accordingly, abstentions and broker non-votes will effectively be a vote against the Proposals.

Other Matters

No business other than the matter described above is expected to come before the Annual Meeting, but should any matter incident to the conduct of the Annual Meeting or any question as to an adjournment of the Annual Meeting arise, the persons named in the enclosed proxy will vote thereon according to their best judgment in the interest of the Trust.

A list of shareholders entitled to be present and to vote at the Annual Meeting will be available at the offices of the Advisor, 201 King of Prussia Road, Suite 600, Radnor, Pennsylvania 19087, for inspection by any shareholder during regular business hours beginning ten days prior to the date of the Annual Meeting.

In particular, and as more fully set forth in Sections IV, V and IX of this Audit Committee Charter (*Charter*), the Audit Committee will:

(a) assist in the Board's oversight of:

(i) the integrity of the Trust's financial statements;

(ii) the Trust's compliance with legal and regulatory requirements;

(iii) the qualifications and independence of the Trust's independent auditor (*the Independent Auditor*); and

The Board and the Trust's shareholders shall have such rights to approve, ratify and replace the Independent Auditor as required by applicable law; and

(d) assist the Board with respect to its obligation to ensure that the Audit Committee functions in a manner consistent with the requirements of the Sarbanes-Oxley Act of 2002 (*Sarbanes-Oxley*), the rules and regulations promulgated by the SEC pursuant to that Act and the listing standards (*NYSE Company Guide*) promulgated by the New York Stock Exchange (*NYSE*).

¹ This Amended and Restated Audit Committee Charter was first ratified and approved by the Audit Committee of the Board of Trustees of the named Trust on August 30, 2006 and amended on February 15, 2007.

II. COMPOSITION OF THE AUDIT COMMITTEE

The Audit Committee shall be comprised of three or more trustees as determined from time to time by resolution of the Board. Each member of the Audit Committee shall be:

(a) a trustee (Independent Trustee) who is not an interested person of the Trust as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the 1940 Act); and

(b) a trustee whom the Board has affirmatively determined does not have a material relationship with the Trust that would interfere with the exercise of independent judgment.

Service by a trustee on the board of directors/trustees of any other public company (or companies) shall not be an impediment to the qualification of such trustee to serve on the Audit Committee unless the Board determines that such service will impair the ability of such trustee to serve effectively on the Audit Committee, or unless such service would otherwise render such trustee unable to meet the qualification standards set forth in this charter.

Each member of the Audit Committee must be able to read and understand fundamental financial statements, including the Trust's balance sheets, income statements and cash flow statements. Further, at least one member of the Audit Committee must be determined to be an audit committee financial expert (as such term is defined in the rules and regulations promulgated by the SEC pursuant to the Act) by the Board.

The chairperson of the Audit Committee shall be designated by the Board by a majority vote.

Any vacancy on the Audit Committee shall be filled by the affirmative vote of a majority of the members of the Board at the next meeting of the Audit Committee following the occurrence of the vacancy. No member of the Audit Committee shall be removed except by the affirmative vote of a majority of the members of the Board.

III. MEETINGS OF THE AUDIT COMMITTEE

The Audit Committee shall fix its own rules of procedure, which shall be consistent with the Declaration of Trust of the Trust (or other charter document of the Trust), the By-Laws of the Trust and this Audit Committee Charter. The Audit Committee shall meet on a regular basis and special meetings shall be called, as circumstances require and at the discretion of the Audit Committee chair or by majority vote of the members of the Audit Committee. The Audit Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary.

The Audit Committee shall periodically, and at least annually, meet separately with the Independent Auditor. The Audit Committee shall, at the discretion of the

Audit Committee and in accordance with its authority under this Charter, meet with (a) the chief financial officer of the Trust and those officers (collectively, Financial Officers) of the Trust and/or the Trust's investment adviser who are responsible for the Trust's internal audit function and/or for assisting with the preparation of the Trust's financial statements. Such meetings shall also, at the discretion of the Audit Committee, be periodically conducted separately and outside the presence of any or all other representatives of management and will be conducted separately in the event that the Independent Auditor or Financial Officer(s) desire to discuss any matter privately with the Audit Committee.

A majority of the members of the Audit Committee present in person or by means of a conference telephone or other communication equipment by means of which all persons participating in the meeting can communicate with each other shall constitute a quorum. The Audit Committee may also take action by the written consent of a majority of its members, except to the extent an in-person meeting is required by the 1940 Act.

The Audit Committee shall cause to be maintained minutes of all meetings and records relating to those meetings and provide copies of such minutes to the Board and the Trust.

IV. AUTHORITY

The Audit Committee shall have the authority to carry out its duties and responsibilities, as set forth in this Audit Committee Charter, to institute investigations of suspected improprieties and to retain independent counsel or seek assistance from such experts and consultants as the Audit Committee may deem appropriate. Such authority includes, without limitation, the authority to cause the Trust to provide the necessary funding, as determined by the Audit Committee (i) to compensate the Independent Auditor and any advisers, experts or consultants employed by or at the direction of the Audit Committee and (ii) to pay such other administrative expenses of the Audit Committee that are necessary or appropriate, in the judgment of the Audit Committee, to carry out the duties and responsibilities of the Audit Committee.

(F) all alternative treatments within United States Generally Accepted Accounting Principles for policies and practices related to material items that have been discussed with management of the Trust, including (1) ramifications of the use of such alternative disclosures and treatments, and (2) the treatment preferred by the Independent Auditor; and

(G) other material written communications between the Independent Auditor and management of the Trust, such as any management letter or schedule of unadjusted differences;

(iii) Review, as the Audit Committee may deem appropriate to carry out its oversight functions, with the Independent Auditor, the chief financial officer of the Trust and such other officers of the Trust or its investment adviser as may be responsible for the Trust's internal audit function and for assisting with the preparation of the Trust's financial statements:

(A) the Trust's annual audited financial statements and interim financial statements, and any major issues related thereto;

(d) Compliance

(i) Establish and maintain free and open means of communication between and among the Board, the Audit Committee, the Independent Auditor and the Trust's management (including the chief financial officer, management of the Trust's investment adviser and management of other relevant service providers of the Trust) and ensure that such procedures afford such parties with appropriate opportunities to meet separately and privately with the Audit Committee on a periodic basis and as the Audit Committee may deem necessary or appropriate;

VI. PRE-APPROVAL POLICY/PROCEDURES

All audit and non-audit services shall be specifically pre-approved by the Audit Committee to be provided to the Trust or, to the extent set forth in Section V of this charter, to its investment adviser and/or any Related Entity.

Requests for pre-approval of Covered Non-Audit Engagements should be submitted to the Audit Committee by the Independent Auditor and by the chief financial officer of the Related Entity for which the non-audit services are to be performed. Such requests should include a statement as to whether, in the view of the Independent Auditor and such officer, (a) the request is consistent with the SEC's rules on auditor independence and (b) the requested service is or is not a non-audit service prohibited by the SEC. A request submitted between scheduled meetings of the Audit Committee should state the reason that approval is being sought prior to the next regularly scheduled meeting of the Audit Committee.

Between regularly scheduled meetings of the Audit Committee, the Committee Chairman or Audit Committee financial expert shall have the authority to pre-approve Covered Non-Audit Engagements, provided that fees associated with such engagement do not exceed \$10,000 and the services to be provided do not involve provision of any of the following services by the Independent Auditor: (i) bookkeeping or other services related to the accounting records or financial statements of the

audit client; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, fairness opinions, or contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions; (vii) human resources; (vii) broker dealer, investment advisor or investment banking services; (ix) legal services; or (x) expert services unrelated to the audit.

VII. REPORTING

The Audit Committee shall report its activities to the Board on a regular basis, so that the Board is kept informed of its activities on a current basis. In connection therewith, the Audit Committee will review with the Board any issues that arise with respect to the quality or integrity of the Trust's financial statements, the Trust's compliance with related legal or regulatory requirements, the performance and independence of the Independent Auditor, or the performance of the Trust's internal audit function. In particular, the Audit Committee will also report to the Board its conclusions with respect to matters the Audit Committee considers to be of interest or the Board requests. Reports to the Board may take the form of an oral report by the chairperson of the Audit Committee or any other member of the Audit Committee designated by the Audit Committee to make this report.

The Audit Committee shall approve the Audit Committee Statement required by the rules of the SEC to be included in the Trust's annual proxy statement and determine to its satisfaction that the Audit Committee has: (a) reviewed and discussed the audited financial statements with management of the Trust; (b) discussed with the Independent Auditor the matters required to be discussed under applicable PCOAB Standards; (c) received the written disclosures and the letter from the Independent Auditor required under applicable PCOAB Standards and have discussed with the Independent Auditor the auditor's independence; and (d) made a recommendation to the Board as to whether the financial statements should be included in the Trust's annual report for the past fiscal year, as filed with the SEC.

VIII. RESOURCES

The Board shall ensure that the Audit Committee has adequate resources, as determined by the Audit Committee, with which to discharge its responsibilities, including for the payment of (a) compensation (i) to any firm of Independent Auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Trust, and (ii) to any advisors employed by the Audit Committee, including independent counsel, consultants or other advisors, as the Audit Committee determines necessary to carry out its duties, and (b) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

IX. LIMITS ON ROLE OF AUDIT COMMITTEE

The function of the Committee is oversight; it is management's responsibility to maintain appropriate systems for accounting and internal control over financial reporting, and the Independent Auditor's responsibility to plan and carry out a proper audit. Specifically, management is responsible for: (1) the preparation, presentation and integrity of the Trust's financial statements; (2) the maintenance of appropriate accounting and financial reporting principles and policies; and (3) the maintenance of internal controls over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations. The Independent Auditor is responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of its engagement letter. Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of the Trust's service providers, including the Independent Auditor.

The review of the Trust's financial statements by the Committee is not an audit, nor does the Committee's review substitute for the responsibilities of management for preparing, or the Independent Auditor for auditing, the financial statements. Members of the Committee are not full-time employees of the Trust and, in serving on the Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures.

In discharging their duties, the members of the Committee are entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the Trust whom the Committee members reasonably believe to be reliable and competent in the matters presented; (2) legal counsel, public accountants or other persons as to matters the Committee member reasonably believes are within the person's professional or expert competence; or (3) a Board committee of which the Committee member is not a member.
