FORWARD-LOOKING STATEMENTS

This document contains "forward-looking statements" (within the meaning of the Private Securities Litigation Reform Act of 1995) that inherently involve

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

risks and uncertainties. Our actual results and liquidity can differ materially from those anticipated in these forward-looking statements because of changes in the level and composition of our investments and unforeseen factors. These factors may include, but are not limited to, changes in general economic conditions, the availability of suitable investments, fluctuations in, and market expectations for fluctuations in, interest rates and levels of mortgage prepayments, deterioration in credit quality and ratings, the effectiveness of risk management strategies, the impact of leverage, liquidity of secondary markets and credit markets, increases in costs and other general competitive factors. Relative to direct investments in real estate, these factors may include, but are not limited to, lessee performance under lease agreements, changes in general as well as local economic conditions and real estate markets, increases in competition and inflationary pressures, changes in the tax and regulatory environment including zoning and environmental laws, uninsured losses or losses in excess of insurance limits and the availability of adequate insurance coverage at reasonable costs.

GENERAL INFORMATION ABOUT VOTING

SOLICITATION OF PROXIES

The enclosed proxy is solicited by and on behalf of our board of directors. The expense of soliciting proxies for the annual meeting, including the cost of mailing, will be borne by us. In addition to solicitation by mail, our officers may solicit proxies from stockholders by telephone, facsimile or personal interview. Such persons will receive no compensation for such services. We also intend to request persons holding Common shares in their name or custody, or in the name of a nominee, to send proxy materials to their principals and request authority for the execution of the proxies, and we will reimburse such persons for their expense in doing so. We will also use the proxy solicitation services of Georgeson Shareholder Communications Inc. For such services, we will pay a fee that is not expected to exceed \$5,000 plus out-of-pocket expenses.

VOTING SECURITIES

Our only outstanding voting equity securities are our Common shares. Each Common share entitles the holder to one vote. As of February 20, 2003 there were outstanding and entitled to vote 13,965,489 Common shares. Fortress Cap LLC ("Fortress Cap"), an affiliate of Fortress Investment Group LLC, ("Fortress Group"), holds 3,649,359 of the Common shares, which represent 26 percent of our voting securities. Only stockholders of record at the close of business on February 20, 2003 are entitled to vote at the annual meeting or any adjournment of the annual meeting.

VOTING

If you hold your Common shares in your own name as a holder of record, you may instruct the proxies to vote your Common shares through any of the following methods:

- o sign, date and mail the proxy card in the postage-paid envelope provided;
- o using a touch-tone telephone, call Wells Fargo at 1-800-240-6326 and follow the prompts to enter a company number and a control number,

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

both of which are found on your proxy card, as well as the last four digits of your U.S. Social Security Number or Tax Identification Number to authorize the proxies to vote your Common shares. If you do not have a U.S. Social Security Number or Tax Identification Number, please enter four zeros; or

- o using the Internet, as prompted by the menu found at www.eproxy.com/cmo/, enter a company number and control number, both of which are found on your proxy card, as well as the last four digits of your U.S. Social Security Number or Tax Identification Number to gain access to the voting site maintained by Wells Fargo to authorize the proxies to vote your Common shares. If you do not have a U.S. Social Security Number or Tax Identification Number, please leave blank.

Our counsel has advised us that these three voting methods are permitted under the corporate law of Maryland, the state in which we are incorporated.

The deadline for Internet voting is 12:00 p.m., Central time, and the deadline for telephone voting is 11:00 a.m., Central time, on April 23, 2003. In addition, you may vote your Common shares in person at the annual meeting.

If your Common shares are held on your behalf by a broker, bank or other nominee, you will receive instructions from them that you must follow to have your Common shares voted at the annual meeting.

COUNTING OF VOTES

A quorum will be present if the holders of a majority of the outstanding shares entitled to vote are present, in person or by proxy, at the annual meeting. If you have returned valid proxy instructions or if you hold your shares in your own name as a holder of record and attend the annual meeting in person, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting may be adjourned by the vote of a majority of the shares represented at the annual meeting until a quorum has been obtained.

The affirmative vote of a plurality of the Common shares, voting together as one class, cast at the annual meeting is required to elect each nominee to our board of directors. For any other matter, unless otherwise required by Maryland or other applicable law, the affirmative vote of a majority of the Common shares, voting together as one class, cast at the annual meeting is required to approve the matter.

Abstentions will have no effect on the outcome in the election of our board of directors or any other matter for which the required vote is a majority of the votes cast.

If you sign and return your proxy card without giving specific voting instructions, your shares will be voted FOR the nominees to our board of directors.

Broker non-votes occur when a broker, bank or other nominee holding Common shares in street name votes the Common shares on some matters but not others. We will treat broker non-votes as (i) Common shares that are present and entitled to vote for quorum purposes, and (ii) votes not cast in the election of

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

directors. Accordingly, broker non-votes will have no effect on the outcome in the election of our board of directors.

RIGHT TO REVOKE PROXY

If you hold Common shares in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

- o notify our Secretary in writing before your Common shares have been voted at the annual meeting;
- o sign, date and mail a new proxy card to Wells Fargo;
- o using a touch-tone telephone, call Wells Fargo at 1-800-240-6326 and follow the prompts previously described in the "Voting" section of this proxy statement;
- o using the Internet, log on to www.eproxy.com/cmo/ and follow the prompts previously described in the "Voting" section of this proxy statement; or
- o attend the annual meeting and vote your Common shares in person.

You must meet the same deadline when revoking your proxy as when voting your proxy. See the "Voting" section of this proxy statement for more information.

If Common shares are held on your behalf by a broker, bank or other nominee, you must contact them to receive instructions as to how you may revoke your proxy instructions.

MULTIPLE SHAREHOLDERS SHARING THE SAME ADDRESS

The Securities and Exchange Commission rules allow for the delivery of a single copy of an annual report and proxy statement to any household at which two or more stockholders reside, if it is believed the stockholders are members of the same family. Duplicate account mailings will be eliminated by allowing stockholders to consent to such elimination, or through implied consent if a stockholder does not request continuation of duplicate mailings. Depending upon the practices of your broker, bank or other nominee, you may need to contact them directly to discontinue duplicate mailings to your household. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee.

If you hold Common shares in your own name as a holder of record, householding will not apply to your shares.

If you wish to request extra copies free of charge of any annual report, proxy statement or information statement, please send your request to Capstead Mortgage Corporation, Attention: Stockholder Relations, 8401 North Central Expressway, Suite 800, Dallas, Texas, 75225-4410. You can also refer to our web site at www.capstead.com.

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

One of the purposes of the annual meeting is to elect directors to hold office until the next annual meeting of stockholders and until their successors have been elected and qualified. Set forth below are the names, principal occupations, committee memberships, ages, directorships held with other public companies, and other biographical data for the nominees for director, as well as the month and year each nominee was first elected as one of our directors. Also set forth below is the beneficial ownership of our Common shares as of February 20, 2003 for each nominee. This beneficial ownership figure does not necessarily demonstrate the nominee's individual ownership. For discussion of beneficial ownership, see the "Security Ownership of Management and Certain Beneficial Owners" section of this proxy statement. If any nominee becomes unable to stand for election as a director, an event that our board of directors does not presently expect, the proxy will be voted for a replacement nominee if one is designated by our board of directors. The board of directors recommends a vote FOR all nominees.

BOARD OF DIRECTORS

During the year ended December 31, 2002, our board of directors held four regular meetings and one special meeting. No director attended fewer than 75 percent of all meetings of our board of directors and the committees on which such director served, except for Mr. Kauffman who attended 66 percent of all such meetings.

Non-employee directors receive compensation for their representation on our board of directors at an annualized rate of \$30,000, paid in cash or options on our Common shares and fees of \$2,500 per meeting of the directors or of a committee meeting attended and \$1,000 for participation in telephonic meetings to declare dividends or other specific agenda or committee matters. Any options granted would have a fair value equal to the cash equivalent price of the representation fee determined using an option pricing model and a strike price equal to the market price of our Common shares on the date of grant. On April 17, 2002, Mr. Rubin accepted stock options in lieu of the cash representation fee, and as a result of the return of capital dividend to common stockholders on January 21, 2003, these options were adjusted to 18,446 options outstanding with a strike price of \$13.202. In addition, non-employee directors are reimbursed for their expenses related to attending board or committee meetings. Mr. Edens does not receive the foregoing compensation or reimbursement. Instead, Mr. Edens' services as an officer and director are provided pursuant to a management contract with an affiliate of Fortress Group. For a discussion of the management contract, see the "Certain Relationships and Related Transactions" section of this proxy statement.

In accordance with the terms of our 1990 Directors' Stock Option Plan, each non-employee director holding outstanding stock options granted from the 1990

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

Directors' Stock Option Plan was automatically awarded dividend equivalent rights on January 1, 2003, which were earned in 2002, entitling them to receive additional Common shares at no cost upon exercise of outstanding options. Messrs. Edens and Kauffman do not participate in the foregoing compensation programs. Directors who are not one of our employees or executive officers do not receive any other salaries, fees, commissions or bonuses from us, nor do they receive any separate compensation from any of our affiliates for their services on our board of directors or on committees of our board of directors.

COMMITTEES OF THE BOARD

Our board of directors has established standing committees to assist it in the discharge of its responsibilities. The principal responsibilities of each committee are described below. Actions taken by any committee of our board are reported to the board of directors, usually at its next meeting. - o oversee our overall compensation philosophy and structure to determine its appropriateness;

- o review and approve proposed amendments to our benefits plans; and
- o review and recommend compensation arrangements for our board members.

The Executive Committee, composed of three directors, did not meet during 2002. During the intervals between meetings of our board of directors, the executive committee has all of the powers and authority of the board of

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

directors in the management of our business and affairs, except those powers that by law cannot be delegated by our board of directors.

The Nominating Committee, composed of three non-employee directors, met once during 2002. The primary duties and responsibilities of the nominating committee are to:

- o recommend to our board of directors a slate of directors for election by stockholders at each annual meeting;
- o recommend the overall criteria and qualifications for our board of directors, its members and for our Chief Executive Officer; and
- o when necessary, seek out, interview and screen potential candidates for the post of director and Chief Executive Officer.

You can recommend candidates for consideration by the nominating committee for our 2004 annual meeting by writing to our Secretary on or by November 10, 2003 at our offices in Dallas, Texas. Your recommendation should give the candidate's name, biographical data and qualifications and should be accompanied by a written statement from the candidate of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director.

We entered into a severance payment agreement with each of our employees on December 9, 1999. Pursuant to these agreements, in the event that an individual's employment with us is terminated by us for any reason other than those described below, that employee will receive a severance payment based upon his or her title and the number of years of service with us at the time of termination. The severance payment will be calculated as set forth below:

Executive Vice President	Five or more	Two year's base annual
Senior Vice President and Vice President	Five or more	One and one-half year's annual salary
Assistant Vice President and all other employees	Five or more	One year's base annual
All officers and all employees	Fewer than five years	Six-month's base annual

An employee will not be entitled to any severance payment under the severance payment agreement if:

- o the employee voluntarily terminates his or her employment, other than because of a reduction in that employee's base salary or a relocation of

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

that employee that requires travel from his or her primary residence to such new location, an additional 50 or more miles each way;

- o the employee fails to return to work following an approved leave of absence; or
- o we terminate the employee for cause.

EQUITY COMPENSATION PLANS

The following table summarizes the total number of outstanding securities in each of our equity compensation plans and the number of securities remaining for future issuance, as well as the weighted-average exercise price of all outstanding securities as of December 31, 2002.

Equity compensation plans approved by security holders:		
1990 Directors' Stock Option Plan	20,599	\$15.771

As a result of the January 21, 2003 recapitalization and additional cancellations of expired options and rights, the total number of securities to be issued upon the exercise of outstanding options and rights was adjusted to 473,051 at a weighted-average exercise price of \$21.432, leaving 1,154,047 securities available for future issuance.
- (2) The purposes of the Capstead Mortgage Corporation 1997 Flexible Long Term Incentive Plan are to enable us to attract, motivate, reward and retain employees and to encourage the holding of our proprietary interests by our employees or employees of our affiliates by enabling us to make awards that recognize the creation of long-term value for our stockholders and promote our continued growth and success. To achieve this purpose, employees may receive stock options, stock appreciation rights, restricted stock, performance awards, performance stock, dividend equivalent rights and any

combination thereof.

COMPENSATION COMMITTEE

Compensation for our executive officers is administered under the direction of the compensation committee of our board of directors (the "Committee"). In their role as our administrator of compensation programs, the Committee approves the compensation arrangements of all executives, including compensation paid pursuant to the management contract with an affiliate of Fortress Group.

The following is the Committee's report in its role as reviewer of our executive pay programs on 2002 compensation practices for our executive officers. The report and the performance graph that appears immediately after such report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission under the Securities Act of 1933 or the Securities Exchange Act of 1934 or incorporated by reference in any document so filed.

COMPENSATION COMMITTEE REPORT

EXECUTIVE COMPENSATION PROGRAM PHILOSOPHY

The philosophy behind Capstead's executive compensation programs is to attract, motivate and retain the executives needed in order to maximize the creation of long-term stockholder value. The Committee believes that the uniqueness of Capstead's business, its strategic direction and the required caliber of employees needed to execute its strategy require that compensation be determined based on the following factors:

- o Responsibilities within Capstead.
- o Completion of individual business objectives established at the beginning of the year (which objectives may vary greatly from person to person).
- o Overall performance of Capstead.
- o Amount and form of prior compensation.
- o Contributions toward executing the business strategy of Capstead.

The Committee believes that each of the above factors is important when determining compensation levels. No specific weighting or formula regarding such factors is used in determining compensation.

For 2002, the primary components of Capstead's executive's compensation consist of: (i) base salaries; (ii) annual incentives; and (iii) other executive programs and benefits. Each element is described in more detail below.

Base Salaries

The Chief Executive Officer, utilizing the above factors, reviews base salaries annually and makes recommendations to the Committee. Any interim modifications to salaries are also based on the above factors and recommendations are made to the Committee.

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

Annual Incentives

Members of the board of directors that are independent of Fortress Group (the "Independent Directors") approved an incentive compensation program for 2002, which provided for the creation of an incentive pool (the "Incentive Pool") equal to a 10 percent participation in the modified total return of Capstead in excess of a 10 percent benchmark return, multiplied by the beginning modified common book value of Capstead. For purposes of the calculation, modified total return is measured as the change in modified common book value per share from the beginning of the year, together with common dividends per share, divided by the beginning modified common book value per share, expressed as a percentage. Modified common book value is determined by deducting from total equity the recorded value of preferred equity and unrealized losses on assets classified as held-to-maturity and adding back incentive fee accruals. Accordingly, an Incentive Pool of \$5,982,000 was established for 2002 based on a modified total return of 37.7% per common share. All of the

13

Incentive Pool was used to pay incentive bonuses to Capstead's executive officers and other employees and to an affiliate of Fortress Group under the management contract discussed below. For 2002, the Chief Executive Officer recommended and the Committee approved the distribution of \$1,000,000 to the executive officers and other employees, other than the affiliate of Fortress Group.

The Independent Directors have adopted the same basic formula for the incentive compensation program for 2003, except that definition for modified common book value is expanded to include unrealized gains or losses on investments not included in accumulated other comprehensive income on the balance sheet. The prior definition included only certain of the items not reflected in accumulated other comprehensive income. It is the intention of the Independent Directors that any amounts added to the Incentive Pool during the year will be paid to Capstead's executive officers and other employees and the affiliate of Fortress Group for 2003 performance.

Long-Term Incentives

The Committee believes that Capstead's key employees should have an ongoing stake in the long-term success of the business. The Committee also believes that key employees should have a considerable portion of their total compensation paid in the form of stock. This element of the total compensation program is intended to align the executive's interest to that of Capstead stockholders through the granting of stock options, restricted stock and other incentive-based awards.

The Chief Executive Officer periodically recommends long-term incentive grants for the executive officers to the Committee under Capstead's 1994 Flexible Long-Term Incentive Plan. The same factors that are used in determining other elements of compensation are used in determining long-term incentive grants. No such grants were made during 2002.

Other Executive Programs and Benefits

Capstead maintains employee benefit plans in which the executive officers, other than the Chief Executive Officer, participate. Capstead sponsors a 401(k) plan and nonqualified deferred compensation plan (together the "Plans") whereby Capstead matches employee contributions up to a preset percentage of the

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

participant's compensation. Capstead may also make discretionary contributions into the Plans regardless of an employee's participation. Capstead believes its Plans are competitive with those of other companies in the Dallas market of comparable size and scope of business.

2002 COMPENSATION FOR THE CHIEF EXECUTIVE OFFICER

The services of Mr. Edens, Capstead's Chairman, Chief Executive Officer and President, are provided pursuant to a management contract effective April 20, 2000 between Capstead and a wholly-owned subsidiary of Fortress Fund (such subsidiary, "Fortress Trust"), an affiliate of Fortress Group, as amended on January 30, 2002, to provide Capstead an individual to perform the services and duties of Chairman and Chief Executive Officer.

The Management Contract

Under the management contract, Fortress Trust not only provides the services of Capstead's Chairman, Chief Executive Officer and President, but also such other individuals as necessary to perform support services for Capstead, to the extent Capstead does not have employees available to perform such services. The management contract provides for the payment of (i) an annual fee, (ii) incentive compensation payable out of the Incentive Pool, if any, and (iii) long-term non-cash incentive compensation in the form of options and/or stock grants. The management contract will be automatically renewed on an annual basis unless terminated by Fortress Trust or the Independent Directors.

14

Annual Fee

Pursuant to the terms of the management contract, Fortress Trust received an annual fee of \$375,000 during 2002.

Annual Incentives

For 2002, the Committee approved the payment to Fortress Trust of incentive compensation totaling \$4,982,000, representing the payment of the remainder of the Incentive Pool after payment to executive officers and other employees.

Long-Term Incentives

No long-term incentive compensation was granted to Fortress Trust during 2002.

DEDUCTIBILITY OF EXECUTIVE COMPENSATION PURSUANT TO SECTION 162(m)

Section 162(m) of the Code generally precludes a publicly-held corporation from a federal income tax deduction for a taxable year for compensation in excess of \$1 million paid to the Chief Executive Officer or any of the four other most highly compensated executive officers. Exceptions are made for, among other things, qualified performance-based compensation. Qualified performance-based compensation means compensation paid solely on account of attainment of objective performance goals, provided that (i) performance goals are established by a compensation committee consisting solely of two or more outside directors, (ii) the material terms of the performance-based compensation are disclosed to and approved by a separate stockholder vote prior to payment, and (iii) prior to payment, the compensation committee certifies that the performance goals were attained and other material terms were satisfied. The

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

Committee's policy on deductibility is generally to develop compensation plans which provide for the payment of compensation that is tax deductible to Capstead, while recognizing that the legitimate interest of Capstead and its stockholders may at times be better served by compensation arrangements that are not tax deductible.

CONCLUSION

Executive compensation at Capstead is subject to considerable focus by the Committee, the board of directors and senior management. The Committee believes that Capstead's compensation programs and other benefits produce a strong attraction and motivation for Capstead's executive officers and help align their interests with the interests of Capstead's stockholders.

AUDIT COMMITTEE

The audit committee is governed by a written charter adopted by our board of directors and is composed of three non-employee directors, each of whom has been determined by our board of directors to be independent in accordance with

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

the rules of the New York Stock Exchange.

The following is the audit committee's report in its role as the overseer of our financial reporting process and our independent auditor's performance. In carrying out its oversight responsibilities, the audit committee is not providing any expert or special assurance as to our financial statements or any professional certification as to the outside auditor's work. This report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission under the Securities Act of 1933 or the Securities Exchange Act of 1934 or incorporated by reference in any document so filed.

AUDIT COMMITTEE REPORT

The audit committee oversees Capstead's financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In this context, the audit committee has reviewed and discussed with management the audited financial statements in the annual report to stockholders.

The audit committee has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards 61, as modified or supplemented, including the auditor's judgment as to the quality, not just the acceptability, of the accounting principles, the consistency of their application and the clarity and completeness of the audited financial statements.

The audit committee has received the written disclosures and the letter from the independent auditors required by Independent Standards Board Standard No. 1, as modified or supplemented, and has discussed with the independent auditors their independence.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors (and the board agreed) that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS

For purposes of this proxy statement a "beneficial owner" means any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares:

- (i) Voting power which includes the power to vote, or to direct the voting of, Common shares; and/or

- (b) Neither Mr. Edens nor Mr. Kauffman directly owns any of our securities. However, by reason of their status as directors and officers of Fortress Group and its affiliates, they may be deemed to be the beneficial owners of Fortress Cap's 3,649,359 Common shares. Mr. Edens and Mr. Kauffman expressly disclaim beneficial ownership of any Common shares. Subsequent to February 20, 2003, Fortress Cap sold a portion of its holdings but remains our largest stockholder.
- (c) Includes restricted Common shares granted April 20, 2000, with remaining scheduled vesting on each of April 20, 2003, 2004 and 2005 as follows: Andrew F. Jacobs, 6,315 shares; Amar R. Patel, 3,157 shares; Phillip A. Reinsch, 3,452 shares and Robert R. Spears, Jr., 3,747 shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

The following table sets forth the ownership of Common shares, both beneficially and of record, for the persons known by us to be beneficial owners of more than 5 percent of each such class of shares outstanding, as of the close of business on February 20, 2003.

Fortress Cap LLC(1)..... 1301 Avenue of the Americas New York, New York 10019	3,649,359	26.13%

- (1) Such information is derived from a Schedule 13D filed with the Securities and Exchange Commission on November 29, 2001 by Fortress Cap (the owner of record of the Common shares), Fortress Trust, Fortress Fund, Fortress Group and Fortress Principal Investment Holdings LLC. Fortress Cap is wholly-owned by its sole member, Fortress Trust. Certain additional persons and entities named in the Schedule 13D may also be deemed to be beneficial owners of the Common shares. All such persons and entities disclaim beneficial ownership of such shares. "Percent of Class" has been updated using Common shares outstanding as of February 20, 2003. Subsequent to February 20, 2003, Fortress Cap sold a portion of its holdings but remains our largest stockholder.

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

To our knowledge, based solely on review of the copies of such reports furnished to us and written representations that no other reports were required, during the year ended December 31, 2002, all of our directors, executive officers and greater-than-ten-percent owners were in compliance with the Section 16(a) filing requirements.

19

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In addition to being our Chairman, Chief Executive Officer and President, Mr. Edens is chief executive officer of Fortress Group, which is an affiliate of Newcastle, Fortress Fund, Fortress Trust and Fortress Cap.

We have entered into a management contract with Fortress Trust, effective April 20, 2000, under which Fortress Trust is to provide us an individual, currently Mr. Edens, to perform the services and duties of our Chairman and Chief Executive Officer. The contract provides for the payment of an annual fee and cash incentive compensation based on our performance during the year. The contract also provides that at the sole discretion of the Independent Directors, Fortress Trust may be awarded long-term, non-cash incentive compensation in the form of stock options and/or restricted stock grants. For the year ended December 31, 2002, Fortress Trust received an annual fee of \$375,000 and incentive compensation of \$4,982,000. The contract automatically renews on an annual basis unless terminated by the Independent Directors or Fortress Trust. The contract has been renewed and will now expire December 31, 2003. The Independent Directors initially approved the contract on February 7, 2001. On January 30, 2002 the Independent Directors agreed to amend the contract to delegate certain responsibilities of the compensation provisions of the contract to the compensation committee of the board of directors.

On May 1, 2002 we acquired six "independent" senior living facilities (wherein the operator of the facility provides the tenants little, if any, medical care) and one skilled nursing facility which was subsequently sold (collectively, the "Properties"). The Properties were acquired pursuant to purchase agreements initially negotiated and executed by subsidiaries of Brookdale Living Communities, Inc. with an affiliate of Apartment Investment Management Company ("AIMCO") and subsequently assigned to us. Concurrent with the acquisition we entered into a long-term "net-lease" arrangement with Brookdale, under which Brookdale is responsible for the ongoing operation and management of the Properties. Brookdale, an owner, operator, developer and manager of senior living facilities, is a majority-owned affiliate of Fortress.

The lease agreements consist of a master lease covering all of the Properties and individual property-level leases (referred to collectively as the "Lease"). The Lease has an initial term of 20 years and provides for two 10-year renewal periods. Beginning at the end of five years, Brookdale will have the option of purchasing all of the Properties from us at the greater of fair value or our original cost, after certain adjustments. Under the terms of the Lease, Brookdale is responsible for paying all expenses associated with the operation of the Properties, including real estate taxes, other governmental charges, insurance, utilities and maintenance, and an amount representing an attractive cash return on our equity in the Properties after payment of monthly debt service. Because under the terms of the Lease, Brookdale is responsible for changes in related debt service requirements, earnings from our investment in

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

the Properties are generally not affected by changes in interest rates. After the initial three-month rent concession period, the cash return on our equity is expected to exceed 15% on an annualized basis and is subject to annual increases based upon increases (capped at 3%) in the Consumer Price Index.

Concurrent with executing the purchase agreements for the Properties, Brookdale also entered into an agreement with AIMCO to acquire from AIMCO \$71.4 million of the tax-exempt bonds held by a tax-exempt bond fund (the "TEB Fund Bonds") for a purchase price of \$60.7 million. With our May 1, 2002 acquisition of the Properties and assumption of the bonds, Brookdale agreed to release AIMCO from its obligation to deliver the TEB Fund Bonds pursuant to the bond purchase agreement in exchange for which AIMCO paid Brookdale \$4.6 million and Brookdale simultaneously entered into a two-year total return swap agreement with respect to the TEB Fund Bonds with a notional swap strike price of \$65.4 million. The swap was terminated in November when the bonds were refunded resulting in a net payment to Brookdale of \$6.0 million. The swap counterparty was a financial institution affiliated with the tax-exempt bond fund.

INDEPENDENT AUDITORS

During the year ended 2002, we engaged Ernst & Young LLP to provide us with audit and tax services. Services provided included the examination of annual financial statements, limited review of unaudited quarterly financial information, review and consultation regarding filings with the Securities and Exchange Commission and the Internal Revenue Service, assistance with management's evaluation of internal accounting controls, consultation on financial and tax accounting and reporting matters, and verification procedures as required by collateralized mortgage securities indentures. Fees for 2002 were as follows:

Year ----	Audit Fees -----	Audit-related Fees -----	Tax-related Fees -----	All Other -----
2002	\$155,500	\$ 29,675	\$92,655	--
2001	135,500	108,704	47,509	--

The audit committee has considered all fees provided by the independent auditors to us and concluded this involvement is compatible with maintaining the auditors' independence.

Representatives of Ernst & Young will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

OTHER MATTERS

The proxies intend to exercise their discretionary authority to vote on any stockholder proposals submitted at the 2003 annual meeting as permitted by Rule 14a-4(c) promulgated under the Securities Exchange Act of 1934, as amended. Any stockholder proposal to be presented at the 2004 annual meeting of stockholders must have been received at our principal office no later than November 10, 2003 in order to be included in the proxy statement and form of proxy for such

Edgar Filing: CAPSTEAD MORTGAGE CORP - Form DEF 14A

meeting. As to any proposal that a stockholder intends to present to stockholders other than by inclusion in our proxy statement for the 2004 annual meeting of stockholders, the proxies named in management's proxy for that annual meeting will be entitled to exercise their discretionary authority on that proposal unless we receive notice of the matter to be proposed not later than January 26, 2004. Even if the proper notice is received on or prior to January 26, 2004, the proxies named in management's proxy for that annual meeting may nevertheless exercise their discretionary authority with respect to such matter by advising stockholders of such proposal and how they intend to exercise their discretion to vote on such matter, unless the stockholder making the proposal solicits proxies with respect to the proposal to the extent required by Rule 14a-4(c)(2) under the Securities Exchange Act of 1934, as amended.
