Whether or not you expect to attend the Annual Meeting, it is important that you promptly complete, sign, date and mail the proxy card in the enclosed envelope so that you may vote your shares.

By order of the Board of Directors:

Kenneth D. Rardin

President and Chief Executive Officer

Milwaukee, Wisconsin

April [9], 2007

Our 2006 Summary Annual Report (including the Company's Annual Report on Form 10-K) is enclosed with this Notice and Proxy Statement.

**PROXY STATEMENT
FOR THE
2007 ANNUAL MEETING OF SHAREHOLDERS OF
MERGE TECHNOLOGIES INCORPORATED
MAY 11, 2007**

Unless the context otherwise requires, all references in this Proxy Statement to we, our, us, or the Company are to Merge Technologies Incorporated doing business as Merge Healthcare and its subsidiaries.
Why have I received this Proxy Statement?

We are furnishing this Proxy Statement to the holders of shares of our Common Stock (whom we refer to as you or our Shareholders), in connection with the solicitation of proxies by our Board of Directors (which we refer to as our Board) for use at the Annual Meeting of Shareholders to be held on May 11, 2007, or any adjournment or postponement thereof. We first sent this Proxy Statement, the enclosed Notice and proxy card to Shareholders on or about April [9], 2007.

When will the Annual Meeting be held?

The Annual Meeting will be convened at approximately 10:00 a.m. Central Time on May 11, 2007. Any adjournment or postponement thereof will be announced at the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

You are entitled to vote at the Annual Meeting only if you were a shareholder of record at the close of business on March 26, 2007. In addition, only shares of our Common Stock represented by properly executed proxies in the accompanying form received by our Board prior to the Annual Meeting will be voted at the Annual Meeting. A complete list of Shareholders eligible to vote will be available for inspection at our offices beginning two (2) business days after the date of this Notice and Proxy Statement.

How many shares will be entitled to vote at the Annual Meeting?

At the close of business on March 26, 2007, there were 33,901,235 shares of our Common Stock outstanding that have voting rights, including: (i) 31,669,712 shares of our Common Stock, and (ii) one Preferred Series 3 Special Voting Share, which entitles the holder of record of such share to voting rights equal to 2,231,523 shares of our Common Stock. The Preferred Series 3 Special Voting Share was issued by us in connection with our business combination with Cedara Software Corp. (Cedara) to provide voting rights to holders of Merge Cedara ExchangeCo Limited Exchangeable Shares, which shares are convertible into shares of our Common Stock. The Preferred Series 3 Special Voting Share will be treated as Common Stock having 2,231,523 votes at the Annual Meeting. Our current directors and named executive officers own 446,822 shares of our Common Stock, or approximately 1.3% of our total outstanding Common Stock, which they intend to vote in favor of the proposals.

How many shares are required to be present at the Annual Meeting?

A quorum of Shareholders is necessary to hold a valid meeting. The presence in person or representation by proxy at any meeting of our Shareholders of a majority of the outstanding shares of our Common Stock entitled to vote at the meeting constitutes a quorum. If a quorum is not present, then the Annual Meeting may be postponed or adjourned, without notice other than announcement at the Annual Meeting, until a quorum is present or represented. At any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn prior to the subsequent meeting.

Under Wisconsin law, broker non-votes are counted for purposes of determining whether a quorum is present at the Annual Meeting, but are not counted for purposes of determining whether a proposal has been approved. A broker non-vote occurs on an item when a broker does not have discretionary voting authority to vote on a proposal and has not received instructions from the beneficial owner of the shares as to how to vote on the proposal.

How will my vote be counted?

If you specify a choice with respect to any matter to be acted upon in the enclosed proxy and return it to our Board, the shares of our Common Stock represented by that proxy will be voted as specified. If you do not specify a choice in an otherwise properly executed proxy with respect to any proposal referred to therein, the shares of our Common Stock represented by that proxy will be voted with respect to that proposal in accordance with the recommendations of our Board described herein. Votes cast by proxy or in person at the Annual Meeting will be counted by an inspector of election appointed for the Annual Meeting, who will also determine whether or not a quorum is present.

May I change my vote after returning this proxy?

If you sign and return a proxy in the accompanying form, you may revoke it by: (i) giving written notice of revocation to us before the proxy is voted at the Annual Meeting; (ii) executing and delivering a later-dated proxy before the proxy is voted at the Annual Meeting; or (iii) attending the Annual Meeting and voting your shares of Common Stock in person.

What vote is required to approve the proposals?

The eleven (11) nominees receiving the highest vote totals of the eligible shares of our Common Stock will be elected as our directors. With regard to the election of directors, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect.

The affirmative vote of holders of a majority of the shares of our Common Stock eligible to vote (i.e., a majority of the shares of our Common Stock issued and outstanding as of the record date) is required for approval of the proposed Amendment to our Amended and Restated Articles of Incorporation, as well as to approve any other matter that is properly brought before the Annual Meeting. Therefore, approval of this proposal will require the affirmative vote of 16,950,619 shares.

Who will pay solicitation costs associated with this proxy statement?

We will make arrangements with brokerage houses, banks and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the shares of our Common Stock held of record by those persons. We may reimburse these custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses incurred in forwarding proxy materials to these beneficial owners. We will bear the cost of soliciting proxies, although we currently do not intend to solicit proxies. In addition to the use of the mail, proxies may be solicited by our directors, officers or employees, who will not be specifically compensated for these services, by means of personal calls upon, or telephonic, telegraphic or facsimile communications with, Shareholders or their representatives.

The mailing address of our principal executive offices is 6737 West Washington Street, Suite 2250, Milwaukee, Wisconsin 53214-5650. Our Shareholder email address is shareholderinfo@mergehealthcare.com and our web site is located at www.mergehealthcare.com. The shares of our Common Stock are included for quotation on the NASDAQ Global Market under the symbol MRGE.

WE INTEND TO BEGIN MAILING THIS PROXY STATEMENT ON APRIL [9], 2007.

CORPORATE GOVERNANCE

Board of Directors General

Our Board is required to meet at least once per year, either in person or by telephonic conference. Our Board met thirty-eight (38) times during 2006, eight (8) occasions of which included only the non-employee directors. All of the directors attended at least seventy-five percent (75%) of the meetings of the Board, and at least seventy-five percent (75%) of the meetings of all committees on which they served.

Our Board has determined that each of Dr. Barish, Ms. Hajek, and Messrs. Brown, Geras, Lennox, Moley, Ramkumar, Quinn and Reck is independent under NASDAQ listing standards. Our Board generally uses the director independence standards set forth by NASDAQ as its subjective independence criteria for directors, and then makes an affirmative determination as to each director's independence by taking into account other, objective criteria as applicable.

Board Committees

Our Board has three standing committees: an Audit Committee, a Compensation Committee and a Nominating Committee.

Audit Committee. Our Audit Committee adopted an amended and restated charter in August 2006, to replace the charter which had previously been in effect. The charter is available on our web site at www.mergehealthcare.com. Our Audit Committee recommends engagement of the Company's independent accountants, approves services performed by these accountants, and reviews and evaluates the Company's accounting system and its system of internal accounting controls. The Audit Committee met twenty-four (24) times in 2006. The directors who currently serve on the Audit Committee are Mr. Brown, as chair, Messrs. Geras, Ramkumar and Reck. Mr. Brown is the designated financial expert. All of the members of the Audit Committee are independent, as defined in Rule 4200 of the Nasdaq Global Market (which we refer to as Rule 4200).

Compensation Committee. Our Compensation Committee does not have a formal written charter. Our Compensation Committee is responsible for reviewing the compensation of our executive officers and providing recommendations to our Board relating to such compensation. This committee also reviews and administers stock option and other equity grants under our stock option plans. The directors who currently serve on our Compensation Committee are Ms. Hajek, as chair, Dr. Barish, and Messrs. Lennox and Reck. All of the members of the Compensation Committee are currently independent, as defined in Rule 4200. Our Compensation Committee met twenty-one (21) times in 2006.

We did not utilize the services of any compensation consultants in determining the amount or form of executive and director compensation in 2006.

Nominating Committee. Our Nominating Committee has a formal written charter, which is available on our web site at www.mergehealthcare.com. Our Nominating Committee nominates candidates for our Board and will consider nominees recommended by Shareholders. The Nominating Committee met four (4) times in 2006. The directors who currently serve on our Nominating Committee are Dr. Barish, as chair, Ms. Hajek and Mr. Lennox, each of whom are independent, as defined in Rule 4200.

Nominating Committee Composition and Procedures

The Nominating Committee will consider for nomination as a director candidates recommended by Shareholders, directors, officers, third-party search firms and other sources. In evaluating candidates, the Nominating Committee considers the attributes of the candidate (including public company background, healthcare and information technology experience, integrity, strategic contribution, and ability to devote requisite time) and the needs of the Board, and will review all candidates in the same manner, regardless of the source of the recommendation. The Nominating Committee will consider individuals recommended by Shareholders for nomination as a director in accordance with the procedures described in our By-laws. Shareholders submitted no candidates for nomination for election as a director to our Nominating Committee in connection with the 2007

Annual Meeting. According to our By-laws, a Shareholder must give advance notice and furnish certain information in order to submit a nomination for election as a director. Any shareholder who wishes to present a candidate for consideration by our Nominating Committee should send a timely notice identifying the name of the candidate and summary of the candidate's qualifications, along with other supporting documentation, in each case as described in Section 2.13 of our By-laws, to the Nominating Committee.

Policies and Procedures Governing Related Person Transactions

In March 2007, our Board adopted written policies and procedures regarding related person transactions. For purposes of these policies and procedures:

a related person means any of our directors, executive officers, nominees for director, holder of 5% or more of our Common Stock or any of their immediate family members; and

a related person transaction generally is a transaction (including any indebtedness or a guarantee of indebtedness) in which we were or are to be a participant and the amount involved exceeds \$50,000, and in which a related person had or will have a direct or indirect material interest.

Each of our executive officers, directors or nominees for director is required to disclose to our Audit Committee certain information relating to related person transactions for review, approval or ratification by our Audit Committee. Disclosure to our Audit Committee should occur before, if possible, or as soon as practicable after the related person transaction is effected, but in any event as soon as practicable after the executive officer, director or nominee for director becomes aware of the related person transaction. Our Audit Committee's decision whether or not to approve or ratify a related person transaction is to be made in light of our Audit Committee's determination that consummation of the transaction is not or was not contrary to our best interests. Any related person transaction must be disclosed to our full Board.

Because the policies and procedures were first adopted in March 2007, the relationship described below under Related Person Transactions was not approved or ratified pursuant to the terms of the policy.

Related Person Transactions

Through June 30, 2006, Michael D. Dunham served as a member of the audit committee of the board of directors of Merchants & Manufacturers Bancorporation Inc. (MMB), and as a director of the board of directors of Lincoln State Bank, the bank subsidiary of MMB with which we have depository accounts. Mr. Dunham resigned from the boards of directors of MMB and Lincoln State Bank effective June 30, 2006.

Code of Ethics and Whistleblower Policy

We have adopted a Code of Ethics that applies to all of our directors, employees and officers, including our principal executive officer, our principal financial officer, our controller and persons performing similar functions. Our Code of Ethics and the related Whistleblower Policy are available on our web site at www.mergehealthcare.com. Future material amendments or waivers relating to the Code of Ethics and/or the corresponding Whistleblower Policy will be disclosed on our web site referenced in this paragraph within four (4) business days following the date of such amendment or waiver.

Shareholder Litigation

On August 28, 2006, a derivative action was filed in the Circuit Court of Milwaukee County, Civil Division, against certain of our former executive officers, and all of the then-current members of our Board. The plaintiffs allege that each of the individual defendants breached fiduciary duties to us by violating generally accepted accounting principles, willfully ignoring problems with accounting and internal control practices and procedures and participating in the dissemination of false financial statements and also allege that we and the director defendants failed to hold an annual meeting of shareholders for 2006 in violation of Wisconsin law. The plaintiffs ask for unspecified amounts in damages and costs, as well as equitable relief. In response to the filing of this action, our Board formed a Special Litigation Committee, which committee has full authority to investigate the allegations of the derivative complaint and determine whether pursuit of the claims against any or all of the

individual defendants would be in our best interest. The Special Litigation Committee's investigation is substantially complete.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (Exchange Act) requires our executive officers, members of our Board, and persons who own more than ten percent (10%) of a registered class of our equity securities, to file initial statements of beneficial ownership (Form 3), and statements of changes in beneficial ownership (Forms 4 or 5) of our equity securities with the United States Securities and Exchange Commission (Commission). The Commission requires executive officers, directors and greater than ten percent (10%) Shareholders to furnish us with copies of all these forms filed with the Commission.

To our knowledge, based solely upon our review of the copies of these forms received by us, or written representations from certain reporting persons that no additional forms were required for those persons, we believe that all of our executive officers and directors complied with their reporting obligations during 2006.

PROPOSAL TWO: AMENDMENT OF ARTICLES OF INCORPORATION

Our Amended and Restated Articles of Incorporation (the "Articles of Incorporation") currently specify the name of the Company as Merge Technologies Incorporated. Our Board is proposing an amendment to the Articles of Incorporation to change the Company's name to Merge Healthcare Incorporated. If the shareholders approve this proposal, then Article I of our Articles of Incorporation will be amended to read in its entirety as follows:

The name of the Corporation is MERGE HEALTHCARE INCORPORATED.

The name change is intended to better reflect the nature of our business. Our Board believes that Merge Technologies is no longer reflective of our business as it exists today—that is, the development of clinical and medical imaging software applications and development tools that we believe are on the forefront of medicine and medical imaging software solutions and that support end-to-end business and clinical workflow for radiology department and specialty practices, imaging centers and hospitals. Since March 1, 2007, we have been doing business under the name Merge Healthcare for our parent corporation, and the names Merge Healthcare North America and Merge Healthcare EMEA for our direct end-user businesses in North America and Europe, Middle East and Africa, respectively. Changing our corporate and brand names to Merge Healthcare Incorporated emphasizes our exclusive focus on healthcare-related solutions, software and services. We propose to change the Company's formal, legal name to Merge Healthcare Incorporated to reinforce that branding. The name change will not alter any rights of Shareholders.

RECOMMENDATION OF THE BOARD: The Board recommends a vote FOR changing the Company name to Merge Healthcare Incorporated.

INDEPENDENT PUBLIC ACCOUNTANTS

KPMG LLP is our independent public accountant and has audited our consolidated balance sheets as of December 31, 2006, and December 31, 2005, and the consolidated statements of operations, Shareholders' equity, comprehensive income (loss) and cash flows for each of the three years ended December 31, 2006, as stated in their reports appearing in our Annual Report on Form 10-K.

Representatives of KPMG LLP will be present at our Annual Meeting. They will have the opportunity to make a statement if they so desire and to respond to appropriate questions.

The following table presents fees billed for professional services rendered for the audit of our annual financial statements for 2006 and 2005 and fees billed for other services rendered during 2006 and 2005 by KPMG LLP:

	2006	2005
Audit fees (1)	\$ 1,085,000	\$ 2,690,000
Tax fees (2)	6,000	
All other fees	1,500	1,500
Total fees	\$ 1,092,500	\$ 2,691,500

(1) Audit fees include fees for the annual financial statement audit, quarterly reviews, audit of internal control over financial reporting, consents, review of registration statements and review of, and assistance with, Current Reports on Form 8-K.

(2) Tax fees consist of fees for tax compliance and tax consulting in Canada.

The Audit Committee of our Board has considered whether the provision of these services not related to the audit of the financial statements acknowledged above is compatible with maintaining the independence of KPMG LLP and is of the opinion that the provision of these services does not compromise KPMG LLP's independence.

The Audit Committee, in accordance with its charter, must pre-approve all non-audit services provided by our independent registered public accountants. The Audit Committee generally pre-approves specified services in the defined categories of audit services, audit related services and tax services up to specified amounts. Pre-approval may also be given as part of our Audit Committee's approval of the scope of the engagement of the independent registered public accountants or on an individual, explicit case-by-case basis before the independent auditor is engaged to

provide each service.
