-----  
GENERAL INFORMATION  
-----

WHO MAY VOTE

Stockholders of Rowan Companies, Inc., as recorded in our stock register on February 28, 2003, may vote at the meeting.

HOW TO VOTE

You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

HOW PROXIES WORK

Rowan's Board of Directors is asking for your proxy. Giving us your proxy means you authorize us to vote your shares at the meeting in the manner you have indicated on the proxy card. You may vote for all, some or none of our director nominees. You may also abstain from voting.

If you sign and return the enclosed proxy card but do not indicate your vote, the proxies will vote your shares in favor of our director nominees.

You may receive more than one proxy card depending on how you hold your shares. Shares registered in your name are covered by one card and any shares held by someone else, such as a stockbroker, may be covered by a separate card. Rowan employees receive a separate card for any shares they hold in Rowan's 401(k) plans.

HOW WE SOLICIT PROXIES

We are mailing this proxy statement and the proxy card on or about March 19, 2003. In addition to this mailing, Rowan employees may solicit proxies personally, electronically or by telephone. Rowan will pay all costs of solicitation and has retained D. F. King & Co., Inc. to assist with the solicitation at an estimated cost of \$8,000, plus reasonable expenses. We also reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in sending these materials to you.

REVOKING A PROXY

You may revoke your proxy before it is voted by submitting a new proxy card with a later date, by voting in person at the meeting or by notifying Rowan's Corporate Secretary in writing before 5:00 P.M., Central Time, on the day before the meeting at the address listed under "Questions?" on page 18.

VOTING SECURITIES OUTSTANDING

On February 28, 2003, there were 93,617,175 shares of Rowan's common stock

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

outstanding. Each share is entitled to one vote on the matters to be presented at the meeting.

QUORUM

In order to carry on the business of the meeting, we must have a quorum. This means that at least a majority of the outstanding shares must be represented at the meeting, either by proxy or in person. You are considered present at the meeting if you attend or are represented by a valid proxy, regardless of whether your proxy card is marked as casting a vote or as abstaining or is left blank. Any shares owned by Rowan and held in treasury are not voted and do not count for this purpose.

VOTES NEEDED

The election of each nominee for Class III Director will be approved if the votes cast for such nominee exceed the votes cast against him. Unless another vote is specifically required by law or by Rowan's Bylaws, any other matter shall be approved if the votes cast in favor of the matter exceed the votes cast opposing the matter. Only votes cast for or against count. Abstentions and broker non-votes count for quorum purposes, but not for voting purposes. Broker non-votes occur when a broker returns a proxy, but does not have the authority to vote on a particular matter.

-----  
ELECTION OF DIRECTORS  
-----

The Rowan Board of Directors consists of three classes:

- Class I has three directors
- Class II has three directors
- Class III has three directors

Each class of directors is elected for a three-year term, and the current terms will expire on the date of Rowan's annual meeting, in the year indicated:

- Class I        2004
- Class II      2005
- Class III     2003

Three Class III Directors are to be elected at this meeting. Each current member of the Class, Henry O. Boswell, Frederick R. Lausen and C. R. Palmer, has been selected by the Nominating and Corporate Governance Committee to be a Class III nominee, a decision with which the Board concurred.

If a director nominee becomes unavailable to serve prior to the election, your proxy card authorizes us to vote for a replacement nominee if the Board names one.

THE BOARD RECOMMENDS THAT YOU VOTE FOR EACH OF THE NOMINEES LISTED BELOW.

DIRECTOR COMPENSATION

---

Rowan employees receive no additional compensation for serving as directors. Nonemployee directors receive a base fee of \$30,000 annually, \$750 per regular or special Board meeting attended, \$500 per committee meeting attended and reimbursement for reasonable travel expenses. The Board of Directors held five meetings in 2002. Each director attended at least 75% of the meetings of the Board and Committees on which he served.

Each nonemployee director may also be selected to receive a nonqualified stock option grant under the 1998 Rowan Companies, Inc. Nonemployee Directors Stock Option Plan. Eligibility and the terms and conditions of each grant are determined by the Board of Directors, with the Board generally setting the amounts granted at the median of the range in comparison to peer group companies. Options granted under the plan become 100% exercisable one year after the date of grant and expire after five years. No options were granted under the plan in 2002.

BOARD COMMITTEES

---

The functions performed by the committees of the Board of Directors are as follows:

THE AUDIT COMMITTEE has as its principal functions those responsibilities described in the Audit Committee Report on pages 9 and 10 and in the Audit Committee's Charter attached as Appendix A.

Committee members: Messrs. Boswell (Chairman), Fox and Lausen

2002 meetings: three

THE NOMINATING COMMITTEE generally designates, on behalf of the Board of Directors, candidates for the directors of the class to be elected at the next meeting of stockholders. The Committee will consider for election to the Board qualified nominees recommended by stockholders. To make such a recommendation, stockholders should submit to the Company's Secretary at the address listed under "Questions?" on page 18 a biographical sketch of the prospective candidate, which should include age, principal occupation, business experience and other directorships, including positions previously held or now held. Any such stockholder recommendations must be submitted not less than 60 days prior to the anniversary date of the previous annual meeting and, in the case of a special meeting, not more than ten days following the earlier of the date of the meeting notice or the public announcement notice.

## Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

Committee members: Messrs. Brinkhorst, Fox, Lentz and Moynihan

2002 meetings: four

On January 23, 2003, the Nominating Committee was reconstituted as the NOMINATING AND CORPORATE GOVERNANCE COMMITTEE, which identifies qualified board candidates and develops and recommends to the Board of Directors the corporate governance principles applicable to the Company. The Committee's members include Messrs. Lentz (Chairman), Boswell, Brinkhorst, Fox, Lausen and Moynihan.

4

Rowan Companies, Inc. 2003 Proxy Statement

THE COMPENSATION COMMITTEE recommends to the Board of Directors the compensation to be paid to the executive and other officers of the Company and its subsidiaries and any plan for additional compensation that it deems appropriate. In addition, the Committee administers the Company's debenture plans and employee stock option plan, having broad authority to interpret the plans and to make all determinations necessary or advisable for the administration of the plans. See the Committee's report on pages 7 and 8.

Committee members: Messrs. Boswell (Chairman), Brinkhorst and Lentz

2002 meetings: three

THE EXECUTIVE COMMITTEE has the authority to exercise all of the powers of the Board in the management of the business and affairs of the Company, except for certain qualifications noted in the Company's Bylaws.

Committee members: Messrs. Palmer (Chairman), Boswell, Brinkhorst and Lausen

2002 meetings: none

THE HEALTH, SAFETY AND ENVIRONMENT COMMITTEE reviews the Company's performance and policies with respect to health, safety and environmental matters and, when appropriate, makes recommendations to the full Board regarding such matters.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION  
-----

### COMPENSATION POLICY FOR EXECUTIVE OFFICERS

Under the supervision of the Compensation Committee (the "Committee") of the Board of Directors, Rowan has developed and implemented compensation policies and programs that seek to retain and motivate employees whose performance contributes to our goal of maximizing stockholder value in a volatile industry. In addition, these compensation policies attempt to align the executive officers' interests with those of the stockholders by providing incentive compensation related to the value of Rowan's common stock. The Committee makes compensation decisions after reviewing recommendations prepared by Rowan's Chief Executive Officer, with the assistance of other Company personnel. Rowan historically has combined salaries with stock option grants, convertible debenture offerings and selected cash bonuses to provide a compensation balance. The balance established by the Committee is designed to recognize past performance, retain key employees and encourage future performance.

In approving and establishing compensation for an executive officer, several factors are considered by the Committee. Performance criteria include individual contribution and performance, overall Rowan performance versus that of its competitors and performance of Rowan's common stock in comparison to prior levels and to the relative stock prices of its competitors. When evaluating individual performance, particular emphasis has been placed on the executive officer's ability to develop innovative ways to obtain better returns on Rowan's assets and to respond to prevailing conditions in the drilling, aviation and manufacturing industries. Emphasis is placed upon an individual's integrity, loyalty and competence in his areas of responsibility. When evaluating the foregoing performance criteria in setting executive compensation, the Committee

## Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

gives greatest weight to those factors it believes have or will contribute the most towards maximizing stockholder value and increasing Rowan's financial viability. The factors that contribute the most towards these goals vary depending on the state of the industries in which Rowan operates.

In addition to the factors discussed above, the Committee considered Rowan's operating results and profitability, management of its assets and debts and increasing market share. Additionally, the Committee's objectives included setting salaries which are both externally competitive relative to the industry and internally equitable when considering performance and responsibility levels. Competitor comparisons for purposes of determining executive officer compensation consisted of a comparison to Rowan's principal competitors and certain additional public companies in the energy service industry. Although no specific target has been established, the Committee generally seeks to set salaries at the median to high end of the range in comparison to peer group companies. Measurement of each individual's performance is to some extent subjective, and Rowan does not make compensation awards based on the degree to which an individual achieves predetermined objective criteria.

The Compensation Committee met three times during 2002. At its January 2002 meeting, the Committee deliberated over the status of the Company's long-term incentive plans, in particular the Nonqualified Stock Option Plan and Convertible Debenture Incentive Plan. The Committee believes that Debenture offers and stock option grants are an effective way to incentivize management and determined that each plan should be amended to afford continuing opportunities to award such offers and grants in the future. The amendments proposed by the Committee were later ratified by the Company's Board of Directors and approved by vote of the Company's stockholders at the April 26, 2002 Annual Meeting. The Committee is considering whether the Debenture Plan should be amended as a result of the enactment of the Sarbanes-Oxley Act.

At its April 2002 meeting, the Committee determined, based upon the continuing weakness in industry conditions then prevailing and their generally negative effects on the Company's operations, that none of the Named Executive Officers, nor any other Rowan officer, would receive a salary increase at that time. The Committee determined, however, that in recognition of the Company's financial performance in 2001 in achieving record revenues and a level of net income exceeding that of 2000, each of the Named Executive Officers, including Mr. Palmer (see "Chief Executive Officer Compensation" below), would

7

Rowan Companies, Inc. 2003 Proxy Statement

receive a cash bonus in April 2002 at least equal to the one he received in April 2001. In addition, all other Rowan officers, and certain key operations personnel, received bonuses ranging from \$20,000 to \$125,000.

At its July 2002 meeting, the Committee considered the proposed change in the Company's executive management, in particular the promotions, to be effective August 1, 2002, of Mr. McNease to President of the Company and of Mr. Croyle to Vice Chairman of the Board. The Committee determined to grant to Messrs. McNease and Croyle, each a Named Executive Officer, nonqualified stock options for 50,000 shares each, which are exercisable at \$18.45 per share, the average of the high and low sales prices on the grant date, through July 2012. The primary basis for these stock option grants was to incentivize Messrs. McNease and Croyle to continue positioning the Company, in extremely competitive conditions, to be able to withstand a prolonged downturn and, ultimately, to respond to improving market conditions. Amounts and exercise prices of previous option grants to and held by Messrs. McNease and Croyle were taken into account when determining the amount of new option awards.

## Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

### CHIEF EXECUTIVE OFFICER COMPENSATION

The Committee's determination for establishing Mr. Palmer's compensation for 2002 was made in April 2002 based on several factors, including the Committee's review of Rowan's competitive position, ability to respond to market conditions and ability to complete the change in management.

No specific quantitative measure of Rowan's performance was used for this purpose. Emphasis was also placed on evaluating Rowan's performance versus the performance of its principal competitors as well as certain additional public companies in the energy service industry. The Committee considered Rowan's relatively strong position in the contract drilling industry, the successful design and implementation of its rig fleet expansion program and the favorable resolution of the Gorilla V contract dispute, which the Committee believes have been in large part attributable to Mr. Palmer's abilities and contributions.

In April 2002, the Committee's deliberations with respect to Mr. Palmer's compensation centered on Rowan's favorable resolution of the Gorilla V contract dispute and his management of Rowan resources and personnel. The Committee continues to believe that tying a significant portion of the chief executive officer's compensation to the interests of the stockholders is a prudent remuneration policy. The Committee also took into consideration the fact that limitations on the Company's long-term incentive plans at September 20, 2001, the date of the most recent awards under such plans, had limited amounts awarded to Mr. Palmer at that date to a level that the Committee felt was significantly below what was appropriate. Accordingly, the Committee granted to Mr. Palmer nonqualified stock options for 138,544 shares, which are exercisable at \$13.12 per share, through April 2012. The exercise price per share was equal to the average of the high and low sales prices of the Company's stock on September 20, 2001 because of the unavailability discussed above. The Committee made no change to Mr. Palmer's annual salary and awarded him a \$2,000,000 bonus, \$700,000 more than he received in the prior year.

### OTHER MATTERS

The Committee has also continued to discuss and consider a provision of the tax code that will generally limit Rowan's ability to deduct compensation in excess of \$1 million to a particular executive. The Committee will continue to consider the deductibility of the compensation paid to its executive officers in the future.

This report has been provided by the following members of the Committee:

Henry O. Boswell, Chairman  
Hans M. Brinkhorst  
H. E. Lentz

Date: March 19, 2003

The foregoing report of the Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

-----  
AUDIT COMMITTEE REPORT  
-----

MEMBERSHIP AND ROLE OF THE AUDIT COMMITTEE

The Audit Committee presently consists of three nonemployee members of the Board of Directors: Henry O. Boswell (Chairman), William T. Fox III and Frederick R. Lausen. The Audit Committee operates under a written charter adopted by the Board of Directors, which is included in this proxy statement as Appendix A. Each of the members of the Audit Committee meets the independence requirements of the New York Stock Exchange currently in effect and is financially literate as such qualifications are interpreted by the Board of Directors in its business judgment.

The Audit Committee is responsible for monitoring the integrity of the Company's consolidated financial statements, the annual audit and the independence and performance of the Company's independent auditors. The Audit Committee also recommends to the Board of Directors the appointment of the Company's independent auditors. Management is responsible for the Company's financial reporting process, including internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee the audit. However, the Audit Committee is not professionally engaged in the practice of accounting, auditing and evaluating auditor independence. The Audit Committee relies, without independent investigation, on the information provided to it and on the representations made by management and the independent auditors in fulfilling its oversight and all other responsibilities.

In this context, the Audit Committee held three meetings during fiscal year 2002. The meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management, the internal accounting personnel and the Company's independent auditors and to perform the responsibilities required by the rules and regulations of the Securities and Exchange Commission and the New York Stock Exchange.

REVIEW OF THE COMPANY'S AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2002

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the year ended December 31, 2002 with the Company's management. The Audit Committee has also discussed with Deloitte & Touche LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, regarding communication with audit committees.

The Audit Committee has also received the written disclosures and the letter from Deloitte & Touche required by Independence Standards Board No. 1 regarding independence discussions with audit committees, and the Audit Committee has discussed with Deloitte & Touche its independence.

Based on the Audit Committee's review and discussions with management and the independent auditors, and subject to the limitations of the Audit Committee's role and responsibilities referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

In addition, the Audit Committee recommended to the Board of Directors the appointment of Deloitte & Touche LLP to conduct the audit of the Company's financial statements for fiscal year 2003.

Rowan Companies, Inc. 2003 Proxy Statement

The foregoing report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

In evaluating the independence of Deloitte & Touche, the Audit Committee considered whether the provision of services to the Company beyond those rendered in connection with the audit and review of the Company's consolidated financial statements was compatible with maintaining its independence. The Audit Committee also reviewed the amount of fees paid to Deloitte & Touche for audit and non-audit services, which were as follows:

**AUDIT FEES:** The aggregate fees for the professional services rendered by Deloitte & Touche in connection with their audit of our annual consolidated financial statements and reviews of the interim consolidated financial statements included in our quarterly reports on Form 10-Q during the year ended December 31, 2002 were approximately \$555,000.

**FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES:** There were no professional services rendered by Deloitte & Touche in the 2002 fiscal year relating to financial information systems design and implementation.

**ALL OTHER FEES:** The aggregate fees for all other services rendered by Deloitte & Touche during the year ended December 31, 2002 were approximately \$159,000, including \$63,000 for tax services, \$55,000 for pension and 401(k) plan audits and \$41,000 for actuarial services.

The Audit Committee concluded that the non-audit services provided to the Company and fees paid therefore did not adversely impact the independence of Deloitte & Touche.

(2) Represents the difference between the last reported per-share sales price of Rowan's common stock on the New York Stock Exchange on December 31, 2002 (\$22.70) and the per-share exercise prices for in-the-money options (\$1.00, \$13.12, \$15.25, \$18.45 and \$19.63) times the number of underlying shares.

PENSION PLANS

All Rowan employees (including executive officers but excluding non-U.S.

## Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

citizens) who have completed the requisite service are eligible to participate in one of two non-contributory, defined benefit pension plans. Benefits under the drilling and aviation employees plan generally begin at age 60 and are based upon the employee's number of years of credited service and his average annual compensation during the highest five consecutive years of his final ten years of service. Compensation includes salary but excludes discretionary bonuses. The manufacturing employees plan is substantially similar to the drilling and aviation employees plan except that benefits begin at age 65 and are subject to reduction for Social Security benefits. As of January 1, 2003, Rowan had approximately 3,900 employees eligible to participate in its pension plans.

Rowan also sponsors pension restoration plans, which essentially replace any retirement income that is lost because of Internal Revenue Code limitations on benefits payable or the compensation level on which they are based. Both pension restoration plans are unfunded and benefits thereunder are paid directly by Rowan. Currently, the plans have eight participants, including each of the Named Executive Officers.

The following table illustrates, for representative average earnings and years of credited service levels, the annual retirement benefits payable to eligible drilling and aviation employees.

Rowan Companies, Inc. 2003 Proxy Statement

The previous line graph is presented pursuant to and in accordance with specific SEC rules which prescribe a five-year measurement period. Such rules also require the inclusion of a graph line reflecting a broad stock market benchmark, as reflected in the Standard & Poor's Composite 500 Index. We believe the contract drilling industry moves in very long cycles, significantly greater than five years, and that such cycles encompass extended periods of growth as well as extended periods of contraction. During much of the past eleven-year period, Rowan, and the industry as a whole, have generally experienced conditions more closely associated with the latter; though we anticipate industry growth in the years ahead.

Accordingly, we do not believe a five-year presentation of stockholder return is especially meaningful, but rather believe a comparison covering a longer period of time is more informative. Furthermore, we believe the breadth of the S&P 500

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

Index yields an unsuitable barometer for measuring stockholder return in an industry as volatile as that in which Rowan operates. The line graph comparison set forth below reflects the yearly percentage change in and cumulative total stockholder return for each of Rowan and the same Dow Jones Oil Drilling, Equipment and Services Index since the inception of the index, which commenced January 1, 1992.

### ADDITIONAL INFORMATION

---

#### CERTAIN TRANSACTIONS

In previous years, Mr. Palmer and certain other officers of the Company issued promissory notes in favor of Rowan in connection with their purchases from Rowan of one or more series of Floating Rate Subordinated Convertible Debentures. The promissory notes bear interest at the same rate as the debentures, prime + .5%, and mature at various dates from 2004 - 2011. The promissory notes are secured by a pledge of the debentures purchased and contain provisions for set-off, effectively protecting the Company from any credit risk since the face amount of the debentures are equal to the amount of the notes. The largest amounts of such promissory notes outstanding during 2002 were as follows:

C. R. Palmer	\$25,679,000 (a)
E. E. Thiele	3,089,000 (a)
D. F. McNease	2,689,001 (a)
R. G. Croyle	1,989,000 (a)
C. W. Johnson	1,674,000 (a)
P. L. Kelly	1,165,000 (b)
D. C. Eckermann	1,165,000 (b)

(a) Issued in connection with both 1986 Plan and 1998 Plan debentures

(b) Issued in connection with 1998 Plan debentures

No such promissory notes were issued in favor of the Company after enactment of the Sarbanes-Oxley Act.

During 2002, Rowan paid Citibank, N. A., its primary lender, approximately \$697,000 in interest and fees. The financial terms of such borrowings reflected

## Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

market conditions prevailing at the time of their origination and were reviewed and approved by the Company's Board of Directors. Mr. William T. Fox III, a Class I Director, is a Managing Director of Citibank, N. A.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

All of Rowan's directors, executive officers and any greater than ten percent stockholders are required by Section 16(a) of the Securities Exchange Act of 1934 to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Rowan common stock and to furnish the Company with copies of such reports. Based on a review of those reports and written representations that no other reports were required, we believe that all applicable Section 16(a) filing requirements were complied with during the year ended December 31, 2002.

### STOCKHOLDER PROPOSALS

Any stockholder who wishes to submit a proposal for presentation at the 2004 Annual Meeting of Stockholders and for inclusion in the proxy statement and proxy card must forward such proposal to the Secretary of the Company, at the address indicated on page 18, so that the Secretary receives it no later than November 21, 2003.

Other stockholder proposals submitted for consideration at Rowan's 2004 Annual Meeting (but not for inclusion in the proxy statement or proxy card) must be received by the Secretary of the Company at the address indicated on page 18 no later than February 5, 2004.

If such timely notice of a stockholder proposal is given but is not accompanied by a written statement in compliance with applicable securities laws, Rowan's proxy committee may exercise discretionary voting authority over proxies with respect to such proposal if presented at the 2004 Annual Meeting.

### OTHER BUSINESS

We are not aware of any other matters that are to be presented for action at the meeting. However, if any other matters properly come before the meeting, it is intended that the enclosed proxy will be voted in accordance with the discretion of the persons voting the proxy unless you indicate otherwise on your proxy.

### INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The firm of Deloitte & Touche LLP has been selected as principal auditors for the Company for the year ending December 31, 2003. A representative of Deloitte & Touche is expected to be present at the Annual Meeting of Stockholders on April 25, 2003 and will be offered the opportunity to make a

### AUDIT COMMITTEE CHARTER

---

#### I. ORGANIZATION

The audit committee shall be comprised of three or more directors as determined by the Board of Directors, each of whom shall be non-employee directors, and free from any relationship that in the opinion of the Board would interfere with the exercise of independent judgement as a member of the committee. Each member shall meet the independence, financial literacy and experience requirements of the New York Stock Exchange.

The members of the committee shall be elected by the Board for a one-year term and may be re-elected for successive terms. One member of the audit committee will be elected by the Board as Chairman and will be responsible for the scheduling of regular and special meetings and the functioning of the committee.

#### II. STATEMENT OF POLICY

The audit committee shall provide assistance to the Board in fulfilling its oversight responsibilities to the shareholders in overseeing (i) the Company's accounting and reporting practices, and the quality and integrity of the financial reports of the Company, (ii) the compliance by the Company with legal and regulatory requirements and (iii) the independence and performance of the Company's independent auditor. The Audit Committee shall have the authority to retain special legal, accounting or other consultants to advise the Committee, subject to prior approval of the Board of Directors. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

#### III. RESPONSIBILITIES AND PROCEDURES

In fulfilling its responsibilities to the Company's Board of Directors and shareholders, the audit committee will carry out certain procedures, as enumerated below. The timing and extent of specific steps to be taken within each such procedure is fully within the discretion of the Committee. The specific procedures employed by the Audit Committee will remain flexible, in order to best enable the Committee to react to changing conditions. Other responsibilities and procedures of the Audit Committee may be required from time

## Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

to time by law, the Company's by-laws or the Board of Directors.

In fulfilling its responsibilities, the audit committee will:

- Recommend to the Board the independent auditor to be selected to audit the financial statements of the Company, which firm is ultimately accountable to the Audit Committee and the Board. Review and approve the fees and other compensation to be paid to the independent auditor. Review and discuss a written statement from the independent auditor detailing any and all relationships between the auditor and the Company that bear on the independence of the auditor.
- Review with the independent auditor and financial managers of the Company the scope of the proposed audit for the current year.
- Review the audited financial statements to be included or incorporated by reference in the Company's annual report on Form 10-K with management and the independent auditor, with a focus on significant financial reporting issues and judgements highlighted by management and the independent auditor. Inquire whether the independent auditor is satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Review any major issues identified by the independent auditor regarding accounting and auditing principles, or any changes therein.
- Following completion of the annual audit, review with management and the independent auditor any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required

A-1

Rowan Companies, Inc. 2003 Proxy Statement

- information. Review any significant disagreements identified by management and the independent auditor in connection with the preparation of the financial statements.
- Review with the independent auditor, financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the Company, and elicit any recommendations for the improvement of internal controls. Particular emphasis should be given to the adequacy of the internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper. Obtain from the independent auditor assurance that no matters are reportable pursuant to Section 10A of the Securities Exchange Act of 1934. Discuss with the independent auditor other matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of an audit, such as proposed audit adjustments.
  - Meet with the independent auditor without members of management present. Among the items to be discussed in this meeting are the independent auditors' evaluation of the competency of the Company's financial and accounting personnel, and the level of cooperation that the independent auditor received during the course of the audit.
  - Evaluate the performance of the independent auditor and, if so determined by the Audit Committee, recommend that the Board replace the independent auditor.
  - Review a summary of the programs and policies of the Company designed to monitor compliance with applicable laws and regulations.
  - Periodically review the Company's Policy Statement and Conflict of Interest Guide. Review the results of the annual survey of employees in key positions.
