Rowan Companies, Inc. 2004 Proxy Statement

GENERAL INFORMATION

WHO MAY VOTE

Stockholders of Rowan Companies, Inc., as recorded in our stock register on March 1, 2004, may vote at the meeting. On that date, there were 105,724,036 shares of Rowan's common stock outstanding. Each share is entitled to one vote on the matters to be presented at the meeting.

HOW TO VOTE

You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting. If you are unable to attend the meeting, you must complete and return the enclosed proxy card to ensure that your shares are voted at the meeting.

HOW A PROXY WORKS

Rowan's Board of Directors is asking for your proxy. Giving us your proxy means you authorize the persons appointed as proxies to vote your shares at the meeting in the manner that you have indicated on the proxy card. You may vote for all, some or none of our director nominees. You may also abstain from voting.

If you sign and return the enclosed proxy card but do not indicate your vote, the appointed proxies will vote your shares in favor of our director nominees.

You may receive more than one proxy card depending on how you hold your shares. Shares registered in your name are covered by one card and any shares held by someone else, such as a stockbroker, may be covered by a separate card. Rowan employees receive a separate card for any shares they hold in Rowan's 401(k) plans.

HOW WE SOLICIT PROXIES

We are mailing this proxy statement and the proxy card on or about March 12,

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

2004. In addition to this mailing, Rowan employees may solicit your proxy personally, electronically or by telephone. Rowan will pay all costs of solicitation and has retained D. F. King & Co., Inc. to assist with the solicitation at an estimated cost of \$8,000, plus reasonable expenses. We also reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in sending these materials to you.

REVOKING A PROXY

You may revoke your proxy before it is voted by submitting a new proxy card with a later date, by voting in person at the meeting or by notifying Rowan's Corporate Secretary in writing before 5:00 P.M., Central Time, on the day before the meeting at the address listed under "Questions?" on page 18.

QUORUM

In order to carry on the business of the meeting, we must have a quorum. This means that at least a majority of the outstanding shares must be represented at the meeting, either by proxy or in person. You are considered present at the meeting if you attend or are represented by a valid proxy, regardless of whether your proxy card is marked as casting a vote or as abstaining or is left blank. Any shares owned by Rowan and held in treasury are not voted and do not count for this purpose.

VOTES NEEDED

The election of each nominee for Class I Director will be decided by a plurality of the votes cast.

Unless another vote is specifically required by law or by Rowan's Bylaws, any other matter to properly come before the meeting shall be approved if the votes cast in favor of the matter exceed the votes cast opposing the matter.

Only votes cast for or against are counted in determining the voting outcome. Abstentions and broker non-votes are counted for quorum purposes, but not for voting purposes. Broker non-votes occur when a broker returns a proxy, but does not have the authority to vote on a particular matter.

OTHER BUSINESS

We are not aware of any other matters that are to be presented for action at the meeting. However, if any other matters properly come before the meeting, your shares will be voted in accordance with the discretion of the appointed proxies unless you indicate otherwise on your proxy card.

ELECTION OF DIRECTORS

The Rowan Board of Directors consists of three classes:

- o Class I currently has three directors
- o Class II has three directors
- o Class III has three directors

Each class of directors is elected for a three-year term, and the current terms

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

will expire on the date of Rowan's annual meeting, in the year indicated:

- o Class I 2004
- o Class II 2005
- o Class III 2006

Four Class I Directors are to be elected at this meeting. One of the current members of this Class, Hans M. Brinkhorst, who served as a Director of the Company for six years, will not stand for reelection. The Board expresses its gratitude to Mr. Brinkhorst for his many years of valuable and devoted service to the Company.

P. Dexter Peacock and Sir Graham Hearne, who have not previously served on the Board, were recommended to the Nominating and Corporate Governance Committee by the full Board of Directors. The Committee then nominated Messrs. Peacock and Hearne, along with the two remaining members of the Class, William T. Fox III and H. E. Lentz, to be the nominees for Class I director, a decision with which the full Board concurred.

Because the effect of these actions is to increase the size of Class I and the Board by one, a Board-approved amendment to the Bylaws to accomplish that purpose will become effective April 23, 2004, the date of the 2004 Annual Meeting of Stockholders.

If a director nominee becomes unavailable to serve prior to the election, your proxy card authorizes us to vote for a replacement nominee if the Board names one.

THE BOARD RECOMMENDS THAT YOU VOTE FOR EACH OF THE NOMINEES LISTED BELOW.

DIRECTOR COMPENSATION AND ATTENDANCE

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

Rowan employees receive no additional compensation for serving as directors. Nonemployee directors receive a base fee of \$30,000 annually, \$750 per regular or special Board meeting attended, \$500 per committee meeting attended and reimbursement for reasonable travel expenses. Directors are expected to meet their responsibilities by attending at least 75% of scheduled meetings of the Board and the committees on which they serve. The Board of Directors held six meetings in 2003 and each director attended all of such meetings. Directors are strongly encouraged to attend annual meetings of Company shareholders and each of our directors attended the last annual meeting.

Each nonemployee director may also be selected to receive a nonqualified stock option grant under the 1998 Rowan Companies, Inc. Nonemployee Directors Stock Option Plan. Eligibility and the terms and conditions of each grant are determined by the Board of Directors, with the Board generally setting the amounts granted at the median of the range in comparison to peer group companies. Options granted under the plan become 100% exercisable one year after the date of grant and expire after five or ten years. Each nonemployee director received a grant of options for 6,000 shares in 2003 at an option exercise price of \$21.19 per share.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

COMPENSATION POLICY FOR EXECUTIVE OFFICERS

Under the supervision of the Compensation Committee (the "Committee") of the Board of Directors, Rowan has developed and implemented compensation policies and programs that seek to retain and motivate employees whose performance contributes to our goal of maximizing stockholder value in a volatile industry. In addition, these compensation policies attempt to align the executive officers' interests with those of the stockholders by providing incentive compensation related to the value of Rowan's common stock. The Committee makes compensation decisions after reviewing recommendations prepared by Rowan's Chief Executive Officer, with the assistance of other Company personnel. Rowan historically has combined salaries with stock option grants, convertible debenture offerings and selected cash bonuses to provide a compensation balance. The balance established by the Committee is designed to recognize past performance, retain key employees and encourage future performance.

In approving and establishing compensation for an executive officer, several factors are considered by the Committee. Performance criteria include individual contribution and performance, overall Rowan performance versus that of its competitors and performance of Rowan's common stock in comparison to prior levels and to the relative stock prices of its competitors. When evaluating individual performance, particular emphasis has been placed on the executive officer's ability to develop innovative ways to obtain better returns on Rowan's assets and to respond to prevailing conditions in the drilling, aviation and manufacturing industries. Emphasis is also placed upon an individual's integrity, loyalty and competence in his areas of responsibility. When evaluating the foregoing performance criteria in setting executive compensation, the Committee gives greatest weight to those factors it believes have or will contribute the most towards maximizing stockholder value and increasing Rowan's financial viability. The factors that contribute the most towards these goals vary depending on the state of the industries in which Rowan operates.

The Committee met three times during 2003. At its January 2003 meeting, the Committee deliberated over the Company's compensation policies for independent members of the Board of Directors in light of the additional efforts being required of such members to comply with the new corporate governance rules, which followed the Sarbanes-Oxley Act of 2002. The Committee took no action on this matter, except to provide that any future option grants under the Nonemployee Directors Stock Option Plan would have a ten-year life consistent with the Company's 1988 Restated Nonqualified Stock Option Plan.

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

At its April 2003 meeting, the Committee determined, based upon expected improvements in industry conditions and their generally positive effects on the Company's operations, and to ensure that the Company's compensation levels remained competitive relative to its peers, that each of the Named Executive Officers, except for Messrs. Palmer, McNease and Buvens, would receive a salary increase ranging from 4-11% effective May 1, 2003 and a cash bonus at least equal to the one he received in April 2002. Mr. Buvens' 2002 bonus had been increased due to his efforts in settling the Gorilla V contract dispute earlier that year. See "Chief Executive Officer Compensation" below for further discussion of Messrs. Palmer and McNease. In addition, all other Rowan officers received a salary increase ranging from 5-11% and bonuses ranging from \$16,000 to \$75,000.

The Committee further determined in April 2003 to grant nonqualified stock options to each of the Named Executive Officers. On April 25, 2003, nonqualified stock options were granted in varying amounts to each of the Named Executive Officers, except for Mr. Buvens, at an exercise price of \$21.19 per share, the average of the high and low sales prices on that date, through April 2013. Other officers of the Company, including Mr. Buvens, received a grant of stock options with a discounted exercise price.

The primary basis for these stock option grants was to incentivize the Named Executive Officers to continue positioning the Company, in extremely competitive conditions, to be able to respond to improving market conditions. Amounts and exercise prices of previous option grants to and held by each of the Named Executive Officers were taken into account when determining the amount of new option awards.

In addition to the factors discussed above, the Committee considered Rowan's operating results and profitability, management of its assets and debts and increasing market share. Additionally, the Committee's objectives included setting salaries which are both externally competitive relative to the industry and internally equitable when considering performance and responsibility levels. Competitor comparisons for purposes of determining executive officer compensation consisted of a comparison to Rowan's principal competitors and certain additional public companies in the energy service industry. Although no specific target has been established, the Committee generally seeks to set salaries at the median to high end of the range in comparison to peer group companies. Measurement of each individual's performance is to some

-6-

Rowan Companies, Inc. 2004 Proxy Statement

extent subjective, and Rowan does not make compensation awards based on the degree to which an individual achieves predetermined objective criteria.

At its July 2003 meeting, the Committee determined to continue deferring any further changes in the Company's compensation policies for independent board members.

CHIEF EXECUTIVE OFFICER COMPENSATION

Effective May 1, 2003, Mr. Palmer retired after more than 31 years as the Company's Chief Executive Officer. During this period, Rowan's share price increased at an average compounded annual rate of 11% and its market capitalization grew from under \$36 million to about \$2 billion. Accordingly, the Committee determined to award Mr. Palmer cash bonuses totaling \$1,375,000. To enlist his ongoing efforts as non-executive Chairman of the Board to ensure a smooth transition in Chief Executive Officer responsibilities to Mr. McNease, the Committee determined to retain Mr. Palmer in a consulting capacity for an annual retainer of \$250,000 effective May 1, 2003 and to grant him a

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

nonqualified stock option for 150,000 shares of the Company's common stock at an exercise price of \$21.19 per share, the average of the high and low sales prices on the date of grant, through April 2013. The Committee also determined to accelerate the vesting schedule so that all prior nonqualified stock option grants and convertible debenture awards made to Mr. Palmer that were then outstanding became fully vested.

The Committee's determination for establishing Mr. McNease's compensation for 2003 was made at its April 2003 meeting based on several factors, including the Committee's review and assessment of Rowan's competitive position, the Company's response to market conditions and its progress to-date on the transition in management.

No specific quantitative measure of Rowan's performance was used for this purpose. Emphasis was also placed on evaluating the Company's performance versus the performance of its principal competitors as well as certain additional public companies in the energy service industry. The Committee considered Rowan's relatively strong position in the contract drilling industry, the successful design and implementation of its rig fleet expansion program and the Company's early success in the emerging "deep shelf" drilling market in the Gulf of Mexico, all of which the Committee believes have been in large part attributable to Mr. McNease's abilities and contributions.

In April 2003, the Committee's deliberations with respect to Mr. McNease's compensation focused on the aforementioned factors as well as his additional responsibilities as the Company's Chief Executive Officer. The Committee continues to believe that tying a significant portion of the chief executive officer's compensation to the interests of the stockholders is a prudent remuneration policy. Accordingly, the Committee granted to Mr. McNease on April 25, 2003, a nonqualified stock option for 300,000 shares of the Company's common stock, which is exercisable at \$21.19 per share, the average of the high and low sales prices on that date, through April 2013. In addition, the Committee increased Mr. McNease's annual salary to \$450,000 and awarded him a \$250,000 bonus, \$50,000 more than he received in the prior year.

OTHER MATTERS

At its April 2003 meeting, the Committee determined to grant to all nonemployee members of the Board of Directors, including Mr. Palmer, options for 6,000 shares of the Company's common stock at an exercise price of \$21.19 per share, the average of the high and low sales prices on the date of grant, through April 2013.

The Committee has continued to discuss and consider a provision of the tax code that would generally limit Rowan's ability to deduct compensation in excess of \$1 million to a particular executive. The Committee will continue to consider the deductibility of the compensation paid to its executive officers in the future.

AUDIT COMMITTEE REPORT

MEMBERSHIP AND ROLE OF THE AUDIT COMMITTEE

The Audit Committee presently consists of three nonemployee members of the Board of Directors: William T. Fox III (Chairman), Henry O. Boswell and Frederick R. Lausen. The Audit Committee operates under a written charter adopted by the Board of Directors, which is included in this proxy statement as Appendix A. Each of the members of the Audit Committee meets the independence requirements of the New York Stock Exchange currently in effect and is financially literate as such qualifications are interpreted by the Board of Directors in its business judgment.

The Audit Committee is responsible for monitoring the integrity of the Company's consolidated financial statements, the annual audit and the independence and performance of the Company's independent auditors. The Audit Committee is directly responsible for the appointment, compensation and oversight of the public accounting firm engaged to issue an audit report on the financial statement of the Company or to perform other audit, review or attest services for the Company. Management is responsible for the Company's financial reporting process, including internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee the audit. However, the Audit Committee is not professionally engaged in the practice of accounting, auditing and evaluating auditor independence.

In this context, the Audit Committee held four meetings during fiscal year 2003. The meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management, the internal accounting personnel and the Company's independent auditors and to perform the responsibilities required by the rules and regulations of the Securities and Exchange Commission and the New York Stock Exchange.

REVIEW OF THE COMPANY'S AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2003

The Audit Committee has reviewed and discussed the audited consolidated financial statements of the Company for the year ended December 31, 2003 with the Company's management. The Audit Committee has also discussed with Deloitte & Touche LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, regarding communication with audit committees.

The Audit Committee has also received the written disclosures and the letter from Deloitte & Touche required by Independence Standards Board No. 1 regarding independence discussions with audit committees, and the Audit Committee has discussed with Deloitte & Touche its independence.

Based on the Audit Committee's review and discussions with management and the independent auditors, and subject to the limitations of the Audit Committee's role and responsibilities referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the Company's

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

In addition, the Audit Committee approved the appointment of Deloitte & Touche LLP to conduct the audit of the Company's financial statements for fiscal year 2004.

Submitted by:

William T. Fox III, Chairman
Henry O. Boswell
Frederick R. Lausen

Date: March 12, 2004

The foregoing report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

Rowan Companies, Inc. 2004 Proxy Statement

The following table sets forth the fees paid to Deloitte & Touche LLP over the past two years. All such audit, audit-related and tax services were pre-approved by the Audit Committee, which concluded that the provision of such services by Deloitte & Touche LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee has delegated to its Chairman the authority to pre-approve audit-related and non-audit services not prohibited by law to be performed by the Company's independent auditors and associated fees, provided that the Chairman shall report any decisions to pre-approve such audit-related and non-audit services and fees to the full Audit Committee at its next regular meeting.

Fees paid to Deloitte & Touche LLP in 2003 and 2002 were as follows:

	2003	2002
Audit fees	\$ 630,000	\$610,000
Audit-related fees	27,945	40,370
Tax fees	558,013	63,307

(1) Unless otherwise indicated, the amount shown represents salary compensation based upon annual rates approved by the Board of Directors effective May 1 of each year.

(2) Mr. Palmer retired after more than 31 years as Chief Executive Officer of the Company effective May 1, 2003, and was succeeded by Mr. McNease. The amount shown in the Table under "Salary" represents the portion of his annual salary paid in 2003, through his retirement date. At that time, the Board of Directors approved the retention of Mr. Palmer's services in a consulting capacity for an annual retainer of \$250,000, for which he received \$166,667 in 2003. Upon his retirement, Mr. Palmer became eligible for benefits under Rowan's pension restoration plan, for which he received \$346,711 in 2003. These amounts are shown in the Table, along with the \$6,000 matching 401(k) contribution referred to in (5) below, under "All Other Compensation". The Company's pension restoration plans are discussed

more fully under "Pension Plans" on page 12. See the "Compensation Committee Report on Executive Compensation" on pages 6 and 7 for more information regarding Mr. Palmer's 2003 compensation.

- (3) Represents shares of Rowan common stock that may be acquired through the exercise of nonqualified stock options issued to the Named Executive Officer on April 25, 2003, as set forth under "Option Grants in Last Fiscal Year" on page 11.
- (4) Represents shares of Rowan common stock that may be acquired through the conversion of Floating Rate Subordinated Convertible Debentures as follows: Series D offered and issued on April 26, 2001 are ultimately convertible into 300,000 shares of Rowan common stock at a conversion price of \$32.00 per share and Series E offered and issued on September 20, 2001 are ultimately convertible into 91,006 shares of common stock at a conversion price of \$13.12 per share. No debentures were offered or issued in 2002 or 2003. During 2003, in connection with Mr. Palmer's retirement, the Board of Directors accelerated the vesting schedule for the Series D and Series E debentures and they became fully convertible into the indicated number of shares. See "Certain Transactions" on page 15 for further information regarding Rowan's Floating Rate Subordinated Convertible Debentures.
- (5) Unless otherwise indicated, the amount shown represents Rowan's matching contribution on behalf of the Named Executive Officer to the Rowan Companies, Inc. Savings and Investment Plan.
- (6) None of Named Executive Officers received any restricted stock awards during the last three years.

PENSION PLANS

All Rowan employees (including executive officers but excluding non-U.S. citizens) who have completed the requisite service are eligible to participate in one of two non-contributory, defined benefit pension plans. Benefits under the drilling and aviation employees plan generally begin at age 60 and are based upon the employee's number of years of credited service and his average annual compensation during the highest five consecutive years of his final ten years of service. Compensation includes salary but excludes discretionary bonuses. The

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

manufacturing employees plan is substantially similar to the drilling and aviation employees plan except that benefits begin at age 65 and are subject to reduction for Social Security benefits. As of January 1, 2004, Rowan had approximately 4,200 employees eligible to participate in its pension plans.

Rowan also sponsors pension restoration plans, which essentially replace any retirement income that is lost because of Internal Revenue Code limitations on benefits payable or the compensation level on which they are based. Both pension restoration plans are unfunded and benefits thereunder are paid directly by Rowan. Currently, the plans have eight participants, including each of the Named Executive Officers.

The following table illustrates, for representative average earnings and years of credited service levels, the annual retirement benefits payable to eligible drilling and aviation employees.

S&P 500	100	121	110	97	75	97
DJ OIE	100	152	226	156	143	164

 The previous line graph is presented pursuant to and in accordance with specific SEC rules which prescribe a five-year measurement period. Such rules also require the inclusion of a graph line reflecting a broad stock market benchmark, as reflected in the Standard & Poor's Composite 500 Index. We believe the contract drilling industry moves in very long cycles, significantly greater than five years, and that such cycles encompass extended periods of growth as well as extended periods of contraction. During much of the past eleven years, Rowan, and the industry as a whole, have generally experienced conditions more closely associated with the latter; though we anticipate industry growth in the years ahead.

Accordingly, we do not believe a five-year presentation of stockholder return is particularly relevant, but rather believe a comparison covering a longer period of time is more informative. Furthermore, we believe the breadth of the S&P 500 Index yields an unsuitable barometer for measuring stockholder return in an industry as volatile as that in which Rowan operates. The line graph comparison set forth below reflects the yearly percentage change in and cumulative total stockholder return for each of Rowan and the same Dow Jones Oil Drilling, Equipment and Services Index since the inception of the index, which commenced January 1, 1992.

 ADDITIONAL INFORMATION

CERTAIN TRANSACTIONS

In previous years, certain officers of the Company issued promissory notes in favor of Rowan in connection with their purchases from Rowan of one or more series of Floating Rate Subordinated Convertible Debentures. The promissory notes bear interest at the same rate as the debentures, prime + .5%, and mature at various dates from 2004-2011. The promissory notes are secured by a pledge of the debentures purchased and contain provisions for set-off, effectively protecting the Company from any credit risk since the face amount of the debentures are equal to the amount of the notes. All such promissory notes pre-dated enactment of the Sarbanes-Oxley Act of 2002. The largest amounts of such promissory notes outstanding during 2003 were as follows:

C. R. Palmer	\$25,679,000 (a)
E. E. Thiele	3,089,000 (a)
D. F. McNease	2,539,001 (a)
R. G. Croyle	1,989,000 (a)
C. W. Johnson	1,674,000 (a)
D. C. Eckermann	1,165,000 (b)
P. L. Kelly	1,025,000 (b)

(a) Issued in connection with both 1986 Plan and 1998 Plan debentures

(b) Issued in connection with 1998 Plan debentures

Effective May 1, 2003, Mr. Palmer retired after more than 31 years as the Company's Chief Executive Officer. To enlist his ongoing efforts as non-executive Chairman of the Board to ensure a smooth transition in responsibilities to Mr. McNease, the Compensation Committee determined at that time to retain Mr. Palmer in a consulting capacity. Mr. Palmer's consulting agreement provides for an annual retainer of \$250,000, for which he received \$166,667 in 2003, and personal use of or access to Rowan's facilities, equipment and staff at his expense.

During 2003, Rowan paid Citibank, N. A., its primary lender, approximately \$970,000 in interest and fees. The financial terms of such borrowings reflected market conditions prevailing at the time of their origination and were reviewed and approved by the Company's Board of Directors. Mr. William T. Fox III, a Class I Director, was a Managing Director of the parent company of Citibank until his retirement in August 2003.

During 2003, Rowan paid Andrews Kurth LLP, its general counsel, approximately \$170,000 in legal fees, which the Company believes reflected market rates for services rendered. Such fees were approved by the Board of Directors. Mr. P. Dexter Peacock, a nominee for Class I Director, is Of Counsel to Andrews Kurth.

The Company's sale, in early 2004, of 11.5 million shares of common stock for \$23.05 per share was solely underwritten by Lehman Brothers Inc. The underwriting agreement provided that Lehman's commission depended upon the proceeds it received upon its sale of Rowan's common stock, and such proceeds

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

and, therefore, such commission are not known by the Company. These transactions were negotiated by the Company and approved by the Board of Directors. Mr. H. E. Lentz, a Class I Director, is currently an Advisory Director of Lehman, and served as a Consultant to Lehman from January to December 2003 and as a Managing Director of Lehman from 1993 to January 2003.

STOCKHOLDER PROPOSALS

Any stockholder who wishes to submit a proposal for presentation at the 2005 Annual Meeting of Stockholders and for inclusion in the proxy statement and proxy card must forward such proposal to the Secretary of the Company, at the address indicated on page 18, so that the Secretary receives it no later than November 12, 2004.

Other stockholder proposals submitted for consideration at Rowan's 2005 Annual Meeting (but not for inclusion in the proxy statement or proxy card) must be received by the Secretary of the Company at the address indicated on page 18 no later than February 5, 2005.

If such timely notice of a stockholder proposal is given but is not accompanied by a written statement in compliance with applicable securities laws, Rowan's appointed proxies are authorized to exercise discretionary voting authority with respect to such proposal, as described under "Other Business" on page 1 of this proxy statement, if it is presented at the 2005 Annual Meeting.

DIRECTOR NOMINATIONS

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for, among other things, the selection and recommendation to the Board of Directors of nominees for election as directors.

Shareholders may nominate candidates for election as directors if they follow the procedures and comply with the deadlines specified in our Bylaws. Shareholders may submit in writing recommendations for consideration by the Committee to Rowan's Corporate Secretary at the address listed under "Questions?" on page 18.

Recommendations should contain a detailed discussion of the qualifications of each recommended candidate and any other material information the shareholder wants the Committee to consider. The complete description of the requirements for shareholder nomination of director candidates is contained in the Bylaws.

Director nominees should have the highest professional and personal integrity, values and ethics, and must be committed to representing the interests of all shareholders of the Company. They must also have substantial experience at the policy-making level in business, government, technology, engineering, energy, finance, law or in other areas that are relevant to our business and operations. Director nominees must have sufficient time to carry out their duties effectively. They must have mature judgment developed through business experience and/or educational background and must meet criteria of independence and expertise that satisfy applicable New York Stock Exchange (NYSE) and legal regulations. Each individual nominee must have the potential to contribute to the effective functioning of the Board as a whole.

Evaluation of any shareholder recommendation is the responsibility of the Nominating and Corporate Governance Committee under its charter, which is posted on the Company's website. The Committee will evaluate a person recommended by a shareholder in the same manner as any other persons it considers, and reserves

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

the right to request additional background and supporting information to evaluate each candidate nominated by a shareholder.

After reviewing the materials submitted by a shareholder, if the Committee believes that the person merits additional consideration, the Committee (or individual members) would interview the potential nominee and conduct appropriate reference checks. The Committee would then determine whether to recommend to the Board of Directors that the Board nominate and recommend election of that person at the next annual meeting.

The number of other public company boards on which a director may serve shall be subject to a case-by-case review by the Committee, in order to ensure that each director is able to devote sufficient time to perform his or her duties as a director.

We have not required the services of third parties to identify potential nominees, although we reserve the right to retain a search firm in the future, if necessary.

As of February 25, 2004, we had not received any recommendations from shareholders for potential director candidates.

DIRECTOR INDEPENDENCE

At least a majority of the directors of the Company must be independent directors, in accordance with the definition of "independence" under NYSE rules, and free from any relationship that in the opinion of the Board would interfere with the exercise of independent judgment as a director of the Company. All members of the Compensation Committee, the Nominating and Corporate Governance Committee and the Audit Committee must be independent directors.

The directors that the Board has determined to be independent include: Henry O. Boswell, Hans M. Brinkhorst, William T. Fox III, Frederick R. Lausen, H. E. Lentz and Lord Moynihan. The Board has determined that these directors meet the NYSE standards for independence and are free from any material relationships that in the opinion of the Board would interfere with their exercise of independent judgment.

Rowan Companies, Inc. 2004 Proxy Statement

Under the rules of the NYSE, the Board has adopted categorical standards to assist in making determinations of the independence of directors and nominees for director. The Board, however, considers all material relationships with each director and all facts and circumstances it deems relevant in making its independence determinations. Under these standards adopted for 2004, the Board has determined that any of the following business relationships would not on its own prevent a director from being considered by the Board to be an independent director: if the director is a consultant or advisor to, or is employed by, affiliated or associated with, a law firm, investment bank, or lender to which the Company has made payments (other than any reimbursement or repayment of principal) during any of the preceding three fiscal years that do not exceed 2% of the annual gross revenues of the other entity.

COMMUNICATIONS WITH DIRECTORS

Interested parties and shareholders may communicate with the Chairs of our Nominating and Corporate Governance, Audit, and Compensation committees or with our independent directors as a group by mail through Rowan's Corporate Secretary at the address listed under "Questions?" on page 18.

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

Communications to one or more directors will be collected and organized by our Corporate Secretary under procedures approved by our independent directors. The Corporate Secretary will forward all communications to the appropriate committee Chairman or to the identified director as soon as practicable.

DISCLOSURE OF CORPORATE GOVERNANCE GUIDELINES, CHARTERS AND ETHICS CODES

The Corporate Governance Guidelines and the charters of the Nominating and Corporate Governance, Audit and Compensation committees are available to be viewed on the Company's website, at www.rowancompanies.com. The Code of Business Conduct and Ethics and the Code of Ethics for Senior Financial Officers of the Company can also be found on the Company's website. Any waivers under these codes will be posted on the Company's website.

AUDIT COMMITTEE FINANCIAL EXPERT

The Board of Directors has determined that William T. Fox III, a Class I director and the current Audit Committee Chair, is an "audit committee financial expert", as such term is defined in Item 401(h) of Regulation S-K promulgated by the SEC.

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The firm of Deloitte & Touche LLP has been selected as principal auditors for the Company for the year ending December 31, 2004. A representative of Deloitte & Touche is expected to be present at the Annual Meeting of Stockholders on April 23, 2004 and will be offered the opportunity to make a statement if he desires to do so. He will also be available to respond to appropriate questions.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

All of Rowan's directors, executive officers and any greater than ten percent stockholders are required by Section 16(a) of the Securities Exchange Act of 1934 to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Rowan common stock and to furnish the Company with copies of such reports. Based on a review of those reports and written representations that no other reports were required, we believe that all applicable Section 16(a) filing requirements were complied with during the year ended December 31, 2003.

AUDIT COMMITTEE CHARTER

I. ORGANIZATION

The Audit Committee shall consist of three or more directors as determined by the Board of Directors, each of whom shall be free from any relationship that in the opinion of the Board would interfere with the exercise of independent judgement as a member of the Committee. Each member shall meet the independence and financial literacy requirements of the New York Stock Exchange (NYSE). One member must have accounting or related financial management expertise, as interpreted by the Board. One or more members may be designated as an Audit Committee financial expert by the Board.

If an Audit Committee member simultaneously serves on the audit committees of more than three public companies, then in each case the Board must determine that simultaneous service on such other audit committees would not impair the effectiveness of the service of that director on the Company's Audit Committee. The Board shall disclose any such determination in the Company's annual proxy statement.

The members of the Committee shall be elected by the Board for a one-year term and may be re-elected for successive terms. One member of the Committee will be elected by the Board as Chairman and will be responsible for the scheduling of regular and special meetings and the functioning of the Committee.

II. STATEMENT OF PURPOSE AND AUTHORITY

The Audit Committee shall assist the Board in fulfilling its oversight responsibilities to the shareholders to overview (i) the integrity of the financial statements of the Company, (ii) the compliance by the Company with legal and regulatory requirements, (iii) the independence, qualifications and performance of the Company's independent auditor, and (iv) the performance of the Company's internal audit function. The Committee shall prepare an Audit Committee report as required to be included in the Company's annual proxy statement under the rules of the Securities and Exchange Commission.

The Audit Committee is directly responsible for the appointment, compensation and oversight of the public accounting firm engaged to issue an audit report on the financial statements of the Company or to perform other audit, review or attest services for the Company, and such public accounting firm shall report directly to the Audit Committee. The Audit Committee shall have the sole authority to retain special legal, accounting or other consultants to advise the Committee and to approve the fees and other retention terms of these consultants.

The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention, with full power to retain outside counsel or other experts for this purpose or to otherwise carry out its duties.

III. RESPONSIBILITIES AND PROCEDURES

In fulfilling its responsibilities to the Company's Board of Directors and shareholders, the Audit Committee will have certain responsibilities and follow certain procedures, as described below. The timing and extent of specific steps to be taken within each such procedure is fully within the discretion of the Committee. Other responsibilities and procedures of the Committee may be required from time to time by law, rules of the NYSE, the Company's bylaws or the Board of Directors.

In fulfilling its responsibilities, the Committee will:

- Engage the independent auditor to audit the financial statements of the Company, which firm is ultimately accountable to the Committee.
- Review and approve the fees and other compensation to be paid to the independent auditor.

- Review and discuss at least annually a written statement from the independent auditor detailing any and all relationships between the auditor and the Company that bear on the independence of the auditor, as well as the internal quality control procedures of the auditor, any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.
- Review with the independent auditor and financial managers of the Company the scope of the proposed audit for the current year.
- Review with management and the independent auditor the audited financial statements and quarterly financial statements and the discussions under "Management's Discussion and Analysis" to be included or incorporated by reference in the Company's annual and quarterly reports.
- Review significant financial reporting issues and judgements highlighted by management and the independent auditor. Inquire whether the independent auditor is satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Review any major issues identified by the independent auditor regarding accounting and auditing principles and estimates, or any changes therein.
- Review the effects of regulatory and accounting changes, as well as off balance sheet structures, on the financial statements of the Company.
- Discuss the Company's earnings press releases, as well as any financial information provided to analysts and rating agencies. The Committee may address this information generally and is not required to address it in advance of each such earnings release or instance when information is to be provided.
- Following completion of the annual audit, review with management and the independent auditor any significant problems or difficulties encountered

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

during the course of the audit, including any restrictions on the scope of work or access to required information, and management's response. This review should include the responsibilities, budget and staffing of the internal audit function.

- Review any significant disagreements identified by management and the independent auditor in connection with the preparation of the financial statements. Review any special steps adopted in light of any material control deficiencies.
- Review with the independent auditor and with financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the Company, and elicit any recommendations for the improvement of internal controls. Particular emphasis should be given to the adequacy of the internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.
- Meet separately, periodically, with the internal auditors and with the independent auditor without members of management present. Among the items to be discussed in this meeting are the independent auditors' evaluation of the competency of the Company's financial and accounting personnel, and the level of cooperation that the independent auditor received during the course of the audit.
- Evaluate the performance of the independent auditor and, if so determined by the Audit Committee, terminate the engagement of the independent auditor. This evaluation should include the review and evaluation of the lead partner of the independent auditor.
- Determine that rotation requirements for partners of the independent auditor have been satisfied. Consider whether there should be rotation of the audit firm itself in order to assure continuing auditor independence.
- Set clear hiring policies for employees or former employees of the independent auditor.

- Review a summary of the programs and policies of the Company designed to monitor compliance with applicable laws and regulations.
- Periodically review the Company's Policy Statement and Conflict of Interest Guide. Review the exceptions and disclosed matters in the annual survey of employees in key positions.
- Establish procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (ii) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
- Establish procedures for reporting violations of the Company's Code of Business Conduct and Ethics and Code of Ethics for Senior Financial Officers and monitoring accountability for such Codes.
- Review a summary of the procedures established by the Company that monitor the compliance by the Company with its loan and indenture covenants and restrictions.

Edgar Filing: ROWAN COMPANIES INC - Form DEF 14A

- Discuss guidelines and policies with respect to risk assessment and risk management. Inquire of the chief financial officer, the internal auditor and the independent auditor about significant risks or exposures and assess the steps management has taken to minimize such risk to the Company.
- Oversee and review the Company's internal audit function.
- Discuss any exceptions identified by the independent auditor resulting from their review of the Company's quarterly reports on Form 10-Q.
- Review and reassess the adequacy of this charter annually and recommend any proposed changes to the Board of Directors for approval.
- Conduct an annual self-evaluation of the performance of the Committee.
- Report periodically to the full Board and review with the Board any issues regarding the quality or integrity of the Company's financial statements, the performance and independence of the independent auditors or the performance of the internal audit function.
- Prepare the report required to be included in the Company's annual proxy statement by the rules of the Securities and Exchange Commission.

Although the Audit Committee has certain responsibilities and powers, as set forth in this charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to assure compliance with laws and regulations or the Company's Policy Statement and Conflict of Interest Guide. The Audit Committee shall be entitled to rely on management and the independent auditor in fulfilling its oversight and all other responsibilities under this charter.
