Performance Bonus Plan. On September 29, 2006, the Compensation Committee of the Board of Directors of KLA-Tencor Corporation (the Company) established the Company performance goals which are to be in effect for the 2007 fiscal year under the Company's Performance Bonus Plan (the Plan), an incentive bonus plan administered in conformity with Section 162(m) of the Internal Revenue Code. The performance goals are tied to the Company's operating income for the 2007 fiscal year and to certain strategic factors for such fiscal year based on the Company's pre-tax profit and operating margin. For certain participants, the bonus potentials are also tied to profit from operations at group or division levels within the Company. The Compensation Committee has also approved the bonus potential for each participant at threshold, target and maximum levels of Company performance for the 2007 fiscal year. Following the close of the 2007 fiscal year, the Compensation Committee will determine the actual bonus amount for each participant based on the actual levels at which the performance goals for that year are attained, and the actual bonus amounts (if any) are expected to be paid within ninety days after the close of such year. The following executive officers will participate in the Plan for the 2007 fiscal year, with bonus potentials at the following threshold, target and maximum levels:

Executive Officer	Threshold	Award Level	
		Target	Maximum
Kenneth Levy	\$ 4,500	\$ 150,006	\$ 187,508
Richard P. Wallace	\$ 20,085	\$ 669,500	\$ 836,875
John H. Kispert	\$ 15,296	\$ 509,850	\$ 637,313
Lance Glasser	\$ 6,118	\$ 203,945	\$ 254,931
Jeffrey L. Hall	\$ 5,562	\$ 185,400	\$ 231,750

The actual bonus award (if any) may be higher or lower depending upon the actual level at which the performance goals for the 2007 fiscal year are attained, but no executive officer will receive a bonus award under the Plan in excess of the maximum dollar award indicated for him above, and no executive officer will receive any bonus award under the Plan if the threshold level of Company performance is not attained.

Outstanding Corporate Performance Bonus Plan. On September 29, 2006, the Compensation Committee also set the Company performance goals which are to be in effect for the 2007 fiscal year under the Company's Outstanding Corporate Performance Bonus Plan (the OCPB Plan). The performance goals are tied to the Company's profit from operations and operating margin for the 2007 fiscal year. The Compensation Committee also approved the bonus potential for each participant at threshold, target and maximum levels of Company performance for the 2007 fiscal year. Following the close of the 2007 fiscal year, the Compensation Committee will determine the actual bonus amount for each participant based on the actual levels at which the performance goals for that year are attained, and the actual bonus amounts (if any) are expected to be paid within ninety days after the close of such year.
