PROXY STATEMENT

TIME, DATE AND PLACE OF ANNUAL MEETING

The enclosed proxy is solicited by the Board of Directors of ProxyMed, Inc., a Florida corporation (the Company), for use at the Annual Meeting of Shareholders to be held on Wednesday, June 2, 2004, at 9:00 a.m., Atlanta time, at the Company's corporate offices located at 1854 Shackleford Court, Suite 200, Atlanta, Georgia 30093. The approximate date this Proxy Statement and the enclosed form of proxy are first being sent to shareholders is April 23, 2004. The form of proxy provides a space for you to record your vote for each proposal. You are urged to indicate your vote on each matter in the space provided; any item not voted upon by you will be voted by the persons named in the proxies at the meeting (i) **FOR** the election of 8 persons to the Board of Directors as set forth below; (ii) **FOR** the ratification and approval of PricewaterhouseCoopers as the Company's independent auditors to perform quarterly reviews for fiscal year 2004; and (iii) in their discretion, upon such other business as may properly come before the meeting. Whether or not you plan to attend the meeting, please complete the proxy card, sign, date and return the proxy card to the transfer agent in the enclosed envelope, which requires no postage if mailed in the United States.

The cost of this proxy solicitation will be borne by the Company. Solicitations of proxies by mail may be supplemented by telephone, telegram, facsimile, personal or electronic solicitation by directors, officers or regular employees of the Company. No additional compensation will be paid to such persons for such activities. The Company estimates that the cost of this proxy solicitation will be approximately \$33,000 including shareholder verification, printing of materials and distribution costs.

Only shareholders of record at the close of business on April 7, 2004 (Record Date), are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, the Company had issued and outstanding 12,624,624 shares of common stock and 13,333 voting shares of common stock represented by Series C 7% Convertible Preferred Stock, all of which are entitled to vote at the Annual Meeting. In the event that there are not sufficient votes for approval of any of the matters to be voted upon at the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies. The quorum necessary to conduct business at the Annual Meeting consists of a majority of the outstanding shares entitled to vote at the Annual Meeting. The approval of the proposals covered by this Proxy Statement will require an affirmative vote of the holders of a majority of the shares of common stock voting in person or by proxy at the Annual Meeting, with the exception of the election of directors, each of whom is elected by a plurality.

All shares of common stock that are represented at the Annual Meeting by properly executed proxies received prior to or at the Annual Meeting and not revoked will be voted at the Annual Meeting or any adjournment thereof as specified therein by the person giving the proxy in accordance with the instructions indicated in such proxies. If no instructions are indicated, such shares represented by proxy will be voted as recommended by the Board of Directors. Abstentions or broker non-votes are counted as shares present in the determination of whether shares of common stock represented at the meeting constitute a quorum. Abstentions and broker non-votes are tabulated separately. Since only a plurality is required for the election of directors, abstentions or broker non-votes will have no effect on the election of directors (except for purposes of determining whether a quorum is present at the Annual Meeting). As to other matters to be acted upon at the Annual Meeting, abstentions are treated as **AGAINST** votes, whereas broker non-votes are not counted for the purpose of determining whether the proposal has been approved.

A SHAREHOLDER WHO SUBMITS A PROXY ON THE ACCOMPANYING FORM HAS THE POWER TO REVOKE IT AT ANY TIME PRIOR TO ITS USE (I) BY DELIVERING A WRITTEN NOTICE TO THE SECRETARY OF THE COMPANY AT THE ATLANTA ADDRESS STATED ABOVE; (II) BY COMPLETING, EXECUTING, DATING AND DELIVERING A LATER-DATED PROXY; OR (III) BY ATTENDING THE MEETING AND VOTING IN PERSON. UNLESS YOU REVOKE YOUR PROXY PRIOR TO ITS USE IN ONE OF THE THREE FOREGOING WAYS, PROXIES WHICH ARE PROPERLY EXECUTED WILL BE VOTED FOR THE PURPOSES SET FORTH THEREON.

INFORMATION REGARDING THE COMPANY'S BOARD OF DIRECTORS AND BOARD COMMITTEES

During 2003, the Company's Board of Directors held fourteen (14) meetings. Each incumbent director attended more than 75% of the meetings of the Board of Directors and committees of which they were a member. In addition to attending meetings, directors discharge their obligations by reviewing Company reports and correspondence to directors and through participation in telephone conferences and other meetings with the Company's management, key employees and others regarding matters of interest or importance to the Company. The Board has determined that the following directors are independent directors as defined by Nasdaq Stock Market Listing Requirements: William L. Bennett, Edwin M. Cooperman, Thomas E. Hodapp, Braden R. Kelly, Kevin M. McNamara and Eugene R. Terry.

The Board of Directors currently has the following standing committees: The Audit Committee and the Compensation Committee.

Audit Committee - We have a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. Our Audit Committee consists of three non-employee, independent directors: Kevin M. McNamara (Chairman), Eugene R. Terry, and Edwin M. Cooperman. Additionally, Braden R. Kelly is an observer to this committee. The Board of Directors has determined that Kevin M. McNamara, Chairman of the Audit Committee, is an audit committee financial expert as defined by Item 401(h) of Regulation S-K of the Exchange Act and he is independent as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act. The Audit Committee is responsible for meeting with representatives of our independent accountants and with representatives of senior management to review the general scope of our annual audit, matters relating to internal audit control systems and the fee charged by the independent accountants. In addition, pursuant to its Charter, the Audit Committee is responsible for reviewing and monitoring the performance of non-audit services by our independent accountants and for recommending the engagement or discharge of our independent accountants.

Compensation Committee - Our Compensation Committee for fiscal 2003 consisted of three non-employee, independent directors: Michael S. Falk, Thomas E. Hodapp and Braden R. Kelly. In March 2003, Mr. Falk was appointed to the committee to replace a departing director and was also appointed as Chairman of this Committee. As of March 3, 2004, Mr. Falk is no longer independent as defined by Nasdaq listing standards as a result of certain payments in connection with the PlanVista merger to an entity controlled Mr. Falk. Upon election of directors at the Annual Meeting, the Board will appoint an independent director to the Compensation Committee to replace Mr. Falk. The Compensation Committee is responsible for approving and reporting to the Board on the annual compensation for all officers, including salary, stock options and other consideration, if any. The Compensation Committee is also responsible for granting stock options to be made under our existing plans. The Compensation Committee held five meetings during fiscal 2003.

Nomination of Directors - The Company does not currently have a nominating committee or a nominating committee charter. This function is performed by the Board of Directors of the Company. We are currently reviewing whether we should implement a nominating committee. Nominations of directors are made by our full Board of Directors. The Board of Directors does not have a formal policy with regard to the consideration of any director

candidates recommended by shareholders. The Board addresses the need to retain members and fill vacancies after discussion among current members of the Board of Directors and the Company's management. The Board of Directors will consider director candidates recommended by shareholders. Nominations by shareholders should be submitted to the Company's Corporate Secretary and must comply with certain procedural and informational requirements set forth in the Company's bylaws. Please see "Shareholder Proposals" below.

Report of the Audit Committee (1)

The Audit Committee is composed of three (3) independent directors as defined in the listing standards promulgated by the National Association of Securities Dealers (NASD), as applicable and as may be modified or supplemented. The Audit Committee held four meetings during fiscal year 2003. The Company's Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee is responsible for reviewing and monitoring, in an oversight capacity, the financial reporting and auditing processes. All members of the Audit Committee share equally the responsibility for the performance of the foregoing functions as further explained below and in the Charter.

The Audit Committee provides assistance to the Board of Directors in fulfilling its obligations with respect to matters involving the accounting, auditing, financial reporting, and internal control functions of the Company. The Audit Committee discusses with the Company's independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with or without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. Only the Audit Committee can engage or terminate the engagement of the independent auditors.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements for fiscal 2003 with the Company's independent auditors, with management and with the entire Board of Directors of the Company and discussed the quality of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee reviewed with the independent auditors, all matters required to be discussed by Statement of Auditing Standards 61 Communications with Audit Committees . In addition, the Audit Committee considered and discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and determined that the independent auditors' non-audit services to the Company were consistent and compatible with the Company's and the foregoing guidelines.

The foregoing notwithstanding, management is ultimately responsible for the Company's financial reporting processes, including the preparation of its financial statements in conformity with Generally Accepted Accounting Principles (GAAP) and its system of internal audit controls, and the Company's outside auditor is responsible for the auditing of those financial statements in accordance with Generally Accepted Accounting Standards (GAAS) and expressing its opinion as to whether the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in conformity with GAAP.

Absent any evidence to the contrary, the Audit Committee has relied, without independent verification, on management's representations that the financial statements are complete, free of material misstatement and prepared in accordance with GAAP, and on the opinion and representations made by the auditor in its report on the Company's financial statements, including its representations that the auditor is independent and the audit was performed in accordance with GAAS. In reliance on the foregoing reviews, discussions and representations, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

COMPENSATION OF DIRECTORS

Our employee directors are not compensated for their services as directors. Non-employee directors are compensated with stock options for their services as directors as follows: Effective beginning May 22, 2002, each non-employee director will be granted 15,000 stock options upon his or her initial appointment or election to the Board of Directors by the shareholders with such grant vesting equally over the following three years. On each subsequent election by the shareholders, each non-employee director receives an additional 5,000 share stock option grant which vests immediately. Additionally, each non-employee director receives an annual 2,500 share stock option grant for each subcommittee membership. Such subcommittee grants vest on a prorata basis (based on four projected subcommittee meetings per election year) as determined by the attendance of the director at each subcommittee meeting, but in any event, after three years. For the 2002-2003 election year, options to purchase a total of 71,875 shares of common stock at exercise prices of \$12.54 to \$20.20 were granted pursuant to the above guidelines. Of the sub-committee amount, 8,125 stock options were accelerated to vest by December 31, 2002, 2,500 were forfeited by a resigning director, and the remaining 6,250 stock options vested in 2003. For the 2003-2004 election year, options to purchase a total of 30,000 and 15,000 options at an exercise price of \$10.63 were granted to compensate the directors upon re-election to the board and participation in sub-committees, respectively, pursuant to the above guidelines. Of the sub-committee amount, 11,250 stock options were accelerated to vest by December 31, 2003 and the remaining 3,750 stock options vested in 2004. Additionally, all directors are reimbursed for reasonable expenses incurred in attending board meetings.

On April 16, 2003, the Company's six non-employee directors were each granted 10,000 stock options at an exercise price of \$7.28 per share for extra services rendered, for increased board activity and participation, and to compensate for the higher risk associated with the rendering of their duties. Such options are for a ten-year term and vest equally over the following three years.

Mr. Guinan currently receives an annual base salary of \$185,000 (effective January 1, 2003) and is entitled to such bonuses as may be awarded from time to time by the Board of Directors and to participate in any stock option plans that we may now have or in the future develop. Mr. Guinan may be terminated for cause as defined in the agreement. If he is terminated for cause, he will be entitled to base salary earned, and he will retain all vested stock options. If he is terminated without cause, then he will be entitled to receive an amount equal to his base salary and bonus, if any,

and continuation of health insurance for six months following termination, plus any unvested options shall vest. In addition, the agreement contains confidentiality and non-competition covenants. Under guidelines approved by our Compensation Committee in January 2002 to authorize bonuses for members of executive and senior management in the event of a change in control of our company, the aggregate amount of the bonus for Mr. Guinan will range from \$0.3 million to \$0.8 million, payable in cash and/or stock, depending on the per share value of the transaction subject to a minimum per share value. In order to earn such bonus, the executive must be an active employee at the time of such event.

In March 2001, we entered into an employment agreement with Mr. Hardin. The agreement is for a three-year term and automatically extends from year to year thereafter unless terminated by us upon 90 days written notice or by the employee upon 30 days written notice prior to the end of the initial term or any extension. Mr. Hardin currently receives an annual base salary of \$185,000 (effective January 1, 2003), and is entitled to such bonuses as may be awarded from time to time and to participate in any stock option plans that we may now have or in the future develop. He may be terminated for cause as defined in his agreement. If terminated for cause, he will be entitled to base salary earned, and he will retain all vested stock options. If he is terminated without cause, he will be entitled to receive an amount equal to his base salary plus bonus, if any, and continuation of health insurance for six months following termination, plus any unvested options shall vest. Under guidelines approved by our Compensation Committee in January 2002 to authorize bonuses for members of executive and senior management in the event of a change in control of our company, the aggregate amount of the bonus for Mr. Hardin will range from \$0.3 million to \$0.8 million, payable in cash and/or stock, depending on the per share value of the transaction subject to a minimum per share value. In order to earn such bonus, the executive must be an active employee at the time of such event.

In December 1998, upon acquiring Key Communications, we entered into a three-year employment agreement with Mr. Hardy. Under this agreement, Mr. Hardy received an annual base salary of \$225,000 and was eligible to receive an annual bonus up to \$40,000 as may be awarded by the Board of Directors. In December 2001, we entered into a new employment agreement with Mr. Hardy. The agreement is for a three-year term and automatically extends from year to year thereafter unless terminated by us upon 90 days written notice or by the employee upon 30 days written notice prior to the end of the initial term or any extension. Under this new agreement, Mr. Hardy currently receives an annual base salary of \$185,000 (effective January 1, 2003) and is entitled to such bonuses as may be awarded from time to time and to participate in any stock option plans which we may now have or in the future develop. He may be terminated for cause as defined in his agreement. If terminated for cause, he will be entitled to base salary earned, and he will retain all vested stock options. In order to earn such bonus, the executive must be an active employee at the time of such event.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for administering, reviewing and approving compensation arrangements with respect to executive compensation, which includes base salaries, annual incentives and long-term stock option plans, as well as any executive benefits and/or perquisites. In addition, the Compensation Committee is responsible for any awards and administration of the Company's stock option plans and grant of options to newly-hired employees, and any future equity incentive plans.

In October 2003, the compensation committee approved grants of 125,000 and 50,000 stock options at an exercise price of \$15.90 per share to Mr. Hoover and Ms. Ham, respectively. Such options are for a ten-year term and vest equally over three years from the date of grant. Additionally, as part of his employment commencing with ProxyMed in December 2003, Gregory J. Eisenhauer, our new executive vice president and chief financial officer, was granted 100,000 stock options at \$16.01 per share. Such options are for a ten-year term and vest equally over three years from the date of grant.

Mr. Hoover has been Chairman of the Board and Chief Executive Officer of the Company since July 2000. During the fiscal year ended December 31, 2003, his annual base salary was \$225,000 pursuant to his employment agreement with the Company and a salary increase approved by the Compensation Committee effective January 1, 2003. Effective January 1, 2004, his salary was increased to \$275,000. In December 2002, Mr. Hoover earned a \$15,000 cash bonus related to the consummation of the acquisition of MedUnite, which was paid in January 2003; and in 2004, Mr. Hoover earned a similar \$15,000 cash bonus related to the consummation of the acquisition of PlanVista which was paid in March 2004. The Compensation Committee believes that while Mr. Hoover's annual base salary is in the low range paid to similarly situated executives at similar companies, his interests are directly aligned with our shareholders due to the fact that as of the date of this report, Mr. Hoover beneficially owns approximately 4% of the Company due to his own direct purchases of the Company's stock and his stock options.

The Compensation Committee's general philosophy with respect to the compensation of the Chief Executive Officer and other executive officers is to offer competitive compensation packages designed to attract and retain key executives critical to the success of the Company. In general, subjective factors rather than specific criteria of the Company's performance have been used in determining and approving executive compensation. The Compensation Committee intends to review the performance and compensation of the executive officers annually, in conjunction with performance of the Company. The Company's compensation programs include a base salary, annual bonus awards based on individual and Company performance, as well as the granting of stock options designed to provide long-term incentives and aligning the interest of management with those of the Company's shareholders.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the Company's Chief Executive Officer and the four (4) other most highly compensated executive officers, unless such compensation is performance based. For purposes of Section 162(m), the Company currently intends to structure any performance-based portion of the compensation of its executive officers that it might develop in a manner that complies with Section 162(m).

THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal year 2003 the Compensation Committee consisted of Michael S. Falk, Thomas E. Hodapp and Braden R. Kelly, and:

None of the members of the Compensation Committee was an officer (or former officer) or employee of the Company or any of its subsidiaries;

None of the members of the Compensation Committee had any relationship requiring disclosure under any paragraph of Item 404 of Regulation S-K;

None of the Company's executive officers served on the compensation committee (or another board committee with similar functions) of any entity where one of that entity's executive officers served on the Company's Compensation Committee;

None of the Company's executive officers was a director of another entity where one of that entity's executive officers served on the Company's Compensation Committee; and

None of the Company's executive officers served on the compensation committee (or another board committee with similar functions) of another entity where one of that entity's executive officers served as a director on the Company's Board.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In April 1997, we made loans totaling \$350,000 to Mr. Harold Blue, ProxyMed's former Chairman of the Board and Chief Executive Officer. The funds were advanced pursuant to two demand promissory notes in the principal amounts of \$290,000 and \$60,000, respectively, each bearing interest at a rate of 7 3/4% per annum. On June 30, 2000, we amended the terms of these notes whereby interest on the notes ceased to accrue subsequent to July 1, 2000 and the loan plus accrued interest, totaling \$435,900 at June 30, 2000, would be payable in a balloon payment in December 2001. In December 2001, a payment of \$250,000 was received from Mr. Blue and applied against the outstanding balance of the loans. We agreed to refinance the remaining \$185,983 balance and a new promissory note was executed by Mr. Blue. The note was collateralized with options to purchase 36,667 shares of common stock granted to Mr. Blue under the ProxyMed stock option plans (of which all but 10,000 expired on December 31, 2003 and the remaining options expired in March 2004, along with additional warrants granted to Mr. Blue from various other public companies. In January 2002, Mr. Blue resigned from ProxyMed's Board of Directors and the remaining board members agreed to extend the exercise period of the stock options held as collateral for the note in an effort to maximize the potential for repayment. In June 2003, the Company amended the promissory note executed in June 2000 by Mr. Blue. The amendment extended the maturity date of the promissory note for an additional twelve months to December 31, 2004, and also allowed Mr. Blue to offset any principal owed with certain amounts payable to Mr. Blue by the Company as a result of a finder's fee arrangement with the Company. Also at that time, Mr. Blue prepaid all interest through the maturity date. Through December 31, 2003, no additional principal payments have been received on this note.

In March 2004, we agreed to accept as collateral for this loan 9,250 shares of [the Company's] common stock that are being issued to Commonwealth Associates (Mr. Blue's current employer) in conjunction with our acquisition of PlanVista. As a result, Mr. Blue and ProxyMed amended a previously existing stock pledge agreement to include these shares as additional collateral. In case of default of payment by Mr. Blue, such shares will be liquidated or returned to us for liquidation and the cash proceeds will be utilized to partially or fully satisfy the loan depending upon the value of such stock at that time.

In March 2001, Mr. Guinan entered into an uncollateralized promissory note for \$45,400 for amounts previously borrowed from ProxyMed. The promissory note calls for minimum bi-weekly payments of \$350 deducted directly from Mr. Guinan's payroll until the note is paid in full on or before February 2006. The note is non-interest bearing but interest is imputed annually based on the Internal Revenue Service Applicable Federal Rate at the time the note was originated (4.98%). Under terms of the promissory note, if Mr. Guinan is terminated without cause, the note is due in full after nine months from the date of termination as long as the scheduled bi-weekly payments continue to be made. As of December 31, 2003, the unpaid principal balance of the note is approximately \$14,000.

Michael S. Falk, a non-employee director of ProxyMed, was the beneficial owner of the PlanVista series C preferred stock owned by PVC Funding Partners, LLC. He is a controlling owner of Commonwealth Associates Group Holdings, LLC, which is the managing member of PVC Funding Partners, LLC which owned 96% of the outstanding PlanVista series C preferred stock and represented 57.9% of the combined voting power of the common stock and series C preferred stock of PlanVista. Commonwealth Associates Group Holdings, LLC acted as one of PlanVista's investment advisers in connection with the merger and received upon consummation of the merger an investment advisory fee of approximately \$1.7 million. Mr. Falk is the beneficial owner of approximately 287,720 shares that were issued in connection with the private equity offering the Company consummated in March 2004. Additionally, one senior executive of ProxyMed had an immaterial ownership interest in PlanVista.

William L. Bennett, a former director of PlanVista, became a director of ProxyMed following consummation of the merger with PlanVista. PlanVista is obligated to Mr. Bennett under a promissory note in the principal amount of \$250,000. The note bears interest at a rate of prime plus 4.0% per annum, but payment of interest is subordinated and

deferred until all senior obligations are paid. The maturity date of the note is December 1, 2004.

Our Restated Articles of Incorporation and Bylaws also provide that we shall indemnify our directors and officers to the fullest extent permitted by Section 607.0831 of the Florida Business Corporation Act, including circumstances in which indemnification is otherwise discretionary. We have procured and maintain insurance under which our directors and officers are insured, subject to the limits of the policy, against certain losses arising from claims made against such directors and officers. Subject to the Exceptions, we have entered into indemnification agreements with most of our directors and executive officers limiting their personal liability for monetary damages and reasonable attorney fees, except for personal liability that cannot be eliminated under the Florida Business Corporation Act.

One of the seven members of the Company's Board of Directors attended the 2003 Annual Meeting of the Company's shareholders.

Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

The firm of PricewaterhouseCoopers LLP (PWC), certified public accountants, served as the Company's independent certified public accountants for the year ended December 31, 2003. PWC has advised the Company that the firm does not have any direct or indirect financial interest in the Company or its subsidiary, nor has such firm had any such interest in connection with the Company or its subsidiary during the past year, other than in its capacity as the Company's independent certified public accountants. The Audit Committee of the Board of Directors has approved PWC as the Company's independent certified public accountants to perform its quarterly reviews for the fiscal year ending December 31, 2004. Although the Audit Committee is not required to do so, it is submitting its selection of the Company's independent certified public accountants for ratification at the Annual Meeting in order to ascertain the views of the Company's shareholders. A vote by shareholders to ratify PWC's appointment as the Company's independent certified public accountants to perform quarterly reviews for the fiscal year ending December 31, 2004 shall also constitute a vote to ratify any appointment of PWC by the Audit Committee to act as the Company's independent certified public accountants in connection with the fiscal 2004 audit. The Audit Committee will not be bound by the vote of the shareholders; however, if the selection is not ratified, the Audit Committee would reconsider its selection.
