PROXY STATEMENT

ANNUAL MEETING INFORMATION

This proxy statement contains information related to the annual meeting of stockholders of AptarGroup, Inc. to be held on Wednesday, May 3, 2006, beginning at 9:00 a.m., at the offices of Sidley Austin LLP, One South Dearborn Street, 38th Floor, Chicago, Illinois, and at any postponements or adjournments of the meeting. It will be mailed to stockholders on or about March 24, 2006.

Who is entitled to vote?

Stockholders owning our common stock at the close of business on March 9, 2006 are entitled to vote at the annual meeting, or any postponement or adjournment of the meeting. What am I voting on?

You are asked to vote on the election of four nominees to serve on our Board of Directors. The Board of Directors knows of no other business that will be presented at the meeting. If other matters properly come before the annual meeting, the persons named as proxies will vote on them in accordance with their best judgment.

Table of Contents

Table of Contents

What is a quorum?

A quorum is the presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares of AptarGroup's common stock on March 9, 2006. There must be a quorum for the meeting to be held. With respect to proposals other than the election of directors, if any, proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

How are shares in a 401(k) plan voted?

If you hold shares of AptarGroup through your 401(k) plan, you will be instructing the trustee how to vote your shares by voting by internet or by telephone, or by completing and returning your proxy card. If you do not vote by internet or telephone or if you do not return your proxy card, or if you return it with unclear voting instructions, the trustee will vote the shares in your 401(k) account in the same proportion as the 401(k) shares for which voting instructions are received.

How are shares held in a broker account voted?

If you own shares through a broker, you should be contacted by your broker regarding a proxy card and whether telephone or internet voting options are available. If you do not instruct your broker on how to vote your shares, your broker, as the registered holder of your shares, may represent your shares at the annual meeting for purposes of determining a quorum. Any unvoted shares, called broker non-votes, will not affect the outcome of the matter put to a vote.

How many votes are required to elect each director nominee?

The four persons receiving the greatest number of votes will be elected to serve as directors. As a result, withholding authority to vote for a director nominee and non-votes with respect to the election of directors will not affect the outcome of the election.

Who will count the votes?

Our agent, ADP Investor Communication Services, will count the votes cast by proxy or in person at the annual meeting.

Following is the proposal to be voted on at this year's annual meeting.

Corporate Governance

AptarGroup's corporate governance documents, including our *Corporate Governance Principles*, *Code of Business Conduct and Ethics*, and Board Committee Charters, are available through the Corporate Governance link on the Investor Relations page of the AptarGroup web site at the following address: <http://www.aptargroup.com>. Stockholders may obtain copies of these documents, free of charge, by sending a written request to our principal executive office at: 475 West Terra Cotta Avenue, Suite E, Crystal Lake, Illinois 60014.

Corporate Governance Principles

The Board of Directors has adopted a set of *Corporate Governance Principles* to provide guidelines for AptarGroup and the Board of Directors to ensure effective corporate governance. The *Corporate Governance Principles* cover topics including, but not limited to, director qualification standards, Board and committee composition, director responsibilities, director compensation, director access to

Table of Contents

management and independent advisors, director orientation and continuing education, succession planning and the annual evaluations of the Board and its committees. The Corporate Governance Committee is responsible for overseeing and reviewing the *Corporate Governance Principles* and recommending to the Board any changes to the principles.

Code of Business Conduct and Ethics

Ethical business conduct is a shared value of our Board of Directors, management and employees. AptarGroup's *Code of Business Conduct and Ethics* applies to our Board of Directors as well as our employees and officers, including our principal executive officer and our principal financial and accounting officer.

The *Code of Business Conduct and Ethics* covers all areas of professional conduct, including, but not limited to, conflicts of interest, disclosure obligations, insider trading, confidential information, as well as compliance with all laws, rules and regulations applicable to AptarGroup's business. AptarGroup encourages all employees, officers and directors to promptly report any violations of the Code to the appropriate persons identified in the Code. In the event that an amendment to, or a waiver from, a provision of the *Code of Business Conduct and Ethics* that applies to any of our directors or executive officers is necessary, AptarGroup intends to post such information on its web site.

Independence of Directors

Our *Corporate Governance Guidelines* provide that the Board must be composed of a majority of independent directors. No director qualifies as independent unless the Board affirmatively determines that the director has no material relationship with AptarGroup either directly or as a partner, stockholder or officer of an organization that has a relationship with AptarGroup. Our Board of Directors has determined that all non-management directors (seven out of ten directors) are independent in accordance with the New York Stock Exchange listing standards. The Board has made this determination based on the following categorical standards, in addition to any other relevant facts and circumstances. These standards provide that a director generally will not be independent if:

The director is or has been an employee of the Company within the last three years or has an immediate family member who is or has been an executive officer of the Company within the last three years.

The director has received or an immediate family member has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).

The director is, or has an immediate family member who is, a current partner of a firm that is the Company's internal or external auditor (Firm).

The director is a current employee of such a Firm.

Table of Contents

The director has an immediate family member who is a current employee of such a Firm and who participates in the Firm's audit, assurance or tax compliance work (but not tax planning) practice.

The director was, or has an immediate family member who was, within the last three years (but is no longer) a partner or employee of such a Firm and personally worked on the Company's audit within that time.

The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that company's compensation committee.

The director is a current employee or an immediate family member is a current executive officer of another company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

Audit Committee

The Board of Directors has determined that each member of the Audit Committee is financially literate and independent in accordance with the requirements of the New York Stock Exchange. The Board of Directors has also determined that Rodney L. Goldstein and Dr. Leo A. Guthart qualify as "audit committee financial experts" as that term is defined in rules of the Securities and Exchange Commission implementing requirements of the Sarbanes-Oxley Act of 2002. In reaching this determination, the Board of Directors considered, among other things, the relevant experience of Mr. Goldstein and Dr. Guthart as described under "Election of Directors." The Audit Committee operates under a written charter that complies with all current regulatory requirements.

Executive Sessions

Non-management directors meet regularly in executive sessions without management. Non-management directors are all those who are not company officers. Executive sessions are led by a Presiding Director. An executive session is held in conjunction with each regularly scheduled Board meeting and other sessions may be called by the Presiding Director in his or her own discretion or at the request of the Board. Mr. Harris has been designated as the Presiding Director.

Table of Contents

Nomination of Directors

It is the policy of the Corporate Governance Committee to consider candidates for director recommended by stockholders. The Board has established a maximum age limit for director nominees. Nominees must be 74 years old or younger at the time of election. In order to recommend a candidate, stockholders must submit the individual's name, date of birth, and qualifications in writing to the Committee (in care of the Secretary at AptarGroup's principal executive office at 475 West Terra Cotta Avenue, Suite E, Crystal Lake, Illinois 60014) and otherwise in accordance with all of the procedures outlined under "Other Matters - Stockholder Proposals" for a director nomination.

In identifying and evaluating nominees for Director, the Committee takes into account the applicable requirements for directors under the Securities Exchange Act of 1934, as amended, and the listing standards of the New York Stock Exchange. In addition, the Committee may take into consideration such factors and criteria as it deems appropriate, including the nominee's character, judgment, business experience and acumen. In addition to nominees recommended by stockholders, the Committee also considers candidates recommended by management or other members of the Board. The Committee evaluates candidates recommended for Director by stockholders in the same way that it evaluates any other nominee.

Communications with the Board of Directors

The Board has established a process for stockholders and other interested parties to communicate with the Board or an individual director, including the Presiding Director or the non-management directors as a group. A stockholder may contact the Board of Directors or an individual director by writing to their attention at AptarGroup's principal executive offices at 475 West Terra Cotta Avenue, Suite E, Crystal Lake, Illinois 60014. Communications received in writing are distributed to the Board or to individual directors as appropriate in accordance with procedures approved by AptarGroup's independent directors.

Compensation

Compensation Policy

The compensation policy is designed to support AptarGroup's overall objective of increasing stockholder value by:

- 4Attracting, motivating and retaining key executives who are critical to the long-term success of AptarGroup.
- 4Awarding short-term incentives based upon respective unit performance and overall AptarGroup performance.
- 4Aligning executive and stockholder interests through a stock-based long-term incentive program which will reward executives for increased stockholder value.

Table of Contents

Section 162(m) of the U.S. Internal Revenue Code generally disallows a tax deduction for compensation in excess of \$1 million paid to AptarGroup's Chief Executive Officer and the four other most highly compensated executive officers. Certain compensation is specifically exempt from the deduction limit to the extent that it does not exceed \$1 million during any fiscal year, or is performance based, as defined in Section 162(m). The Compensation Committee's general policy is to qualify U.S. incentive compensation of executives for deductibility under Section 162(m).

The total compensation program consists of three components:

Base Salary

Management performance and accomplishment of goals and objectives are important factors in determining base salary increases. In addition, the salary ranges of executive officers are established in relation to competitive market data provided by outside executive compensation consultants and review of proxy statements of similar publicly-held companies in the packaging industry. Comparisons are made to positions with similar job responsibilities in companies with comparable revenue to that of AptarGroup. Four of the companies used in establishing salary ranges are included in the Value Line Packaging & Container Industry Group used in the performance graph below. Generally, salaries are established between the 50th and 75th percentiles of market rates. Salaries are reviewed annually and compared to market rates every two years.

Short-term Incentives

Executives are eligible for annual bonuses based upon:

- 4Profit growth
- 4Return on capital
- 4Achievement of other goals and objectives
- 4General management performance

Profit growth and return on capital are weighted most important in determining annual bonuses. The bonuses of Messrs. Siebel, Pfeiffer and Hagge are discretionary as determined by the Committee after reviewing AptarGroup's overall performance, strategic actions implemented and individual leadership achievements. Based upon an evaluation of these criteria, including, in particular, the strong financial performance of AptarGroup during 2005 in which AptarGroup reported record net sales and earnings per share and achieved its 40th consecutive year of sales growth, the total 2005 bonuses for Messrs. Siebel and Pfeiffer were increased approximately 13% and 8%, respectively. Mr. Hagge's total 2005 bonus decreased approximately 6% when compared to the prior year. For 2005, the bonuses of Messrs. Meshberg and Ruskoski were determined by a formula that takes into consideration, among other criteria, profit growth and return on capital of their respective operating group and AptarGroup's earnings per share growth.

Table of Contents

Long-term Incentives

Executives are eligible for awards of stock options and restricted stock under AptarGroup's Stock Awards Plans. The awards to executives are made to provide an incentive for future performance to increase stockholder value and the awards generally vest ratably over a three year period. The members of the Compensation Committee administer this Plan. In 2005, the total amount of options granted was approximately 1.7% of the total stock outstanding. As reflected in the table of option grants, stock options were granted on January 19, 2005 to all of the named executive officers. Awards were determined in relation to the individual's position and responsibility. The exercise price of the options equaled the market price of AptarGroup's common stock on the date of the grants.

To further encourage executive officer share ownership, executive officers may defer up to 50% of their annual cash bonus and receive, in lieu of cash, a grant of restricted stock units equal to the deferred amount plus an additional 20%. The value of each restricted stock unit is determined by the closing share price on the New York Stock Exchange on the day of grant. All of the restricted stock units vest ratably over three years from the date of grant and dividends are paid on vested units only.

Chief Executive Officer Compensation

Mr. Siebel's 2005 salary was increased by approximately 6% to \$740,000 in January 2005, as compensation for his performance. The Committee typically sets the CEO's compensation slightly above the 50th percentile of the salary range for comparable companies. His 2005 bonus of \$650,000 was established based upon AptarGroup's overall performance, strategic actions implemented and leadership achievements. During 2005, Mr. Siebel was awarded an option to purchase 90,000 shares of common stock.

Employment Agreements

Mr. Siebel's employment agreement provides for employment through December 31, 2006 at a minimum salary of \$780,000 per year (which is the 2006 salary approved by the Compensation Committee), which amount may be increased (but not decreased) over the remaining term of the agreement and provides for a payment of three months salary to his survivors in the event of his death while employed. The agreement provides for an automatic extension for a period of one year, unless it is terminated by AptarGroup or Mr. Siebel by written notice seven months before the end of the then current contract period. A separate pension agreement provides Mr. Siebel with annual pension compensation, subject to cost of living adjustments, of 60% of his Euro denominated 2000 salary for life, and in the event of his death, provides his surviving widow with annual payments of 60% of his then pension for life. Mr. Siebel began receiving payments from this pension in February 2000, and pension payments for the year 2005, which are denominated in Euros, were equivalent to approximately \$473,000. Benefits are not subject to reduction for Social Security benefits or other offset items.

Mr. Pfeiffer's employment agreement provides for employment through April 21, 2008 at a minimum salary of \$525,000 per year (which is the 2006 salary approved by the Compensation Committee), which amount may be increased (but not decreased) over the remaining term of the agreement and provides for a payment of three months salary to his survivors in the event of his death while employed. The agreement provides for an automatic extension for a period of five years, unless it is terminated by AptarGroup or Mr. Pfeiffer by written notice one year before the end of the then

Table of Contents

current contract period; however, the agreement automatically terminates on June 28, 2013. A separate pension agreement provides Mr. Pfeiffer with an annual pension compensation, subject to cost of living adjustments, of up to 60% of his final year's salary for life, and in the event of his death, provides his surviving widow with annual payments of 60% of his then pension for life and may provide any surviving child with annual payments of up to 30% of his then pension to as late as age 27. Pension benefits would normally commence at age 60, but reduced benefits are available after age 55 subject to a minimum annual payment of approximately \$170,000. Estimated annual pension benefits upon retirement at age 60 (assuming the 2005 salary remains constant) are equivalent to \$315,000. Benefits are not subject to reduction for Social Security or other offset items.

Mr. Hagge's employment agreement expires December 1, 2008. The agreement automatically extends for one additional year each December 1. AptarGroup or Mr. Hagge may terminate the automatic extension provision by written notice to the other party at least 30 days prior to the automatic extension date. The agreement provides that Mr. Hagge will receive a minimum salary of \$400,000 (which is the 2006 salary approved by the Compensation Committee) per year, which amount may be increased (but not decreased) over the remaining term of the agreement. In addition to participation in executive benefit programs on the same basis as other executives, Mr. Hagge is entitled to additional term life and supplementary long-term disability insurance coverage. If employment ends on account of death, Mr. Hagge's estate will receive one-half of the annual salary that Mr. Hagge would have received until the second anniversary of his death. If employment ends due to the expiration of the agreement, Mr. Hagge is entitled to receive an amount equal to one year's salary (based on the salary then in effect) and medical and life insurance benefits he would have otherwise received for a period of one year following the expiration date. If Mr. Hagge terminates the agreement without good reason (as defined in the agreement) or he retires, he is not entitled to payments or benefits under the employment agreement (other than certain accrued amounts and plan benefits which by their terms extend beyond termination of employment). If Mr. Hagge is terminated without cause (as defined in the agreement), he is entitled to receive his base salary then in effect (at the times it would have been paid) until the date on which the agreement was scheduled to expire.

After a change in control of AptarGroup, if Mr. Hagge's employment is terminated without cause or if he terminates his employment for good reason, in each case within two years following the change in control, Mr. Hagge is entitled to receive (i) a lump-sum payment equal to two times his annual salary and bonus amounts, based on the highest annualized amounts received in the 12 month period preceding the termination, (ii) a prorated annual bonus and (iii) all medical, disability and life insurance coverage then in effect for a period of two years following termination. In the event that such payments and benefits subject Mr. Hagge to any excise tax, Mr. Hagge would generally be entitled to receive a gross-up payment to reimburse him for such excise tax. The agreement contains certain noncompetition and nonsolicitation covenants prohibiting Mr. Hagge from, among other things, becoming employed by a competitor of AptarGroup for a period of one or two years following termination (depending on the nature of the termination).

Mr. Ruskoski's employment agreement contains terms that are substantially identical to Mr. Hagge's agreement, except that Mr. Ruskoski's agreement provides that he will receive a minimum salary of \$340,000 (which is the 2006 salary approved by the Compensation Committee) per year, which amount may be increased (but not decreased) over the remaining term of the agreement.

Table of Contents

Mr. Meshberg's employment agreement provides for employment through February 17, 2007 at a minimum annual salary of \$365,000 (which is the 2006 salary approved by the Compensation Committee), which amount may be increased (but not decreased) over the remaining term of the agreement. The agreement provides for an automatic extension for a period of one year, unless it is terminated by AptarGroup or Mr. Meshberg by written notice six months before the end of the then current contract period. Mr. Meshberg's employment agreement provides that if he is terminated without cause or if he terminates for good reason (which includes, among other things, a change in control of AptarGroup), Mr. Meshberg will continue to receive his salary until the later to occur of February 17, 2008 or 24 months following the date of termination of employment. Mr. Meshberg is also entitled to receive any accrued salary and bonus through the date of termination, as well as certain other benefits.

Pension Plans

Substantially all of the U.S. employees of AptarGroup and its subsidiaries are eligible to participate in the AptarGroup Pension Plan. Employees are eligible to participate after six months of credited service and become fully vested after five years of credited service. The annual benefit payable to an employee under the Pension Plan upon retirement computed as a straight life annuity equals the sum of the separate amounts the employee accrues for each of his years of credited service under the Plan. Such separate amounts are determined as follows: for each year of credited service through 1988, 1.2% of such year's compensation up to the Social Security wage base for such year and 1.8% (2% for years after 1986) of such year's compensation above such wage base, plus certain increases put into effect prior to 1987; for each year after 1988 through the year in which the employee reaches 35 years of service, 1.2% of such year's Covered Compensation and 1.85% of such year's compensation above such Covered Compensation and for each year thereafter, 1.2% of such year's compensation. The employee's compensation under the Pension Plan for any year includes all salary, commissions and overtime pay and, beginning in 1989, bonuses, subject to such year's limit applicable to tax-qualified retirement plans. The employee's Covered Compensation under the Pension Plan for any year is generally the average of the Social Security wage base for each of the 35 years preceding the employee's Social Security retirement age, assuming that such year's Social Security wage base will not change in the future. Normal retirement under the Pension Plan is age 65 and reduced benefits are available as early as age 55. Benefits are not subject to reduction for Social Security benefits or other offset items.

U.S. employees of AptarGroup and its subsidiaries participating in the Pension Plan are also eligible for AptarGroup's non-qualified supplemental retirement plan (SERP). The benefits payable under the SERP will generally be in the form of a single sum and will be computed as a single life annuity equal to the sum of the separate amounts the participant accrues for each year of credited service. Such separate amounts are determined as follows: for each year of credited service through the year in which the participant reaches 35 years of service, 1.85% of the participant's Supplemental Earnings; and for each year after 35 years of credited service, 1.2% of such year's Supplemental Earnings. Supplemental Earnings is generally the difference between (i) the participant's earnings calculated as if the limitation of Section 401(a)(17) of the Internal Revenue Code were not in effect and (ii) the participant's recognized earnings under the Pension Plan. Participants who terminate service prior to being eligible for retirement (i.e., age 65 or age 55 with 10 years of credited service) will forfeit all

Table of Contents

accrued benefits under the SERP. The SERP provides for the vesting of all accrued benefits in the event of a change of control.

Estimated annual benefits payable under the Pension Plan and the SERP upon retirement at normal retirement age for Messrs. Hagge, Ruskoski and Meshberg are approximately \$269,000, \$142,000 and \$88,000, respectively.

Messrs. Siebel and Pfeiffer are not eligible to receive benefits under the Pension Plan but, as described above under Employment Agreements, Messrs. Siebel and Pfeiffer are entitled to certain pension benefits pursuant to their respective employment agreements.

Based solely upon a review of reports and written representations furnished to it, AptarGroup believes that during 2005 all filings with the Securities and Exchange Commission by its executive officers and directors complied with requirements for reporting ownership and changes in ownership of AptarGroup's common stock pursuant to Section 16(a) of the Securities Exchange Act of 1934, except that Mr. Francois Boutan filed one report which included one transaction that had not been reported on a timely basis.

Audit Committee Report

Management is responsible for AptarGroup's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of AptarGroup's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee's responsibility is to assist the Board in fulfilling its responsibility for overseeing the quality and integrity of the accounting, auditing and financial reporting practices of AptarGroup.

During the course of the fiscal year ended December 31, 2005, management completed the documentation, testing and evaluation of the Company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. Management and the independent registered public accounting firm kept the Committee apprised of the progress of the documentation, testing and evaluation through periodic updates, and the Committee provided advice to management during this process.

The Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. Management has represented to the Committee that the consolidated financial statements were prepared in accordance with generally accepted

accounting principles. Also, the Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

In addition, the Committee discussed with the independent registered public accounting firm's independence from AptarGroup and its management, and the independent registered public accounting firm provided the Committee the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). In considering the independence of AptarGroup's independent registered public accounting firm, the Committee took into consideration the amount and nature of the fees paid to this firm for non-audit services as described under "Other Matters - Independent Auditor Fees" in this Proxy Statement.

Based on the review and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in AptarGroup's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

PricewaterhouseCoopers LLP served as independent registered public accounting firm for the year ended December 31, 2005. The Audit Committee's decision regarding the selection of the independent registered public accounting firm to audit AptarGroup's consolidated financial statements for the year ending December 31, 2006 has not yet been made. It is expected that a representative of PricewaterhouseCoopers LLP will attend the annual meeting, with the opportunity to make a statement if he or she should so desire, and will be available to respond to appropriate questions.

The following table sets forth the aggregate fees charged to AptarGroup by PricewaterhouseCoopers LLP for audit services rendered in connection with the audited consolidated financial statements and reports for the 2005 and 2004 fiscal years and for other services rendered during the 2005 and 2004 fiscal years to AptarGroup and its subsidiaries, as well as all out-of-pocket costs incurred in connection with these services:
