PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
SEPTEMBER 10, 2003

INTRODUCTION

This proxy statement is furnished to the shareholders of Value City Department Stores, Inc., an Ohio corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board"), for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on September 10, 2003, at 10:00 a.m., local time, at the Hilton Columbus, 3900 Chagrin Drive, Columbus, Ohio 43219. The Notice of the Annual Meeting, this proxy statement and the accompanying proxy are being mailed to shareholders on or about August 8, 2003. The Company's Annual Report on Form 10-K for the fiscal year ended February 1, 2003 was previously mailed to shareholders.

Shareholders of record at the close of business on July 28, 2003 are entitled to notice of and to vote at the Annual Meeting and any postponements or adjournments thereof. At July 28, 2003, the Company had 33,649,269 outstanding shares of Common Stock, net of treasury shares, without par value (the "Common Stock"). Each outstanding share of Common Stock entitles the holder thereof to one vote upon each matter to be voted upon by shareholders at the Annual Meeting.

All shares represented by properly executed proxies received by the Company prior to the meeting will be voted in accordance with the shareholder's directions. In the absence of instructions to the contrary, proxies will be voted FOR each of the proposals herein. A proxy may be revoked, without affecting any vote previously taken, by:

- o a written notice mailed to the Company (attention James A. McGrady, Secretary);
- o filing a duly executed later dated proxy; or
- o delivery in person at the meeting and voting in person.

The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. This would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters, which include the election of directors.

The election of each director nominee requires the favorable vote of a plurality of all votes cast by the holders of Common Stock at a meeting at which a quorum is present. Proxies that are marked "Withhold Authority" and broker non-votes will not be counted toward such nominee's achievement of a plurality and thus will have no effect.

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

Henry L. Aaron and Harvey L. Sonnenberg. The Compensation Committee establishes, reviews, and recommends an executive compensation package for our Chief Executive Officer and our other executive officers. Additionally, our Compensation Committee administers and grants options under our 1991 Stock Option Plan, as amended, and our 2000 Incentive Stock Plan and administers our Incentive Compensation Plan. None of the members of the Compensation Committee are present or former officers of our Company or are themselves or any of their affiliates, if any, parties to agreements with us.

The following Compensation Report and Performance Graph and the Audit Committee Report previously provided shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any of the Company's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

COMPENSATION REPORT OF THE BOARD OF DIRECTORS

General. The Board has delegated to the Compensation Committee the authority to establish the annual compensation of the executive officers of the Company, other than the Chairman's compensation. The key components of the Company's executive officer compensation include both short-term compensation consisting of an annual base salary and annual bonuses under the Company's Incentive Compensation Plan and long-term equity based compensation consisting of grants of restricted stock and stock option awards. The entire Board has made the only grants of restricted stock by the Company. The Compensation Committee also grants options under the Company's 2000 Stock Incentive Plan.

In fiscal 2002, the Company engaged Hewitt Associates to perform an analysis and make a recommendation to the Board regarding the appropriate compensation to be paid to the Company's key executives. Hewitt reviewed the Company's compensation goals and the compensation packages awarded to executives of other comparable companies. The analysis covered both short-term and long-term incentives and attempted to tie compensation to Company performance.

Hewitt Associates made a presentation to the Company's Compensation Committee and Stock Option Committee in July 2002. Based upon the analysis, the Company entered into a new employment

-16-

agreement with Mr. Rossler, effective February 3, 2002. For a description of this new employment agreement, see "Agreements with Key Executives" in this proxy statement.

Chairman's Compensation. The Chairman's annual base salary was fixed by action of the Board at the time he was appointed Chairman during fiscal 1992. The Chairman does not receive an annual bonus. The Board did not consider or take any action to change the Chairman's annual base salary during fiscal 2002.

Chief Executive Officer. The compensation of the Chief Executive Officer, Mr. Rossler, is fixed pursuant to the terms of his employment agreement, which was negotiated by the Chairman, with input from a number of the Directors.

Executive Officers' Compensation. The remaining executive officers' base salaries were based on negotiated employment agreements. Bonuses for fiscal 2002 were paid pursuant to the Company's Incentive Compensation Plan, which combines individual and company-wide objectives and performance goals to provide a clear vehicle linking the interests of the executive officers with the financial

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

performance of the Company.

Stock Awards. The Company's 1991 Stock Option Plan was adopted at the time the Company went public in 1991 and the Board adopted the Company's 2000 Stock Incentive Plan on December 4, 2000. Both plans were adopted for the purpose of providing long-term incentives to key employees and motivating key employees to improve performance of the Company's stock. Stock options granted under the Company's 1991 Stock Option Plan and the Company's 2000 Stock Incentive Plan are determined and administered by the Compensation Committee, none of the members of which are officers or employees of the Company. In determining the size of a stock option award, the Compensation Committee considers the total number of shares subject to previously granted stock options held by the individual and, based principally on the recommendation of senior executive officers, the anticipated value of an individual's contribution to the Company's future performance. The options granted during fiscal year 2002 were granted to employees as a long-term incentive designed to encourage them to remain with the Company.

The Budget Reconciliation Act of 1993 amended the Internal Revenue Code of 1986, as amended (the "Code") to add Section 162(m) which bars a deduction to any publicly held corporation for compensation paid to a "covered employee" in excess of \$1,000,000 per year. Generally, the Board intends that compensation paid to covered employees shall be deductible to the fullest extent permitted by law. The Company's 1991 Stock Option Plan, the 2000 Stock Incentive Plan and Incentive Compensation Plan are intended to qualify under Section 162(m).

PERFORMANCE GRAPH

The following graph compares the performance of the Company with that of the Standard & Poor's General Merchandise Stores Index and the Russell 2000 Index, both of which are published indexes. This comparison includes the period beginning August 1, 1998 through February 1, 2003.

The Standard & Poor's General Merchandise Stores Index is published weekly in the Standard & Poor's Statistical Service and the index value preceding each fiscal year end has been selected for purposes of this comparison. The Russell 2000 Index is a capitalization-weighted index of domestic equity securities traded on the New York and American Stock Exchanges and the NASDAQ that measures the performance of the 2,000 smallest companies in the Russell 3000 Index. The Common Stock is traded on the NYSE.

The comparison of the cumulative total returns for each investment assumes that \$100 was invested on August 1, 1998 and that all dividends were reinvested.

RELATIONSHIP WITH SSC AND ITS AFFILIATES

Prior to the completion of its initial public offering on June 18, 1991, the Company was operated as the Department Store Division of SSC. On that date, SSC transferred substantially all of the net assets of the Division to the Company in exchange for 22,500,000 shares of our Common Stock.. At April 2, 2003, SSC beneficially owned approximately 53% of the Company's outstanding Common Stock. So long as SSC owns more than 50% of the Company's voting shares, it will continue to have the power acting alone to approve any action requiring a vote of the majority of the voting shares of the Company and to elect all of the Company's directors. For information with respect to the beneficial ownership of the voting stock of SSC by nominees for election to the Board of the Company and beneficial ownership of Common

-18-

Stock by such persons and officers of the Company, see "Security Ownership of Certain Beneficial Owners and Management".

The Company has also adopted a policy that requires its audit committee to review and approve all affiliated party transactions.

REAL ESTATE LEASES AND SUBLEASES

The Company leases stores and warehouses under various arrangements with related parties. Such leases expire prior to, or have renewal options, through 2040. Generally, the Company is required to pay real estate taxes, maintenance, insurance and contingent rentals based on sales in excess of specified levels.

The Company has several leasing agreements with SSC and affiliates. As of February 1, 2003, under a Master Lease Agreement, as amended, the Company leases five store locations owned by SSC. Additionally, the Company leases or subleases from SSC or affiliates of SSC, 27 store locations, 6 warehouse facilities and a parcel of land. The minimum rent for these leaseholds is set forth below with additional contingent rents based on aggregate sales in excess of specified sales trends for the store locations. Leases and subleases with related parties are for initial periods generally ranging from five to twenty years, provide for renewal options and require the Company to pay real estate taxes, maintenance and insurance. As of July 5, 2003, the number of stores locations the Company leases or subleases from SSC or affiliates of SSC is 34 including store locations under the Master Lease Agreement.

Each lease entered into with SSC or its affiliates is on terms at least as favorable to the Company as could be obtained in an arm's-length transaction with an unaffiliated third party, and in certain instances, the Company is given preferential terms. Future minimum lease payments required under the aforementioned leases, exclusive of real estate taxes, insurance and maintenance costs, at February 1, 2003 are as follows (in thousands):

SSC operates a chain of furniture stores, five of which operate in separate space subleased from the Company at five of its store locations. Three of these furniture store subleases (the "Furniture Subleases") are for a term concurrent with the respective lease between the Company and a third party landlord. These Furniture Subleases provide for the payment by SSC of base rent and other charges in amounts at least equal to its pro rata share based on square footage and its pro rata share of any percentage rent based on its gross sales. Two additional furniture store subleases are for periods shorter than the Company's lease. For fiscal 2002, SSC paid the Company an aggregate of \$1.3 million pursuant to these subleases.

LICENSE AGREEMENTS WITH AFFILIATES

In July 1997, the Company entered into agreements to form a 50/50 joint venture with Mazel Stores, Inc. to create VCM, Ltd. to operate the health and beauty care and toys and sporting goods departments in the Value City stores as licensed departments. Beginning in fiscal 2000 VCM also operated the food department. Pursuant to operating agreements between VCM and Value City, VCM paid annual license fees to the Company based on 5% and 11% of net sales and reimbursed us 2% and 4% of its sales for advertising and 2.9% and 1% of its sales for administrative expenses for the health and beauty care and the toys and sporting goods departments, respectively. The aggregate license fees paid by VCM to the Company for fiscal 2001 were \$9.7 million. Effective with the close of business on February 2, 2002, the Company acquired Mazel's 50% interest in VCM for \$8.4 million and we now own 100% of VCM.

MERCHANDISE TRANSACTIONS WITH AFFILIATES

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

From time to time, the Company purchases merchandise from affiliates of SSC. Some of such affiliates manufacture, import and wholesale apparel as their principal business. The members of the Company's merchandising staff use these sources and make their purchasing decisions in the same manner as with unaffiliated sources. Any merchandise purchased from such sources is on terms at least as favorable to the Company as could be obtained in an arm's-length transaction with an unaffiliated third party, and in certain instances, the Company is given terms preferential to those available to unaffiliated customers. Total purchases by the Company from SSC and affiliates for fiscal 2002 were \$13.2 million, representing 0.9% of our total purchases during the fiscal year, while in fiscal 2001 purchases were \$16.4 million, representing 1.3% of our total purchases during the fiscal year.

In May 2001, SSC and Value City entered into a deferred purchase arrangement for the sale of Bugle Boy products that SSC purchased for approximately \$11.9 million. As part of the agreement, Value City agreed to purchase at SSC's cost plus a handling fee any unsold Bugle Boy merchandise owned by SSC on February 2, 2002. On February 6, 2002, the final payment was made to SSC.

In October 2001, SSC and Filene's Basement entered into a deferred purchase arrangement for the sale of products that SSC purchased for approximately \$2.9 million. As part of the agreement, Filene's Basement agreed to purchase goods at SSC's cost plus a handling fee. On May 13, 2002, the final payment was made to SSC.

SERVICES AGREEMENTS

The Company shares with SSC and its affiliates certain incidental support personnel and services for the purpose of achieving economies of scale and cost savings. These shared services include certain architectural, legal, advertising and administrative services. The Company has entered into a Corporate Services Agreement with SSC that sets forth the terms for payment of the costs of these shared services. The Company believes that it is able to obtain such services at a cost, which is equal to or below the cost of providing such services internally or obtaining such services from unaffiliated third parties. For fiscal

-20-

2002, the Company paid SSC or its affiliates \$1.7 million for such services. The Corporate Services Agreement also provides for participation by us in the self-insurance program maintained by SSC. Under that program, the Company is self-insured for purposes of personal injury and property damage, motor vehicle and Ohio workers' compensation claims up to various specified amounts, and for casualty losses up to \$100,000. Claims and losses in excess of the specified amounts are covered by stop-loss or excess liability policies maintained by SSC, which include us as a named insured. SSC maintains reserves and pays claims for self-insured amounts under the program and will continue to do so with respect to the Company's participation in the program. SSC charges its affiliates, divisions and the Company premiums based, among other factors, on loss experience and its actual payroll and related costs for administering the program. For fiscal 2002, the Company paid SSC \$11.9 million for participation in the program.

DEBT AGREEMENTS

On June 11, 2002, the Company entered into two separate credit facilities equally held by Cerberus Partners, L.P. and SSC, and amended and restated its \$75.0 million senior convertible loan, initially entered into on March 15, 2000, which is held equally by Cerberus Partners, L.P. and SSC.

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

\$100 Million Term Loans

The Term Loans are comprised of a \$50.0 million Term Loan B and a \$50.0 million Term Loan C. All obligations under the Term Loans are senior debt, ranking pari passu with the Revolving Credit Facility and the Convertible Loan. The Company and its principal subsidiaries are obligated on the Term Loans. The maturity date is June 11, 2005.

The Term Loans stated rate of interest per annum during the initial two years of the agreement is 14% if paid in cash and 15% if we elect a paid-in-kind ("PIK") option. During the first two years of the Term Loans, the Company may elect to pay all interest in PIK. During the final year of the Term Loans, the stated rate of interest is 15.0% if paid in cash or 15.5% by PIK. The PIK option is limited to 50% of the interest due.

The Company issued to the Term Loan C Lenders 2,954,792 Warrants with an initial exercise price of \$4.50 per share. The number of shares issuable upon the exercise of the Warrants and the per share exercise price are subject to adjustment upon the occurrence of specified events. The Warrants are exercisable at any time prior to June 11, 2012. The Company granted the Term Loan C Lenders registration rights with respect to the shares issuable upon exercise of the Warrants.

\$75 Million Senior Convertible Loan

The Company amended and restated its \$75.0 million Convertible Loan. As amended, borrowings under the Convertible Loan bear interest at 10% per annum. At the Company's option, interest may be PIK for the first two years, and thereafter, at the Company's option, up to 50% of the interest due may be PIK until maturity. The Convertible Loan is guaranteed by all of the Company's principal subsidiaries and is secured by a lien on assets junior to liens granted in favor of the lenders on the Revolving Credit Facility and Term Loans. The Convertible Loan is not subject to prepayment until June 11, 2007. The agent has the right to designate two observers to the Company's Board for so long as the agent is the beneficial owner of at least 50% of the advances initially made by it and has the right to designate two individuals to our Board for so long as the agent is the beneficial owner of at least 50% of the conversion shares issued upon conversion of the advances initially made by it.

-21-

The Convertible Loan is convertible at the option of the holders into shares of our Common Stock at an initial conversion price of \$4.50. The maturity date is June 10, 2009.

The Company recorded \$9.5 million in interest expense and \$3.9 million fees related to its credit agreements in fiscal 2002 of which \$15.5 million was paid. Included in payments during 2002 was \$3.7 million of PIK interest. The Company also repaid an SSC loan in the amount of \$20.0 million in conjunction with the debt financing.
