The Company's intent is to purchase up to \$250 million of its shares in the tender offer. The tender offer expires at 5:00 p.m., New York City time, on September 28, 2005, unless extended. The Company intends to partially fund its purchase of shares tendered in the tender offer with \$150 million of borrowings under a bridge facility (the Bridge Facility). The Company expects to repay borrowings under the Bridge Facility after the expiration of the tender offer from \$150 million of privately placed senior notes (the Senior Notes). A summary of the indicative terms of the Senior Notes has been filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

This Current Report on Form 8-K, including its exhibits, is neither an offer to sell nor a solicitation of an offer to buy any of the Senior Notes. The Senior Notes to be offered have not been registered under the Securities Act of 1933, as amended (the Securities Act), or any state securities laws and, unless so registered, the Senior Notes may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

Such statements involve risks and uncertainties including, but not limited to, response to tender offer, market conditions, satisfaction of closing conditions, general economic conditions, risks associated with operating in international markets, the results of litigation, the timing and effects of any improvements in the regions and industry sectors in which the Company's customers operate, ability to manage and continue growth, competition, ability to renegotiate customer contracts and other factors detailed in the Company's 2004 Form 10-K and other filings with the Securities and Exchange Commission. If one or more of these risks or uncertainties materialize (or the consequences of such a development worse), or if underlying assumptions prove incorrect, actual outcomes may vary materially from those forecasted or expected. The Company disclaims any intention or obligation to update publicly or revise such statements, whether as a result of new information, future events or otherwise.
