STOCKHOLDERS ENTITLED TO VOTE

Only holders of record of issued and outstanding shares of common stock of ARI (the "Common Stock") at the close of business on June 4, 2002, (the "Record Date"), are entitled to vote at the Annual Meeting and at any adjournments thereof. At the close of business on June 4, 2002, there were 11,375,127 shares of Common Stock outstanding. Each holder is entitled to one vote for each share held on the Record Date.

VOTING OF PROXIES

When the enclosed proxy is properly executed and returned, the shares represented by the proxy will be voted at the Annual Meeting in accordance with the instructions noted on the proxy. As to the election of the four directors (Proposal One), stockholders may choose to vote for all of the nominees or to withhold authority for voting for any of the nominees. In the absence of other instructions, the shares represented by a properly executed and submitted proxy will be voted in favor of each of the nominees for election to the Board of Directors. The Board of Directors does not know of any other business to be brought before the Annual Meeting. If, however, any other matters properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote the proxy in accordance with their judgment on such matters.

Edgar Filing: AMERICAN REALTY INVESTORS INC - Form DEF 14A

VOTE REQUIRED FOR APPROVAL

Article II Section 7 of the By-laws of ARI provides that the nominees for director receiving the highest number of affirmative votes of shares entitled to be voted, up to the number of directors to be elected by such shares, shall be elected. Abstentions and broker non-votes, if any, will not be included in vote totals, and, as

1

such, will have no effect on any proposal. Article II Section 5 of the By-laws of ARI provides that a majority of the outstanding shares entitled to vote, represented in person or by proxy, shall constitute a quorum at any such meeting.

As of June 4, 2002, management and affiliates of ARI held of record and beneficially 7,059,318 shares representing approximately 62.1% of the shares of Common Stock outstanding. Management intends to vote such shares for each of the proposals in accordance with the recommendation of the Board of Directors.

REVOCAION OF PROXIES

A form of proxy is enclosed. Any stockholder who executes and delivers the proxy may revoke the proxy at any time prior to its use by giving written notice of the revocation to American Stock Transfer and Trust Company, 6201 15th Avenue, Brooklyn, New York, New York 11219, or by executing and delivering a proxy bearing a later date by mail or by telephone or by Internet voting. A STOCKHOLDER MAY ALSO REVOKE A PROXY BY ATTENDING AND VOTING AT THE ANNUAL MEETING.

FUTURE PROPOSALS OF STOCKHOLDERS

The Board of Directors currently consists of four members and all Directors are elected annually. Any proposal intended to be presented by a stockholder at the 2003 Annual Meeting of Stockholders of ARI must be delivered to ARI's Secretary at ARI's executive offices before April 1, 2003.

PROPOSAL ONE: ELECTION OF DIRECTORS

NOMINEES

The following persons have been nominated to serve as directors of ARI: Earl D. Cecil, Collene C. Currie, Richard W. Humphrey and Joseph Mizrachi. Each of the four nominees is currently a director of ARI and has been nominated by the Board of Directors to serve for an additional term until the next Annual Meeting of Stockholders or until his or her successor shall have been duly elected and qualified. Each nominee has consented to being named in this Proxy Statement as a nominee and has agreed to serve as a director if elected. When a proxy is properly executed and returned, the shares represented thereby will be voted in favor of the election of each of the nominees, unless authority to vote for any nominee is specifically withheld. There will be no cumulative voting for the election of directors. If any nominee is unable to serve or will not serve (an event which is not anticipated), then the proxy holder will cast votes for the remaining nominees and, unless the Board of Directors takes action to reduce the number of directors, for such other person(s) as he or she may select in place of such nominee(s).

The four nominees are listed below, together with their ages, terms of service, all positions and offices with ARI or ARI's advisor, Basic Capital Management, Inc. ("BCM"), other principal occupations, business experience and

Edgar Filing: AMERICAN REALTY INVESTORS INC - Form DEF 14A

directorships with other companies during the last five years or more. The designation "Affiliated", when used below with respect to a director, means that the director is an officer, director or employee of BCM, or an officer of ARI. The designation "Independent", when used below with respect to a director, means that the director is neither an officer of ARI nor a director, officer or employee of BCM, although ARI may have certain business or professional relationships with such director, as discussed below under "Certain Business Relationships and Related Transactions".

Committee are Messrs. Cecil and Mizrachi and Ms. Currie, each of whom is independent as that term is defined in Section 303.01(B)(2)(a) and (3) of the New York Stock Exchange's Listed Company Manual. The Board of Directors has a Stock Option Committee the function of which is to administer ARI's stock option plan. The members of the Stock Option Committee are Ms. Currie and Mr. Cecil. Currie and Joseph Mizrachi each of whom is independent (as defined in Section 303.01(B)(2)(a) and (3) of the New York Stock Exchange's Listed Company Manual). The Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee met four times during 2001.

Audit Committee Report

The Audit Committee oversees ARI's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of ARI's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and ARI, including the matters in the written disclosures required by the Independence Standards Board.

The Committee discussed with ARI's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of ARI's internal controls and the overall quality of ARI's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for

Edgar Filing: AMERICAN REALTY INVESTORS INC - Form DEF 14A

the year ended December 31, 2001, for filing with the Securities and Exchange Commission. The Committee has also recommended, subject to Board approval, the selection of ARI's independent auditors.

		AGE

Robert A. Waldman:	Senior Vice President, Secretary and General Counsel (since August 2000). Senior Vice President and General Counsel (since January 1995), Vice President (December 1990 to January 1995) and Secretary (from December 1993 to February 1997 and since June 1999) of IORI and TCI; Senior Vice President and General Counsel (since November 1994), Vice President and Corporate Counsel (November 1989 to November 1994) and Secretary (since November 1989) of BCM.	49

In addition to the foregoing officers, ARI has several vice presidents and assistant secretaries who are not listed herein.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934.

Under the securities laws of the United States, ARI's directors, executive officers, and any persons holding more than 10 percent of ARI's shares of Common Stock are required to report their ownership of ARI's shares and any changes in

Edgar Filing: AMERICAN REALTY INVESTORS INC - Form DEF 14A

that ownership to the Securities and Exchange Commission (the "Commission") and the New York Stock Exchange. Specific due dates for these reports have been established and ARI is required to report any failure to file by these dates during 2001. All of these filing requirements were satisfied by ARI's directors and executive officers and 10 percent holders. In making these statements, ARI has relied on the written representations of its incumbent directors, executive officers and 10 percent holders and copies of the reports that they have filed with the Commission.

THE ADVISOR

Although the Board of Directors is directly responsible for managing the affairs of ARI and for setting the policies which guide it, the day-to-day operations are performed by BCM under the supervision of the Board of Directors. The duties of BCM include, among other things, investigating, evaluating and recommending real estate and mortgage loan investment opportunities as well as financing and refinancing sources. BCM also serves as a consultant in connection with ARI's business plan and investment policy decisions made by the Board of Directors.

BCM has served as advisor to ARI since February 1989. BCM is a company owned by a trust for the benefit of the children of Gene E. Phillips. As of June 4, 2002, BCM owned 6,284,744 shares of ARI's Common Stock, approximately 55.2 percent of the shares then outstanding.

The Advisory Agreement provides for the advisor to receive monthly base compensation at the rate of 0.0625% per month (0.75% on an annualized basis) of the average of the aggregate book value of ARI's assets invested in equity interests in and loans secured by real estate before non-cash reserves (the "Average Invested Assets").

In addition to base compensation, BCM or its affiliate or assignee, receives the following forms of additional compensation:

(a) an acquisition fee for locating, leasing or purchasing real estate for ARI in an amount equal to the lesser of (1) the amount of compensation customarily charged in similar arm's-length transactions or (2) up to 6% of the costs of acquisition, inclusive of commissions, if any, paid to nonaffiliated brokers;

(b) a disposition fee for the sale of each equity investment in real estate in an amount equal to the lesser of (1) the amount of compensation customarily charged in similar arm's-length transactions or (2) 3% of the sales price of each property, exclusive of fees, if any, paid to non-affiliated brokers;

6

(c) a loan arrangement fee in an amount equal to 1% of the principal amount of any loan made to ARI arranged by BCM;

(d) an incentive fee equal to 10% of net income for the year in excess of a 10% return on stockholders' equity, and 10% of the excess of net capital gains over net capital losses, if any, realized from sales of assets; and

(e) a mortgage placement fee, on mortgage loans originated or purchased, equal to 50%, measured on a cumulative basis, of the total amount of mortgage origination or placement fees on mortgage loans made by ARI for the fiscal year.

Edgar Filing: AMERICAN REALTY INVESTORS INC - Form DEF 14A

The Advisory Agreement further provides that BCM shall bear the cost of certain expenses of its employees, excluding fees paid to ARI's Directors; rent and other office expenses of both BCM and ARI (unless ARI maintains office space separate from that of BCM); costs not directly identifiable to ARI's assets, liabilities, operations, business or financial affairs; and miscellaneous administrative expenses relating to the performance by BCM of its duties under the Advisory Agreement.

If and to the extent that ARI shall request BCM, or any director, officer, partner or employee of BCM, to render services to ARI other than those required to be rendered by BCM under the Advisory Agreement, such additional services, if performed, will be compensated separately on terms agreed upon between such party and ARI from time to time.

The Advisory Agreement automatically renews from year to year unless terminated in accordance with its terms. ARI's management believes that the terms of the Advisory Agreement are at least as fair as could be obtained from unaffiliated third parties.

Situations may develop in which the interests of ARI are in conflict with those of one or more directors or officers of ARI in their individual capacities or of BCM, or of their respective affiliates. In addition to services performed for ARI, as described above, BCM actively provides similar services as agent for, and advisor to, other real estate enterprises, including persons and entities involved in real estate development and financing, including TCI and IORI. The Advisory Agreement provides that BCM may also serve as advisor to other entities.

As advisor, BCM is a fiduciary of ARI's public investors. In determining to which entity a particular investment opportunity will be allocated, BCM will consider the respective investment objectives of each entity and the appropriateness of a particular investment in light of each such entity's existing mortgage note and real estate portfolio and which entity has had uninvested funds for the longest period of time. To the extent any particular investment opportunity is appropriate to more than one such entity, such investment opportunity will be allocated to the entity that has had uninvested funds for the longest period of time or if appropriate, the investment may be shared among various entities. See "Certain Business Relationships and Related Party Transactions -- Certain Business Relationships" below.

The directors and principal officers of BCM are set forth below:

Mickey N. Phillips:	Director
Ryan T. Phillips:	Director
Mark W. Branigan:	Executive Vice President -- Residential
Louis J. Corna:	Executive Vice President -- Tax
Ronald E. Kimbrough:	Executive Vice President and Chief Financial Officer
David W. Starowicz:	Executive Vice President -- Commercial Asset Management
Dan S. Allred:	Senior Vice President -- Land Development
Michael E. Bogel:	Senior Vice President -- Project Manager
Robert A. Waldman:	Senior Vice President, General Counsel and Secretary

Edgar Filing: AMERICAN REALTY INVESTORS INC - Form DEF 14A

Mickey N. Phillips is the brother of Gene E. Phillips, and Ryan T. Phillips is the son of Gene E. Phillips. As of June 4, 2002, BCM owned 6,284,744 shares of ARI Common Stock, 55.2% of ARI's then outstanding shares.

PROPERTY MANAGEMENT

Affiliates of BCM have provided property management services to ARI. Currently, Triad Realty Services, Ltd. ("Triad") provides such property management services for a fee of 5% or less of the monthly gross rents collected on residential properties under its management and 3% or less of the monthly gross rents collected on the commercial properties under its management. Triad subcontracts with other entities for the provision of the property-level management services to ARI at various rates. The general partner of Triad is BCM. Triad subcontracts the property-level management of 13 of ARI's commercial properties (office buildings, shopping centers and a merchandise mart) and eight hotels to Regis Realty, Inc. ("Regis"), a related party. Regis is entitled to receive property and construction management fees and leasing commissions in accordance with the terms of its property-level management agreement with Triad.

REAL ESTATE BROKERAGE

Regis, a related party, also provides real estate brokerage services to ARI and receives brokerage commissions in accordance with the Advisory Agreement.

EXECUTIVE COMPENSATION

ARI has no employees, payroll or employee benefit plans and pays no compensation to its executive officers. The directors and executive officers of ARI who are also officers or employees of BCM are compensated by BCM. Such affiliated directors and executive officers perform a variety of services for BCM and the amount of their compensation is determined solely by the advisor. BCM does not allocate the cash compensation of its officers among the various entities for which it serves as advisor.

Director Compensation

The only direct remuneration paid by ARI is to those Directors who are not officers or employees of BCM or its affiliated companies. Each Independent Director is compensated at the rate of \$45,000 per year, plus \$300 per Audit Committee meeting attended and the Chairman of the Audit Committee receives an annual fee of \$500. In addition, each Independent Director receives an additional fee of \$1,000 per day for any special services rendered outside of their ordinary duties as Director, plus reimbursement of expenses. During 2001, \$302,318 was paid to Independent Directors in total Directors' fees for all services including the annual fee for service during the period January 1, 2001 through December 31, 2001, and 2001 special service fees as follows: Roy E. Bode, \$59,873; Collene C. Currie, \$79,743; Cliff Harris, \$70,333; Joseph Mizrachi, \$50,716; and Richard D. Morgan, \$34,650. In the past, certain of the Directors have, from time to time, engaged, directly or indirectly in transactions with ARI. See "Certain Business Relationships and Related Party Transactions."

Stock Option Plans

In January 1999, stockholders approved the Directors' Stock Option Plan ("Directors' Plan") which provides for options to purchase up to 40,000 shares of Common Stock. Options granted pursuant to the Directors' Plan are immediately exercisable and expire on the earlier of the first anniversary of the date on which a Director ceases to be a Director or ten years from the date of grant. Each Independent Director was granted an option to purchase 1,000 shares at an

Edgar Filing: AMERICAN REALTY INVESTORS INC - Form DEF 14A

exercise price of \$17.71 per share on January 11, 1999, the date the stockholders approved the Directors' Plan. On January 1, 2000, each Independent Director was granted an option to purchase 1,000 shares at an exercise price of \$18.53 per share. On January 1, 2001, each Independent Director was granted an option to purchase 1,000 shares at an exercise price of \$13.625 per share. Each Independent Director will be awarded an option to purchase an additional 1,000 shares on January 1 of

8

each year. At December 31, 2001, 2000 options were exercisable at \$17.71 per share, 3,000 options were exercisable at \$18.53 per share, and 5,000 options were exercisable at \$13.625 per share.

In January 1998, stockholders approved the 1997 Stock Option Plan (the "Option Plan") which provides for options to purchase up to 300,000 shares of Common Stock. The Option Plan is intended principally as an incentive for and as a means of encouraging ownership of ARI's Common Stock, by eligible persons, including certain directors and officers of ARI. Options may be granted either as incentive stock options (which qualify for certain favorable tax treatment) or as non-qualified stock options. Incentive stock options cannot be granted to, among others, persons who are not employees of ARI or of any parent or subsidiary of ARI, or to persons who fail to satisfy certain criteria concerning ownership of less than 10 percent of the shares of ARI. The Option Plan is administered by the Stock Option Committee, which currently consists of two Independent Directors of ARI. The exercise price per share of an option will not be less than 100% of the fair market value per share on the date of grant thereof. ARI receives no consideration for the grant of an option.

At December 31, 2001, there were 173,750 options outstanding under the Option Plan.

No options were granted under the Option Plan in 2001.

The following table presents certain information for the executive officers of ARI relating to the exercise of stock options during 2001 and, in addition, information relating to the valuation of unexercised stock options.

CERTAIN BUSINESS RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies with Respect to Certain Activities. Article ELEVENTH of ARI's Articles of Incorporation provides that ARI shall not, directly or indirectly, contract or engage in any transaction with (1) any director, officer or employee of ARI, (2) any director, officer or employee of the advisor, (3) the advisor or (4) any affiliate or associate (as such terms are defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended) of any of the aforementioned persons, unless (a) the material facts as to the relationship among, or financial interest of, the relevant individuals or persons and as to the contract or transaction are disclosed to or are known by ARI's Board of Directors or the appropriate committee thereof and (b) ARI's Board of Directors or committee thereof determines that such contract or transaction is fair to ARI and simultaneously authorizes or ratifies such contract or transaction by the affirmative vote of majority of independent directors of ARI entitled to vote thereon.

Article ELEVENTH defines an "Independent Director" as one who is neither an officer or employee of ARI, nor a director, officer or employee of ARI's advisor.

ARI's policy is to have such contracts or transactions approved or ratified by a majority of the disinterested directors of ARI with full knowledge of the character of such transactions, as being fair and reasonable to the stockholders at the time of such approval or ratification under the circumstances then prevailing. Such directors also consider the fairness of such transactions to ARI. Management believes that, to date, such transactions have represented the best investments available at the time and that they were at least as advantageous to ARI as other investments that could have been obtained.

ARI expects to enter into future transactions with entities the officers, directors or stockholders of which are also officers, directors or stockholders of ARI if such transactions would be beneficial to the operations of ARI and consistent with ARI's then-current investment objectives and policies, subject to approval by a majority of disinterested directors as discussed above.
