ANNUAL MEETING OF STOCKHOLDERS**

PROXY STATEMENT

This proxy statement contains information related to our annual meeting of stockholders to be held on Thursday, September 16, 2004, beginning at 10:00 a.m. local time, at the Prime Hotel, 2641 West Union Hills Drive, Phoenix, Arizona 85027 and at any adjournments or postponements thereof. The purpose of this proxy statement is to solicit proxies from the holders of our common stock for use at the meeting. This proxy statement, the accompanying notice of annual meeting, and the enclosed form of proxy are being sent to stockholders on or about August 26, 2004. You should review this information in conjunction with our 2003 Annual Report to Stockholders, which accompanies this proxy statement.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At the annual meeting, stockholders will vote on the election of directors. In addition, our management will report on our performance during 2003 and respond to questions from our stockholders.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on the record date, July 30, 2004, are entitled to receive notice of the annual meeting and to vote the shares of our common stock that they held on that date at the meeting, or any postponements or adjournments of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

Who may attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Please note that if you hold shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of all of the shares of common stock outstanding on the record date will constitute a quorum, permitting the board of directors to conduct its business. As of the record date, 27,413,712 shares of our common stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting but will not be counted as votes cast for or against any given matter.

If less than a majority of the outstanding shares of common stock entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time, or place, and notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before an

adjournment is taken.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Table of Contents

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with us either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. Each of the board's recommendations is set forth together with the description of each item in this proxy statement. In summary, the board recommends a vote for election of its nominees for directors.

Our board of directors does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate board nominees for directors. In the event that any other matter should properly come before the meeting or any nominee for director is not available for election, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in accordance with their best judgment.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the meeting by each holder of common stock (either in person or by proxy) is required for the election of directors. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors.

Other Items. For each other item, the affirmative vote of a majority of the votes cast at the meeting by each holder of common stock (either in person or by proxy) will be required for approval. A properly executed proxy marked **ABSTAIN** with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

What are the effects of broker non-votes?

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters. Shares represented by these broker non-votes will, however, be counted in determining whether there is a quorum. As a result, broker non-votes will have the effect of a negative vote on some matters.

Who will pay for the preparation of the proxy?

We will pay the cost of preparing, assembling, and mailing the proxy statement, notice of meeting, and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our

employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers, and other custodians, nominees, and fiduciaries to forward copies of the proxy material to the beneficial owners of our common stock and to request authority for the execution of proxies, and we may reimburse such persons for their expenses incurred in connection with these activities.

Our principal executive offices are located at 2401 West Grandview Road, Phoenix, Arizona 85023 and our telephone number is (602) 789-6600. A list of stockholders entitled to vote at the annual meeting will be available at our offices for a period of 10 days prior to the meeting and at the meeting itself for examination by any stockholder.

Table of Contents**ELECTION OF DIRECTORS****Directors and Nominees**

Our board of directors is divided into three classes and each class of directors serves for a three-year term or until successors of that class have been elected and qualified. At the annual meeting, our stockholders will elect three directors, each of whom will serve for a term expiring at the 2007 annual meeting, or until his successor has been duly elected and qualified.

Our board of directors has no reason to believe that any nominee will refuse to act or be unable to accept election. However, if any of them are unable to accept election or if any other unforeseen contingencies should arise, our board of directors may designate a substitute nominee. If our board of directors designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by our board of directors.

Our board of directors has nominated Jeffrey W. Goettman, John C. Walker, Thomas B. Sabol, and Enrique Zambrano, each of whom are currently serving as directors, to stand for re-election. The terms of James K. Bass, Allen S. Braswell, Jr., James J. Forese, and Jesse Hermann expire at the annual meeting of stockholders in 2005. The terms of Douglas P. McCormick, Jose S. Information Relating to Corporate Governance and the Board of Directors

Our board of directors has determined, after considering all the relevant facts and circumstances, that Messrs. Braswell, Breidenbach, Hermann, Sabol, Van Horne, and Zambrano are independent directors, as independence is defined by the listing standards of the National Association of Securities Dealers (NASD).

Thayer-Blum Funding III, L.L.C. owns 24,582,191 shares of our common stock, or 89.7% of our outstanding shares. See Security Ownership of Principal Stockholders, Directors and Officers below beginning on page 8. Accordingly, our company is deemed to be a controlled company, which is defined by the NASD listing standards as a company of which more than 50% of the voting power is held by an individual, group, or another company. As a controlled company, we are not required to have a compensation committee or a nominating committee comprised solely of independent directors nor is our board of directors required to be comprised of a majority of independent directors.

Our board of directors has established three standing committees: an audit committee, a compensation committee, and a nominating and corporate governance committee. Our board of directors has adopted charters for the audit and the nominating and corporate governance committees describing the authority and responsibilities delegated to each committee by the board of directors. Our board of directors has also adopted a Whistle Blower Policy and a Code of Ethics for the CEO and Senior Financial Officers. We post on our website at www.suntroncorp.com, the charters of the audit and the nominating and corporate governance committees; our Whistle Blower Policy and Code of Ethics for the CEO and Senior Financial Officers, and any amendments or waivers thereto; and any other corporate governance materials contemplated by SEC or NASD regulations. These documents are also available in print to any stockholder requesting a copy in writing from our corporate secretary at our executive offices set forth in this proxy statement. In addition, the Charter of the Audit Committee as currently in effect is attached as Appendix A to this proxy statement. These documents are also available in print to any stockholder requesting a copy in writing from our corporate secretary at our executive offices set forth in this proxy statement.

We intend to schedule each year at least two executive sessions at which independent directors meet without the presence or participation of management.

Interested parties may communicate with our board of directors or specific members of our board of directors, including the members of our various board committees, by submitting a letter addressed to the Board of Directors of Suntron Corporation c/o any specified individual director or directors at the address listed herein. Any such letters will be forwarded to the indicated directors.

Table of Contents

Meetings of the Board of Directors

Our board of directors held six meetings during the fiscal year ended December 31, 2003 and took action by written consent. All of our directors attended more than 75% of the meetings of the board of directors and the committees of the board of directors held during fiscal year 2003.

Committees of the Board of Directors

Audit Committee. The purpose of the audit committee is to oversee the accounting and financial reporting processes of our company and the audits of the financial statements of our company and to provide assistance to our board of directors with respect to the oversight of the integrity of the financial statements of our company, our company's compliance with legal and regulatory matters, the independent auditor's qualifications and independence, and the performance of our company's internal audit function and our independent auditors. The primary responsibilities of the audit committee are set forth in its charter and include various matters with respect to the oversight of our company's accounting and financial reporting process and audits of the financial statements of our company on behalf of our board of directors. The audit committee also selects the independent certified public accountants to conduct the annual audit of the financial statements of our company; reviews the proposed scope of such audit; reviews accounting and financial controls of our company with the independent public accountants and our financial accounting staff; and reviews and approves transactions between us and our directors, officers, and their affiliates. The current members of the audit committee are Messrs. Hermann, Sabol, and Van Horne (chairman), each of whom qualifies as an independent director under NASD listing standards as well as under rules adopted by the Securities and Exchange Commission (SEC) pursuant to the Sarbanes-Oxley Act of 2002. Our board of directors has determined that Messrs. Sabol and Van Horne each qualify as an audit committee financial expert in accordance with applicable SEC rules and regulations. The audit committee met nine times during fiscal year 2003, including three telephonic meetings.

Compensation Committee. The compensation committee reviews and monitors our compensation and benefit plans to ensure that they meet corporate objectives, including the administration of our stock option plan. In fulfilling this function, the compensation committee will review the recommendations of the chief executive officer regarding changes to the major compensation policies and practices and the compensation provided to our officers. Its current members include Messrs. Goettman, Walker (chairman), and Zambrano. The compensation committee met twice during fiscal year 2003 and took action by written consent.

Nominating and Corporate Governance Committee. The purpose and responsibilities of the nominating and corporate governance committee include the oversight of the selection and composition of committees of the board of directors, the oversight of the evaluations of the board of directors and management, the identification of individuals qualified to become board members, the selection or recommendation to the board of directors of nominees to stand for election as directors at each election of directors, the development and recommendation to the board of directors of a set of corporate governance principles applicable to our company, and the establishment of board of director compensation levels.

The nominating and corporate governance committee will consider persons recommended by stockholders for inclusion as nominees for election to our board of directors if the names, biographical data, and qualifications of such persons are submitted in writing in a timely manner addressed and delivered to our company's secretary at the address listed herein. The nominating and corporate governance committee identifies and evaluates nominees for our board of directors, including nominees recommended by stockholders, based on numerous factors it considers appropriate, some of which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity, and the extent to which the nominee would fill a present need on our board of directors. The current

members of the nominating and corporate governance committee include Messrs. Braswell, Goettman (chairman), and Walker. Messrs. Goettman and Walker may not be considered independent for purposes of the NASD's listing requirements. The nominating and corporate governance committee did not meet during 2003.

Table of Contents**SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires our directors, officers, and persons who own more than 10% of a registered class of our securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Directors, officers, and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. During 2003, we believe that our directors, executive officers and 10 percent stockholders complied with all Section 16(a) filing requirements, except that Messrs. Bass, Briant, Doran, Eblin, Gibbons, Hager, Harper, and Kulp each inadvertently filed one Form 4 late. These individuals received stock option grants in mid-December 2003 and the Forms 4 were filed on January 15, 2004.

- (4) Potential realizable value assumes that the stock price increases from the date of the grant until the end of the option term (10 years) at the annual rate specified (0%, 5% and 10%). The 0%, 5% and 10% assumed annual rates of appreciation are mandated by SEC rules and do not represent our estimate or projection of the future price of our common stock. We do not believe this method accurately illustrates the potential value of a stock option.

Employment Agreements and Change of Control Arrangements

James K. Bass, our Chief Executive Officer and President, has entered into an employment agreement that provides for him to be employed as Chief Executive Officer for a term ended on December 31, 2003, which term automatically extends for successive one-year periods until the agreement is terminated. Mr. Bass' agreement provides for a minimum annual base salary of \$300,000 and incentive-based bonus compensation in an amount determined by the compensation committee of our board of directors. We may terminate his employment agreement with or without cause. In the case of a termination without cause, however, we must continue to pay Mr. Bass' base salary and prorated bonus compensation for a period of one year from the date of termination.

REPORT OF THE COMPENSATION COMMITTEE

The following Report of the Compensation Committee, the Report of the Audit Committee, and Performance Graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference in any other filing of ours under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate either Report or the Performance Graph by reference therein.

Under rules established by the Securities and Exchange Commission, we are required to provide a report explaining the rationale and considerations that led to fundamental compensation decisions affecting our executive officers (including the executive officers named in the Summary Compensation Table above) during the past fiscal year. The report of our compensation committee is set forth below.

James K. Bass became our President and Chief Executive Officer in May 2001. In July 2000, Mr. Bass entered into an employment contract with EFTC Corporation, which we assumed as part of the business combination of EFTC Corporation and K*TEC Electronics Holding Corporation. The agreement terminated in December 2003, but automatically extends for successive one-year periods until terminated. The employment agreement provides for a minimum base salary of \$300,000, which the committee believes to be consistent with industry parameters, and incentive-based bonus compensation determined by the compensation committee. The employment agreement also provides customary benefits. The compensation committee believes that the attributes of Mr. Bass's compensation package provide appropriate performance-based incentives.

The compensation committee's general philosophy with respect to the compensation of our other executive officers has been to recommend competitive compensation programs designed to attract and retain key executives critical to our long-term success and to recognize an individual's contribution and personal performance. In addition, we have a stock option plan designed to attract and retain executive officers and other employees and to reward them for delivering long-term value to us. In fiscal year 2003 the compensation committee awarded cash bonuses to the executive officers in recognition of our company's improved financial performance and granted stock options to certain executive officers.

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a federal income tax deduction to public companies for certain compensation in excess of \$1 million paid to a corporation's chief executive officer or any of its four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. Our equity-based compensation plan does not satisfy these requirements as the members of our compensation committee do not satisfy the definition of an "outside director" under Section 162(m). Accordingly, the compensation income deemed to be received upon the exercise of stock options granted under the plan does not qualify as performance-based compensation and may be subject to the deduction limit. The compensation committee intends to review the potential effects of Section 162(m) periodically and in the future may decide to structure additional portions of our compensation programs in a manner designed to permit unlimited deductibility for federal income tax purposes. We are not currently subject to the limitations of Section 162(m) because none of our executive officers received compensation during 2003 in excess of \$1 million.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended December 31, 2003, our compensation committee consisted of Messrs. Breidenbach, Goettman, Walker, and Richard L. Monfort. None of these individuals had any contractual or other relationships with us during such fiscal year except as directors and those transactions discussed elsewhere in this Proxy Statement. See

Certain Relationships and Related Transactions. No interlocking relationship exists between any member of our compensation committee and any member of any other company's board of directors or compensation committee.

REPORT OF THE AUDIT COMMITTEE

The board of directors has appointed an audit committee consisting of three directors. All members of the audit committee are able to read and understand fundamental financial statements, including our balance sheet, income statement, and cash flow statement. At least one member of the audit committee has past employment experience in financial or accounting, requisite professional certification in accounting, or other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibility.

Our board of directors has determined that Messrs. Van Horne and Breidenbach are independent, as defined by Rule 4200(a)(14) of the NASD's listing standards. The NASD's listing standards permitted one member to be appointed to our audit committee who is not independent. Mr. Goettman is not independent under the NASD's listing standards. Mr. Goettman is the managing partner of Thayer Capital, a private investment company. Thayer Capital, and its affiliates, beneficially own up to 24,582,191 of our common shares, or 89.7% of our outstanding shares. For more information, see Security Ownership of Principal Stockholders, Directors and Officers above beginning on page 8. Mr. Goettman is also a director of Thayer-Blum Funding III, LLC. We have entered into a management agreement with Thayer-Blum affiliates. For more information, please see Certain Relationships and Related Transactions below beginning on page 17.

Our board of directors considered Mr. Goettman's professional, financial, and industry experience and has determined that it is in the best interests of the corporation and its stockholders that Mr. Goettman, the chairman of our board, serve as a member of the audit committee under Rule 4350(d)(2)(b) of the NASD's listing standards, an exception to the requirements that the board be comprised solely of independent directors. Pursuant to recent changes to the NASD's listing standards and to the Sarbanes-Oxley Act of 2002, effective immediately after our 2004 Annual Meeting. Our audit committee will be required to be comprised of at least three members, each of whom must be independent under NASD listing standards and applicable SEC rules. Messrs. Breidenbach and Mr. Goettman are no longer members of the audit committee and have been replaced by Messrs. Hermann and Sabol as members of the audit committee. Messrs. Hermann and Sabol are both considered independent under NASD's rules and, as a result, we continue to be in compliance with Nasdaq's listing requirements.

The primary responsibility of the audit committee is to assist our board of directors in fulfilling its responsibility to oversee management's conduct of our financial reporting process, including overseeing the financial reports and other financial information that we submit to governmental or regulatory bodies (such as the Securities and Exchange Commission), the public, and other users thereof; our systems of internal accounting and financial controls; and the annual independent audit of our financial statements.

Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for auditing the financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America.

In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements with management and the independent auditors. The audit committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, as amended. This included a discussion of the auditors' judgments as to the quality and the acceptability of the company's accounting principles and such other matters as are required to be discussed with the audit committee under generally accepted auditing

Table of Contents

standards. In addition, the audit committee received from the independent auditors written disclosures and the letter required by Independence Standards Board Standard No. 1. The audit committee also discussed with the independent auditors the auditors' independence from us and our management, including the matters covered by the written disclosures and letter provided by the independent auditors.

The audit committee discussed with the company's independent auditors the overall scope and plans for their audits. The audit committee met with the independent auditors, with and without management present, to discuss the results of their quarterly reviews and annual audits, their evaluations of the company, the internal controls, and the overall quality of the financial reporting. The audit committee met nine times, including three telephonic meetings, during the fiscal year ended December 31, 2003.

Based on the reviews and discussions referred to above, the audit committee recommended to the board of directors, and the board or directors approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the SEC.

The Board of Directors has amended and restated our audit committee charter to reflect, among other things, the requirements of recently adopted federal legislation, including the Sarbanes-Oxley Act of 2002, new rules adopted by the SEC, and amended NASD listing standards. A copy of the Audit Committee Charter, as amended and restated, is included as Appendix A in this proxy statement. We certify that it is in compliance with Rule 4350(d)(1) of the NASD's listing standards.

Richard L. Monfort, formerly a member of our board of directors, entered into a sale/leaseback transaction with EFTC in December 1998 whereby EFTC sold manufacturing facilities located in Newberg, Oregon and Tucson, Arizona to Mr. Monfort for \$10.5 million. Mr. Monfort leased these manufacturing facilities back to us for a term of five years through December 2003. The Tucson lease provided for monthly payments of \$32,000 and the Newberg lease provided for monthly payments of \$58,000. Honeywell International, Inc. subleased the Tucson facility under a month-to-month agreement that required monthly payments of \$32,000 through expiration of the Tucson lease in December 2003. In July 2003, we renewed the Newberg lease through December 2008 at an average monthly payment of \$47,000.

Thayer-Blum Management Fees

In 2002, we entered into an agreement with affiliates of Thayer-Blum Funding, L.L.C. that provides for the payment of a quarterly management fee of \$187,500 through February 2007. During 2003, we paid \$750,000 for management fees to affiliates of Thayer-Blum Funding L.L.C. The services provided under this arrangement consist primarily of management and consulting services related to corporate development activities.

This agreement provides for the payment of additional incentive compensation between 1.0% and 2.5% of the purchase price of business acquisitions that are introduced or negotiated by affiliates of Thayer-Blum. The agreement also provides for payment of fees up to 1.0% of the gross proceeds from public equity financing transactions. During 2003, affiliates of Thayer-Blum did not earn any additional incentive compensation related to business acquisitions or public equity financing transactions.

Inventory Purchases

For the year ended December 31, 2003, the Company purchased inventories for \$481,000 from TTM Technologies, Inc. An affiliate of Thayer-Blum Funding L.L.C. has a controlling ownership interest in TTM Technologies.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

KPMG LLP served as our independent auditors for the year ended December 31, 2003 and will serve in that capacity for the 2004 fiscal year. We anticipate that representatives of KPMG LLP will attend the annual meeting, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

Fees Charged By Independent Auditors

The following is a summary of fees, all of which were approved by the audit committee, billed by KPMG LLP for audit and other professional services during the years ended December 31, 2002 and 2003:

Audit-related fees include employee benefit plan audit fees and fees related to auditor consents required by various SEC filings. Income tax fees include tax return preparation and consultation on various tax issues. All other fees include due diligence assistances and accounting consultation on proposed transactions.

Pre-Approval Policy for Independent Auditor's Fees

In 2003, our Audit Committee adopted a policy concerning pre-approval of audit and non-audit services to be provided by our independent auditors. The policy requires that all proposed services to be provided by KPMG LLP must be pre-approved by the audit committee before any services are performed. This policy includes all audit, tax, and consulting services that KPMG LLP may provide to the Company. In evaluating whether to engage KPMG LLP for non-audit services, our audit committee considers whether the performance of services other than audit services is compatible with maintaining the independence of KPMG LLP.

ANNUAL REPORT AND OTHER MATTERS

We have mailed with this proxy statement a copy of our 2003 annual report to each stockholder of record as of July 30, 2004. If a stockholder requires an additional copy of our annual report, we will provide one, without charge, on the written request of any such stockholder addressed to our Secretary at Suntron Corporation, 2401 West Grandview Road, Phoenix, Arizona 85023. Any exhibits listed in the annual report also will be furnished upon written request at the actual expense we incur in furnishing such exhibit.

Our 2003 annual report to stockholders is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended. The information contained in the Report of the Compensation Committee, Report of the Audit Committee, and Performance Graph above shall not be deemed filed with the SEC, subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Exchange Act.
