PROXY STATEMENT
-----

The Board of Directors is soliciting proxies to be used at the 2001 annual meeting. This proxy statement and the enclosed proxy will be mailed to stockholders on or about April 20, 2001.

The Company was incorporated in Delaware in April 1998. On July 24, 1998, two publicly traded companies, CorporateFamily Solutions, Inc. and Bright Horizons, Inc., were merged into two wholly owned subsidiaries of the Company. Pursuant to the merger, each share of common stock of CorporateFamily Solutions was exchanged for one share of the Company's common stock, and each share of

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

common stock of Bright Horizons was exchanged for 1.15022 shares of the Company's common stock. The Company also assumed all outstanding options to purchase CorporateFamily Solutions and Bright Horizons common stock. Unless the context otherwise requires, references in this proxy statement to the Company for periods prior to July 24, 1998 refer to one or both of the Company's predecessors, CorporateFamily Solutions and Bright Horizons, as appropriate. All references to "we", "us", and "our" refer to the Company.

### ABOUT THE MEETING

#### WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At our annual meeting, stockholders will act upon the proposals outlined in the accompanying notice of meeting. In addition, our management will report on our performance during fiscal 2000 and respond to questions from stockholders.

#### WHO IS ENTITLED TO VOTE?

Only stockholders of record at the close of business on the record date, April 2, 2001, are entitled to receive notice of the annual meeting, and to vote the shares of common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share entitles its holder to cast one vote on each matter to be voted upon.

#### WHAT CONSTITUTES A QUORUM?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 12,603,767 shares of our common stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

#### HOW DO I VOTE?

If you complete and properly sign the accompanying proxy card and return the card to us, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

5

#### CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. You can revoke your proxy at any time before it is exercised in any of three ways:

- by submitting written notice of revocation to the Secretary;
- by submitting another proxy that is later dated and properly signed;  
or
- by voting in person at the meeting.

#### WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxies on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board recommends a vote:

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

- for election of each of the nominated directors (see page 6); and
- for approval of the amendment to our 1998 Stock Incentive Plan (see page 18).

With respect to any other proposal that properly comes before the meeting, the proxies will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

### WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

**ELECTION OF DIRECTORS.** The affirmative vote of a plurality of the votes cast by the stockholders entitled to vote at the meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Therefore, so long as a quorum is present, withholding authority will have no effect on whether one or more directors is elected.

**APPROVAL OF THE AMENDMENT TO OUR 1998 STOCK INCENTIVE PLAN; OTHER PROPOSALS.** The amendment to our 1998 Stock Incentive Plan and any other proposal, other than the election of directors, that properly comes before the meeting will be approved if a majority of the shares represented and voting on the proposal vote in favor of the proposal. A properly executed proxy marked "ABSTAIN" with respect to any such proposal will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

### HOW DO I VOTE MY SHARES IF THEY ARE HELD IN THE NAME OF MY BROKER (STREET NAME)?

If your shares are held by your broker, often referred to as in "street name," you should receive a form from your broker seeking instruction as to how your shares should be voted. If you do not issue instructions to your broker, your broker may vote your shares at its discretion on your behalf. However, if you hold your shares in "street name" through a broker or other nominee, your broker or nominee may or may not be permitted to exercise voting discretion with respect to the approval of the amendment to the 1998 Stock Incentive Plan or other proposals to be voted on. A broker holding shares registered in a street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters. A broker non-vote occurs when the broker returns a proxy card without a vote (the "non-vote") on the non-routine matter. Shares represented by the broker non-votes will not be counted as votes for or against any proposal, but they will be counted in determining whether there is a quorum for purposes of each proposal.

Directors who are also our employees receive no additional compensation for service as directors.

OPTIONS. On the date of each annual meeting of stockholders, each non-employee director will be granted an option to purchase 1,000 shares of our common stock, so long as he or she has missed no more than one of the regular meetings of the Board of Directors in the previous year. The exercise price of the options will be the closing market price of our common stock on the date of grant. The options shall vest in one-third increments with one-third vesting equally on the first, second and third anniversary dates of the initial grant, so long as the non-employee director continues to serve as one of our directors.

### HOW OFTEN DID THE BOARD MEET DURING 2000?

During 2000, the Board of Directors met four times. Each director attended more than 75% of the total number of meetings of the Board and committees on which he or she served, except JoAnne Brandes, who attended three of the four director meetings and one of the two Audit Committee meetings.

### WHAT COMMITTEES HAS THE BOARD ESTABLISHED?

The Board of Directors has standing Audit, Compensation and Nominating Committees.

AUDIT COMMITTEE. The Audit Committee is responsible for making recommendations to the Board of Directors concerning our financial statements and the appointment of independent accountants, reviewing significant audit and accounting policies and practices, meeting with our independent accountants concerning, among other things, the scope of audits and reports, and reviewing the performance of the overall accounting and financial controls of the Company. The members of the Audit Committee are Ian M. Rolland (chair), JoAnne Brandes and E. Townes Duncan. The Audit Committee met two times in 2000.

COMPENSATION COMMITTEE. The Compensation Committee is charged with reviewing and approving salaries, bonuses, and other compensation and benefits of executive officers, advising management regarding benefits and other terms and conditions of compensation, and administering our employee stock incentive plan. The members of the Compensation Committee are E. Townes Duncan (chair), Fred K. Foulkes and Joshua Bekenstein. The Compensation Committee met two times in 2000.

NOMINATING COMMITTEE. The Nominating Committee is responsible for developing general criteria concerning the qualifications and selection of Board members and recommending candidates for such positions to the Board of Directors. The Nominating Committee considers director nominees from stockholders for election at each annual meeting of stockholders if a written nomination is received by our Secretary not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting (nomination procedures are discussed in greater detail in our bylaws which will be provided upon written request). The members of the Nominating Committee are Dr. Sara Lawrence-Lightfoot (chair), William H. Donaldson and Fred K. Foulkes. The Nominating Committee met one time in 2000.

## REPORT OF THE AUDIT COMMITTEE

The audit committee of the board of directors is composed of three directors who are independent directors as defined under the applicable rules of the National Association of Securities Dealers. The audit committee operates under a written charter, a copy of which is included as Appendix A to this proxy statement. The audit committee oversees the Company's financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles.

In this context, the audit committee has reviewed and discussed with management and the independent auditors the audited financial statements and the Company's interim financial results included in the Company's quarterly reports filed with the Securities and Exchange Commission on Form 10-Q in advance of the filings of the Form 10-Q. The audit committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the audit committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with them their independence from the Company and its management. The audit committee has considered whether the independent auditors provision of information technology and other non-audit services to the Company is compatible with maintaining the auditor's independence.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors, and the board has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2000, for filing with the Securities and Exchange Commission.

Ian M. Rolland, Chairman  
JoAnne Brandes  
E. Townes Duncan

The foregoing report of the audit committee shall not be deemed incorporated by reference by any general statement incorporating by reference the Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

#### TERMINATION AND RESIGNATION

- The employment agreement may be terminated by us or the employee may resign at any time.

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

- These restrictive covenants will apply for 24 months following the employee's termination or resignation from the Company.

In addition to the above agreement, we have an agreement with Marguerite W. Sallee pursuant to which we have agreed, for the period beginning on January 1, 2000 and ending December 31, 2005, to nominate Ms. Sallee to serve on our Board of Directors as Co-Chairman of the Board, and Ms. Sallee has agreed to serve as a consultant to us to the extent and on the terms and conditions that may be mutually agreed upon by us and Ms. Sallee. During the twenty-four month period after Ms. Sallee ceases to serve on our Board of Directors, her agreement prohibits her from competing against us, divulging any of our trade secrets or other confidential information, hiring away any of our employees and taking any property (memoranda, notes, lists, records, etc.) relating to our business made or compiled by, or made available to, Ms. Sallee during the term of her previous employment with us and/or the term of her service to the Board.

### SEVERANCE AGREEMENTS

We have severance agreements with Stephen I. Dreier, David H. Lissy, Elizabeth J. Boland, and Mary Ann Tocio which provide the following benefits to them if their employment is terminated within twenty-four (24) months following a "change of control" (as defined below) for any reason other than for "cause" (as defined in the severance agreements), death or disability or if they terminate their own employment for "good reason" (as defined in the severance agreements):

- Accrued and unpaid base salary as of the date of termination plus a prorated portion of any bonus payable for the fiscal year in which the termination occurs;

13

17

- For a period of twenty-four months or until the employee secures other employment (whichever is less), monthly severance pay equal to 1/24 (1/26 in the case of Ms. Tocio) of the employee's total salary and cash bonus for the employee's last two years of employment with the Company;
- For a period of twenty-four months or until the employee becomes eligible for participation in a group health plan of another employer (whichever is less), payment by the Company of the employee's and the employee's dependents' premiums for continuation of health insurance coverage or participation in a substantially similar health plan; and
- Automatic vesting of the employee's stock options immediately prior to the change in control, notwithstanding any provision of our stock option plan or any option agreements.

A "change in control" will be deemed to have occurred if:

- Any person becomes the beneficial owner of 50% of the voting power of our outstanding securities;
- The Company is a party to a merger, consolidation, sale of assets or other reorganization, or a proxy contest, pursuant to which the Board members in office prior to the transaction constitute less than a majority of the Board thereafter; or
- Certain changes to the composition of the board occur, as

more particularly described in the severance agreements.

In addition, the severance agreements prohibit each employee from competing against us during the period in which the employee is receiving severance benefits and divulging any of our trade secrets or other confidential information.

Ms. Tocio's severance agreement also provides that she will receive the same benefits set forth above if she is terminated without cause or if she terminates her employment for good reason, without a change in control of the Company.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Decisions concerning the compensation of our executive officers are made by the Compensation Committee of the Board of Directors. Each member of the Compensation Committee is a non-employee director. The Compensation Committee has the responsibility for reviewing and approving salaries, bonuses, and other compensation and benefits of executive officers, advising management regarding benefits and other terms and conditions of compensation, and administering our stock incentive plans.

WHAT IS THE COMPANY'S PHILOSOPHY AND WHAT ARE ITS POLICIES FOR EXECUTIVE OFFICER COMPENSATION?

The Compensation Committee believes that the primary objectives of the Company's executive compensation policy should be:

- to attract and retain talented executives by providing a compensation program that is competitive with the compensation provided to executives at companies of comparable size and position in service businesses, while maintaining compensation within levels that are consistent with the Company's business plan, financial objectives and operating performance;
- to provide appropriate incentives for executives to work towards the achievement of the annual performance goals established by the Company; and
- to more closely align the interests of its executives with those of stockholders by providing long-term incentive compensation in the form of stock option awards and other equity-based, long-term incentive compensation.

The Compensation Committee believes that the Company's executive compensation policies should be reviewed during the first half of the fiscal year after the financial results of the prior fiscal year become available. The policies should be reviewed in light of their consistency with the Company's financial performance, its operating plan

and its position within the child care and education industry, as well as the compensation policies of similar companies in the child care and education business and other service businesses. The compensation of individual executive officers is then reviewed annually by the Compensation Committee in light of its executive compensation policies for that year.

In setting and reviewing compensation for the executive officers, the Compensation Committee considers a number of different factors designed to

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

assure that compensation levels are properly aligned with the Company's business strategy, corporate culture and operating performance. Among the factors considered are the following:

- Comparability--The Compensation Committee considers the compensation packages of similarly situated executives at companies deemed to be most comparable to the Company. The objective is to maintain competitiveness in the marketplace in order to attract and retain the highest quality executives. This is a principal factor in setting base levels of compensation.
- Pay for Performance--The Compensation Committee believes that compensation should be in part directly linked to operating performance. To achieve this link with regard to short-term performance, the Compensation Committee has relied on cash bonuses which have been determined on the basis of certain objective and subjective factors after receiving the recommendations of senior management.
- Equity Ownership--The Compensation Committee believes that an integral part of the executive compensation program at the Company is equity-based compensation plans which encourage and create ownership of the Company's stock by its executives, thereby more closely aligning executives' long-term interests with those of the stockholders. These long-term incentive programs are principally reflected in the Company's stock-based incentive plans. The Compensation Committee believes that significant stock ownership is a major incentive in building stockholder value and reviews awards of equity-based incentives with that goal in mind.
- Qualitative Factors--The Compensation Committee believes that in addition to corporate performance and specific division performance, it is appropriate to consider in setting and reviewing executive compensation the personal contributions that a particular individual may make to the success of the corporate enterprise. Such qualitative factors as leadership skills, planning initiatives, development skills, public affairs and civic involvement have been deemed to be important qualitative factors to take into account in considering levels of compensation.

### HOW WAS BASE COMPENSATION DETERMINED IN 2000?

Certain of the Company's executive officers, including the Chief Executive Officer, are parties to employment agreements. In several instances, base compensation for executive officers subject to employment agreements varied from the terms of such agreements. The base compensation for 2000 for Mr. Brown, the Chief Executive Officer, was increased to a level higher than that required pursuant to his employment agreement based upon the factors described below which affected the determination of base compensation of the Company's executive officers who do not have employment agreements with the Company. Ms. Tocio's employment agreement expired in July 2000. Ms. Tocio's base compensation was increased to a level higher than that required pursuant to her employment agreement based upon the factors described below which affected the determination of base compensation of the Company's executive officers who do not have employment agreements with the Company.

For the remaining executive officers who do not have employment agreements with us, the Compensation Committee subjectively determined base compensation on the basis of discussions with the Chief Executive Officer, a

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

review of the base compensation of executive officers of comparable companies, its experience with the Company and in business generally, and what it viewed to be the appropriate levels of base compensation after taking into consideration the contributions of each executive officer.

### HOW WAS INCENTIVE COMPENSATION DETERMINED IN 2000?

Annual Incentive Compensation. For 2000, the Compensation Committee reviewed the Company's executive officer performance in terms of achieving pre-tax profitability targets, the successful integration of the Company

15

19

following the merger and each executive officer's contribution to the achievement of these objectives. Based on its review of the performance goals and on subjective factors taken into consideration, the Compensation Committee approved incentive payments aggregating \$376,800 for 2000, including \$125,000 for the Chief Executive Officer. No factors in addition to the ones discussed above were considered in setting the incentive compensation of the Chief Executive Officer.

Long-Term Incentive Compensation. The Compensation Committee believes the Company as a part of its regular executive compensation policies should grant awards of long-term, equity-based incentives to executive officers as part of the compensation package that is reviewed annually for each executive officer. In making these awards, the Compensation Committee establishes guidelines at the time of the annual review and takes into account the recommendations of the Chief Executive Officer and the President prior to approving awards of long-term, equity-based incentive compensation to the other executive officers.

During 2000, the Compensation Committee reviewed the amount of stock option holdings by the Company's executive officers and the terms of these options. Based on the Compensation Committee's desire to encourage and create ownership of the Company's common stock by its executive officers and to use equity-based incentives as a retention tool, the Compensation Committee determined to grant stock options to purchase an aggregate of 104,000 shares of common stock with an exercise price based on the fair market value of the common stock on the date of the grant to the executive officers, including option grants to purchase an aggregate of 24,000 shares of common stock to the Chief Executive Officer. These options generally vest annually over five years in one-fifth increments. See "Option Grants for 2000."

### HOW IS THE COMPANY ADDRESSING INTERNAL REVENUE CODE LIMITS ON DEDUCTIBILITY OF COMPENSATION?

Section 162(m) of the Internal Revenue Code of 1986, enacted as part of the Omnibus Budget Reconciliation Act in 1993, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the Company's Chief Executive Officer and four other most highly compensated executive officers. Compensation paid to these officers in excess of \$1,000,000 that is not performance-based cannot be claimed by the Company as a tax deduction. The Compensation Committee believes it is appropriate to take into account the \$1,000,000 limit on the deductibility of executive compensation and to seek to qualify executive compensation awards as performance-based compensation excluded from the \$1,000,000 limit. Stock options and other equity-based incentives granted under the Company's stock incentive plans qualify as performance-based compensation. None of the executive officers received compensation in 2000 that would exceed the \$1,000,000 limit on deductibility. The Committee has not determined whether it will approve any

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

compensation arrangements that will cause the \$1,000,000 limit to be exceeded in the future.

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2000, the Compensation Committee of the Board of Directors was composed of E. Townes Duncan, Fred K. Foulkes and Joshua Bekenstein. None of these persons has at any time been an officer or employee of the Company or any of its subsidiaries. In addition, there are no relationships among the Company's executive officers, members of the Compensation Committee or entities whose executives serve on the Board of Directors or the Compensation Committee that require disclosure under applicable SEC regulations.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

We have an agreement with S.C. Johnson & Son, Inc. to operate and manage a family center for its employees. During 2000, we received management fees and operating subsidies of \$295,000 from S.C. Johnson & Son, Inc. JoAnne Brandes, a member of our Board of Directors, is Senior Vice President, General Counsel and Secretary for S.C. Johnson Commercial Markets, Inc., an affiliate of S.C. Johnson & Son, Inc.

### PROPOSAL 2--APPROVAL OF AMENDMENT TO OUR 1998 STOCK INCENTIVE PLAN

Our 1998 Stock Incentive Plan was originally adopted by our Board of Directors on June 16, 1998 and approved by our two stockholders at the time, CorporateFamily Solutions and Bright Horizons, on July 8, 1998, prior to the merger. On September 18, 1998, the plan was amended by our Board of Directors. At our 1999 Annual Meeting of Stockholders, held on May 20, 1999, our stockholders approved the plan, as amended by the First Amendment to the plan. On April 16, 2001, the Board adopted the Second Amendment to the Plan.

The Board of Directors has approved and recommends that the stockholders approve a third amendment to our 1998 Stock Incentive Plan, as amended, to increase the number of shares of common stock reserved for issuance pursuant to the exercise of options granted under the plan and shares of restricted stock issuable under the plan from a maximum of 1,500,000 shares to 2,250,000 shares. A copy of the proposed amendment is attached as Appendix B to this proxy statement. In addition, the major features of the plan, as amended, are summarized below.

### THE PROPOSED AMENDMENT

As of the record date, options to purchase 953,265 shares of our common stock were outstanding under the plan, options to purchase 94,699 shares had been exercised, no restricted shares had been issued and 452,036 shares remained available for the grant of options or other awards under the plan. The proposed amendment would increase to 2,250,000 the number of shares of our common stock reserved for issuance pursuant to awards granted or to be granted under the plan. If the proposed amendment is approved, Paragraph (a) of Section 3 of the plan would be deleted and replaced with the following:

"(a) As of the Effective Date, the aggregate number of shares of Common Stock that may be issued under the Plan shall be 2,250,000 shares. Of the total number of shares that may be issued under the Plan, an aggregate of 100,000 shares shall be reserved for issuance under Section 8 hereof, subject to increases at the discretion of the Board. The shares of Common Stock issuable under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares. No officer of the Company or other person whose compensation may be subject to the limitations on deductibility under Section 162(m) of the Code shall be eligible to receive awards pursuant to this Plan relating to in excess of 200,000 shares of Common Stock in any fiscal year (the "Section 162(m) Maximum")."

The Board of Directors believes that it is in our best interests and the best interests of our stockholders to approve the amendment to allow us to continue to grant options and other awards under the plan to secure the benefits of the additional incentive inherent in the ownership of our common stock by our key employees, to help secure and retain the services of our key employees and to have a sufficient number of shares of common stock available for awards of restricted stock to our non-employee directors.

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE THIRD AMENDMENT TO THE 1998 STOCK INCENTIVE PLAN, AS AMENDED.

### SUMMARY OF THE MATERIAL PROVISIONS OF THE PLAN, AS AMENDED

The following is a summary of the material provisions of the 1998 Stock Incentive Plan, in effect and as proposed to be amended, and is qualified in its entirety by reference to Appendix B and the plan, as amended by the First and Second Amendments to the plan, copies of which may be obtained by contacting Stephen I. Dreier, Secretary, Bright Horizons Family Solutions, Inc., 200 Talcott Avenue South, Watertown, Massachusetts 02472 (617-673-8000).

GENERALLY. Under the 1998 Stock Incentive Plan, the Compensation Committee of our Board of Directors has the authority to grant to officers, other key employees, outside directors (directors who are not our officers or employees) and consultants to the Company the following types of awards: (1) stock options; (2) restricted stock; and/or (3) other stock-based awards.

Currently, the aggregate number of shares of common stock that may be issued under the plan is 1,500,000 shares. The amendment proposes to increase the aggregate number of shares that may be issued under the plan to 2,250,000 shares. Of the authorized number of shares that may be issued under the plan, only 100,000 shares may be issued pursuant to the exercise of options granted to outside directors. The maximum number of shares of common stock for which awards may be made under the plan to any officer of the Company or other person whose compensation may be subject to the limitations on deductibility under Section 162(m) of the Internal Revenue Code is 200,000 during any single fiscal year.

Any shares as to which an option or other award expires, lapses unexpired, or is forfeited, terminated, or canceled may become subject to a new option or other award. The plan will terminate on, and no award may be granted later than, July 26, 2008, but the exercise date of awards granted prior to such tenth anniversary may extend beyond such date.

AUTOMATIC GRANTS TO OUTSIDE DIRECTORS. The plan also provides for automatic grants of non-qualified stock options to our outside directors. Options to purchase 5,000 shares of common stock were automatically granted to each person serving as an outside director at the first board meeting after the adoption of the plan. Additionally, each director who is first elected to our Board of Directors will automatically receive an option to purchase 5,000 shares of common stock. On the date of each annual meeting of stockholders, each outside director will receive an option to purchase 1,000 shares of common stock, so long as the director did not miss more than one board meeting in the preceding twelve months.

All options automatically granted to an outside director will enable the optionee to purchase shares of common stock at the fair market value of the common stock on the date of grant. Outside directors will not be able to transfer or assign their options without the prior written consent of our Board of Directors other than (i) transfers by the optionee to a member of his or her immediate family or a trust for the benefit of the optionee or a member of his or her immediate family or (ii) transfers by will or by the laws of descent and distribution. Options automatically granted to outside directors will have a term of ten years from the date of grant. The exercise price may be paid in cash, shares of common stock, or a combination thereof.

STOCK OPTIONS. Incentive stock options and non-qualified stock options may be granted for such number of shares as the Compensation Committee may determine and may be granted alone, in addition to, or in tandem with other awards under the plan or cash awards outside the plan. A stock option will be exercisable at such times and subject to such terms and conditions as the

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

Compensation Committee will determine. The term may not be more than ten years after the date of grant (five years in the case of incentive stock options for certain 10% stockholders). The option price for an incentive stock option will not be less than 100% (110% in the case of certain 10% stockholders) of the fair

19

23

market value of common stock as of the date of grant and for any non-qualified stock option will not be less than 50% of the fair market value as of the date of grant. Incentive stock options granted under the plan may not be transferred or assigned other than by will or by the laws of descent and distribution. Non-qualified stock options may not be transferred or assigned without the prior written consent of the Compensation Committee other than (i) transfers by the optionee to a member of his or her immediate family or a trust for the benefit of the optionee or a member of his or her immediate family or (ii) transfers by will or by the laws of descent and distribution.

RESTRICTED STOCK. Restricted stock awards may be granted alone, in addition to, or in tandem with other awards under the plan or cash awards made outside the plan. The provisions attendant to a grant of restricted stock may vary from participant to participant. In making an award of restricted stock, the Compensation Committee will determine the periods during which the restricted stock is subject to forfeiture and may provide such other awards designed to guarantee a minimum value for such stock. The Compensation Committee may also impose such other conditions and restrictions on the shares of restricted stock as it deems appropriate, including the attainment of specified performance goals or such other factors as the Compensation Committee may determine. The Compensation Committee may provide that such restrictions will lapse with respect to specified percentages of the awarded shares of restricted stock on successive future dates. During the restriction period, the employee or consultant may not sell, transfer, pledge, or assign the restricted stock, but will be entitled to vote the restricted stock and to receive, at the election of the Compensation Committee, cash or deferred dividends.

OTHER STOCK-BASED AWARDS. The Compensation Committee also may grant other types of awards, such as performance shares, convertible preferred stock, convertible debentures, exchangeable securities and common stock awards or options valued by reference to earnings by share or performance of our subsidiaries. These awards may be granted alone, in addition to, or in tandem with, stock options, restricted stock, or cash awards outside of the plan. Awards will be made upon such terms and conditions as the Compensation Committee may determine.

EFFECTS OF A CHANGE IN CONTROL. If there is a change of control or a potential change of control of the Company, any stock options granted on or prior to April 16, 2001, that are not then exercisable, will become fully exercisable and vested and the restrictions and deferral limitations applicable to restricted stock and other stock-based awards may lapse and such shares and awards will be deemed fully vested. For purposes of the plan, a change of control is defined generally to include:

- any person or entity, other than the Company or a wholly-owned subsidiary of the Company, becoming the beneficial owner of the Company's securities having 35% or more of the combined voting power of the then outstanding securities that may be cast for the election of directors;
- in connection with a cash tender, exchange offer, merger, or other business combination, sale of assets, or contested election, less than 40% of the combined voting power of our

then outstanding securities entitled to vote generally in the election of directors being held in the aggregate by the holders of our securities entitled to vote generally in our election of directors immediately prior to such transaction; and

- during any period of two consecutive years, individuals who at the beginning of any such period constitute the Board of Directors ceasing to constitute at least a majority thereof, unless the election of each director first elected during such period was approved by a vote of at least two-thirds of our directors then still in office who were our directors at the beginning of any such period.

Stock options, restricted stock, and other stock-based awards that were granted on or prior to April 16, 2001, will, unless otherwise determined by the Compensation Committee in its sole discretion, be cashed out on the basis of the change in control price (as defined in the plan and as described below). The change of control price will be the highest price per share paid in any transaction reported on The Nasdaq National Market or paid or offered to be paid in any bona fide transaction relating to a change in control or potential change in control at any time during the immediately preceding 60-day period, as determined by the Compensation Committee.

AMENDMENTS AND TERMINATION. Our Board of Directors may amend, alter, or discontinue the plan, provided that no amendment may be made that would impair the rights of an optionee or participant under an award made under the plan without the participant's consent.

OPTIONS GRANTED UNDER THE PLAN

Because awards under the plan are at the discretion of the Compensation Committee, the benefits that will be awarded under the plan to persons other than outside directors are not currently determinable. The following table shows as to each of the named executive officers, as to all of our executive officers as a group, as to all outside directors as a group, and as to all other employees as a group, the aggregate number of shares of common stock subject to options granted under the plan that were granted in fiscal 2000, excluding options that have been canceled or forfeited unexercised, and the weighted average per share exercise price. As of April 2, 2001, the market value of a share of common stock based on the closing price for such stock on The Nasdaq National Market was \$23.00.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a brief summary of certain U.S. Federal income tax aspects of options awarded under the plan based upon the federal income tax laws in effect on the date hereof. This summary is not intended to be exhaustive and the exact tax consequences to any grantee will depend upon his or her particular circumstances and other facts. The plan participants must consult their tax advisors with respect to any state, local, and foreign tax considerations or particular federal tax implications of options granted under the plan.

INCENTIVE STOCK OPTIONS. Neither the grant nor the exercise of an incentive stock option will result in taxable income to the employee. The tax treatment of the subsequent sale of shares of common stock acquired upon exercise of an incentive stock option depends on whether the holding period requirement is satisfied. The holding period is met if the disposition of stock by the employee occurs (i) at least two years after the date of grant of the option; (ii) at least one year after the date the shares were transferred to the employee; and (iii) while the employee remains employed by us or not more than three months after his or her termination of employment (or not more than one year in the case of a disabled employee). In the case of a deceased employee, the incentive stock option may be exercised by the deceased employee's legal representative or heir provided the option was an incentive stock option in the hands of the deceased employee and the deceased employee was employed by us at any point during the three months prior to his or her death. However, the plan limits the right of the legal representative of any deceased employee to exercise an option to one year following death. If the holding period requirement is satisfied, the excess of the amount realized upon sale of the shares of common stock acquired upon the exercise of the incentive stock option over the price paid for these shares will be treated as a capital gain. If the employee disposes of the common stock acquired upon the exercise of the incentive stock option before the holding period requirement is met (a "disqualifying disposition"), the excess of the fair market value of the shares on the date of exercise or, if less, the fair market value on the date of disposition, over the exercise price will be taxable as ordinary compensation income to the employee at the time of disposition, and we will be entitled to a corresponding compensation deduction. The balance of the gain, if any, will be a capital gain for the employee. Any capital gain recognized by the employee will be a long-term capital gain if the employee's holding period for the shares of common stock at the time of disposition is more than one year; otherwise it will be short-term.

Although the exercise of an incentive stock option will not result in taxable income to the employee, the excess of the fair market value of the common stock on the date of exercise over the exercise price will be included in the employee's "alternative minimum taxable income" under the Internal Revenue Code. This inclusion might subject the employee to, or increase his or her liability for, the alternative minimum tax under Section 55 of the Internal Revenue Code.

NONQUALIFIED STOCK OPTIONS. There will be no federal income tax consequences to us or to the grantee upon the grant of non-qualified stock options under the plan. However, upon the exercise of a non-qualified stock option under the plan, the grantee will recognize ordinary compensation income for federal income tax purposes in an amount equal to the excess of the fair

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

market value of the shares of common stock purchased over the exercise price. We will generally be entitled to a tax deduction at such time and in the same amount that the employee realizes ordinary income. If the shares of common stock so acquired are later sold or exchanged, the difference between the amount realized from such sale or exchange and the fair market value of such stock on the date of exercise of the option is generally taxable as long-term or short-term capital gain or loss depending upon the length of time the common stock has been held after such date.

**EXERCISE WITH SHARES.** A grantee who pays the exercise price upon exercise of an incentive stock option or non-qualified stock option, in whole or in part, by delivering shares of common stock already owned by him or her will realize no gain or loss for federal income tax purposes on the shares surrendered, but otherwise will be taxed according to the rules described above. Shares of common stock acquired upon exercise that are equal in number to the shares surrendered will have a tax basis equal to the tax basis of the shares surrendered, and (except as noted below with respect to disqualifying dispositions) the holding period of such shares will include the holding period of shares surrendered. In the case of a non-qualified stock option, the basis of additional shares received upon exercise of the non-qualified stock option will be equal to the fair market value of such shares on the date of exercise, and the holding period for such additional shares will commence on the date the option is exercised. In the case of an incentive stock option, the tax basis of the additional shares received will be zero, and the holding period of such shares will commence on the date of the exchange. If any of the shares received upon exercise of the incentive stock option are disposed of within two years of the date of the grant of the incentive stock option or within one year after exercise, the shares with the lowest basis (i.e., zero basis) will be deemed to be disposed of first, and such disposition will be a disqualifying disposition giving rise to ordinary income as previously discussed above.

**RESTRICTED STOCK.** A participant receiving restricted stock generally will recognize ordinary income in the amount of the fair market value of the restricted stock at the time the stock is no longer subject to forfeiture, less the consideration paid for the stock. However, a participant may elect, under Section 83(b) of the Internal Revenue Code within 30 days of the grant of the stock, to recognize taxable ordinary income on the date of grant equal to the excess of the fair market value of the shares of restricted stock (determined without regard to the restrictions) over the purchase price of the restricted stock. Thereafter, if the shares are forfeited, the participant will be entitled to a deduction, refund or loss, for tax purposes in an amount equal to only the purchase price of the forfeited shares regardless of whether she or he made a Section 83(b) election. The holding period to determine whether the participant has long-term or short-term capital gain or loss upon disposition of the shares generally begins when the restriction period expires and the tax basis for such shares will generally be based on the fair market value of such shares on such date. If the participant makes an election under Section 83(b), however, the holding period will commence on the date of grant, the tax basis will be equal to the fair market value of the shares on that date (determined without regard to restrictions), and we generally will be entitled to a deduction equal to the amount that is taxable as ordinary income to the participant in the year with respect to which the election is effective that such income is taxable.

**DIVIDENDS AND DIVIDEND EQUIVALENTS.** Dividends paid on restricted stock generally will be treated as compensation that is taxable as ordinary income to the participant and will be deductible by us. If the participant makes a Section 83(b) election, however, the dividends will be taxable as ordinary income to the participant but will not be deductible by us.

**OTHER STOCK-BASED AWARDS.** The federal income tax treatment of other stock-based awards will depend on the nature of any such award and the restrictions applicable to such award. Such an award may, depending on the

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

conditions applicable to the award, be taxable as an option, an award of restricted stock, or in a manner not described herein.

The plan is not intended to be a "qualified plan" under Section 401(a) of the Internal Revenue Code.

### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The federal securities laws require our directors and executive officers, and persons who own more than 10% of our capital stock, to file initial reports of ownership and reports of changes in ownership of any of our securities with the Securities and Exchange Commission, The Nasdaq National Market and the Company.

Based solely upon a review of filings with the Securities and Exchange Commission and written representations that no other reports were required, we believe that all of our directors and executive officers complied during 2000 with their reporting requirements, with the exception of the following: an amended filing on Form 3 made by David H. Lissy in May 2000 relating to him becoming a Section 16 officer in May 1999; a late filing made by Mary Ann Tocio in January 2001 relating to two transactions in November 2000; a late filing made by JoAnne Brandes in November 2000 relating to transactions in August 2000; an amended filing made by Robert D. Lurie in December 2000 relating to a transaction in December 1999; late filings on Form 5 made in March 2001 by Roger H. Brown, Linda A. Mason, Mary Ann Tocio, Stephen I. Dreier and Elizabeth J. Boland to report options granted in March and June 2000 and to report option exercises in August and November (Roger H. Brown and Linda A. Mason only); and late filings on Form 5 made in March 2001 by each of our directors to report options granted in May 2000.

### CHARTER OF AUDIT COMMITTEE OF BRIGHT HORIZONS FAMILY SOLUTIONS, INC.

The Audit Committee (the "Committee") is appointed by the Board of Directors (the "Board") to assist the Board in monitoring on a periodic basis the processes used by the Company to produce financial statements, the Company's systems of internal accounting and financial controls, and the independence of the Company's outside auditors.

## Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

In discharging its responsibilities, the Committee is empowered to investigate any matter with full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts or consultants for this purpose. The Committee shall make regular reports to the Board.

The Committee shall review and reassess the adequacy of this Charter on an annual basis and submit it annually to the Board for approval.

The Committee shall be comprised of not less than three members of the Board, and the Committee's composition and experience will meet the applicable listing standards of the NASD.

Accordingly, all of the members will be directors:

1. Who have no relationship to the Company that may interfere with the exercise of their independent judgment in carrying out the responsibilities of a director (unless as to one non-independent member the Board under exceptional and limited circumstances determines that membership is required by the best interests of the Company and its shareholders); and
2. Who are financially literate (as defined in the NASD listing standard) or who become financially literate within a reasonable period of time after appointment to the Committee. In addition, at least one member of the Committee will have sufficient experience or background which results in financial sophistication (as defined in the NASD listing standard).

The Committee's monitoring responsibility recognizes that the Company's management is responsible for preparing the Company's financial statements in accordance with generally accepted accounting principles and that the outside auditors are responsible for auditing those financial statements. Additionally, the Committee recognizes that the Company's financial management, as well as its outside auditors, have more time, knowledge and more detailed information on the Company and its financial reports than do Committee members; consequently, in carrying out its responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements and is not conducting an audit or investigation of the financial statements or determining that the Company's financial statements are true and complete or are in accordance with generally accepted accounting principles.

The following functions shall be the common recurring activities of the Committee in carrying out its monitoring responsibilities. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as it deems appropriate given the circumstances.

- I. The Committee shall review with management and the outside auditors the annual audited financial statements to be included in the Company's Annual Report on Form 10-K (or the Annual Report to Shareholders if distributed prior to the filing of Form 10-K) and review and consider with the outside auditors the matters required to be discussed by Statements of Auditing Standards ("SAS") No. 61 and No. 90.
- II. As a whole, or through the Committee chair, the Committee shall review with the outside auditors the Company's interim financial results to be included in the Company's quarterly reports to be filed with Securities and Exchange Commission on Form 10-Q and the matters required to be discussed by SAS No. 61 and No. 90; this review will occur prior to the Company's filing of the Form 10-Q.

- III. The Committee shall discuss with management and the outside auditors the quality and adequacy of the Company's internal controls that could significantly affect the Company's financial statements.
- IV. The Committee shall:
- request from the outside auditors annually a formal written statement delineating all relationships between the outside auditors and the Company that may impact the objectivity and independence of the outside auditors, consistent with Independence Standards Board Standard Number 1;
  - discuss with the outside auditors in an active dialogue any such disclosed relationships and their impact on the outside auditors' independence;
  - consider whether the provision of any non-audit services discussed by the outside auditors is compatible with maintaining the auditors' independence; and
  - if determined appropriate by the Committee, recommend that the Board take appropriate action in response to the outside auditor's report to ensure the outside auditor's independence.
- V. The Committee, subject to any action that may be taken by the Board, shall have the ultimate authority and responsibility to select (or nominate for shareholder approval), evaluate and, where appropriate, replace the outside auditors, and the outside auditors are ultimately accountable to the Board and the Committee.
- VI. The committee shall review annually and submit for inclusion in the Company's annual meeting proxy statement an Audit Committee Report setting forth the information required by the proxy rules of the Securities and Exchange Commission, including the fact that the Committee has discussed with the outside auditors matters relating to their independence and matters relating to SAS No. 61 and No. 90 and the fact that the Committee has recommended to the Board that the audited financial statements be included in the Company's Form 10-K.
