Options to purchase 300,000 shares of common stock at \$1.31 per share
Options to purchase 2,400 shares of common stock at \$.68 per share

In total Sun acquired 1,679,066 shares of common stock for a total purchase price of \$3,367,630.

Item 4. Purpose of Transaction

Sun elected to exercise its options in order to provide the Company with additional working capital. In addition, some of the options exercised by Sun were expiring on January 1, 2005.

At this time, except as disclosed above, the Sun has no immediate plans or proposals which relate to or would result in:

- 1). the acquisition by any person of additional securities of the issuer, or the disposition of securities of the Company;
- 2). an extraordinary corporate transaction, such as a merger, reorganization or liquidation involving the Company;
- 3). a sale or transfer of a material amount of assets of the Company;
- 4). any change in the present board of directors or management of the Company, including any plans to change the number or term of directors except that the board may elect to fill an existing vacancy on the board;
- 5). any material change in the present capitalization or dividend policy of the Company;
- 6). any other material change in the Company's business or corporate structure;
- 7). changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person;
- 8). causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of registered national securities association;
- 9). the Shares becoming eligible for termination pursuant to Section

Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form SC 13D/A

12(g)(4) of the Act; or

10). any action similar to those enumerated above.
