This Amendment No. 2 to Schedule 13D (this "Amendment") amends and supplements the Schedule 13D filed on March 25, 2002 (the "Original Filing"), as amended on May 15, 2002, by BP Capital Energy Equity Fund, L.P. ("Energy") and BP Capital Energy Equity International Holdings I, L.P. ("International"), by furnishing the information set forth below. Energy and International are collectively defined in this Amendment as the "Filing Persons." Unless set forth below, all previous Items are unchanged. Capitalized terms used herein which are not defined herein have the meanings given to them in the Original Filing, as amended.

ITEM 4. PURPOSE OF TRANSACTION.

Item 4 is hereby supplemented to add the following:

Following an extensive review of the feasibility of making a proposal to acquire all or a substantial portion of the equity in the Issuer, the Filing Persons have concluded not to pursue an acquisition transaction at this time. However, the Filing Persons continue to believe that investor assessment of the Issuer's intrinsic value as reflected in the market price of the Shares is too low.

The Filing Persons intend to continue to review on a regular basis their investment in the Issuer. Depending upon the factors discussed below and any other factors that are or become relevant, the Filing Persons may acquire additional Shares in open market or privately negotiated transactions; may sell all or part of their Shares in open market or privately negotiated transactions; may recommend to management of the Issuer one or more transactions involving the sale of all or a part of the equity interest in the Issuer; may make to the management of the Issuer a proposal for acquisition by a third party of all or a part of the equity interest in the Issuer; may distribute Shares to various of their partners; or may engage in any combination of the foregoing. Any open market or privately negotiated purchases or sales, acquisition recommendations or proposals, distributions or other transactions may be made at any time without additional prior notice.

Edgar Filing: VINTAGE PETROLEUM INC - Form SC 13D/A

Any alternative that the Filing Persons might pursue will depend upon a variety of factors, including, without limitation, current and anticipated future trading prices of the Shares, the financial condition, results of operations and prospects of the Issuer and general economic and industry conditions, the availability and forms of financing, other investment and business opportunities available to the Filing Persons, general stock market and economic conditions, tax considerations and other factors.

Although the foregoing reflects activities presently contemplated by the Filing Persons with respect to the Issuer, the foregoing is subject to change at any time, and there can be no assurance that the Filing Persons will take any of the actions set forth above. Except as set forth above, the Filing Persons have no plans or proposals with respect to any of the matters set forth in paragraphs (a) through (j) of Item 4 of Schedule 13D.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

Item 5(c) is hereby amended and restated to read in its entirety as follows:

(c) There have been no transactions in the Shares by the Filing Persons in the last 60 days.
