Item 1. Plan History

Plan Amended and Restated.

Effective April 1, 1997, the net assets of The Liberty Corporation and Adopting Related Employers' 401(k) Thrift Plan merged with The Cosmos Broadcasting Corporation Profit Sharing Retirement Plan and Trust (for all applicable Cosmos Broadcasting Corporation participants). The merged plan was renamed The Cosmos Broadcasting Corporation Retirement and Savings Plan. The merged plan provides expanded investment selections and will retain the voluntary contribution, matching contribution, and profit sharing features for eligible Cosmos employees of the predecessor plan. During the Plan year 2000, for the period January 1, 2000 - October 31, 2000, the Plan covered only employees of Cosmos Broadcasting Corporation, Cablevantage, Inc., and SuperCoups USA, Inc. that had completed 1,000 hours of service in a calendar year or in the first 12 months of employment. Effective November 1, 2000, the Plan covers employees of The Liberty Corporation and Special Services Corporation that met the years of service requirement also. Effective on January 1, 2002, the Plan changed its name to The Liberty Corporation Retirement and Savings Plan, and the Plan sponsor was changed to The Liberty Corporation, the parent company of Cosmos Broadcasting Corporation.

Item 2. Changes in Investment Policy

None.

Item 3. Contributions Under the Plan

Employer's Pretax Contributions

Contributions under the Plan by The Liberty Corporation, Cosmos Broadcasting Corporation, Cablevantage, Inc., and Special Services Corporation (the Company) are measured by reference to the employees' contributions, which may be on a pre-tax or after-tax basis. Employer matching contributions are made only on pre-tax employee contributions in accordance with a formula set each year by the Company's Board of Directors. During 2001, the Company contributed an amount equal to 100% of a participant's pre-tax contribution, up to a maximum of 3% of the participant's compensation.

Employer pre-tax matching contributions totaling \$1,242,000 from January 1, 2001 to December 31, 2001 were credited to the accounts of participating employees of the Company.

Employer's Discretionary Contributions

In addition to making a matching pre-tax contribution, Cosmos Broadcasting Corporation may make a separate discretionary contribution at the discretion of the Company's Board of Directors. If the Company elects to make a profit sharing contribution, it will be allocated among all participants who (1) are employed by the Company at the end of the applicable year and are credited with at least 1,000 hours of service for that year or (2) retire, die or become disabled during the applicable year. This allocation will be made after the end of the applicable year and will be based on each participant's compensation relative to the total compensation of all eligible participants (without regard to the participant's voluntary contributions).

Employer discretionary contributions totaling \$2,254,000 in 2001, were credited to the accounts of participating employees.

Report of Independent Auditors

Administrative Committee of The Cosmos
Broadcasting Corporation Retirement and Savings Plan
Cosmos Broadcasting Corporation

We have audited the accompanying statements of net assets available for benefits of The Cosmos Broadcasting Corporation Retirement and Savings Plan as of December 31, 2001 and 2000, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and 2000, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2001, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

1. Description of Plan

The following description of The Cosmos Broadcasting Corporation Retirement and Savings Plan (Plan) provides only general information. On January 1, 2002, the Plan changed its name to *The Liberty Corporation Retirement and Savings Plan*, and the Plan sponsor was changed to The Liberty Corporation, the parent company of Cosmos Broadcasting Corporation. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974. Effective November 1, 2000, the Plan covers all employees of The Liberty Corporation and subsidiaries who have completed 1,000 hours of service in a calendar year or in the first 12 months of employment. Prior to November 1, 2000, the Plan covered all employees of Cosmos Broadcasting Corporation and subsidiaries who have completed 1,000 hours of service in a calendar year or in the first 12 months of employment. The Liberty Corporation and subsidiaries and Cosmos Broadcasting Corporation are hereinafter referred to as the Company or Employer.

Contributions

Participation in the 401(k) portion of the Plan is voluntary. Each year participants may contribute up to 13% of their compensation on either a pre-tax or after-tax basis, or a combination of both, through payroll deductions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company contributes up to 3% of each participant's annual compensation. The annual matching percentage may be changed by resolution of the Board of Directors of the Company, effective at the beginning of any plan year (January 1). The Company may contribute discretionary contributions equal to amounts authorized by the Board of Directors to the profit-sharing portion of the Plan. For the 2001 Plan year, the Company made discretionary contributions of approximately \$2,254,000, consisting of approximately \$1,029,000 in cash and 29,995 shares of common stock of The Liberty Corporation with a fair value of approximately \$1,225,000 (\$40.84 per share). For the 2000 Plan year, the Company made a discretionary contribution in cash of \$2,188,000. The discretionary contributions were allocated to the accounts of participating employees.

Upon enrollment, a participant may direct employee and employer contributions to any of the Plan's fund options. Participants may change their investment options daily.

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Amounts credited to a participant's employer matching and discretionary account vest based on the total number of years of service (as defined under the Plan) with the Company or its related employers as follows:

Number of Years of Service	Percentage of Vesting
Less than 3 years	
3 years	25%
4 years	50%
5 years	75%
6 years	100%

All amounts credited to a participant's employee (before tax or after tax) and employer matching accounts are fully vested upon termination of employment due to a participant's death, total disability or retirement, or after a participant has completed six or more years of service. Also, each employee is fully vested at his or her 65th birthday.

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Effective January 1, 2002, the Company amended the vesting schedule under the Plan. The new percentages are as follows:

Number of Years of Service	Percentage of Vesting
Less than 2 years	
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participant Loans

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1-5 years, unless the loan is used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

A participant who has completed less than six years of service and is terminated for any reason other than those mentioned above forfeits the non-vested amounts in his employer matching and discretionary account. All amounts credited to the employee's account (before tax or after tax) and all vested amounts credited to the employer's matching and discretionary account are distributable upon termination in the form of a lump sum or installment payments.

Forfeited accounts

Retirement and Savings Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Reversion to Special Fund

The Cosmos Broadcasting Corporation Pension Plan and Trust Agreement for Technicians was terminated during 1992. In 1993, twenty-five percent (25%) of the excess assets were reverted to a special fund within the Plan. An allocation of approximately \$9,000 and \$8,000 of the reversion was made during 2001 and 2000, respectively.

Trust to Trust Transfer

On November 1, 2000, The Liberty Corporation sold certain businesses to Royal Bank of Canada. In connection with this transaction, a separate Plan (the Liberty Insurance Group Retirement and Savings Plan) sponsored by The Liberty Corporation, was transferred to Royal Bank of Canada; however, certain employees involved in that Plan remained with The Liberty Corporation. These employees became eligible to participate in the Plan on November 1, 2000. The participant account balance of those employees was transferred to The Cosmos Broadcasting Corporation Retirement and Savings Plan during 2001.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.
