-

**ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On November 7, 2007, EZCORP, Inc. ( the Company ) entered into an advisory services agreement with Madison Park, a related party, (the MP Agreement ). The MP Agreement is effective as of October 1, 2007. Prior to approving the MP Agreement, the Board of Directors appointed a special committee comprised of the four independent directors of the Company (the Committee ) to perform a review of the Company s relationship with Madison Park (the Review ). The Review included a review of the advisory services provided to the Company by Madison Park during the Company s 2005 through 2007 fiscal years, a determination whether to continue utilizing Madison Park s services, and a determination whether to enter into a new advisory services agreement with Madison Park. The Committee was also authorized to retain consultants and to review, negotiate, and approve the contractual terms of any agreement. As part of the Review, the Committee retained a qualified, independent financial advisory firm to evaluate the MP Agreement and render a fairness opinion, from a financial point of view of the fee to be paid to Madison Park relative to the reasonable market rates for the services contemplated in the MP Agreement. Based on the Committee s findings and conclusions, it elected to negotiate and approve the terms of the MP Agreement. The MP Agreement requires Madison Park to provide advice on the Company s business and long-term strategic plan including, but not limited to, acquisitions and strategic alliances, operating and strategic objectives, investor relations, relations with investment bankers and other members of the financial services industry, international business development and strategic investment opportunities, and financial matters. The monthly fee for the services is \$150,000. The MP Agreement has a one-year term and either party may terminate the MP Agreement at any time on thirty days written notice. A copy of the agreement is attached hereto as Exhibit 10.107.
