**Item 1.01. Entry into a Material Definitive Agreement.**

On January 6, 2005, CancerVax Corporation ( CancerVax ) entered into an Agreement and Plan of Merger and Reorganization (the Merger Agreement ) with Micromet AG ( Micromet ), Micromet, Inc. ( Micromet Parent ) and Carlsbad Acquisition Corporation ( Merger Sub ). Upon the terms and subject to the conditions set forth in the Merger Agreement, CancerVax has agreed to issue, and Micromet stockholders will receive, shares of CancerVax common stock such that Micromet stockholders will own approximately 67.5% of the combined company, and CancerVax stockholders will own approximately 32.5% of the combined company, in each case on a pro forma basis and based on the exchange ratio set forth in the Merger Agreement.

The Merger Agreement provides that Merger Sub, which is a wholly-owned subsidiary of CancerVax, will merge with and into Micromet Parent, with Micromet Parent becoming a wholly-owned subsidiary of CancerVax and the surviving corporation of the merger. The Merger Agreement also provides that immediately prior to the merger, the holders of equity interests of Micromet will exchange their interests for shares of common stock of Micromet Parent in a reorganization transaction, which will result in Micromet becoming a wholly-owned subsidiary of Micromet Parent. Accordingly, as a result of the merger, Micromet Parent will survive as a wholly-owned direct subsidiary of CancerVax and, in turn, Micromet will be a wholly-owned indirect subsidiary of CancerVax. Following the merger, CancerVax is expected to change its corporate name to Micromet, Inc. The merger is intended to qualify for federal income tax purposes as a tax-free reorganization under the provisions of Section 368(a) of the U.S. Internal Revenue Code of 1986, as amended.

Consummation of the merger is subject to closing conditions, including, among other things, approval by the stockholders of CancerVax and Micromet and continued listing of CancerVax's common stock on the Nasdaq National Market. Depending on the review process of applicable regulatory agencies, CancerVax's stockholder vote is expected to occur in the second quarter of 2006. As condition to Micromet entering into the Merger Agreement, certain of CancerVax's stockholders who in the aggregate own approximately 30% of CancerVax's common stock have entered into voting agreements whereby they have agreed to vote in favor of the merger subject to the terms of the agreements.

The Merger Agreement contains certain termination rights for both CancerVax and Micromet, and further provides that, upon termination of the Merger Agreement under specified circumstances, either party may be required to pay the other party a termination fee of \$2.0 million.

The Merger Agreement is attached to this report as Exhibit 2.1. The foregoing description is qualified in its entirety by reference to the full text of the Merger Agreement. A copy of the joint press release issued by CancerVax and Micromet announcing the transaction is attached to this report as Exhibit 99.1 and is incorporated by reference herein.
