FY08 Executive Annual Incentive Plans

On May 1, 2007, the Company adopted the FY08 Executive Annual Incentive Plans for its executive officers, including the named executive officers. Under the terms of these plans, the named executive officers will be eligible to receive performance-based incentive bonuses based on the Company's, and in some cases an executive officer's business segment's, achievement of specified performance metrics. The target payouts under the FY08 Executive Annual Incentive Plans are 40% to 125% of a participant's annual base salary at 100% achievement. For our group presidents responsible for a specific business segment, the actual bonus amounts are subject to the following metrics and weighting: (a) achievement of targeted annual revenue growth of Symantec (25% weighting); (b) achievement of targeted annual earnings per share growth of Symantec (25% weighting); and (c) achievement of the specific business segment's contribution margin (50% weighting). For all other executive officers, the actual bonus amounts are subject to the following metrics and weighting: (a) achievement of targeted annual revenue growth of Symantec (50% weighting); and (b) achievement of targeted annual earnings per share growth of Symantec (50% weighting). The measurement periods for all metrics and earnings per share growth is the fiscal year ending on March 28, 2008. During the 2008 fiscal year, no participant shall receive an award of more than \$5 million under the FY08 Executive Annual Incentive Plans.
