Dear Shareholder:

The Funds listed in the Notice of Annual Meeting of Shareholders will hold a annual meeting on September 26, 2001, at 2:00 p.m., to vote on the proposals listed in the proxy statement.

Liberty Financial Companies, Inc. (Liberty Financial), the parent company of the investment advisors, has entered into an agreement to sell its asset management business, including the Funds' investment advisors, to Fleet National Bank (Fleet), an indirect wholly-owned subsidiary of FleetBoston Financial Corporation, a U.S. financial holding company. The sale will cause the Funds' current advisory agreements to terminate. In order for the management of each Fund to continue uninterrupted after the sale, we are asking you to approve new advisory agreements for the Funds. The proposed new advisory agreements are substantially identical to the Funds' current advisory agreements, except as described in the attached proxy statement. NO CHANGES IN ADVISORY FEE RATES OR SERVICES ARE BEING PROPOSED.

Your vote is very important. The Boards of Trustees of the Funds listed in the Notice of Annual Meeting have approved the new advisory agreements and recommend that you vote in favor of the new advisory agreements and vote for the election of Trustees. IMPORTANT NEWS
FOR FUND SHAREHOLDERS

WHILE WE ENCOURAGE YOU TO READ THE FULL TEXT OF THE ENCLOSED PROXY STATEMENT, HERE'S A BRIEF OVERVIEW OF MATTERS TO BE VOTED UPON.

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

QUESTIONS AND ANSWERS

Q. What am I being asked to vote "For" in this proxy?

A. You are being asked to vote for proposals to:

1. Approve a new investment advisory agreement for your Fund with your Fund's current investment advisor, on substantially identical terms as the current investment advisory agreement. No change in advisory rates or services is being proposed.
2. Elect Trustees for the Colonial High Income Municipal Trust, Colonial Investment Grade Municipal Trust, Colonial InterMarket Income Trust I, Colonial California Insured Municipal Fund, Colonial Insured Municipal fund, Colonial New York Insured Municipal Fund, Colonial Municipal Income Trust and Colonial Intermediate High Income Fund.

Q. Why am I being asked to vote on new agreements?

A. Liberty Financial Companies, Inc. (Liberty Financial), the parent company of the investment advisors to the Funds listed in the Notice of Special Meeting of Shareholders, has entered into an agreement to sell its asset management business, including the Funds' investment advisors, to Fleet National Bank (Fleet), an indirect wholly-owned subsidiary of FleetBoston Financial Corporation, a U.S. financial holding company. The sale will result in the termination of the current investment advisory agreements. The sale will not be completed unless a number of conditions are met. One of the conditions of the sale is that shareholders of a percentage of the Funds and other accounts managed by Liberty Financial affiliates must approve the proposed new agreements. Your Fund's Board of Trustees has approved, and recommends you approve, new agreements applicable to your Fund.

Q. What prompted the sale of Liberty Financial's asset management business to Fleet?

A. On November 1, 2000, Liberty Financial announced that it had retained CS First Boston to help explore strategic alternatives,

4

including the possible sale of Liberty Financial. Liberty Financial ultimately determined to sell its asset management business to Fleet.

Q. How will the sale of Liberty Financial's asset management business potentially benefit me?

A. The Funds' Board of Trustees believes that there may be benefits of scale from combining the asset management businesses of Fleet and Liberty Financial, including the ability to attract and retain key personnel, greater access to resources for investment professionals of the advisors, enhanced technology and customer service, and the expected availability of additional investment options for shareholders of the Funds.

Q. How do the proposed new agreements differ from the current agreements?

A. The proposed agreements are substantially identical to the current agreements. They differ only in their beginning dates and terms and certain other minor provisions. A comparison of the proposed new agreements is included in the proxy statement under the heading "New Advisory Agreements."

Q. Will this change the advisory fees on my Fund?

A. No. Advisory fees will remain the same.

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

Q. Will there be any advisor changes?

A. No. The advisors that currently manage the Funds are expected to continue to manage the Funds after the sale of Liberty Financial's asset management business, using the same investment strategies and objectives currently in place.

Q. How does the Board of Trustees recommend that I vote on these proposals?

A. The Board of Trustees recommends that you vote "FOR" each of the proposals. The Board believes that each of these proposals is in the best interests of your Fund and its shareholders.

Q. How can I vote my proxy?

A. For your convenience, there are several ways you can vote:

- By Mail: vote, sign and return the enclosed proxy card
- By Telephone
5
- By Internet
- In person: September 26, 2001, at 2:00 p.m. at One Financial Center, Boston, Massachusetts

PROPOSAL 1

NEW ADVISORY AGREEMENTS

As explained below, the proposed New Advisory Agreement for each Fund is substantially identical (except for its term and date and certain other non-material changes) to the Investment Advisory Agreement currently in effect for that Fund (the "Current Advisory Agreement").

The reason the Trustees are proposing a New Advisory Agreement for each Fund is that the Current Advisory Agreement will terminate when the Advisor's parent company, Liberty Financial Companies, Inc. ("LFC"), sells the Advisor and its other subsidiaries that operate its asset management business (the "Asset Management Segment") to Fleet National Bank, a national banking association ("Fleet"). As a result of this acquisition, the Advisor and the other

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

subsidiaries will become direct or indirect, wholly-owned subsidiaries of Fleet. The Investment Company Act of 1940, as amended, (the "Investment Company Act"), provides generally that the advisory agreement of an

2

12

investment company must provide for automatic termination if assigned, such as when the investment advisor or its parent company undergoes a significant change of ownership.

In addition, LFC has agreed to sell, in a separate transaction, all of the issued and outstanding capital stock of the subsidiaries constituting the annuity segment of LFC's business to Sun Life Assurance Company of Canada, a Canadian corporation (the "Annuity Sale"). The sale of the Asset Management Segment to Fleet and the Annuity Sale are not conditioned on each other. LFC has entered into a Merger Agreement with Liberty Mutual Insurance Company (the majority stockholder of LFC), which provides that, following the acquisition of the Asset Management Segment by Fleet and the Annuity Sale, LFC will merge with and into LFC Acquisition Corporation, a wholly owned subsidiary of Liberty Mutual Insurance Company, with LFC being the surviving corporation (the "Merger"). In connection with the Merger, holders of LFC common stock, other than LFC, Liberty Mutual and their respective direct and indirect subsidiaries and other than those holders of LFC common stock who validly perfect their appraisal rights under Massachusetts law, will be entitled to receive an amount of cash equal to \$33.44, subject to adjustment per share of common stock. Once such merger consideration is paid, such shares will be cancelled.

The Trustees have carefully considered the matter and have concluded that it is appropriate to enter into the New Advisory Agreement for each Fund, so that the Advisor can continue, following the acquisition of the Asset Management Segment by Fleet, to manage each Fund on the same terms as are now in effect. The Trustees also have approved an interim advisory agreement for each Fund pursuant to Rule 15a-4 under the Investment Company Act, which will be entered into immediately following the closing of the acquisition of the Asset Management Segment by Fleet only if the Fund has not at that time received the requisite shareholder vote for the New Advisory Agreement at the Meeting. See the section "Basis for the Trustees Recommendations" below for further information on this interim agreement.

The acquisition of the Asset Management Segment by Fleet will occur only if various conditions are satisfied (or waived by the parties, if permitted by law). Those conditions include, among others, the receipt of certain government approvals, approval or consent from investment advisory clients of the Advisor and other LFC affiliates (including mutual fund clients) which represent a specified percentage of LFC's

3

13

total assets under management as of March 31, 2001, the avoidance of a certain level of net redemptions from portfolios managed by the Advisor and certain of its affiliates that make up the Asset Management Segment and approval of the acquisition by the requisite vote of the shareholders of LFC. LFC currently expects that the acquisition will occur during the latter part of 2001, but the acquisition could be delayed. If the acquisition does not occur, the New Advisory Agreements would not be needed because the automatic termination of the Current Advisory Agreements would not occur.

Under the Investment Company Act, a Fund cannot enter into a New Advisory Agreement unless the shareholders of that Fund vote to approve the New Advisory Agreement. The Meeting is being held to seek shareholder approval of the New

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

Advisory Agreement for each Fund. NO CHANGE IN ADVISORY FEE RATES OR SERVICES IS BEING PROPOSED.

Shareholders of each Fund will vote separately on the New Advisory Agreement for that Fund. Each share is entitled to cast one vote, and fractional shares are entitled to a proportionate fractional vote.

THE TRUSTEES RECOMMEND THAT THE SHAREHOLDERS OF EACH FUND VOTE TO APPROVE THE NEW ADVISORY AGREEMENT FOR THEIR FUND.

DESCRIPTION OF THE NEW ADVISORY AGREEMENTS

The New Advisory Agreement for each Fund is substantially identical (but for a few non-material changes) to the Current Advisory Agreement for that Fund, except that the date of each New Advisory Agreement will be the date that Fleet acquires the Asset Management Segment, or such later date on which the shareholders of the Fund approve the New Advisory Agreement, and the initial term of each New Advisory Agreement expires on July 31, 2003. Appendix A to this Proxy Statement sets forth information about the Current Advisory Agreements, including the dates of the Current Advisory Agreements and the advisory fee rates under both the New Advisory Agreements and the Current Advisory Agreements. Appendix B to this Proxy Statement contains the form of the New Advisory Agreement applicable to each Fund. Each Current Advisory Agreement and each New Advisory Agreement matches the form in Appendix B, except for items specific to a Fund such as the Fund's name and fee rate, and the dates of the Agreements. The next several paragraphs briefly summarize some

4

14

important provisions of the New Advisory Agreements, but for a complete understanding of the Agreements, you should read Appendices A and B.

The New Advisory Agreement for each Fund essentially provides that the Advisor, under the Trustees' supervision, will (1) decide what securities to buy and sell for the Fund's portfolio, (2) select brokers and dealers to carry out portfolio transactions for the Fund, and (3) provide officers, office space and certain administrative services to the Fund.

The New Advisory Agreement for each Fund provides that it will continue in effect for an initial period beginning on the date Fleet acquires the Asset Management Segment, or such later date on which the shareholders of the Fund approve the New Advisory Agreement, and ending on July 31, 2003. After that, it will continue in effect from year to year as long as the continuation is approved at least annually (i) by the Trustees or by vote of a majority of the outstanding voting securities of the Fund, and (ii) by vote of a majority of the Trustees who are not "interested persons," as that term is defined in the Investment Company Act, of the Trust or the Advisor (those Trustees who are not "interested persons" of the Trust or the Advisor are referred to below as the "Independent Trustees").

The New Advisory Agreement for each Fund may be terminated without penalty by vote of the Trustees or by vote of a majority of the outstanding voting securities of the Fund, on sixty days' written notice to the Advisor, or by the Advisor upon sixty days' written notice to the Trust, and each terminates automatically in the event of its "assignment" as defined in the Investment Company Act. The Investment Company Act defines "assignment" to include, in general, transactions in which a significant change in the ownership of an investment advisor or its parent company occurs (such as the acquisition of the Asset Management Segment by Fleet).

The New Advisory Agreement for each Fund provides that the Advisor will not be

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

liable to the Fund or its shareholders, except for liability arising from the Advisor's willful misfeasance, bad faith, gross negligence or reckless disregard of duty.

BASIS FOR THE TRUSTEES' RECOMMENDATIONS

The Trustees initially met on June 11, 2001 to discuss the proposed acquisition of the Asset Management Segment by Fleet. At that

5

15

meeting, representatives of LFC made a presentation regarding the terms of the proposed acquisition and representatives of Fleet made a presentation regarding Fleet's structure and asset management business and their plans as they existed at that time for the Asset Management Segment. At a meeting held on June 19, 2001, LFC and Fleet provided the Trustees with additional information that they had requested, and the Trustees also completed their annual review of the contracts for each Fund. The Trustees determined at the June 19, 2001 meeting to recommend that each Fund's shareholders vote to approve the New Advisory Agreement for their Fund.

In coming to that determination, the Trustees gave particular consideration to matters relating to the possible effects on the Advisor and the Funds of the acquisition of the Asset Management Segment by Fleet. Among other things, the Trustees considered:

- the stated intention of Fleet not to make immediate changes to the investment management services provided by the Advisor and to collaborate with the Advisor, in consultation with the Boards of the Funds, to develop and implement a strategy for integrating the investment management businesses of the Advisor with Fleet's investment management business;
- certain actions taken by LFC and the Advisor to help retain and incent their key personnel;
- the general reputation and the financial resources of Fleet and its parent organization;
- the potential benefits of scale from combining the asset management businesses of Fleet and LFC, including the ability to attract and retain key personnel and enhance technology and customer service;
- the expected additional investment options available to shareholders of the Funds;
- the impact of the acquisition of the Asset Management Segment on the different types of investors in the Funds;
- the stated intention of Fleet to consult with the Boards of the Funds prior to removing or reducing any voluntary fee waivers or expense limitations; and

6

16

- the stated intention of Fleet of providing investment professionals of the Advisor with access to greater resources as a result of the acquisition.

In addition, the Trustees considered a wide range of information of the type they regularly consider when determining whether to continue a Fund's advisory agreement as in effect from year to year. The Trustees considered information about, among other things:

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

- the Advisor and its personnel (including particularly those personnel with responsibilities for providing services to the Funds), resources and investment process;
- the terms of the New Advisory Agreements;
- the scope and quality of the services that the Advisor has been providing to the Funds;
- the investment performance of each Fund and of similar funds managed by other advisors;
- the advisory fee rates payable to the Advisor by the Funds and by other funds and client accounts managed by the Advisor, and payable by similar funds managed by other advisors (Appendix C to this Proxy Statement contains information comparing each Fund's advisory fee schedule to the fee schedule for other funds managed by the Advisor that have investment objectives similar to the particular Fund);
- the total expense ratios of the Funds and of similar funds managed by other advisors; and
- compensation payable by the Funds to affiliates of the Advisor for other services (see Appendix E to this Proxy Statement for more information about that compensation).

In addition, the Trustees considered that the agreement relating to the acquisition by Fleet provides that Fleet will (subject to certain qualifications) use all reasonable efforts to assure compliance with Section 15(f) of the Investment Company Act. Section 15(f) provides that a mutual fund investment advisor or its affiliates may receive benefits or compensation in connection with a change of control of the investment advisor (such as Fleet's acquisition of the Asset Management Segment) if two conditions are satisfied. First, for three years after the change of control, at least 75% of the members of the board of any registered investment company advised by the advisor must consist of

7

17

persons who are not "interested persons," as defined in the Investment Company Act, of the advisor.

(No changes in the current composition of the Trustees are required to satisfy that condition.) Second, no "unfair burden" may be imposed on any such registered investment company as a result of the change of control transaction or any express or implied terms, conditions or understandings applicable to the transaction. "Unfair burden" means any arrangement, during the two years after the transaction, by which the investment advisor or any "interested person" of the advisor receives or is entitled to receive any compensation, directly or indirectly, from such investment company or its security holders (other than fees for bona fide investment advisory or other services) or from any other person in connection with the purchase or sale of securities or other property to, from or on behalf of such investment company.

After carefully considering the information described above, the Trustees, including the Independent Trustees, unanimously voted to approve the New Advisory Agreement for each Fund and to recommend that each Fund's shareholders vote to approve the New Advisory Agreement for their Fund.

In the event that the shareholders have not approved the New Advisory Agreements

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

at the Meeting, the Advisor will enter into interim advisory agreements pursuant to Rule 15a-4 under the Investment Company Act, which will take effect immediately following the acquisition of the Asset Management Segment by Fleet (at which time the Current Advisory Agreements will terminate due to an assignment). These interim advisory agreements will be in substantially the forms set forth in Appendix B but also will include certain provisions required by Rule 15a-4 (such as a maximum term of 150 days, a provision that a Fund's Board of Trustees or a majority of the fund's shareholders may terminate the agreement at any time without penalty on not more than 10 days' written notice, and a provision that the compensation earned by the Advisor thereunder will be held in an interest-bearing escrow account until shareholder approval of the New Advisory Agreements is obtained, after which the amount in the escrow account (together with any interest) will be paid to the Advisor). If a Fund has not received the requisite shareholder approval for a New Advisory Agreement within 150 days after the closing of the acquisition, the Trustees will consider other appropriate arrangements subject to approval in accordance with the Investment Company Act.

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

The directors of Colonial are Stephen E. Gibson, Joseph R. Palombo and Kevin M. Carome. Mr. Gibson is the President and Chief Executive Officer of Colonial. Mr. Palombo is an Executive Vice President of Colonial. Mr. Carome is a Senior Vice President of Colonial. The business address of Messrs. Gibson and Palombo is One Financial Center, Boston, Massachusetts 02111. The business address of Mr. Carome is 600 Atlantic Avenue, 24th Floor, Boston, Massachusetts 02210.

In addition, the following individuals who are officers of the Funds are also officers of Colonial: William J. Ballou, Barry Finkle, Ellen Harrington, Kevin S. Jacobs, Russell L. Kane and Vincent P. Pietropaolo.

DESCRIPTION OF THE TRANSACTION

On June 4, 2001, LFC announced that it had entered into a Stock Purchase Agreement with Fleet (the "Purchase Agreement"). Under the Purchase Agreement, Fleet would acquire the Asset Management Segment for a purchase price of \$900 million, plus the assumption of \$110 million in debt. This price is subject to increase or reduction for:

- an increase or a decrease, as the case may be, in the revenue run rate of the Asset Management Segment (a formula amount that is based on a multiple of portfolio assets, excluding the effects of market action) in excess of a 10% threshold between December 31, 2000 and the closing. The maximum purchase price adjustment under this provision would be \$180 million;
- an increase or decrease, as the case may be, of the tangible net worth of the Asset Management Segment between March 31, 2001 and the closing;
- a decline in the market values of the assets under management of the Asset Management Segment in excess of 20% between March 31, 2001 and the closing (excluding the effects of sales and redemptions); and
- the settlement of certain inter-company accounts.

The transaction will not occur unless various conditions are satisfied (or waived by the parties, if permitted by law). One of these conditions is obtaining approval or consent from investment advisory clients of the Advisor and other LFC affiliates that constitute the Asset Management

10

20

Segment (including fund clients) whose accounts represent 80% of the Asset Management Segment's assets under management as of March 31, 2001. Because of these conditions, approval or disapproval by a Fund's shareholders of a New Advisory Agreement for their Fund, taken together with other clients' consents or approvals, could affect whether or not the transaction occurs. As described below, certain officers of the Trusts (including one officer who is also a Trustee of the Trusts) will receive certain payments or benefits if the transaction occurs. The transaction will result in the automatic termination of the Current Advisory Agreements. If for some reason the transaction does not occur, the automatic termination of the Current Advisory Agreements will not occur, and the New Advisory Agreements will not be entered into, even if they have been approved by the Funds' shareholders.

Simultaneously with the signing of the Purchase Agreement, at Fleet's request, Liberty Mutual and LFC entered into a license agreement with Fleet which provides that upon the closing of the acquisition of the Asset Management Segment, Fleet shall be granted a perpetual, royalty free, non-transferable, non-sublicensable, non-exclusive license to use the Liberty mark and trade name, the Statue of Liberty design and other associated marks and trade names used in connection with the Asset Management Segment's business. The license agreement

also contains other covenants and provisions more fully set forth in the Fleet license agreement. Neither Liberty Mutual nor LFC will receive compensation or other consideration under the Fleet license agreement.

As a result of the acquisition, the Advisor and certain of its affiliates that constitute the Asset Management Segment would become wholly-owned, direct or indirect subsidiaries of Fleet. Fleet is a wholly-owned subsidiary of FleetBoston Financial Corporation, a Boston, Massachusetts-based financial holding company. Fleet and its affiliates offer a comprehensive array of financial solutions to approximately 20 million customers in more than 20 countries. Their key lines of business include:

- CONSUMER AND INVESTMENT SERVICES -- includes domestic retail banking to consumer and small business customers, community banking, student loan processing, credit card services, and investment services, including mutual funds and investments, retirement planning, large institutional asset management and brokerage;
- CORPORATE AND GLOBAL BANKING -- includes commercial finance, including asset-based lending and leasing; international banking in key

Latin American markets; corporate banking, including specialized industry and institutional lending; and middle market lending, including commercial lending, government banking services, trade services and cash management; and

- CAPITAL MARKETS -- includes investment banking services, brokerage, market-making and principal investing.

CERTAIN INTERESTS OF FUND TRUSTEES AND OFFICERS. Substantially all full-time employees of LFC and its subsidiaries (including officers of the Trusts and one officer of the Trusts who is also a Trustee of the Trusts) participate in the Liberty Financial Companies, Inc. and Subsidiaries Non-Commissioned Employee Severance and Retention Plan or the Liberty Financial Companies, Inc. and Subsidiaries Commissioned Employees Severance and Retention Plan (the "Retention Plans"). The Retention Plans provide for cash retention bonuses and the full vesting upon a change of control of all outstanding options to purchase shares of stock of LFC ("LFC Options") and shares of restricted stock of LFC ("Restricted Stock") for which the target price in the applicable restricted stock agreement is less than the value of LFC common stock on the date of the change of control, even though some of these LFC Options and Restricted Stock would not otherwise have vested or become fully exercisable prior to the change of control. The Retention Plans also provide for enhanced severance benefits to substantially all employees upon a change of control and additional payments to cover excise tax obligations. With respect to employees of the subsidiaries that constitute the Asset Management Segment, a change of control will be deemed to occur under the Retention Plans upon the completion of the Fleet transaction.

CERTAIN BROKERAGE MATTERS

In their consideration of the New Advisory Agreements, the Trustees took account of the Advisor's practices regarding the selection and compensation of brokers and dealers that execute portfolio transactions for the Funds, and the brokers' and dealers' provision of brokerage and research services to the Advisor. The Advisor has informed the Trustees that it does not expect to change these practices as a result of Fleet's acquisition of the Asset Management Segment. A summary of these brokerage and soft-dollar practices is set forth in Appendix D.

12

22

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

The Advisor may cause portfolio transactions for the Funds to be executed by AlphaTrade Inc. ("AlphaTrade"), a brokerage firm that is affiliated with the Advisor because it is owned by the Advisor. The Funds pay brokerage commissions to AlphaTrade for executing these portfolio transactions. Appendix E contains information about these commission payments.

REQUIRED VOTE. For each Fund, as applicable, the vote required to approve the New Advisory Agreement is the lesser of (1) 67% of the shares of that Fund that are present at the Meeting, if the holders of more than 50% of the shares of the Fund outstanding as of the record date are present or represented by proxy at the Meeting, or (2) more than 50% of the shares of the Fund outstanding on the record date. If the required vote is not obtained for any Fund, the Trustees will consider what other actions to take in the best interests of the Funds.

The Committee now consists of Ms. Verville and Messrs. Hacker, Macera, Nelson and Neuhauser. The Committee recommends to the Trustees the independent accountants to serve as auditors, reviews with the independent accountants the results of the auditing engagement and the internal accounting procedures and controls, and considers the independence of the independent accountants, the range of their audit services and their fees.

The Funds' Audit Committee is comprised of only "Independent Trustees" (as defined in the regulations of the New York Stock Exchange (NYSE)) of the Funds, who also are not "interested persons" (as defined in the Investment Company Act of 1940) of the Funds. The Audit Committee reviews the process of preparing and reviewing financial statement and other audit-related matters as they arise throughout the year. The Audit Committee makes recommendations to the full Board as to the firm of independent accountants to be selected.

In making its recommendations, the Audit Committee reviews the nature and scope of the services to be provided.

The Audit Committee also reviewed the non-audit services to be provided by the independent accountants of the Fund. Each Fund's independent accountants, PricewaterhouseCoopers LLP ("PWC"), discussed with the Board the matters required to be discussed by Statement on Auditing Standards No. 61. In addition, the Audit Committee obtained from the independent accountants a formal written statement consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," describing all relationships between the independent accountants and the Funds that might bear on the independent accountants' independence. The Audit Committee also discussed with the independent accountants any relationships that may impact their objectivity and independence and satisfied itself as to the independent accountants' independence. The Board also reviewed the fees charged by such independent

FUND ANNUAL AND SEMI-ANNUAL REPORTS. THE FUNDS HAVE PREVIOUSLY SENT THEIR ANNUAL REPORTS AND ANY SUBSEQUENT SEMI-ANNUAL REPORTS TO THEIR SHAREHOLDERS. YOU CAN OBTAIN A COPY OF THESE REPORTS WITHOUT CHARGE BY WRITING TO THE ADVISOR AT ONE FINANCIAL CENTER, BOSTON, MASSACHUSETTS 02111 OR BY CALLING 1-800-426-3750.

OUTSTANDING SHARES AND SIGNIFICANT SHAREHOLDERS. Shareholders of record at the close of business on July 16, 2001 are entitled to notice of and to vote at the Meeting and any adjourned session. Appendix F to

this Proxy Statement lists for each Fund the total number of shares outstanding as of July 16, 2001 for each class of the Fund's shares entitled to vote at the Meeting. It also identifies holders of more than 5% of any class of shares of each Fund and contains information about the shareholdings in the Funds by the Trustees and the executive officers of the Funds.

INFORMATION ABOUT PROXIES AND THE CONDUCT OF THE MEETING

SOLICITATION OF PROXIES. Proxies will be solicited primarily by mailing this Proxy Statement and its enclosures, but proxies may also be solicited through further mailings, telephone calls, personal interviews or e-mail by officers of the Funds or by employees or agents of the Advisor or of LFC and its affiliated companies. In addition, Georgeson Shareholder Communications Inc. has been engaged to assist in the solicitation of proxies, at an estimated cost of \$.

COSTS OF SOLICITATION. All of the costs of the Meeting, including the costs of soliciting proxies, will be paid by the LFC or Fleet. None of these costs will be borne by the Funds or their shareholders.

VOTING AND TABULATION OF PROXIES. Shares represented by duly executed proxies will be voted as instructed on the proxy. If no instructions are given, the proxy will be voted in favor of the relevant New Advisory Agreement and in favor of the nominees for election as Trustees. You may vote by any one of the three following methods: (1) by mailing the enclosed proxy card, (2) through use of the Internet, or (3) by telephone. If you mail the enclosed proxy and no choice is indicated for a proposal listed in the attached Notice of Meeting, your proxy will be voted in favor of that proposal, including all of the nominees for election as Trustees. Votes made through use of the Internet or by telephone must have an indicated choice in order to be accepted. Please see the enclosed proxy insert for information on how to vote by Internet or telephone. At any time before it has been voted, your proxy may be revoked in one of the following ways: (i) by sending a signed, written letter of revocation to the Secretary of the Funds, (ii) by properly executing a later-dated proxy (by any of the methods of voting described above), or (iii) by attending the Meeting, requesting return of any previously delivered proxy and voting in person.

Votes cast in person or by proxy at the Meeting will be counted by persons appointed by the Funds as tellers for the Meeting (the "Tellers"). For Colonial California Insured Municipal Trust, Colonial

Insured Municipal Fund, Colonial New York Insured Municipal Fund and Colonial Municipal Income Trust, 30% of the shares of each Fund outstanding on the record date, present in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund at the Meeting. For Colonial High Income Municipal Trust, Colonial Investment Grade Municipal Trust, Colonial Intermediate High Income Fund and Colonial InterMarket Income Trust I, a majority of the shares entitled to vote of each Fund, outstanding on the record date, present in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund at the Meeting. In determining whether a quorum is present, the Tellers will count shares represented by proxies that reflect abstentions, and "broker non-votes," as shares that are present and entitled to vote. Since these shares will be counted as present, but not as voting in-favor of any proposal, these shares will have the same effect as if they cast votes against the proposal. "Broker non-votes" are shares held by brokers or nominees as to which (i) the broker or nominee

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form PRE 14A

does not have discretionary voting power and (ii) the broker or nominee has not received instructions from the beneficial owner or other person who is entitled to instruct how the shares will be voted.

ADJOURNMENTS; OTHER BUSINESS. If any Fund has not received enough votes by the time of the Meeting to approve that Fund's New Advisory Agreement the persons named as proxies may propose that the Meeting be adjourned one or more times as to that Fund to permit further solicitation of proxies. Any adjournment requires the affirmative vote of more than 50% of the total number of shares of that Fund that are present in person or by proxy when the adjournment is being voted on. The persons named as proxies will vote in favor of any such adjournment all proxies that they are entitled to vote in favor of the relevant Fund's New Advisory Agreement. They will vote against any such adjournment any proxy that directs them to vote against the New Advisory Agreement. They will not vote any proxy that directs them to abstain from voting on the New Advisory Agreement.

The Meeting has been called to transact any business that properly comes before it. The only business that management of the Funds intends to present or knows that others will present is the approval of the New Advisory Agreements and the election of Trustees. If any other matters properly come before the Meeting, and on all matters incidental to the conduct of the Meeting, the persons named as proxies intend to

vote the proxies in accordance with their judgment, unless the Secretary of the Funds has previously received written contrary instructions from the shareholder entitled to vote the shares.

SHAREHOLDER PROPOSALS AT FUTURE MEETINGS. Shareholder proposals to be included in the Funds' proxy materials for the 2002 Annual Meeting of Shareholders of each Fund must be received by the Fund on or before April 8, 2002. Shareholders who wish to make a proposal at the 2002 Annual Meeting that will not be included in the Funds' proxy materials must notify the relevant Fund on or before June 22, 2002. In either case, if the date of that meeting is changed by more than 30 days from September 26, 2002, such proposals must be received by the Fund a reasonable time before it mails its proxy materials for that meeting. If a shareholder who wishes to submit a proposal fails to timely notify the Fund, the proxies solicited for the meeting will have discretionary authority to vote on the shareholder's proposal if it is properly brought before the meeting. If a shareholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules. You may submit shareholder proposals to the Secretary of the Funds, One Financial Center, Boston, Massachusetts 02111-2621.

APPENDIX D

BROKERAGE PRACTICES

The following is a summary of the brokerage practices of the Advisor:

BROKERAGE AND RESEARCH SERVICES. Consistent with the Rules of Fair Practice of the National Association of Securities Dealers, Inc., and subject to seeking "best execution" (as defined below) and such other policies as the Trustees may determine, the Advisor may consider sales of shares of the funds as a factor in the selection of broker-dealers to execute securities transactions for a fund.

The Advisor places the transactions of the funds with broker-dealers selected by the Advisor and, if applicable, negotiates commissions. Broker-dealers may receive brokerage commissions on portfolio transactions, including the purchase and writing of options, the effecting of closing purchase and sale transactions, and the purchase and sale of underlying securities upon the exercise of options and the purchase or sale of other instruments. The funds from time to time also execute portfolio transactions with such broker-dealers acting as principals. The funds do not intend to deal exclusively with any particular broker-dealer or group of broker-dealers.

It is the Advisor's policy generally to seek best execution, which is to place the funds' transactions where the funds can obtain the most favorable combination of price and execution services in particular transactions or provided on a continuing basis by a broker-dealer, and to deal directly with a principal market maker in connection with over-the-counter transactions, except when it is believed that best execution is obtainable elsewhere. In evaluating the execution services of, including the overall reasonableness of brokerage commissions paid to, a broker-dealer, consideration is given to, among other things, the firm's general execution and operational capabilities, and to its reliability, integrity and financial condition.

Securities transactions of the funds may be executed by broker-dealers who also provide research services (as defined below) to the Advisor and the funds. The Advisor may use all, some or none of such research services in providing investment advisory services to each of its investment company and other clients, including the fund. To the extent that such services are used by the Advisor, they tend to reduce the

D-1

Advisor's expenses. In the Advisor's opinion, it is impossible to assign an exact dollar value for such services.

The Trustees have authorized the Advisor to cause the Funds to pay a broker-dealer which provides brokerage and research services to the Advisor an amount of commission for effecting a securities transaction, including the sale of an option or a closing purchase transaction, for the funds in excess of the amount of commission which another broker-dealer would have charged for effecting that transaction. As provided in Section 28(e) of the Securities Exchange Act of 1934, "brokerage and research services" include advice as to the value of securities, the advisability of investing in, purchasing or selling securities and the availability of securities or purchasers or sellers of securities; furnishing analyses and reports concerning issues, industries, securities, economic factors and trends and portfolio strategy and performance of accounts; and effecting securities transactions and performing functions incidental thereto (such as clearance and settlement). The Advisor must determine in good faith that such greater commission is reasonable in relation to the value of the brokerage and research services provided by the executing broker-dealer viewed in terms of that particular transaction or the Advisor's overall responsibilities to the funds and all its other clients.

The Trustees have authorized the Advisor to utilize the services of a clearing agent with respect to all call options written by funds that write options and to pay such clearing agent commissions of a fixed amount per share (currently 1.25 cents) on the sale of the underlying security upon the exercise of an option written by a fund.

The Advisor may use the services of AlphaTrade Inc. (ATI), a registered broker-dealer and subsidiary of the Advisor, when buying or selling equity securities for a fund's portfolio pursuant to procedures adopted by the Trustees and 1940 Act Rule 17e-1. Under the Rule, the Advisor must ensure that commissions a Fund pays ATI on portfolio transactions are reasonable and fair compared to commissions received by other broker-dealers in connection with comparable transactions involving similar securities being bought or sold at about the same time. The Advisor will report quarterly to the Trustees on all securities transactions placed through ATI so that the Trustees may consider whether such trades complied with these procedures and the Rule. ATI employs electronic trading methods by which it seeks to obtain best price and execution for the fund, and will use a clearing broker to settle trades.
