PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS
To Be Held May 9, 2006

Solicitation and Revocability of Proxies

The accompanying proxy is solicited by the Board of Directors on behalf of Capital Senior Living Corporation, a Delaware corporation (the Company), to be voted at the 2006 Annual Meeting of Stockholders of the Company (the Annual Meeting) to be held on May 9, 2006, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders (the Notice) and at any adjournment(s) or postponement(s) thereof. **When proxies in the accompanying form are properly executed and received, the shares represented thereby will be voted at the Annual Meeting in accordance with the directions noted thereon; if no direction is indicated, such shares will be voted FOR the election of directors and the ratification of the appointment of the independent auditors as set forth on the accompanying Notice.**

The executive offices of the Company are located at, and the mailing address of the Company is, 14160 Dallas Parkway, Suite 300, Dallas, Texas 75254.

Management does not intend to present any business at the Annual Meeting for a vote other than the matters set forth in the Notice and has no information that others will do so. If other matters requiring a vote of the stockholders properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares represented by the proxies held by them in accordance with their judgment on such matters.

This proxy statement (the Proxy Statement) and accompanying form of proxy are being mailed on or about April 7, 2006. The Company's Annual Report to Stockholders covering the Company's fiscal year ended December 31, 2005, mailed to the Company's stockholders on or about April 7, 2006, does not form any part of the materials for solicitation of proxies.

Any stockholder of the Company giving a proxy has the unconditional right to revoke his or her proxy at any time prior to the voting thereof either in person at the Annual Meeting by delivering a duly executed proxy bearing a later date or by giving written notice of revocation to the Company addressed to David R. Brickman, General Counsel, 14160 Dallas Parkway, Suite 300, Dallas, Texas 75254; no such revocation shall be effective, however, unless such notice of revocation has been received by the Company at or prior to the Annual Meeting.

In addition to the solicitation of proxies by use of the mail, officers and regular employees of the Company may solicit the return of proxies, either by mail, telephone, telecopy, or through personal contact. Such officers and employees will not be additionally compensated but will be reimbursed for out-of-pocket expenses. The Company has retained Georgeson Shareholder Communications Inc. (Georgeson) to assist in soliciting proxies for the Annual Meeting for a fee of \$25,000. This amount includes fees payable to Georgeson, but excludes salaries and expenses of our officers, directors and employees. Brokerage houses and other custodians, nominees, and fiduciaries will, in connection with shares of common stock, par value \$0.01 per share (the Common Stock), registered in their names, be requested to forward solicitation material to the beneficial owners of such shares of Common Stock.

The cost of preparing, printing, assembling, and mailing the Annual Report, the Notice, this Proxy Statement, and the enclosed form of proxy, as well as the reasonable cost of forwarding solicitation materials to the beneficial owners of shares of the Company's Common Stock, and other costs of solicitation, are to be borne by the Company.

Table of Contents

Some banks, brokers and other record holders have begun the practice of "householding" proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of the proxy statement and annual report to any household at which two or more stockholders share an address. This procedure would reduce the volume of duplicate information stockholders receive and would also reduce the Company's printing and mailing costs. The Company will deliver promptly, upon written or oral request, a separate copy of this Proxy Statement and the Company's annual report to a share-owner at a shared address to which a single copy of the documents was delivered. A stockholder who wishes to receive a separate copy of the proxy statement and annual report, now or in the future, should submit this request to General Counsel, David R. Brickman, at the Company's principal business office, 14160 Dallas Parkway, Suite 300, Dallas, Texas 75254 or calling (972) 770-5600. Beneficial owners sharing an address who are receiving multiple copies of proxy materials and annual reports and who wish to receive a single copy of such materials in the future will need to contact their broker, bank or other nominee to request that only a single copy of each document be mailed to all shareowners at the shared address in the future.

Date for Receipt of Stockholder Proposals

Stockholder proposals to be included in the proxy statement for the next Annual Meeting must be received by the Company at its principal executive offices on or before December 9, 2006 for inclusion in the Company's Proxy Statement relating to that meeting.

The Company's Amended and Restated Articles of Incorporation establish an advance notice procedure with regard to certain matters, including stockholder proposals and nominations of individuals for election to the Board of Directors to be made at an annual meeting of stockholders. In general, notice of a stockholder proposal or a director nomination to be brought at an annual meeting must be received by the Company not less than sixty (60) but not more than ninety (90) days before the date of the meeting and must contain specified information and conform to certain requirements set forth in the Company's Amended and Restated Articles of Incorporation. The chairman of the meeting may disregard the introduction of your proposal or nomination if it is not made in compliance with the foregoing procedures or the applicable provisions of the Company's Amended and Restated Articles of Incorporation.

Quorum and Voting

The record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting was the close of business on March 10, 2006 (the "Record Date"). On the Record Date, there were 26,297,183 shares of Common Stock issued and outstanding.

Each holder of Common Stock is entitled to one vote per share on all matters to be acted upon at the Annual Meeting, and neither the Company's Amended and Restated Certificate of Incorporation nor its Amended and Restated Bylaws allow for cumulative voting rights. The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum to transact business. If a quorum is not present or represented at the Annual Meeting, the stockholders entitled to vote at the Annual Meeting, present in person or by proxy, may adjourn the Annual Meeting from time to time without notice or other announcement until a quorum is present or represented. Assuming the presence of a quorum, the affirmative vote of the holders of a majority of the shares of Common Stock voting at the Annual Meeting is required for the election of directors and the ratification of the appointment of the independent auditors.

If you hold shares in your name, and you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by the Board of Directors on all matters and as the proxy holders may determine in their discretion with respect to any other matters that properly come before the meeting. If you hold your shares through a broker, bank or other nominee and you do not provide instructions on how to vote, your broker or other nominee may have authority to vote your shares on certain matters. NYSE regulations prohibit brokers or other nominees that are NYSE member organizations from voting in favor of proposals relating to equity compensation plans and certain other matters unless they receive specific instructions from the beneficial owner of the shares to vote in that manner. NASD member brokers

Table of Contents

are also prohibited from voting on these types of proposals without specific instructions from beneficial holders. Abstentions and broker non-votes are each included in the determination of the number of shares present for determining a quorum. Each proposal is tabulated separately. Abstentions are counted in tabulations of votes cast on proposals presented to stockholders, whereas broker non-votes are not counted as voting for purposes of determining whether a proposal has received the necessary number of votes for approval of the proposal. With regard to the election of directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld will be excluded entirely from the vote and will have no effect.

Requests for Written Copies of 2005 Annual Report

The Company will provide, without charge, a copy of its Annual Report on Form 10-K for the year ended December 31, 2005, filed with the Securities and Exchange Commission, upon the written request of any registered or beneficial owner of common stock entitled to vote at the Annual Meeting. Requests should be made by mailing General Counsel, David R. Brickman, at the Company's principal business office, 14160 Dallas Parkway, Suite 300, Dallas, Texas 75254 or calling (972) 770-5600. The Securities and Exchange Commission also maintains a website at www.sec.gov that contains reports, proxy statements and other information regarding registrants including the Company.

BOARD OF DIRECTORS AND COMMITTEES

General

The Company's Board of Directors currently consists of seven directors. The Board of Directors has determined that Craig F. Hartberg, James A. Moore, Dr. Victor W. Nee and Jill M. Krueger are independent within the meaning of the corporate governance rules of the NYSE. The Company has adopted a Director Independence Policy, described below under the heading Director Independence Policy. The Board of Directors determined that Ms. Krueger, Messrs. Hartberg and Moore and Dr. Nee are independent in accordance with this Policy.

The Board of Directors held ten meetings during 2005. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board on which such director served. Under the Company's Corporate Governance Guidelines, each director is expected to attend meetings of the Board of Directors, the annual shareholders meeting and meetings of the committees of the Board on which they serve. All directors then serving on the Board attended the Company's 2005 Annual Meeting of Stockholders. At the start of each regularly scheduled executive session of the non-management directors, a presiding director is selected by a majority vote of the non-management directors.

Director Independence Policy

The Board of Directors undertakes an annual review of the independence of all non-management directors. In advance of the meeting at which this review occurs, each non-management director is asked to provide the Board of Directors with full information regarding the director's business and other relationships with the Company to enable the Board of Directors to evaluate the director's independence. Directors have an affirmative obligation to inform the Board of Directors of any material changes in their circumstances or relationships that may impact their designation by the Board of Directors as independent. This obligation includes all business relationships between, on the one hand, directors or members of their immediate family, and, on the other hand, the Company, whether or not such business relationships are described above.

No director qualifies as independent unless the Board of Directors affirmatively determines that the director has no material relationship with the Company. The following guidelines are considered in making this determination:

a director who is, or has been within the last three years, an employee of the Company, or whose immediate family member is, or has been within the last three years, an executive officer, of the Company is not independent ;

a director who received, or whose immediate family member received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent ;

a director (a) who is or whose immediate family member is a current partner of a firm that is the Company's internal or external auditor, (b) who is a current employee of such a firm, (c) whose immediate family member is a current employee of such a firm and participates in the firm's audit, assurance or tax compliance (but not tax planning) practice, or (d) who is or whose immediate family

Table of Contents

member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time, is not independent ;

a director who is, or whose immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that other company's compensation committee is not independent ;

a director who is a current employee, or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues, is not independent ;

a director who serves as an executive officer, or whose immediate family member serves as an executive officer, of a tax exempt organization that, within the preceding three years received contributions from the Company, in any single fiscal year, of an amount equal to the greater of \$1 million or 2% of such organization's consolidated gross revenue, is not independent ; and

a director who has a beneficial ownership interest of 10% or more in a company which has received remuneration from the Company in any single fiscal year in an amount equal to the greater of \$1 million or 2% of such Company's consolidated gross revenue is not independent until three years after falling below such threshold. In addition, members of the Audit Committee may not accept any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries or affiliates other than directors' compensation.

The term Company means Capital Senior Living Corporation and any direct or indirect subsidiary of Capital Senior Living Corporation which is part of the consolidated group. An immediate family member includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law and anyone (other than domestic employees) who shares such person's home.

Committees

Committees of the Board of Directors include the Audit Committee, the Nominating Committee and the Compensation Committee.

Audit Committee

The Audit Committee consists of Messrs. Hartberg and Moore and Ms. Krueger, each of whom is independent, as defined by the listing standards of the NYSE in effect as of the date of this Proxy Statement. The Board of Directors has determined that Ms. Krueger qualifies as an audit committee financial expert within the meaning of Securities and Exchange Commission regulations. The Board of Directors adopted in 2004 an amended and restated Audit Committee Charter which is available on the Company's website at <http://www.capitalsenior.com> in the Investor Relations section, is included as Appendix A to this Proxy Statement and is available in print to any shareholder who requests it. Pursuant to this Charter, the Audit Committee serves as an independent party to oversee the Company's financial reporting process and internal control system, to appoint, replace, provide for compensation of and to oversee the Company's independent accountants and provide an open avenue of communication among the independent accountants and the Company's senior management and the Board of Directors. The Audit Committee held seven meetings during 2005.

Nominating Committee

The Nominating Committee consists of Messrs. Hartberg and Moore and Dr. Nee, each of whom is independent, as defined by the listing standards of the NYSE in effect as of the date of this Proxy Statement. The Nominating Committee identifies individuals qualified to become Board members and recommends Board nominees to the Board of Directors. The Nominating Committee also oversees the evaluation of the

Table of Contents

Board of Directors and management and develops and recommends for Board of Directors approval the Company's Code of Business Conduct and Ethics and Corporate Governance Guidelines. The amended and restated Nominating Committee Charter and the Company's Code of Business Conduct and Ethics and Corporate Governance Guidelines are available on the Company's website at <http://www.capitalsenior.com> in the Investor Relations section and are available in print to any shareholder who requests it. The Nominating Committee held one meeting during 2005.

Compensation Committee

The Compensation Committee consists of Messrs. Hartberg and Moore and Dr. Nee. The Compensation Committee held six meetings during 2005 and is responsible for approval of the compensation and objectives and goals of the Chief Executive Officer of the Company and for making recommendations to the Board of Directors concerning the Company's executive compensation policies for other senior officers and administering the 1997 Omnibus Stock and Incentive Plan. The Compensation Committee Charter is available on the Company's website at <http://www.capitalsenior.com> in the Investor Relations section and is available in print to any shareholder who requests it.

Director Nominations

The Nominating Committee of the Board of Directors is responsible under its charter for identifying and recommending qualified candidates for election to the Board of Directors. In addition, shareholders who wish to recommend a candidate for election to the Board of Directors may submit the recommendation to the chairman of the Nominating Committee, in care of the General Counsel of the Company. Any recommendation must include name, contact information, background, experience and other pertinent information on the proposed candidate and must be received in writing by December 9, 2006 for consideration by the Nominating Committee for the 2007 Annual Meeting of Stockholders.

Although the Nominating Committee is willing to consider candidates recommended by shareholders, it has not adopted a formal policy with regard to the consideration of any director candidates recommended by shareholders. The Nominating Committee believes that a formal policy is not necessary or appropriate because of the small size of the Board of Directors and because the Company's current Board of Directors already has a diversity of business background, shareholder representation and industry experience.

The Nominating Committee does not have specific minimum qualifications that must be met by a candidate for election to the Board of Directors in order to be considered for nomination by the Committee. In identifying and evaluating nominees for director, the Committee considers each candidate's qualities, experience, background and skills, as well as any other factors which the candidate may be able to bring to the Board that the Board currently does not possess. The process is the same whether the candidate is recommended by a shareholder, another director, management or otherwise. The Company does not pay a fee to any third party for the identification of candidates, but the Company has paid a fee in the past to a third party for a background check for a candidate.

With respect to this year's nominees for director, each of Mr. Stroud, Mr. Johannessen and Ms. Krueger is a current director standing for re-election.

Messrs. Cohen, Stroud, Johannessen and Beattie's employment agreements provide that if the employee is terminated by the Company, other than for cause or for reasons of death or disability or if he voluntarily resigns for good reason, then the Company will pay his base salary plus his annual bonus paid during the term of the employment agreement in the past 12 months for the balance of the term of the agreement, but not less than two years (base salary plus annual bonus paid during the term of his employment agreement in the past 12 months for three years if the termination is due to a Fundamental Change, as defined therein). Mr. Brickman's employment agreement provides that if the employee is terminated by the Company, other than for cause or for reasons of death or disability or the employee voluntarily resigns for good reason, then the Company will pay the employee his base salary for the balance of the term of the employment agreement, but in any event not to exceed two years, and not less than two years from the date of notice of the termination.

Under Mr. Stroud's employment agreement he has similar registration rights as Mr. Cohen. These registration rights are subject to certain conditions, including the right of any underwriters of these offerings to limit the number of shares included in any of these registrations. The Company has agreed to pay all expenses related to these registrations, except for underwriting discounts and selling commissions. In addition to the rights described above, under Mr. Stroud's employment agreement, upon a registration event, as defined in the employment agreement, he has certain rights to require the Company to register the securities of the Company that he holds for resale.

Compensation Committee Report on Executive Compensation

The Board of Directors has established a Compensation Committee to review and approve the compensation levels of executive officers of the Company, evaluate the performance of the executive officers and to review any related matters for the Company. The Compensation Committee is charged with reviewing with the Board of Directors in detail all aspects of the cash compensation for the executive officers of the Company. Equity compensation and other forms of compensation for the executive officers is also considered by the Compensation Committee. In 2005, the Compensation Committee consisted of Messrs. Hartberg and Moore and Dr. Nee.

Table of Contents

The philosophy of the Company's compensation program is to employ, retain and reward executives capable of leading the Company in achieving its business objectives. These objectives include preserving a strong financial posture, increasing the assets of the Company, positioning the Company's assets and business operations in geographic markets and industry segments offering long-term growth opportunities, enhancing stockholder value and ensuring the competitiveness of the Company. The accomplishment of these objectives is measured against conditions prevalent in the industry within which the Company operates. In recent years, these conditions reflect a highly competitive market environment and rapidly changing regional, geographic and industry market conditions. However, the Compensation Committee is also mindful of the fact that several of the Company's executive officers have entered into employment agreements in connection with their agreements to join the Company; accordingly, with respect to those executive officers, the Compensation Committee recognizes that, to a large degree, compensation for such persons is set by contract.

In general, the Compensation Committee has determined that the available forms of executive compensation should include base salary, cash bonus awards, stock options and restricted stock. Performance of the Company will be a key consideration (to the extent that such performance can fairly be attributed or related to such executive's performance), as well as the nature of each executive's responsibilities and capabilities. The Company's compensation philosophy recognizes, however, that stock price performance is only one measure of performance and, given industry business conditions and the long-term strategic direction and goals of the Company, it may not necessarily be the best current measure of executive performance. Therefore, the Company's compensation philosophy also will give consideration to the Company's achievement of specified business objectives in the areas of earnings per share, corporate goals, individual goals and stock price goals when determining executive officer compensation. The Compensation Committee will endeavor to compensate the Company's executive officers based upon a Company-wide salary structure consistent for each position relative to its authority and responsibility compared to industry peers.

An additional objective of the Compensation Committee in determining compensation is to reward executive officers with equity compensation in addition to salary in keeping with the Company's overall compensation philosophy, which attempts to place equity in the hands of its employees in an effort to further instill stockholder considerations and values in the actions of all employees and executive officers. In making its determinations, some consideration will be given by the Compensation Committee to the number of options already held by such persons and the existing amount of Common Stock already owed by such persons. The Compensation Committee believes that the award of stock options and restricted stock represents an effective incentive to create value for the stockholders. During 2005, additional grants were authorized for new and existing key employees.

On the recommendation of the Compensation Committee, the 2005 base salary for Lawrence A. Cohen, the Company's Chief Executive Officer, was established at \$381,423 by the Company's Board of Directors effective for fiscal 2005. Mr. Cohen's base salary was generally based on the same factors and criteria outlined above, being compensation paid to chief executives of comparable companies, individual as well as corporate performance and a general correlation with compensation of other executive officers of the Company. The \$228,366 bonus paid to Mr. Cohen in 2005 was determined under the incentive compensation criteria described above. In considering whether a cash bonus would be awarded to Mr. Cohen, the Compensation Committee recognized Mr. Cohen's efforts to execute on the Company's 2005 Business Plan. The Compensation Committee also considered the goals and criteria which had been established for Mr. Cohen for fiscal 2005, the Company's results and the other factors described in its analysis above.

Table of Contents

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1 million paid to the Chief Executive Officer or to any of the four other most highly compensated executive officers. Certain performance-based compensation, however, is specifically exempt from the deduction limit. The Company does not have a policy that requires or encourages the Compensation Committee to qualify stock options or restricted stock awarded to executive officers for deductibility under Section 162(m) of the Internal Revenue Code. However, the Compensation Committee will consider the net cost to the Company in making all compensation decisions.

Report of the Audit Committee

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. The Audit Committee also discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Company's independent auditors also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independent Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors their independence and the compatibility of nonaudit services with such independence.

The Audit Committee discussed with the independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held seven meetings during fiscal year 2005.

The Audit Committee has also appointed, subject to shareholder ratification, KPMG LLP as the Company's independent auditors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policy of the Board of Directors

The Company has implemented a policy requiring any material transaction (or series of related transactions) between the Company and related parties to be approved by a majority of the directors who have no beneficial or economic interest in such transaction, upon such directors' determination that the terms of the transaction are no less favorable to the Company than those that could have been obtained from third parties. There can be no assurance that these policies will always be successful in eliminating the influence of conflicts of interest.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities (the "10% Stockholders"), to file reports of ownership and changes of ownership with the Securities and Exchange Commission ("SEC") and the NYSE. Officers, directors and 10% Stockholders of the Company are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms so filed. Based solely on review of copies of such forms received, the Company believes that, during the last fiscal year, all filing requirements under Section 16(a) applicable to its officers, directors and 10% Stockholders were timely met.

**PROPOSAL TO RATIFY APPOINTMENT OF
INDEPENDENT AUDITORS
(PROPOSAL 2)**

The Audit Committee of the Board of Directors has appointed KPMG LLP, independent auditors, to be the principal independent auditors of the Company and to audit its consolidated financial statements. KPMG LLP has served as the Company's independent auditors since June 21, 2005, and has reported on the Company's consolidated financial statements.

Representatives of the firm of KPMG LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The Audit Committee of Board of Directors has the responsibility for the selection of the Company's independent auditors. Although stockholder ratification is not required for the selection of KPMG LLP, and although such ratification will not obligate the Company to continue the services of such firm, the Board of Directors is submitting the selection for ratification with a view towards soliciting the stockholders' opinion thereon, which may be taken into consideration in future deliberations. If the appointment is not ratified, the Audit Committee of the Board of Directors must then determine whether to appoint other auditors before the end of the current fiscal year and, in such case, stockholders' opinions would be taken into consideration.

The Board of Directors unanimously recommends a vote FOR the ratification of KPMG LLP as independent auditors of the Company.

Table of Contents**FEES PAID TO INDEPENDENT AUDITORS**

The aggregate fees billed by KPMG LLP, the Company's independent auditors, in fiscal 2005 and Ernst & Young LLP, the Company's former independent auditor, in 2004 were as follows:

Services Rendered	Fees	
	2005	2004
Audit fees(1)	\$ 465,600	\$ 692,410
Audit-Related fees(2)		20,627
Tax fees(3)		
Total	\$ 465,600	\$ 713,037

- (1) Includes professional services for the audit of the Company's annual financial statements, reviews of the financial statements included in the Company's Form 10-Q filings, services that are normally provided in connection with statutory and regulatory filings or engagements. Audit services for fiscal 2005 include \$177,600 in fees related to Sarbanes-Oxley Section 404 compliance.
- (2) Includes fees associated with assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statement. This category includes fees related to the audit of the Company's 401(k) plan and consulting services.
- (3) Includes fees associated with tax compliance, tax advice and tax planning.

The Audit Committee has considered whether the provision of the above services other than audit services is compatible with maintaining KPMG LLP's independence and has concluded that it is.

The Audit Committee has the sole authority to appoint or replace the independent auditor and is directly responsible for the compensation and oversight of the work of the independent auditor. The Audit Committee is responsible for the engagement of the independent auditor to provide permissible non-audit services, which require preapproval by the Audit Committee (other than with respect to *de minimis* exceptions described in the rules of the NYSE or the SEC that are approved by the Audit Committee). The Audit Committee ensures that approval of non-audit services by the independent auditor are disclosed to investors in periodic reports filed with the SEC.

On June 21, 2005, the Company dismissed Ernst & Young LLP as the Company's independent registered public accounting firm.

The reports of Ernst & Young LLP on the financial statements of the Company as of and for the fiscal years ended December 31, 2004 and 2003 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The Audit Committee of the Board of Directors of the Company approved the decision to dismiss Ernst & Young LLP.

During the fiscal years ended December 31, 2004 and 2003 and through June 21, 2005, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Ernst & Young LLP, would have caused it to make a reference to the subject matter of the disagreement(s) in connection with its reports.

During the fiscal years ended December 31, 2004 and 2003 and through June 21, 2005, there have been no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company has requested that Ernst & Young LLP furnish it with a letter addressed to the U.S. Securities and Exchange Commission stating whether or not it agrees with the above statements. A copy of such letter dated June 23, 2005, is attached as Exhibit 16.1 to the Company's Current Report on Form 8-K filed with the SEC on June 24, 2005.

Table of Contents

On June 21, 2005, the Company engaged KPMG LLP as its new independent registered public accounting firm.

During the fiscal years ended December 31, 2004 and 2003 and through June 21, 2005, the Company has not consulted KPMG LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report was provided to the Company nor oral advice was provided that KPMG LLP concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any manner that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

**OTHER BUSINESS
(PROPOSAL 3)**

The Board knows of no other business to be brought before the Annual Meeting. If, however, any other business should properly come before the Annual Meeting, the persons named in the accompanying proxy will vote the proxy as in their discretion they may deem appropriate, unless directed by the proxy to do otherwise.

GENERAL

The cost of any solicitation of proxies by mail will be borne by the Company. Arrangements may be made with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of material to and solicitation of proxies from the beneficial owners of Common Stock held of record by such persons, and the Company will reimburse such brokerage firms, custodians, nominees and fiduciaries for reasonable out of pocket expenses incurred by them in connection therewith. Brokerage houses and other custodians, nominees and fiduciaries, in connection with shares of Common Stock registered in their names, will be requested to forward solicitation material to the beneficial owners of such shares and to secure their voting instructions. The Company has retained Georgeson Shareholder Communications Inc. to assist in soliciting proxies for the Annual Meeting for a fee of \$25,000. The cost of such solicitation will be borne by the Company.

APPENDIX A

**CAPITAL SENIOR LIVING CORPORATION
SECOND AMENDED AND RESTATED AUDIT COMMITTEE CHARTER**

Statement of Purpose

The audit committee shall provide assistance to the Board in fulfilling their oversight responsibility relating to:

corporate accounting;

the Company's system of internal controls regarding finance, accounting, legal compliance and ethics;

reporting practices of the Company;

the quality and integrity of financial statements of the Company;

the Company's compliance with legal and regulatory requirements;

the independent auditor's qualifications and independence; and

the performance of the Company's internal audit function and the Company's independent auditors.

It is the responsibility of the audit committee to maintain free and open communication between the Board, the independent auditors, and the financial management of the Company. In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel or other advisors for this purpose.

In carrying out its responsibilities, the audit committee believes its policies and procedures should remain flexible in order to best react to changing conditions and circumstances. The committee should take appropriate actions to set the overall corporate tone for quality financial reporting, sound business risk practices, and ethical behavior.

Organization

Independence

The audit committee of the board of directors of the Company (the Board) shall be comprised of at least three directors. The audit committee members shall each be determined by the Board to be independent under Section 10A(m)(3) of the Securities Exchange Act of 1934 (the Exchange Act), Rule 10-A-3 of the Exchange Act, the rules of the New York Stock Exchange (the NYSE) and the rules and regulations of the Securities and Exchange Commission (the SEC).

Financial Expertise

Each member of the audit committee must be financially literate, as such qualification is interpreted by the Board in its business judgment; or must become financially literate within a reasonable period of time after appointment to the audit committee. In addition, at least one member of the audit committee must be an audit committee financial expert as such term is defined in Item 401(h) of Regulation S-K.

Simultaneous Service

If an audit committee member serves on the audit committee of more than three public companies, the Board shall determine whether such simultaneous service will impair the director's ability to effectively serve on the audit committee and disclose such determination in accordance with the regulations of the NYSE.

Table of Contents

Funding

The Company shall provide for appropriate funding, as determined by the audit committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report, or performing other audit, review or attest services for the Company, for payment of compensation to any advisors employed by the audit committee and for ordinary administrative expenses of the audit committee that are necessary or appropriate in carrying out its duties.

Appointment and Removal

The members of the audit committee shall be appointed by the Board and shall serve for the term set forth in the By-Laws of the Company.

Chairperson

Unless a Chairperson is elected by the Board, the members of the audit committee shall designate a Chairperson by the majority vote of the full audit committee membership. The Chairperson will chair all regular sessions of the audit committee and set the agenda for audit committee meetings.

Meetings

The audit committee shall meet as often as it determines is necessary but no less than once per quarter, either in person or telephonically, and at such times and places as the audit committee shall determine.

The audit committee should meet periodically with management, the internal auditors and the independent auditor in separate sessions to discuss any matters that the audit committee or either of these groups believes should be discussed privately. In addition, the audit committee should discuss with the independent auditors and management the Company's annual and quarterly financial statements and adequacy of internal controls.

The audit committee may request any officer or employee of the Company or the Company's outside counsel, independent auditor or other advisor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Responsibilities

Oversight of Financial Reporting Process

The primary responsibility of the audit committee is to oversee the Company's financial reporting process on behalf of the Board and report the results of their activities regularly to the Board and to review with the Board any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditors and the performance of the internal audit function.

While the audit committee has the responsibilities and powers set forth in this Charter, it is not the duty of the audit committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. It is not the duty of the audit committee to conduct investigations, or to assure compliance with laws and regulations.

Appointment of Independent Auditor

The audit committee shall have the sole authority to appoint or replace the independent auditor (subject, if applicable, to shareholder ratification). The audit committee shall be directly responsible for the retention, compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing

Table of Contents

or issuing an audit report or related work. The independent auditor shall report directly to the audit committee.

The audit committee has the responsibility to establish policies and procedures for the engagement of the independent auditor to provide permissible audit and non-audit services, which shall require preapproval by the audit committee (other than with respect to *de minimis* exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are subsequently approved by the audit committee pursuant to such section). The audit committee shall ensure that approval of non-audit services by the independent auditor are disclosed to investors in periodic reports filed with the SEC.

In carrying out these responsibilities, the audit committee will:

A. Financial Reporting Process and Documents/ Reports Review

Meet with the independent auditors and financial management of the Company to review the scope of the proposed audit and timely quarterly reviews for the current year and the procedures to be utilized, the adequacy of the independent auditor's compensation, and at the conclusion thereof review such audit or review, including any comments or recommendations of the independent auditors.

Review with the independent auditors, internal auditor and financial and accounting personnel, the adequacy and effectiveness of the accounting, financial and internal controls of the Company, and elicit any recommendations for the improvement of such controls or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.

Review disclosures made to the audit committee by the Company's Chief Executive Officer and Chief Financial Officer during their certification process for the Form 10-K and 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

Discuss with management the Company's earnings press releases, including the use of pro forma or adjusted non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. Such discussion may be done generally (consisting of discussing the types of information to be disclosed and the types of presentations to be made).

Review and discuss the Company's quarterly financial statements and the disclosures under the heading "Management's Discussion and Analysis of Financial Condition and Results of Operations" with financial management and the independent auditors prior to the filing of the Company's Form 10-Qs and prior to the issuance of press release of results) to determine that the independent auditors do not take exception to the disclosure and content of the financial statements, and discuss any other matters required to be communicated to the committee by the auditors.

Review and discuss the Company's annual audited financial statements and the disclosures under the heading "Management's Discussion and Analysis of Financial Condition and Results of Operations" contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders, and discuss any other matters required to be communicated to the committee by the auditors.

Review with financial management and the independent auditors the results of their timely analysis of significant financial reporting issues and practices, including changes in, or adoptions of, accounting principles and disclosure practices, and discuss any other matters required to be communicated to the

committee by the auditors.

A-3

Table of Contents

Review reports received from regulators and other legal and regulatory matters, including the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, that may have a material effect on the financial statements or related Company compliance policies.

Review with financial management their judgments about the quality, not just acceptability, of accounting principles and the clarity of the financial disclosure practices used or proposed to be used, and particularly, the degree of aggressiveness or conservatism of the organization's accounting principles and underlying estimates, and other significant decisions made in preparing the financial statements.

Report the results of the annual audit to the Board. If further requested by the Board, invite the independent auditors to attend the full board of directors meeting to assist in reporting the results of the annual audit or to answer other directors' questions (alternatively, the other directors, particularly the other independent directors, may be invited to attend the audit committee meeting during which the results of the annual audit are reviewed).

Submit the minutes of all meetings of the audit committee to, or discuss the matters discussed at each committee meeting with, the Board.

Prepare the audit committee report required by the rules of the SEC to be included in the Company's annual proxy statement.

B. Independent Auditors

Have a clear understanding with the independent auditors that they are ultimately accountable to the audit committee, as the shareholders' representatives, who have the ultimate authority in deciding to engage, evaluate, and if appropriate, terminate their services.

Review with the independent auditor any audit problems or difficulties and management's response, including any restrictions on the scope of the independent auditor's activities or on access to information and any disagreements with management. The audit committee may want to review with the independent auditor: any accounting adjustments that were noted or proposed by the auditor but were passed (as immaterial or otherwise); any communications between the audit team and the audit firm's national office respecting auditing or accounting issues presented by the engagement; and any management or internal control letter issued, or proposed to be issued, by the audit firm to the Company. This review should also include discussions of the responsibilities, budget and staffing of the Company's internal audit function.

Inquire of management and the independent auditors about significant risks or exposures, assess the steps management has taken to minimize such risks to the Company and discuss policies with respect to risk assessment and risk management.

Obtain and review a report from the independent auditor at least annually regarding (a) the independent auditor's internal quality-control procedures, (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues, and (c) (in order to assess the firm's independence) all relationships between the independent auditor and the Company.

Evaluate the qualifications, performance and independence of the independent auditor and the lead audit partner, including considering whether the auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence, taking into account the opinions of management and internal auditors. The audit committee shall present its

conclusions with respect to the independent auditor to the Board.

A-4

Table of Contents

Provide sufficient opportunity for the independent auditors to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the Company's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of audit.

On an annual basis, obtain from the independent auditors a written communication delineating all their relationships and professional services as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. In addition, review with the independent auditors the nature and scope of any disclosed relationships or professional services and take, or recommend that the Board take, appropriate action to ensure the continuing independence of the auditors.

Ensure rotation of the lead audit partner as required by law and consider further whether, to assure continuing auditor independence, there should be a regular rotation of the outside audit firm itself. The audit committee should present its conclusions with respect to the independent auditor to the Board.

Set policies for the Company's hiring of employees or former employees of the independent auditor who participated in any capacity in the audit of the Company.

C. Ethical and Legal Compliance

Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel and other advisors for this purpose if, in its judgment, that is appropriate.

Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and for the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters.

Obtain the full Board's approval of this Charter and perform a review and evaluation, at least annually, of the performance of the audit committee, including reviewing the compliance of the audit committee with this Charter. In addition, the audit committee shall review and reassess, at least annually, the adequacy of this Charter and recommend to the Board any improvements to this Charter that the committee considers necessary or valuable. The audit committee shall conduct such evaluations and reviews in such manner as it deems appropriate.
