Important Notice to Fund Shareholders

OCTOBER 14, 2008

Although we recommend that you read the complete Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving this Proxy Statement?

- A. You are receiving this Proxy Statement as a Fund shareholder in connection with the annual shareholders meeting for the Nuveen closed-end funds listed at the top of the Notice of Annual Meeting of Shareholders.

You are being asked to vote on one or more important matters affecting your investment in the Fund:

- (i) Updated Investment Policies (all Municipal Funds, excluding Insured Funds). Nuveen's municipal closed-end funds are seeking to adopt a uniform, up to date set of investment policies (the New Investment Policies). In general, these funds currently have a somewhat diverse set of policies, reflecting when the funds were launched over the past 20 years as well as developments over time in the municipal market, including new types of securities as well as investment strategies.
- (ii) Elimination of certain Fundamental Investment Policies and Approval of New Fundamental Investment Policy (Insured Funds only). Insured Fund shareholders are being asked to approve the elimination of certain fundamental investment policies and to approve a new fundamental policy. These changes are designed to give the Insured Funds important flexibility to respond to on-going developments in the bond insurance market while maintaining their current focus on insured bonds backed by insurers with solid credit ratings. In addition, the Insured Funds are seeking to adopt a uniform, up to date set of investment policies.
- (iii) Approval of Fund Board Nominees (all Funds). Each year, you and other Fund shareholders must approve the election of Board members to serve on your Fund's Board. This is a requirement for all funds that list their common shares on a stock exchange. The Funds described in this proxy statement are holding their annual shareholders meetings at which Board members will be elected. The list of specific nominees is contained in the enclosed Proxy Statement.

Your Fund's Board of Trustees/Directors, including your Board's independent members, unanimously recommends that you vote **FOR** each proposal.

Your vote is very important. We encourage you as a shareholder to participate in your Fund's governance by returning your vote as soon as possible. If enough shareholders don't cast their votes, your Fund may not be able to hold its meeting or the vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

Q. What are the potential benefits of the New Investment Policies for common shareholders of the Municipal Funds?

- A. The potential benefits to common shareholders are:

Enhanced ability of the Municipal Funds to generate attractive tax-free income while retaining their focus on investment grade quality municipal securities;

Increased flexibility in diversifying portfolio risks and managing duration (the sensitivity of bond prices to interest rate changes) to pursue the preservation and possible

growth of capital, which, if successful, will help to sustain and build net asset value; and

Improved secondary market competitiveness that may lead to a higher relative market price and/or stronger premium/discount performance.

Q. What are the potential benefits of the New Investment Policies for preferred shareholders of the Municipal Funds?

A. The potential benefits to preferred shareholders are increased flexibility in diversifying portfolio risks and managing duration (the sensitivity of bond prices to interest rate changes) to pursue the preservation and possible growth of capital, which, if successful, will help to sustain and build net asset value and therefore asset coverage levels for preferred shares.

Q. What actions are required in order to implement the New Investment Policies?

A. In order to implement the New Investment Policies and obtain the potential benefits described above, each Municipal Fund must make certain changes to its existing policies, including certain fundamental policies that require approval of shareholders. In some cases, this may require shareholder approval of the elimination of an existing fundamental policy as well as the implementation of a new replacement fundamental policy. Because each Municipal Fund tends to be situated somewhat differently, the specific changes required to implement the New Investment Policies often vary from fund to fund.

Q. Why are shareholders of the Insured Funds being asked to approve the elimination of certain fundamental investment policies and to approve a new fundamental investment policy?

A. As a result of conditions facing the bond insurance market, shareholders are being asked to approve the elimination of certain fundamental investment policies that are restricting, or may be expected in the future to restrict, each Insured Fund's ability to effectively maintain its existing focus on insured bonds backed by insurers with solid credit ratings. In connection with eliminating the respective fundamental investment policies, shareholders are being asked to approve a new fundamental investment policy that will provide the Insured Funds with flexibility to respond to on-going developments in the bond insurance market, while ensuring that the Insured Funds continue to invest substantially all (at least 80%) of their investments in insured bonds backed by insurers with solid credit ratings.

Q. What happens if shareholders don't approve the elimination of the fundamental investment policies and/or don't approve the new fundamental investment policies?

A. A Municipal Fund or an Insured Fund will not be able to implement the new investment policies discussed above. The Municipal Fund or Insured Fund would likely incur further expenses to solicit additional shareholder participation, and may experience potential disruptions to its investment operations. The Municipal Funds and Insured Funds Boards urge you to vote without delay in order to avoid the potential for higher costs and/or disruptions to portfolio operations.

Q. Who do I call if I have questions?

A. If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call Computershare Fund Services, your Fund's proxy solicitor, at (866) 864-0471. Please have your proxy material available when you call.

Q. How do I vote my shares?

- A.** You can vote your shares by completing and signing the enclosed proxy card, and mailing it in the enclosed postage-paid envelope. Alternatively, you may vote by telephone by calling the toll-free number on the proxy card or by computer by going to the Internet address provided on the proxy card and following the instructions, using your proxy card as a guide.

Q. Will anyone contact me?

- A.** You may receive a call from Computershare Fund Services, the proxy solicitor hired by your Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy.

We recognize the inconvenience of the proxy solicitation process and would not impose on you if we did not believe that the matters being proposed were important and in the best interests of the Funds. Once your vote has been registered with the proxy solicitor, your name will be removed from the solicitor's follow-up contact list.

(1) Taxable Auctioned Preferred Shares for Senior Income; Fund Preferred Shares for Floating Rate, Floating Rate Income Opportunity and Tax-Advantaged Floating Rate; Variable Rate Demand Preferred Shares for Insured California Tax-Free Advantage; and Municipal Auction Rate Cumulative Preferred Shares for each Municipal Fund, except California Value, are referred to as Preferred Shares .

(2) California Value has not issued Preferred Shares.

A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting, except that for the two Board Member nominees to be elected by holders of Preferred Shares of each Fund (except California Value), 33 1/3% of the Preferred Shares entitled to vote and represented in person or by proxy will constitute a quorum. Votes cast by proxy or in person at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect the Board Members of that Fund. For purposes of determining the approval of the proposal to elect

nominees for each Fund, abstentions and broker non-votes will have no effect on the election of Board Members. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the new fundamental investment policies for California Value, a change will only be consummated if approved by the affirmative vote of the holders of a majority of the outstanding shares of a Fund. For purposes of determining the approval of the elimination of the

fundamental investment policies and the approval of the new fundamental investment policies for the Insured Funds and Municipal Funds, except California Value, a change will only be consummated if approved by the affirmative vote of the holders of a majority of the outstanding shares of a Fund's Common Shares and Preferred Shares, voting together as a single class, and by the affirmative vote of a majority of the Fund's outstanding Preferred Shares, voting as a separate class. For this purpose, a majority of the outstanding shares means, as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), (a) 67% or more of the voting securities present at the Annual Meeting, if the holders of more than 50% of the outstanding voting securities are present or represented by proxy; or (b) more than 50% of the outstanding voting securities, whichever is less. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the new fundamental investment policies, abstentions and broker non-votes will have the same effect as shares voted against the proposal.

Preferred Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the Annual Meeting, or, if adjourned, one business day before the day to which the Annual Meeting is adjourned, and that would otherwise be treated as broker non-votes may, pursuant to Rule 452 of the New York Stock Exchange, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of Preferred Shares as a class who have voted on the proposal or in the same proportion as the votes cast by all holders of Preferred Shares of the Fund who have voted on that item. Rule 452 permits proportionate voting of Preferred Shares with respect to a particular item if, among other things, (i) a minimum of 30% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares with respect to such item and (ii) less than 10% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares against such item. For the purpose of meeting the 30% test, abstentions will be treated as shares voted and, for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Those persons who were shareholders of record at the close of business on September 22, 2008 will be entitled to one vote for each share held and a proportionate fractional vote for each fractional share held. As of September 22, 2008, the shares of the Funds were issued and outstanding as follows:

The dollar range of equity securities beneficially owned by each Board Member in each Fund and all Nuveen funds overseen by the Board Member as of December 31, 2007 is set forth in Appendix A. The number of shares of each Fund beneficially owned by each Board Member and by the Board Members and officers of the Funds as a group as of December 31, 2007 is set forth in Appendix A. On December 31, 2007, Board Members and executive officers as a group beneficially owned approximately 560,000 shares of all funds managed by NAM (including shares held by the Board Members through the Deferred Compensation Plan for Independent Board Members and by executive officers in Nuveen's 401(k)/profit sharing plan). As of September 22, 2008, each Board Member's individual beneficial shareholdings of each Fund constituted less than 1% of the outstanding shares of each Fund. As of September 22, 2008, the Board Members and executive officers as a group beneficially owned less than 1% of the outstanding shares of each Fund. As of September 22, 2008, no shareholder beneficially owned more than 5% of any class of shares of any Fund.

As a result of the transaction on November 13, 2007 in which Windy City Investments, Inc. (Windy City) acquired Nuveen, Mr. Amboian's outstanding options to acquire shares of Nuveen common stock under various Nuveen stock option plans were cashed out and his outstanding shares of restricted stock (and deferred restricted stock) granted under Nuveen's equity incentive plans became fully vested and were converted into the right to receive a cash payment. In connection with the transaction, Mr. Amboian paid \$30 million to acquire interests in Windy City Investments Holdings, L.L.C., the parent company of Windy City.

Compensation

Prior to January 1, 2008, for all Nuveen funds, Independent Board Members received a \$95,000 annual retainer plus (a) a fee of \$3,000 per day for attendance in person or by telephone at a regularly scheduled meeting of the Board; (b) a fee of \$2,000 per meeting for attendance in person or by telephone where in-person attendance is required and \$1,500 per meeting for attendance by telephone or in person where in-person attendance is not required at a special, non-regularly scheduled board meeting; (c) a fee of \$1,500 per meeting for attendance in person or by telephone at an audit committee meeting; (d) a fee of \$1,500 per meeting for attendance in person or by telephone at a regularly scheduled compliance, risk management and regulatory oversight committee meeting; (e) a fee of \$1,500 per meeting for attendance in person at a non-regularly scheduled compliance, risk management and regulatory oversight committee meeting where in-person attendance is required and \$1,000 per meeting for attendance by telephone or in person where in-person attendance is not required, except that the chairperson of the compliance, risk management and regulatory oversight committee may at any time designate a non-regularly scheduled meeting of the committee as an in-person meeting for the purposes of fees to be paid; (f) a fee of \$1,000 per meeting for attendance in person or by telephone for a meeting of the dividend committee; and (g) a fee of \$500 per meeting for attendance in person at all other committee meetings (including shareholder meetings) on a day on which no regularly scheduled board meeting is held in which in-person attendance is required and \$250 per meeting for attendance by telephone or in person at such committee meetings (excluding shareholder meetings) where in-person attendance is not required and \$100 per meeting when the executive committee acts as pricing committee for IPOs, plus, in each case, expenses incurred in attending such meetings. In addition to the payments described above, the Lead Independent Director received \$25,000, the chairpersons of the audit committee and the compliance, risk management and regulatory oversight committee received \$7,500 and the chairperson of the nominating and governance committee

received \$5,000 as additional retainers to the annual retainer paid to such individuals. Independent Board Members also received a fee of \$2,000 per day for site visits to entities that provide services to the Nuveen funds on days on which no regularly scheduled board meeting is held. When ad hoc committees were organized, the nominating and governance committee at the time of formation determined compensation to be paid to the members of such committee, however, in general such fees were \$1,000 per meeting for attendance in person at any ad hoc committee meeting where in-person attendance was required and \$500 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required. The annual retainer, fees and expenses were allocated among the funds managed by the Adviser, on the basis of relative net asset sizes although fund management may, in its discretion, establish a minimum amount to be allocated to each fund. The Board Member affiliated with Nuveen and the Adviser serves without any compensation from the Funds.

Effective January 1, 2008, for all funds in the Nuveen complex, Independent Board Members receive a \$100,000 annual retainer plus (a) a fee of \$3,250 per day for attendance in person or by telephone at a regularly scheduled meeting of the Board; (b) a fee of \$2,500 per meeting for attendance in person where such in-person attendance is required and \$1,500 per meeting for attendance by telephone or in person where in-person attendance is not required at a special, non-regularly scheduled board meeting; (c) a fee of \$2,000 per meeting for attendance in person or \$1,500 per meeting for by telephone at an audit committee meeting; (d) a fee of \$2,000 per meeting for attendance at a regularly scheduled compliance, risk management and regulatory oversight committee meeting for regular quarterly meetings and \$1,000 per meeting for attendance of other, non-quarterly meetings; (e) a fee of \$1,000 per meeting for attendance in person or by telephone for a meeting of the dividend committee; and (f) a fee of \$500 per meeting for attendance in person at all other committee meetings, \$1,000 for attendance at shareholder meetings, on a day on which no regularly scheduled board meeting is held in which in-person attendance is required and \$250 per meeting for attendance by telephone or in person at such committee meetings (excluding shareholder meetings) where in-person attendance is not required and \$100 per meeting when the executive committee acts as pricing committee for IPOs, plus, in each case, expenses incurred in attending such meetings. In addition to the payments described above, the Independent Chairman receives \$50,000 and the Lead Independent Director, if any, receives \$35,000, the chairpersons of the audit committee and the compliance, risk management and regulatory oversight committee receive \$7,500 and the chairperson of the nominating and governance committee receives \$5,000 as additional retainers to the annual retainer paid to such individuals. Independent Board Members also receive a fee of \$2,500 per day for site visits to entities that provide services to the Nuveen funds on days on which no regularly scheduled board meeting is held. When ad hoc committees are organized, the nominating and governance committee will at the time of formation determine compensation to be paid to the members of such committee, however, in general such fees will be \$1,000 per meeting for attendance in person at any ad hoc committee meeting where in-person attendance is required and \$500 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required. The annual retainer, fees and expenses are allocated among the funds managed by the Adviser, on the basis of relative net asset sizes although fund management may, in its discretion, establish a minimum amount

to be allocated to each fund. The Board Member affiliated with Nuveen and the Adviser serves without any compensation from the Funds.

The boards of certain Nuveen funds (the Participating Funds) established a Deferred Compensation Plan for Independent Board Members (Deferred Compensation Plan). Under the Deferred Compensation Plan, Independent Board Members of the Participating Funds may defer receipt of all, or a portion, of the compensation they earn for their services to the Participating Funds, in lieu of receiving current payments of such compensation. Any deferred amount is treated as though an equivalent dollar amount had been invested in shares of one or more eligible Nuveen funds.

The table below shows, for each Independent Board Member, the aggregate compensation (i) paid by each Fund to each Board Member for its last fiscal year and (ii) paid (including deferred fees) for service on the boards of the Nuveen open-end and closed-end funds managed by the Adviser for the last calendar year.

(1) In April 2008, Mr. Toth was appointed to each Fund's Board effective June 30, 2008.

Committees

The Board of each Fund has five standing committees: the executive committee, the dividend committee, the compliance, risk management and regulatory oversight committee, the audit committee and the nominating and governance committee.

John P. Amboian, Robert P. Bremner, Chair, and Judith M. Stockdale serve as current members of the executive committee of each Fund. The executive committee, which meets between regular meetings of the Board, is authorized to exercise all of the powers of the Board; provided that the scope of the powers of the executive committee, unless otherwise specifically authorized by the full Board, is limited to: (i) emergency matters where assembly of the full Board is impracticable (in which case management will take all reasonable steps to quickly notify each individual Board Member of the actions taken by the executive committee) and (ii) matters of an administrative or ministerial nature. The number of executive committee meetings of each Fund held during its last fiscal year is shown in Appendix B.

Jack B. Evans, Chair, Judith M. Stockdale and Terence J. Toth are current members of the dividend committee of each Fund. The dividend committee is authorized to declare distributions on the Fund's shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. The number of dividend committee meetings of each Fund held during its last fiscal year is shown in Appendix B.

William C. Hunter, William J. Schneider, Chair, Judith M. Stockdale and Carole E. Stone are current members of the compliance, risk management and regulatory oversight committee of each Fund. The compliance, risk management and regulatory oversight committee is responsible for the oversight of compliance issues, risk management, and other regulatory matters affecting the Funds which are not otherwise the jurisdiction of the other Board committees. The number of compliance, risk management and regulatory oversight committee meetings of each Fund held during its last fiscal year is shown in Appendix B.

Each Fund's Board has an audit committee, in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the 1934 Act), that is composed of Independent Board Members who are also independent as that term is defined in the listing standards pertaining to closed-end funds of the New York Stock Exchange and American Stock Exchange, as applicable. Robert P. Bremner, Jack B. Evans, David J. Kundert, Chair, William J. Schneider and Terence J. Toth are current members of the audit committee of each Fund. The audit committee is responsible for the oversight and monitoring of (1) the accounting and reporting policies, procedures and practices and the audit of the financial statements of the Funds, (2) the quality and integrity of the financial statements of the Funds and (3) the independent registered public accounting firm's qualifications, performance and independence. The audit committee reviews the work and any recommendations of the Funds' independent registered public accounting firm. Based on such review, it is authorized to make recommendations to the Board. The audit committee is also responsible for the oversight of the Pricing Procedures of the Funds and the internal Valuation Group. The Boards have adopted a written Audit Committee Charter that conforms to the listing standards of the New York Stock Exchange and American Stock Exchange. A copy of the Audit Committee Charter is attached to the proxy statement as Appendix C. The number of audit committee meetings of each Fund held during its last fiscal year is shown in Appendix B.

Each Fund has a nominating and governance committee that is composed entirely of Independent Board Members who are also independent as defined by New York Stock Exchange or American Stock Exchange listing standards, as applicable. Robert P. Bremner,

Chair, Jack B. Evans, William C. Hunter, David J. Kundert, William J. Schneider, Judith M. Stockdale, Carole E. Stone and Terence J. Toth are current members of the nominating and governance committee of each Fund. The purpose of the nominating and governance committee is to seek, identify and recommend to the Board qualified candidates for election or appointment to each Fund's Board. In addition, the committee oversees matters of corporate governance, including the evaluation of Board performance and processes, and assignment and rotation of committee members, and the establishment of corporate governance guidelines and procedures, to the extent necessary or desirable. The committee operates under a written charter adopted and approved by the Boards of each Fund, a copy of which is available on the Funds' website at www.nuveen.com/etf/products/fundGovernance.aspx. The number of nominating and governance committee meetings of each Fund held during its last fiscal year is shown in Appendix B.

The nominating and governance committee looks to many sources for recommendations of qualified candidates, including current Board Members, employees of the Adviser, current shareholders of the Funds, third party sources and any other persons or entities that may be deemed necessary or desirable by the committee. Shareholders of the Funds who wish to nominate a candidate to their Fund's Board should mail information to the attention of Lorna Ferguson, Manager of Fund Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, Illinois 60606. This information must include evidence of Fund ownership of the person or entity recommending the candidate, a full listing of the proposed candidate's education, experience, current employment, date of birth, names and addresses of at least three professional references, information as to whether the candidate is an interested person (as such term is defined in the 1940 Act) in relation to the Fund and such other information that would be helpful to the nominating and governance committee in evaluating the candidate. All satisfactorily completed information regarding candidates will be forwarded to the chairman of the nominating and governance committee and the outside counsel to the Independent Board Members. Recommendations for candidates to the Board will be evaluated in light of whether the number of Board members is expected to change and whether the Board expects any vacancies. All nominations from Fund shareholders will be acknowledged, although there may be times when the committee is not actively recruiting new Board members. In those circumstances nominations will be kept on file until active recruitment is under way.

The nominating and governance committee sets appropriate standards and requirements for nominations to the Board. In considering a candidate's qualifications, each candidate must meet certain basic requirements, including relevant skills and experience, time availability and, if qualifying as an Independent Board Member candidate, independence from the Adviser or other service providers. These experience requirements may vary depending on the current composition of the Board, since the goal is to ensure an appropriate range of skills and experience, in the aggregate. All candidates must meet high expectations of personal integrity, governance experience and professional competence that are assessed on the basis of personal interviews, recommendations, or direct knowledge by committee members. The committee may use any process it deems appropriate for the purpose of evaluating candidates, which process may include, without limitation, personal interviews, background checks, written submissions by the candidates and third party references. There is no difference in the manner in which the nominating and governance committee evaluates candidates when the candidate is submitted by a shareholder. The nominating and governance committee reserves the right to make the final selection regarding the nomination of any prospective Board member.

The number of regular quarterly meetings and special meetings held by the Board of each Fund during the Fund's last fiscal year is shown in Appendix B. During the last fiscal year, each Board Member attended 75% or more of each Fund's Board meetings and the committee meetings (if a member thereof) held during the period for which such Board Member was a Board Member. The policy of the Board relating to attendance by Board Members at annual meetings of the Funds and the number of Board Members who attended the last annual meeting of shareholders of each Fund is posted on the Funds' website at www.nuveen.com/etf/products/fundgovernance.aspx.
