Item 7.01. Regulation FD Disclosure.

In its earnings press release dated April 29, 2015 and on its earning conference call of the same day, DHI Group, Inc. (the “Company”) reported that in the quarter ended March 31, 2015, the Dice average monthly revenue per recruitment package customer was \$1,055, up 3% year-over-year. The Company also reported such 3% year-over-year increase in its Quarterly Report on Form 10-Q for the quarter ended March 31, 2015. Subsequent to these statements, the Company determined that in the quarter ended March 31, 2015, the Dice average monthly revenue per recruitment package customer was actually \$1,076, up 5% year-over-year, as customers continue, on average, to increase their levels of service on Dice, including adding our Open Web service. The Company has reviewed past calculations of this metric, and, to the best of the Company’s knowledge, the miscalculation was isolated to the quarter ended March 31, 2015, and no other miscalculation of this metric has occurred.
