PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON AUGUST 17, 2006
PROXY SOLICITATION AND COSTS**

The J. M. Smucker Company (the Company or Smucker) is furnishing this document to you in connection with the solicitation by the Board of Directors (the Board) of Smucker of the enclosed form of proxy for its August 17, 2006 annual meeting. In addition to solicitation by mail, the Company may solicit proxies in person, by telephone, facsimile, or e-mail. Also, the Company has engaged a professional proxy solicitation firm, D. F. King & Co., Inc., to assist it in soliciting proxies. The Company will pay a fee of approximately \$9,000, plus expenses, for its services and will bear all costs of the proxy solicitation.

The Company pays for the preparation and mailing of the Notice of Annual Meeting and proxy statement. Smucker has also made arrangements with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of this proxy statement and other meeting materials to the beneficial owners of its common shares at its expense. This proxy statement is dated July 10, 2006, and is first being mailed to Smucker shareholders on or about July 10, 2006.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

What is a proxy?

A proxy is your legal designation of another person (the proxy) to vote the common shares you own. By completing and returning the enclosed proxy card(s), which identifies the individuals or trustees authorized to act as your proxy, you are giving each of those individuals authority to vote your common shares as you indicate on the proxy card(s).

Why did I receive more than one proxy card?

You will receive multiple proxy cards if you hold your common shares in different ways (e.g., trusts, custodial accounts, joint tenancy) or in multiple accounts. If your common shares are held by a broker or bank (i.e., in street name), you will receive your proxy card and other voting information from your broker, bank, trust or other nominee and should return your proxy card to them pursuant to their directions. **You should complete, sign, date, and return your proxy card(s), or vote by telephone or by using the Internet as described in each proxy card you receive.**

What is the record date and what does it mean?

The Company s Board of Directors established June 19, 2006 as the record date for the annual meeting of shareholders to be held on August 17, 2006. Shareholders who own common shares of Smucker at the close of business on the record date are entitled to notice of and to vote at the annual meeting.

What is the difference between a registered shareholder and a street-name holder?

These terms describe how your common shares are held. If your common shares are registered directly in your name with Computershare Investor Services, Smucker s transfer agent, you are a registered

Table of Contents

shareholder. If your common shares are held in the name of a brokerage, bank, trust, or other nominee as a custodian, you are a street-name holder.

How many common shares are entitled to vote at the meeting?

As of the record date, there were 57,140,448 common shares outstanding and entitled to vote at the annual meeting.

How many votes must be present to hold the annual meeting?

A majority of Smucker's outstanding common shares as of the June 19, 2006 record date must be present in person or by proxy in order for the Company to hold the annual meeting. This majority of outstanding common shares is referred to as a quorum. For purposes of determining whether a quorum is present, each common share is deemed to entitle the holder to one vote per share. Properly signed proxy cards that are marked abstain are known as abstentions. Properly signed proxies that are held in street name (e.g., by a broker, bank, trust or other nominee) and not voted on one or more of the items before the annual meeting, but are otherwise voted on at least one item, are known as broker non-votes.

Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Abstentions are also counted as shares present and entitled to be voted. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matter on which the broker has expressly not voted. Thus, except for Proposal 3, broker non-votes will not affect the outcome of any of the matters being voted upon at the meeting. With regard to Proposal 3, abstentions and broker non-votes will have the same effect as votes against the proposal, unless the total votes cast for or against the proposal represent more than 50% in interest of all securities entitled to vote on the proposal. In that case, abstentions and broker non-votes will not have any effect on the result of the vote.

Who will count the votes?

A representative from Computershare Investor Services, Smucker's transfer agent, will determine if a quorum is present and tabulate the votes and serve as the Company's inspector of election at the annual meeting.

What vote is required to approve each proposal?

Proposal 1: The four candidates receiving the greatest number of votes, based upon one vote for each common share owned as of the record date, will be elected. Votes withheld in respect of any candidate in the election of Directors will have no impact on the election.

Proposal 2: The affirmative vote of the holders of at least a majority of the total voting power of the Company, based upon one vote for each common share owned as of the record date, is necessary to ratify the Audit Committee's appointment of the Independent Registered Public Accounting Firm (hereinafter referred to as the independent auditors). As discussed in more detail elsewhere in this proxy statement, the Audit Committee does not presently intend to reconsider its appointment of the Independent Registered Public Accounting Firm unless the proposal receives the affirmative vote of less than a majority of the votes cast at the meeting.

Proposal 3: The proposal to approve The J. M. Smucker Company 2006 Equity Compensation Plan requires the affirmative vote of a majority of the votes cast at the meeting, giving effect to the ten-votes-per-share provision of Smucker's Amended and Restated Articles of Incorporation, provided that the total votes cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal.

How do I vote my common shares?

If you are a registered shareholder, you can vote your proxy in the following manner:

by attending the annual meeting and voting; or

by completing, signing, dating, and returning the enclosed proxy card(s); or

by calling the toll-free telephone number indicated on your proxy card(s); or

by using the Internet as described on your proxy card(s).

Please refer to the specific instructions set forth on the enclosed proxy card(s).

If you hold your common shares in street name, your broker, bank, trustee or other nominee will provide you with materials and instructions for voting your common shares.

Can I change my vote after I have mailed in my proxy card?

Yes, if you are a registered shareholder, you may revoke your proxy in any of the following ways:

sending a written notice to the corporate secretary of Smucker, provided that the written notice is received prior to the annual meeting and states that you revoke your proxy;

signing and dating a new, later-dated proxy card(s) and submitting that proxy card to Computershare Investor Services so that it is received prior to the annual meeting;

voting by telephone or using the Internet prior to the annual meeting in accordance with the instructions included with the proxy card(s); or

attending the annual meeting and voting in person.

Your mere presence at the annual meeting will not revoke your proxy. You must take affirmative action in order to revoke your proxy.

If your common shares are held in street name, you must contact your broker, bank, trust or other nominee in order to revoke your proxy. If you wish to vote in person at the annual meeting, you must contact your broker and request a document called a legal proxy. You must bring this legal proxy obtained from your broker, bank, trust or other nominee to the annual meeting in order to vote in person.

What are the Board's recommendations on how I should vote my common shares?

The Board recommends that you vote your common shares as follows:

Proposal 1 **FOR** the election of the four Board of Directors nominees with terms expiring at the 2009 Annual Meeting of Shareholders.

Proposal 2 **FOR** the ratification of the Audit Committee's appointment of Ernst & Young LLP as the Independent Registered Public Accounting Firm of Smucker for the 2007 fiscal year.

Proposal 3 **FOR** the approval of The J. M. Smucker Company 2006 Equity Compensation Plan.

Who may attend the meeting?

All shareholders are eligible to attend the meeting; however, only those shareholders of record at the close of business on June 19, 2006 are entitled to vote at the meeting.

Do I need an admission ticket to attend the meeting?

Tickets are not required to attend the meeting. If you are a registered shareholder, properly mark your proxy card to indicate that you will be attending the meeting. If you hold your shares in nominee or street name, you are required to bring evidence of share ownership to the meeting (e.g., account statement, broker verification).

Table of Contents

What type of accommodations can the Company make at the annual meeting for people with disabilities?

The Company can provide reasonable assistance to help you participate in its annual meeting if you tell the corporate secretary about your disability and how you plan to attend. Please call or write the corporate secretary of Smucker at least two weeks before the annual meeting at 330-684-3838 or Strawberry Lane, Orrville, Ohio 44667.

Does Smucker have cumulative voting?

Under Ohio law, all of the common shares may be voted cumulatively in the election of Directors if a shareholder of record wishing to exercise cumulative voting rights provides written notice to the Company's president, one of its vice presidents, or the corporate secretary not less than 48 hours before the time of the meeting if notice of the meeting has been given at least ten days before the meeting. The notice must state that the shareholder desires that the voting at the election be cumulative. Also, an announcement of the Company's receipt of the shareholder's intent to exercise cumulative voting rights must be made when the meeting is convened by the chairman or the corporate secretary or by or on behalf of the shareholder giving the notice. Under cumulative voting, the number of votes to which each shareholder otherwise is entitled is multiplied by the number of Directors to be elected, and the shareholder then may cast that aggregate number of votes all for one nominee, or may divide them out among the nominees as the shareholder deems appropriate.

The Company intends to vote all proxies solicited whether or not there is cumulative voting at the meeting. In the event that there is cumulative voting, unless a shareholder provides contrary instructions on his, her or its proxy card, all votes represented by proxy cards will be divided evenly among the nominees named in this document, unless it appears that voting in that way would not be effective to elect all of those nominees. In that case, the votes represented by proxies will be cast as recommended by the Board of Directors at the annual meeting so as to maximize the number of nominees elected.

Table of Contents

**ELECTION OF DIRECTORS
(Proposal 1 on the proxy card)**

Unless instructed otherwise, the proxies intend to vote **FOR** the election of Paul J. Dolan, Nancy Lopez, Gary A. Oatey, and Timothy P. Smucker, as Directors, each for a term of three years. Messrs. Paul J. Dolan, Gary A. Oatey and Timothy P. Smucker, comprise the class of Directors whose term of office expires this year and whose members are standing for re-election at the 2006 annual meeting. Ms. Lopez has been nominated by the Board to stand for election at the 2006 annual meeting.

After many years of distinguished service, Fred A. Duncan and Charles S. Mechem, Jr. will be retiring from the Board at the August 2006 Board meeting. The Company appreciates Mr. Duncan's and Mr. Mechem's years of service and thanks them for their guidance during their tenure with the Board.

In the event of the death or inability to act of any of the nominees for Directors, the proxy with respect to such nominee or nominees will be voted for such other person or persons as the Board of Directors may recommend. The Company has no reason to believe that the persons listed as nominees for Directors will be unable to serve.

The members of the Board of Directors, including those who are nominees for election, with information as to each of them based on data furnished to the Company by these persons as of June 30, 2006, are as follows:

Director Independence

Smucker requires that a majority of its Directors be independent as defined by the rules of the New York Stock Exchange, the Securities and Exchange Commission, and may in the future amend its corporate governance guidelines to establish such additional criteria as the Board may determine to be appropriate. The Board makes a determination as to the independence of each Director on an annual basis. The Board has determined that the following seven Directors are independent Directors: R. Douglas Cowan, Kathryn W. Dindo, Paul J. Dolan, Elizabeth Valk Long, Charles S. Mechem, Jr., Gary A. Oatey, and William H. Steinbrink.

In general, independent means that a Director has no material relationship with Smucker or any of its subsidiaries. The existence of a material relationship is determined upon a review of all relevant facts and circumstances and generally is a relationship that might reasonably be expected to compromise the Director's ability to maintain his or her independence from management.

The Board considers the issue of materiality from the standpoint of the persons or organizations with which the Director has an affiliation, as well as from the standpoint of the Director.

The following standards will be applied by the Board of Directors of Smucker in determining whether individual Directors qualify as independent under the rules of the New York Stock Exchange. References to Smucker include its consolidated subsidiaries.

No Director will be qualified as independent unless the Board of Directors affirmatively determines that the Director has no material relationship with Smucker, either directly or as a partner, shareholder or officer of an organization that has a relationship with Smucker. Smucker will disclose these affirmative determinations.

No Director who is a former employee of Smucker can be independent until three years after the end of his or her employment relationship with Smucker.

No Director whose immediate family member is, or has been within the last three years, an executive officer of Smucker, can be independent.

No Director who received, or whose immediate family member has received, more than \$100,000 in any twelve-month period in direct compensation from Smucker, other than Director and Committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), can be independent until three years after he or she ceases to receive more than \$100,000 in any twelve-month period in such compensation.

No Director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of Smucker can be independent until three years after the end of the affiliation or the employment or auditing relationship.

No Director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of Smucker's present executive officers serve on that company's compensation committee can be independent until three years after the end of such service or employment relationship.

No Director who is an employee, or whose immediate family member is an executive officer, of a company (excluding charitable organizations) that makes payments to, or receives payments from, Smucker for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues can be independent until three years after falling below such threshold.

No Director can be independent if Smucker has made charitable contributions to any charitable organization in which such Director serves as an executive officer if, within the preceding three years, contributions by Smucker to such charitable organization in any single completed fiscal year of such

Table of Contents

charitable organization exceeded the greater of \$1,000,000 or 2% of such charitable organization's consolidated gross revenues.

The value of the services purchased from Jones Day in fiscal year 2006 does not exceed the greater of \$1,000,000 or 2% of Jones Day's consolidated gross revenues.

The value of the services, electricity and natural gas, purchased from FirstEnergy and its affiliates in fiscal year 2006 does not exceed the greater of \$1,000,000 or 2% of FirstEnergy's consolidated gross revenues.

The value of advertising and promotional activities sponsored with the Cleveland Indians' organization in fiscal year 2006 does not exceed the greater of \$1,000,000 or 2% of the Cleveland Indians' gross revenues.

Smucker's Policy on Ethics and Conduct applies to all employees and Directors of the Company, its subsidiaries, and its affiliates. The Board has established means for employees to report violations of the policy either with their manager or supervisor, or with the general counsel. Reports to the general counsel may be made in writing, by phone, or in person, and may be submitted anonymously through the Company's hotline.

Table of Contents**BOARD OF DIRECTORS AND COMMITTEE MEETINGS****Board of Directors**

During the 2006 fiscal year, there were four meetings of the Company's Board of Directors. All Directors are required to, and did, attend at least 75% of the total number of Board and Committee meetings for which they were eligible. Additionally, all Directors attended the August 2005 annual meeting, with the exception of Mr. Dolan who was elected to the Board in April 2006. The Board of Directors has a Nominating and Corporate Governance Committee, an Executive Compensation Committee, and an Audit Committee.

All of the Committees are comprised entirely of independent Directors in accordance with the New York Stock Exchange listing standards. Charters for each Committee are posted on the Company's website at www.smuckers.com. A copy will be provided free of charge to any shareholder submitting a written request to Shareholder Relations, The J. M. Smucker Company, Strawberry Lane, Orrville, Ohio 44667. Director Compensation

Directors who are employees of Smucker receive no compensation for their services as a Director. In fiscal year 2006, the Company's nonemployee Directors were eligible to receive the following compensation for their services:

Fiscal 2006

Annual Retainer	\$ 30,000	per year
Annual Retainer for Committee Chair	\$ 4,000	per year
Attendance Fee for Board Meetings	\$ 1,500	per meeting
Attendance Fee for Committee Meetings	\$ 1,200	per meeting
Annual Grant of Stock Options	2,000	stock options per nonemployee Director, granted each September
Annual Grant of Deferred Stock Units	400	deferred stock units per nonemployee Director joining the Board after January 1, 1997, granted each August (with a maximum lifetime grant of 6,000 units)

During fiscal year 2006, nonemployee Directors elected to receive all or 50% of their annual retainer and committee fees in the form of deferred stock units under Smucker's Amended and Restated Nonemployee Director Stock Plan, which was approved by shareholders at the August 2004 annual meeting. All deferred stock units, together with dividends credited on those deferred stock units, are paid out in the form of common shares upon termination of

service as a nonemployee Director.

Table of Contents

In 2001, the shareholders of Smucker approved the implementation of a Nonemployee Director Stock Option Plan. The plan is designed to provide additional compensation for nonemployee Directors of Smucker and to attract and retain candidates of the highest quality to serve on the Board. At the April 2004 meeting of the Executive Compensation Committee, the Committee, as part of the compensation structure set forth in the above summary, approved an increase in the annual grant of stock options (made annually in September) to each eligible nonemployee Director from 1,500 options to 2,000 options, unless otherwise determined by the Executive Compensation Committee. Such increase in options was effective for fiscal year 2005. The options granted under this plan vest fully six months after the date of grant and have a term of ten years.

At its April 2006 meeting, the Executive Compensation Committee and the Board of Directors approved an increase in the compensation paid to its nonemployee Directors effective October 1, 2006. The increase in compensation paid to nonemployee Directors is based on a review of director compensation conducted by the Company's outside compensation consultant, concurrent with the Company's biannual range review of executive compensation. This independent review of directors' compensation was compared to a peer group of food industry companies. Based on this independent data, a decision was made to increase the pay for Smucker's nonemployee Directors to provide compensation more competitive to relative current market conditions. After implementation of these increases, Director compensation will be at the 52nd percentile of its peer group. Effective October 1, 2006, compensation for nonemployee Directors will be as follows:

Fiscal 2007 (effective October 1, 2006)

Annual Retainer	\$ 40,000	per year
Annual Retainer for Committee Chair (except Audit Committee)	\$ 5,000	per year
Annual Retainer for Audit Committee Chair	\$ 10,000	per year
Attendance Fee for Board Meetings	\$ 1,500	per meeting
Attendance Fee for Committee Meetings	\$ 1,500	per meeting
Annual Grant of Deferred Stock Units	\$ 60,000	worth deferred stock units granted annually in October

The annual grant of deferred stock units having a value of \$60,000 will be issued out of The J. M. Smucker Company 2006 Equity Compensation Plan, subject to shareholder approval of the Plan. All deferred stock units, together with dividends credited on those deferred stock units, will be paid out in the form of common shares upon termination of services as a nonemployee Director.

Smucker provides transportation to and from Board and Committee meetings for its nonemployee Directors via the Company's aircraft or commercial airlines as appropriate. Periodically, a Director's spouse will be included in these transportation arrangements. The total cost of transportation for spouses of nonemployee Directors for fiscal year 2006 was less than \$10,000.

The Board does not have specific guidelines for share ownership by Directors, but believes that the ownership of the Company's common shares shall be a matter of conscience for each Director and encourages each Director to own a reasonable number of Smucker common shares.

Executive Sessions and Presiding Director

In its 2006 fiscal year, the Board held three regularly scheduled executive sessions in which only the independent Directors were present. As provided in the Company's corporate governance guidelines as in effect during the 2006 fiscal year, these meetings were chaired by the Chair of the Nominating and Corporate Governance Committee and were held in conjunction with regularly scheduled meetings of the Board. There is no executive session held on the day of the annual shareholders' meeting, unless otherwise specifically requested by a Director.

Audit Committee

The Audit Committee has three members and met nine times during the 2006 fiscal year, including four telephonic meetings, during the 2006 fiscal year to review Smucker's quarterly filings on Form 10-Q and annual filing on Form 10-K. The principal functions of this Committee include:

annual determination that at least one of its members meets the definition of audit committee financial expert within the meaning of the Sarbanes-Oxley Act of 2002;

reviewing annually the financial literacy of each of its members, as required by the New York Stock Exchange;

reviewing with the independent auditors of Smucker the scope and thoroughness of the auditors' examination and considering recommendations of the independent auditors;

appointing the independent auditors and approving their fees for the year;

reviewing the sufficiency and effectiveness of Smucker's system of internal controls, including compliance with Section 404 of the Sarbanes-Oxley Act of 2002 with the Company's financial officers, the independent auditors, and, to the extent the Committee deems necessary, legal counsel;

reviewing and discussing Smucker quarterly and annual filings on Form 10-Q and Form 10-K, respectively;

reviewing and approving the charter for Smucker's internal audit function, the annual internal audit plan, and summaries of recommendations; and

performing other functions or duties deemed appropriate by the Board.

As part of her responsibilities, the Chair of the Audit Committee meets quarterly with Smucker management and independent auditors to review earnings release information.

In addition, the Audit Committee reviewed the financial literacy of each of its members, as required by the listing standards of the New York Stock Exchange, and determined that each of its members meet the criteria established by the stock exchange. The Audit Committee also reviewed the definition of an audit committee financial expert as set forth in the Sarbanes-Oxley Act of 2002 and determined that two of its members, Kathryn W. Dindo and R. Douglas Cowan, satisfy the criteria of an audit committee financial expert under the Act. The Board of Directors adopted a resolution at its April 2006 meeting designating Ms. Dindo and Mr. Cowan as financial experts, within the meaning of the Sarbanes-Oxley Act of 2002.

A more detailed report of the Audit Committee is set forth below under the heading Report of the Audit Committee. The Audit Committee operates under a written charter, which was revised in January 2005. This charter is posted on the Company's website at www.smuckers.com. REPORT OF THE AUDIT COMMITTEE

The Audit Committee is composed of three independent Directors, each of whom satisfies the independence requirement of Rule 10A-3 under the Securities Exchange Act of 1934, and serves as the primary communication link between the Board of Directors as the representative of the shareholders, on the one hand, and the Company's Independent Registered Public Accounting Firm, Ernst & Young, LLP, and the Company's internal auditors, on the other hand. Management has the primary responsibility for financial statements and the reporting process, including the systems of internal control.

In fulfilling its responsibilities, the Audit Committee reviewed with management the financial statements and related disclosures included in Smucker's quarterly reports on Form 10-Q, and the audited financial statements and related financial statement disclosures included in the Company's Annual Report on Form 10-K for the fiscal year ended April 30, 2006. Also, the Audit Committee reviewed with the independent auditors their judgments as to both the quality and the acceptability of Smucker's accounting principles. The Audit Committee's review with the independent auditors included a discussion of other matters required under U.S. generally accepted auditing standards, including those matters required by the Statement on Auditing Standards No. 61, Communication With Audit Committees, and by the Sarbanes-Oxley Act of 2002.

The Audit Committee received the written disclosures from the independent auditors required by the Independence Standards Board Statement No. 1, and has discussed those disclosures with the independent auditors. The Audit Committee also has considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with Smucker's internal and independent auditors the overall scope and plans for their respective audits and reviewed Smucker's plans for compliance with the management certification requirements pursuant to Section 404 of the Sarbanes-Oxley Act of 2002. The Audit Committee met with the internal and independent auditors to discuss the results of the auditors' examinations, their evaluation of Smucker's internal controls, including a review of the disclosure control process as well as the overall quality of Smucker's financial reporting. The Audit Committee, or the Committee Chair, also preapproved services provided by Ernst & Young LLP during the 2006 fiscal year.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Smucker's Annual Report on Form 10-K for the fiscal year ended April 30, 2006. The Audit Committee authorized the appointment of Ernst & Young LLP as Smucker's Independent Registered Public Accounting Firm for the 2007 fiscal year.

AUDIT COMMITTEE PREAPPROVAL POLICIES AND PROCEDURES

The Audit Committee charter, as well as the policies and procedures adopted by the Audit Committee, require that all audit and permitted non-audit services provided by the independent auditors be preapproved by the Audit Committee. These services may include audit services, audit-related services, tax services and, in limited circumstances, other services. The Audit Committee's preapproval identifies the particular type of service and is subject to a specific engagement authorization.

Should it be necessary to engage the independent auditors for additional, permitted services between scheduled Committee meetings, the Chair of the Audit Committee has been delegated the authority to approve up to \$200,000 for additional services for a specific engagement. The Committee Chair then reports such preapproval at the next meeting of the Audit Committee. The approval policies and procedures of the Committee do not include delegation of the Audit Committee's responsibility to management.

All of the services described above were approved by the Audit Committee or the Committee Chair before Ernst & Young LLP was engaged to render the services or otherwise in accordance with the approval process adopted by the Audit Committee.

COMMUNICATIONS WITH THE AUDIT COMMITTEE

The Company's Policy on Ethics and Conduct has established procedures for confidential, anonymous complaints by employees and from third parties received by Smucker regarding accounting, internal accounting controls or auditing matters. **RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM
(Proposal 2 on proxy card)**

The Audit Committee has appointed Ernst & Young LLP as the Company's Independent Registered Public Accounting Firm for the fiscal year ending April 30, 2007. The Audit Committee has requested that the shareholders ratify this decision. Ernst & Young LLP has served as Smucker's independent auditors since 1955.

The Audit Committee's selection of the Company's Independent Registered Public Accounting Firm is not required by Smucker's Code of Regulations or otherwise to be submitted to a vote of the shareholders for ratification. In addition, the Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the Company's independent auditors. However, Smucker's Board of Directors is submitting the selection of Ernst & Young LLP to shareholders for ratification as a matter of good corporate practice. In light of that fact, while Smucker's Code of Regulations provides that actions of the Directors may be ratified by the affirmative vote of a majority of the outstanding shares, the Audit Committee does not presently intend to reconsider whether to retain Ernst & Young LLP based upon the results of this vote unless the proposal fails to receive a majority of the votes cast at the meeting. If the Audit Committee determines to reconsider this appointment, it may retain that firm or another without re-submitting the matter to shareholders. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

A representative of Ernst & Young LLP will be present at the meeting with an opportunity to make a statement if so desired and to respond to appropriate questions with respect to that firm's examination of Smucker's financial statements and records for the fiscal year ended April 30, 2006.

Independent Registered Public Accounting Firm.**

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

The Executive Compensation Committee of the Board of Directors is composed of four independent Directors, all of whom meet the independence requirements of the New York Stock Exchange. Mr. Dolan was appointed to the Executive Compensation Committee at the time of his election to the Board in April 2006. The first Executive Compensation Committee meeting Mr. Dolan attended was the June 13, 2006 meeting. The Executive Compensation Committee is responsible for establishing, overseeing and reviewing Smucker's executive compensation policies and the compensation and benefits for executive officers of Smucker on an annual basis. The Executive Compensation Committee evaluates Smucker's performance and all compensation paid to its executive officers on an ongoing basis.

Compensation Philosophy

The Executive Compensation Committee believes that an effective executive compensation program must have two parts.

First, the compensation program should have a cash component that is competitive enough to retain highly qualified executives while also providing performance-based incentives. The Committee believes that Smucker's base salary structure, management incentive plan, supplemental executive retirement plan, and voluntary deferred compensation plan combine to meet these requirements.

Table of Contents

Second, the compensation program should have an equity-based component in order to provide long-term incentives and ensure that management's long-term interests are aligned with those of other Smucker shareholders. The equity-based components of the compensation program are currently provided by the Restricted Stock Bonus Plan, the 1987 Stock Option Plan, and the 1998 Equity and Performance Incentive Plan, as amended and restated effective as of June 6, 2005. If approved by the shareholders, The J. M. Smucker Company 2006 Equity Compensation Plan, attached hereto as Annex A, will replace each of the plans noted above.

Outside Compensation Consultant

To assist it in fulfilling its obligations, the Committee works with a nationally recognized compensation consulting firm that routinely advises the Committee on matters that come before it and provides the Committee independent analysis regarding competitive market-based salaries for key officers. The Committee meets with its outside consultant on a regular basis and in executive session upon the request of the Committee. The Committee's outside consultant also provides services for the Company with respect to various other compensation matters.

Salaries

Base compensation for all salaried positions at Smucker, including executive officers, is determined by reference to individual performance and position within the salary range for the particular job classification. Smucker's human resources department develops the salary ranges and classifications with assistance from outside consultants to ensure that the overall salary structure and benefit package remains competitive. Smucker's goal with regard to salaries and total compensation is to provide a structure that is competitive with other comparably sized companies.

Smucker generally targets its salary ranges at approximately the median of companies with comparable revenues across a broad spectrum of industries, and the ranges approved by the Executive Compensation Committee for the current fiscal year are consistent with that target goal.

Although the salary ranges for the officers are recommended by the human resources department based on its own research and the advice of outside consultants, the salary ranges for all officers, including executive officers, are regularly reviewed by the Committee and are subject to its approval, as are any changes to an individual officer's salary grade level. The Committee also reviews, on an annual basis, the perquisites provided to the Company's officers.

No less often than every other year, the Executive Compensation Committee requests that its outside compensation consultant conduct a formal review of appropriate salary ranges, as well as management incentive plan target ranges and equity-based compensation for officers of Smucker. In 2006, the outside compensation consultant to the Committee conducted a full review of salaries for officers of Smucker. This review included a formal analysis of pay levels based on companies with comparable revenues across a broad spectrum of industries. The resulting study, presented to the Committee at its April 2006 meeting, indicated that the salary ranges for officers of Smucker were below the median of similarly sized companies, while management incentive bonuses and equity-based compensation opportunities were in line with the Company's market median pay target. Based upon the conclusions of the outside consultant's report, the Executive Compensation Committee, in April 2006, approved revised salary ranges for officers of Smucker to be effective May 1, 2006.

Management's salary recommendations for individual officers of Smucker, including executive officers, are submitted to the Executive Compensation Committee for consideration at its April meeting. These recommendations generally are based upon the salary increase guidelines that have been determined by management for all corporate salaries as part of the planning and budgeting process for the coming fiscal year.

Tim Smucker, Smucker's Chairman, and Richard Smucker, Smucker's President, operate jointly as Co-Chief Executive Officers. Management submitted no recommendation concerning a salary increase for Tim

Table of Contents

Smucker or Richard Smucker. The Committee respected the request of the Co-Chief Executive Officers that their increases be less than the Company's salary increase guidelines and less than the level of increases suggested for the officer group as a whole so as to allow additional salary increases for certain individuals demonstrating superior performance while remaining within corporate salary increase guidelines. As a result, the Executive Compensation Committee determined that each of them should be given a salary increase of 2.9% for fiscal 2007.

Factors considered when assessing executive officers' performance for salary compensation purposes, including Tim Smucker and Richard Smucker, include, in no particular order:

Smucker's sales and earnings results;

market share gains;

achieving Smucker's business plan and strategic goals; and

individual performance evaluations.

These factors are viewed as a whole and no single factor is necessarily weighed more heavily than any other.

Tally Sheets

In addition, the Executive Compensation Committee reviewed tally sheets setting forth all components of the compensation for the Co-Chief Executive Officers and other key executive officers. The tally sheets included a specific review of dollar amounts for salary, bonus, perquisites and long-term incentive compensation for fiscal years 2005 and 2006, the value of unexercised stock options and restricted stock awards, and the actual projected payout obligation under Smucker's qualified and non-qualified executive retirement plans. The tally sheets for Tim Smucker and Richard Smucker also included potential payment obligations under their respective consulting and non-compete agreements. In its review of tally sheets, the Committee also reviewed the issue of internal pay equity between the compensation of other Company officers compared to the compensation of the Co-Chief Executive Officers. Based on a review of the tally sheets, the Executive Compensation Committee found the executive officers', including the Co-Chief Executive Officers', compensation to be reasonable and effective in promoting Smucker's compensation philosophy as described above.

Management Incentive Plan

Smucker maintains a management incentive plan designed to recognize key management members based on their contribution to the achievement of Smucker objectives and their individual performance. A target award is set for each participant based on salary grade level and competitive award levels for similar positions at comparable companies, which are generally the same companies used in establishing base salary ranges. The actual award participants receive, if any, is based on the following criteria:

Smucker's performance in relation to its earnings goal for the year;

personal performance of the management employee; and

if the participant is part of a strategic business area, that area's performance in relation to its profit goal.

After the end of each fiscal year, management presents to the Executive Compensation Committee a summary and recommendation for management incentive bonuses. The presentation includes:

information on Smucker's performance for the fiscal year just ended (non-GAAP earnings per share for the year with a comparison to the prior year and to Smucker's plan, and relevant margins for the strategic business areas);

awards to each executive officer in the plan during the prior three years;

Table of Contents

salary for the fiscal year just ended and target award information; and

a specific recommendation for management incentive bonuses based on the above criteria.

The Executive Compensation Committee then reviews the information and recommendations with management and its outside compensation consultant and makes a decision as to which recommendations to accept and whether the recommendations require modification.

No awards under the management incentive plan are made if Smucker does not meet minimum performance standards, and the maximum award a participant may receive is limited to twice the target award.

The management incentive awards for Tim Smucker and Richard Smucker are made based on the same corporate performance standards as used for other participants in the management incentive plan; however, no recommendation is made by management concerning the individual awards for the Chairman or the President. The management incentive awards for each of Tim Smucker and Richard Smucker are determined by the Executive Compensation Committee based on its evaluation of each of their individual performances.

The amount of the incentive awards based on corporate performance is determined by a mathematical calculation, the elements of which are the same for all participants, including Tim Smucker and Richard Smucker. With respect to the 2006 fiscal year, the corporate portion of the awards were paid at 110% of target for all participants, including Tim Smucker and Richard Smucker, based on the Company's non-GAAP earnings per share results for the year.

In addition to the portion of the award based on corporate performance, the total incentive plan award for each participant includes an amount related to individual performance. This individual performance award is based on an assessment of the participant's individual contributions in helping Smucker to achieve its earnings and other goals. It may be above or below the corporate award portion if the Executive Compensation Committee determines that to be appropriate in an individual case. All management incentive awards are paid to the participants in cash.

Long-Term Incentive Compensation Philosophy

Long-term incentive compensation is stock-based and is designed to help align the interests of management with the interests of Smucker shareholders. In the past, both restricted stock awards and stock options have been used in the long-term compensation program, with restricted stock awards granted every other year primarily to selected executives, and stock options granted every year in October to key managers and executives. During fiscal year 2005, stock options were granted in October 2004 consistent with past practice. After evaluating a number of alternatives, in April 2005 the Executive Compensation Committee approved implementation of a new long-term incentive program in the form of annual awards of performance-based restricted stock or performance-based restricted stock units. Beginning in fiscal year 2006, key senior managers and executives received grants of restricted stock or restricted stock units, depending on Company and individual performance. In order to qualify awards as performance-based under Section 162(m) of the Internal Revenue Code, the Executive Compensation Committee will grant performance shares and/or performance units with a one-year performance period, which will be payable in restricted stock, and may only exercise discretion to reduce the award of restricted stock made to Tim Smucker or Richard Smucker. Stock options will not be used under this arrangement.

Restricted Stock Awards

Restricted stock awards are currently made under the 1998 Equity and Performance Incentive Plan, but in the future will be issued under The J. M. Smucker Company 2006 Equity Compensation Plan, if approved by shareholders. Prior to fiscal year 2006, restricted stock awards were granted every other year primarily to selected executives. As mentioned above, beginning in fiscal year 2006, restricted stock and restricted stock units are the sole long-term incentive compensation vehicle used by Smucker for participants receiving equity compensation. Awards of restricted stock or restricted stock units will be approved by the Executive Compensation Committee in June of each year, if Smucker meets specified predetermined performance

Table of Contents

requirements for the most recently ended fiscal year. The Executive Compensation Committee will establish performance criteria for grants of restricted stock and restricted stock units each year based upon Company performance. Target grant levels for grants of restricted stock or restricted stock units as long-term incentive compensation are determined for individual participants based on salary grade level and a review of the prevailing competitive awards for similar positions at other comparable companies. The companies considered are largely the same as those used in establishing base salary ranges.

Stock Option Plans

No stock option awards were made to executive officers in fiscal year 2006. At its April 2006 meeting, the Executive Compensation Committee approved the acceleration of vesting of stock options previously awarded to employees under its equity-based compensation plans, effective April 12, 2006. As a result of the accelerated vesting, approximately 441,000 stock options with exercise prices of either \$43.38 or \$44.17 became immediately exercisable. All of these options had an exercise price above the Company's stock price on the date of acceleration. Approximately 110,000 and 331,000 of these stock options would originally have vested in October 2006 and October 2007, respectively. Stock options issued to employees typically vested at a rate of one-third per year, beginning one year after the date of grant. Stock options were last granted to employees in October 2004. In June 2005, the Company replaced the use of stock options to employees in favor of issuing performance-based restricted stock or performance-based restricted stock units.

The purpose of the accelerated vesting was to minimize future non-cash stock option compensation expense that the Company would otherwise recognize in its results of operations with the adoption of Financial Accounting Standards No. 123 (revised), *Share-Based Payments* (SFAS 123R). This standard became effective for the Company on May 1, 2006, the beginning of fiscal year 2007. By accelerating the vesting of these stock options, the Company will not incur pretax compensation expense of approximately \$2.7 million and \$1.0 million in fiscal years 2007 and 2008, respectively, that otherwise would have been required upon adoption of SFAS 123R.

Pension Plan and Nonqualified Supplemental Retirement Plan

Under The J. M. Smucker Company Employees Retirement Plan (the Plan), retirement benefits are payable to all eligible employees of Smucker and its subsidiaries, including officers. Benefits are based on the employee's years of service and compensation. Certain executive officers of Smucker, including those named in the Summary Compensation Table, are also eligible to participate in a nonqualified supplemental retirement plan (the Supplemental Plan) entitling them, upon retirement, to receive a benefit from the Supplemental Plan. The amounts set forth in the Pension Plan Table assume participation in the Supplemental Plan and set forth the estimated annual benefit, computed as a straight-life annuity, payable under both the Supplemental Plan and the Plan, as amended, at normal retirement (age 65). The Plan provides a pension based upon years of service with Smucker and upon final average pay (average base compensation [i.e., salary only] for the five most highly compensated consecutive years of employment). Benefits under the Plan are one percent of final average pay times the participant's years of service with Smucker. Benefits under the Supplemental Plan at retirement, based upon years of service (maximum 25 years), are 55 percent of the average total compensation (i.e., all compensation including salary and bonus) for the five most highly compensated consecutive years of employment, offset by the benefits derived from the Plan and by 100 percent of the Social Security benefit.

Voluntary Deferred Compensation Plan

In April 2003, the Board approved the Voluntary Deferred Compensation Plan, which was made available to officers and business general managers effective January 1, 2004. Elections to defer all or a portion of the participant's base compensation must be made prior to January 1st of the year in which services relating to the compensation deferred are provided. Elections to defer all or a portion of the participant's bonus must be made prior to October 31st of the fiscal year to which the bonus relates. Such deferred compensation will be tracked as if invested in a Fidelity Investment managed account as directed by

the participant. A copy of the Voluntary Deferred Compensation Plan is filed with the Smucker Annual Report on Form 10-K for its fiscal year 2003.

Tax Deductibility of Executive Compensation

The Executive Compensation Committee has considered the potential impact on Smucker's compensation plans of the \$1,000,000 cap on deductible compensation under Section 162(m) of the Internal Revenue Code. Compensation that qualifies as performance-based compensation is exempt from the cap on deductible compensation. To date, only Tim Smucker and Richard Smucker have been paid compensation in excess of \$1,000,000 that could be subject to the Section 162(m) limitation. The Executive Compensation Committee is generally committed to establishing executive compensation programs that will maximize as much as possible the deductibility of compensation paid to executive officers. To the extent, however, that the Executive Compensation Committee from time to time believes it to be consistent with its compensation philosophy and in the best interests of Smucker and its shareholders to award compensation that is not fully deductible, it may choose to do so.

During 2006, the Executive Compensation Committee continued to monitor the regulatory developments under Internal Revenue Code Section 409A, which was enacted as part of the American Jobs Creation Act of 2004 (the Act). Section 409A imposes additional limitations on non-qualified deferred compensation plans and subjects those plans to additional conditions. The Company intends to amend its compensation plans in order to ensure their full compliance with the Act before the transition period expires on December 31, 2006.

The Executive Compensation Committee believes that Smucker's compensation plans and practices are sound and well considered. It also believes that the level of compensation provided to the executive officers is appropriately related to both the competitive market and the historic and current performance of Smucker. The Executive Compensation Committee in the future will continue to focus on these factors and on maintaining a compensation system that will encourage maximization of long-term shareholder value.

Each of the following Directors served as a member of the Company's Executive Compensation Committee during fiscal year 2006: Kathryn W. Dindo, Paul J. Dolan (effective April 2006), Elizabeth Valk Long, and Charles S. Mechem, Jr. During fiscal year 2006, no Smucker executive officer or Director was a member of the Board of Directors of any other company where the relationship would be construed to constitute a committee interlock within the meaning of the rules of the Securities and Exchange Commission.

Dan Mechem, son of Charles S. Mechem, Jr., a member of the Company's Board, is Vice President and General Manager of Nielsen BuzzMetrics, formerly known as Intelliseek prior to being acquired by Nielsen/VNU. BuzzMetrics provides the Company with various Internet monitoring and reporting services. The Company incurred approximately \$237,000 in fees related to BuzzMetrics in fiscal year 2006.

CONSULTING AND NON-COMPETE ARRANGEMENTS

The Board of Directors believes that a significant portion of the value of Smucker and the success of its business is attributable to the public image of the *Smucker's* brand and the integral identification of the Smucker family and its values with that brand. Therefore, the Board authorized the Company to enter into agreements with each of Tim Smucker and Richard Smucker securing his continuing public representation of Smucker when he is no longer an active executive.

Under these agreements, each of Tim Smucker and Richard Smucker has committed to maintain his public representation of the Company for three years following the termination of full-time employment with Smucker. The Board also believed that it was crucial to the strength of the *Smucker's* brand that neither Tim Smucker nor Richard Smucker should undertake activities after the end of his employment with the Company that might be to the competitive disadvantage of Smucker. In particular, the Board wished to ensure that neither Tim Smucker nor Richard Smucker would, in any event, provide the benefit of his experience in the food industry to competitors of Smucker.

Therefore, the agreements with each of Tim Smucker and Richard Smucker provide that for three years from the date of his respective termination of employment or for three years after the end of the public representation period, whichever is later, he will not enter into any relationship that might be to Smucker's competitive disadvantage. During the three-year public representation period, the former executive will receive annual compensation in an amount equal to his base salary in effect as of the time his active employment with Smucker ended, plus benefits and perquisites, including without limitation, medical insurance and life insurance, but excluding stock options, restricted shares or other equity-based benefits. However, all outstanding stock options will immediately vest and all restricted shares will continue to vest during the public representation period pursuant to the existing vesting schedule. He will also receive each year during that period an amount equal to 50 percent of his target award applicable under the Management Incentive Plan at the date of his termination.

The agreements further provide to each of Tim Smucker and Richard Smucker certain severance benefits upon termination of employment. Specifically, in the event of the death or disability of either individual, he (or his estate) will be entitled to receive for three years after the event, annual compensation equal to the base salary he was receiving at the time the event occurred, plus the benefits described above. He (or his estate) also will receive an amount equal to 50 percent of his target bonus awards in effect at the time of the event. Also, any unvested options and restricted shares will vest immediately. At the end of the three-year period following the death or disability, he (or his spouse) will be eligible for retirement benefits under the Supplemental Plan without application of early retirement reduction factors. If either Tim Smucker or Richard Smucker voluntarily terminates employment and commences receiving his monthly retirement benefits under the Supplemental Plan, he will receive any accrued but unpaid salary as of the date of such retirement and will be reimbursed for any expenses incurred but not yet paid. In addition, he will be entitled to any options, restricted shares or other plan benefits which by their terms extend beyond termination of employment.

Table of Contents

In the event that either Tim Smucker or Richard Smucker is terminated by Smucker without cause or if he resigns for good reason (as specifically defined in the agreements), he will receive the same benefits as in the case of death or disability as described above. If Smucker terminates either Tim Smucker or Richard Smucker for cause, however, he will receive only that compensation to which he is otherwise entitled as of the date of termination.

In December 2005, the Company entered into a consulting agreement with Richard G. Jirsa, a Vice President of the Company who retired on December 30, 2005. Under this agreement, Mr. Jirsa will provide consulting services related to accounting and finance matters. The consulting agreement was effective January 1, 2006 and provides for a term of two years (unless earlier terminated in accordance with its terms). Mr. Jirsa received a consulting fee of \$100,000.

Smucker's 1998 Equity and Performance Incentive Plan was implemented in 1998. Restricted shares issued after 2003 from this Plan generally vest four years from the date of grant or upon the attainment of age 60 and 10 years of service with the Company, whichever is earlier. Shares awarded under the Plan are entitled to dividends at the same rate and on the same terms as unrestricted shares of the same class. The aggregate number and value of restricted shares held by the individuals listed above, as of April 30, 2006, are as follows: Timothy P. Smucker, 30,000 shares (\$1,177,800); Richard K. Smucker, 60,255 shares (\$2,365,611); Vincent C. Byrd, 15,115 shares (\$593,415); Fred A. Duncan, 14,785 shares (\$580,459); Steven Oakland, 10,955 shares (\$430,093); and Richard F. Troyak, 10,955 shares (\$430,093).

The individuals listed above also received the following number of restricted shares after April 30, 2006, the value of which is shown in the table above: Timothy P. Smucker, 31,655 shares; Richard K. Smucker, 31,655 shares; Vincent C. Byrd, 8,650 shares; Fred A. Duncan, 8,135 shares; Steven Oakland, 6,035 shares; and Richard F. Troyak, 5,970 shares. The 2006 value shown above represents the pre-tax value of the restricted shares based on the reported closing price of Smucker's common shares on the date of the award, June 13, 2006. The restricted shares received by Timothy P. Smucker and Fred A. Duncan in June 2006 vested immediately because they had attained the age of 60 and had ten years of service with Smucker.

(3) All options are for common shares. Smucker does not award stock appreciation rights (SARs).

- (4) Amounts shown in column (f) represent contributions by Smucker on behalf of the individual indicated under Smucker's 401(k) Savings Plan and the value of allocations during the year under Smucker's Employee Stock Ownership Plan. The specific breakdown for each individual (401(k) amounts first, followed by ESOP allocations) for fiscal year 2006 is as follows: Timothy P. Smucker, \$6,600 and \$1,709; Richard K. Smucker, \$6,600 and \$1,709; Vincent C. Byrd, \$6,623 and \$1,709; Fred A. Duncan, \$6,663 and \$1,709; Steven Oakland, \$6,417 and \$1,709; and Richard F. Troyak, \$6,425 and \$1,709.
- (5) The executive officers named above receive various perquisites provided by or paid by Smucker. These perquisites may, from time to time, include personal use of corporate aircraft, personal use of Company-provided automobiles, memberships in social clubs, annual physical examinations, tax preparation and financial planning services, and reimbursement for cell phone expenses. The Board requires Timothy P. Smucker and Richard K. Smucker to use corporate aircraft for all travel, where possible.

Timothy P. Smucker and Richard K. Smucker each received perquisites in excess of \$50,000 for fiscal year 2006. The aggregate value of each perquisite or other personal benefit exceeding 25% of the total perquisites provided to each of them is shown below. The value of perquisites received by each of the remaining Named Executive Officers is not reflected in column (c) because the aggregate value thereof for each such person did not exceed the lesser of \$50,000 or 10% of the total annual salary and bonus reported.

The Company used incremental costs including costs related to fuel, landing fees, crew meals and other miscellaneous costs in valuing personal use of the aircraft in fiscal years 2006 and 2005, whereas 2004 had been valued using the Standard Industry Fare Level (SIFL) rates, as published by the Internal Revenue Service.

Stock Option Plans

In April 2005, the Executive Compensation Committee approved implementation of a new long-term incentive program in the form of performance-based restricted stock or performance-based restricted stock units. The program does not provide for stock options to be issued under this arrangement. As a result, no stock options were issued to the Named Executive Officers in fiscal year 2006.

At its April 2006 meeting, the Executive Compensation Committee approved the acceleration of vesting of stock options previously awarded to employees under its equity-based compensation plans, effective April 12, 2006. As a result of the accelerated vesting, approximately 441,000 stock options with exercise prices of either \$43.38 or \$44.17 became immediately exercisable. All of these options had an exercise price above the Company's stock price on the date of acceleration. Approximately 110,000 and 331,000 of these stock options would originally have vested in October 2006 and October 2007, respectively.

The purpose of the accelerated vesting was to minimize future non-cash stock option compensation expense that the Company would otherwise recognize in its results of operations with the adoption of Financial Accounting Standards No. 123 (revised), *Share-Based Payments* (SFAS 123R). This standard became effective for the Company on May 1, 2006, the beginning of fiscal year 2007. By accelerating the vesting of these stock options, the Company will not incur pretax compensation expense of approximately \$2.7 million and \$1.0 million in fiscal years 2007 and 2008, respectively, that otherwise would have been required upon adoption of SFAS 123R.

Benefits under the Plan are one percent of final average pay times the participant's years of service with Smucker. Benefits under the Supplemental Plan at retirement, based upon years of service (maximum 25 years), are 55 percent of the

average total compensation (i.e., all compensation including salary and bonus) for the five most highly compensated consecutive years of employment, offset by the benefits derived from the Plan and by 100 percent of the Social Security benefit.

(1) In accordance with Securities and Exchange Commission rules, each beneficial owner's holdings have been calculated assuming full exercise of outstanding stock options covering common shares, if any, exercisable by such owner within 60 days after June 19, 2006. The common share numbers include such options as follows: Timothy P. Smucker, 368,377; Richard K. Smucker, 373,510; Vincent C. Byrd, 120,362; Fred A. Duncan, 120,362; Steven Oakland, 52,000; Richard F. Troyak, 56,724; and all Directors and executive officers as a group, 1,609,447.

(2)

Includes restricted stock as follows: Timothy P. Smucker, 30,000; Richard K. Smucker, 91,910; Vincent C. Byrd, 23,765; Fred A. Duncan, 8,000; Steven Oakland, 16,990; Richard F. Troyak, 16,925; and all executive officers as a group, 304,540.

(3) Beneficial ownership of the following shares included in the table is disclaimed by Timothy P. Smucker: 477,798 common shares held by trusts for the benefit of family members of which Timothy P. Smucker is a trustee with sole investment power or a co-trustee with shared investment power; 202,062 common

shares owned by the Willard E. Smucker Foundation of which Timothy P. Smucker is a trustee with shared investment power; and 131,456 common shares with respect to which Timothy P. Smucker disclaims voting or investment power.

Beneficial ownership of the following shares included in the table is disclaimed by Richard K. Smucker: 1,433,392 common shares held by trusts for the benefit of family members (including Timothy P. Smucker) of which Richard K. Smucker is a trustee with sole investment power or a co-trustee with shared investment power; 202,062 common shares owned by the Willard E. Smucker Foundation of which Richard K. Smucker is a trustee with shared investment power; and 90,417 common shares with respect to which Richard K. Smucker disclaims voting or investment power.

The number of common shares beneficially owned by all Directors and executive officers as a group has been computed to eliminate duplication of beneficial ownership.

(4) Includes shares held for the benefit of the individual named under the terms of Smucker's Nonemployee Director Stock Plan as follows: R. Douglas Cowan, 3,279; Kathryn W. Dindo, 13,111; Paul J. Dolan, 593; Elizabeth Valk Long, 14,604; Charles S. Mechem, Jr., 14,616; Gary A. Oatey, 4,627; and William H. Steinbrink, 18,960. The shares indicated are held in trust for the Directors named and are voted pursuant to their direction.

(5) According to a Schedule 13G/A of Ariel Capital Management, LLC, 200 E. Randolph Drive, Chicago, IL 60601, filed on April 10, 2006, Ariel is a U.S. limited liability company organized under the laws of the State of Delaware. As of March 31, 2006, Ariel had sole voting power of 4,795,022 common shares and sole dispositive power of 5,699,779 common shares.

(6) Because under the Company's Amended and Restated Articles of Incorporation shareholders may be entitled on certain matters to cast ten votes per share with regard to certain common shares and only one vote per share with regard to others, there may not be a correlation between the percent of outstanding common shares owned and the voting power represented by those shares. The total voting power of all the common shares can be determined only at the time of a shareholder meeting due to the need to obtain certifications as to beneficial ownership on common shares not held as of record in the name of individuals. **The ten-vote provisions apply to Proposal 3, Approval of The J. M. Smucker Company 2006 Equity Compensation Plan, on this year's ballot.**

Smucker has entered into agreements with Timothy P. Smucker and Richard K. Smucker and members of their immediate families, including Mrs. H. Ray Clark, Timothy P. Smucker's and Richard K. Smucker's aunt, and members of her immediate family, and with the majority of the executive officers of Smucker relating to the disposition of common shares held by them. These shareholders are the beneficial owners of approximately 9% of the outstanding common shares, including options exercisable within 60 days of the record date. Under the agreements, which have no expiration date, Smucker has a purchase option with respect to any proposed transfers of these common shares, except for gifts and bequests to or for the benefit of family members, and sales pursuant to any offer, merger, or similar transaction that is approved or recommended by Smucker's Board of Directors.

The agreements provide that Smucker may assign its purchase rights to Smucker's ESOP or any of its other employee benefit plans. The agreements reflect the practice followed by Smucker for a number of years of providing for the purchase of common shares at prices at or somewhat below market with the effect of establishing a method for the orderly disposition of blocks of common shares that could not otherwise be readily absorbed by the public market.

Section 16(a) Beneficial Ownership Reporting Compliance

Under the U.S. securities laws, Smucker's Directors and executive officers are required to report their initial ownership of common shares and any subsequent changes in that ownership to the Securities and Exchange Commission and the New York Stock Exchange. Due dates for the reports are specified by those laws, and Smucker is required to disclose in this document any failure in the past year to file by the required dates. Based solely on written representations of the Company's Directors and executive officers and on

Table of Contents

copies of the reports that they have filed with the Securities and Exchange Commission, the Company's belief is that all of the Company's Directors and executive officers complied with all filing requirements applicable to them with respect to transactions in the Company's equity securities during fiscal year 2006, except as described below.

On June 8, 2005, a Form 4 was timely filed with the Securities and Exchange Commission on behalf of Tim Smucker reflecting the June 6, 2005, grant of Smucker restricted common shares, along with all other Smucker executive officers. Mr. Smucker's restricted stock immediately vested on June 6, 2005 since he had attained age 60 and 10 years of service with the Company. The transaction to report the 13,599 shares withheld to satisfy his personal tax liability was filed on June 16, 2005.

**APPROVAL OF THE J. M. SMUCKER COMPANY 2006 EQUITY COMPENSATION PLAN
(Proposal 3 on proxy card)**

On June 13, 2006, the Executive Compensation Committee of the Board unanimously approved and adopted, subject to the approval of the Company's shareholders at the annual meeting, The J. M. Smucker Company 2006 Equity Compensation Plan (the Plan). The Plan allows the Board, acting through its Executive Compensation Committee, to design compensatory awards that are responsive to the Company's needs, and includes authorization for a variety of awards designed to align the interests of management with those of shareholders.

Smucker has historically granted equity awards to employees and nonemployee Directors under various incentive compensation plans, including the 1987 Stock Option Plan, the Amended Restricted Stock Bonus Plan, the Amended and Restated 1997 Stock-Based Incentive Plan, the 1998 Equity and Performance Incentive Plan, as amended and restated, the Amended and Restated Nonemployee Director Stock Plan and the Nonemployee Director Stock Option Plan. The plans listed above are referred to in this description as the Existing Plans. If approved by shareholders, the Plan will become effective and no further awards will be made under the Existing Plans, except that the provisions relating to the deferral of Director retainers and fees under the Amended and Restated Nonemployee Director Stock Plan will continue to apply to services rendered through December 31, 2006 and awards of performance shares and performance units granted under the 1998 Equity and Performance Plan and outstanding on the effective date of the Plan may be converted to restricted stock under the 1998 Equity and Performance Plan once such performance shares and performance units are earned.

The approval of the Plan is, as provided in the Company's Amended and Restated Articles of Incorporation, a matter to which shareholders are entitled to cast ten votes for each share held, subject to the holding requirements set forth in the Amended and Restated Articles of Incorporation. The following summary of the principal provisions of the Plan is not intended to be exhaustive and is qualified in its entirety by the terms of the Plan, a copy of which is set forth as Annex A to this proxy statement.

Plan Highlights

The Plan authorizes the Board to provide equity-based compensation in the form of stock options, stock appreciation rights (or SARs), restricted stock, restricted stock units, performance shares and units, incentive awards and other equity-based awards for the purpose of providing the Company's nonemployee Directors, consultants, officers and employees incentives and rewards for superior performance. Some of the key features of the Plan that reflect the Board's commitment to effective management of incentive compensation are set forth below and are described more fully under the heading Summary of the Plan and in the Plan, which is attached to this proxy statement.

Plan Limits. Total awards under the Plan are limited to 2,500,000 shares. The Plan limits the number of shares that can be issued as awards to nonemployee Directors and as other share-based awards under Section 9 and Section 10 of the Plan to 250,000. The Plan also limits the aggregate number of stock options and SARs that may be granted to any one participant in a calendar year to 600,000 and the aggregate number of shares of restricted stock and restricted stock units subject to the achievement of specified management objectives (as discussed below), performance shares and

Table of Contents

shares underlying other equity-based awards that may be granted to any one participant in a calendar year to 200,000. Under the Plan, no participant will receive performance units in any calendar year having a value at the date of grant in excess of \$4,000,000. And, under the Plan, no participant will receive an incentive award upon the achievement of management objectives in any calendar year having a value at the date of grant in excess of \$4,000,000 nor will such award exceed 200,000 shares.

No Liberal Recycling Provisions. The Plan provides that only shares covering awards that expire or are forfeited will again be available for issuance under the Plan. The following shares will not be added back to the aggregate Plan limit: (1) shares tendered in payment of the option price; (2) shares withheld by Smucker to satisfy the tax withholding obligation; and (3) shares that are repurchased by Smucker with option right proceeds. Further, all shares covered by a SAR, to the extent that it is exercised and settled in shares, and whether or not shares are actually issued to the participant upon exercise of the right, will be considered issued or transferred pursuant to the Plan.

Minimum Vesting Periods. The Plan provides that:

Restricted stock and restricted stock units may not become unrestricted by the passage of time before the third anniversary of the date of grant, provided that restrictions may be removed on an annual, ratable basis during the three year period. Notwithstanding the previous sentence, if a grant of restricted stock or restricted stock units specifies management objectives that, if achieved, will result in termination of restrictions, then the restrictions may, in no event, lapse sooner than one year from the date of grant. The grant of restricted stock or restricted stock units may, however, provide for the earlier lapse of restrictions in the event of the retirement, the attainment of reasonable age and service requirements approved by the Board, death or disability of a participant or a change in control of the Company.

The period of time within which management objectives relating to performance shares and performance units must be achieved will be a minimum of one year, subject to earlier lapse or modification in the event of retirement, death or disability of a participant or a change in control of the Company.

If the Board grants incentive awards under the Plan with respect to any one or more fiscal years of the Company, any restricted stock or restricted stock units awarded in settlement of an incentive award must be subject to restrictions for at least three years, except that the restrictions may lapse on an annual, ratable basis during the three-year period and the Board may accelerate the lapse of such restrictions in the event of the retirement, the attainment of reasonable age and service requirements approved by the Board, death or disability of a participant or a change in control of the Company.

No Repricing. Smucker has never repriced underwater stock options or SARs, and repricing of options and SARs is prohibited without shareholder approval under the Plan.

Other Features.

The Plan also provides that no stock options or SARs will be granted with an exercise or base price less than the fair market value of Smucker's common stock on the date of grant.

The Plan is designed to allow awards made under the Plan to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code.

The Board has delegated to its Executive Compensation Committee (consisting of only independent Directors) administration of the Plan if approved. Pursuant to such delegation, the Executive Compensation Committee will have all of the powers and authority of the Board as described herein.

Summary of the Plan

Shares Available Under the Plan. As stated above, subject to adjustment as provided in the Plan, the number of Smucker common shares that may be issued or transferred under the Plan:

upon the exercise of option rights and SARs;

in payment of restricted stock and released from a substantial risk of forfeiture thereof;

in payment of restricted stock units;

in payment of performance shares or performance units that have been earned;

as awards to nonemployee Directors;

as other awards contemplated by the Plan; or

in payment of dividend equivalents paid with respect to awards made under the Plan, will not exceed in the aggregate 2,500,000 common shares. Shares issued under the Plan may be shares of original issuance or treasury shares or a combination of the foregoing.

Common shares covered by an award granted under the Plan will not be counted as used unless and until they are actually issued and delivered to a participant and, therefore, the total number of shares available under the Plan as of a given date will not be reduced by any shares relating to prior awards that have expired or have been forfeited or cancelled. Notwithstanding anything to the contrary contained in the Plan:

If common shares are tendered or otherwise used in payment of the option price of an option right, the total number of shares covered by the option being exercised will reduce the aggregate Plan limit.

Common shares withheld by Smucker to satisfy the tax withholding obligation will count against the aggregate Plan limit.

The number of common shares covered by an appreciation right, to the extent that it is exercised and settled in common shares, and whether or not shares are actually issued to the participant upon exercise of the right, will be considered issued or transferred pursuant to the Plan.

In the event that Smucker repurchases shares with option right proceeds, those shares will not be added to the aggregate Plan limit.

The Plan contains a number of limits on the number of common shares that can be issued, including to any one participant in a calendar year as described above. Further, the Plan limits the aggregate number of common shares that may be issued or transferred by Smucker upon the exercise of incentive stock options to 2,500,000 common shares. The limits contained in the Plan are subject to certain adjustments as provided in the Plan in the event of stock splits, stock dividends, recapitalizations and certain other events.

Eligibility. Nonemployee Directors, consultants, officers and other employees of Smucker and its subsidiaries or any person who has agreed to commence serving in any of those capacities within 90 days of the date of grant, presently estimated to be 181 persons as of June 19, 2006, may be selected by the Board to receive benefits under the Plan.

Types of Awards Authorized. The Plan provides for the granting of dividend equivalents, option rights, SARs, restricted stock, restricted stock units (which may also be referred to as deferred stock units), performance shares, performance units, incentive awards, awards to nonemployee Directors and other awards that may be denominated or payable in, valued in whole or in part by reference to or otherwise based on or related to, the Company's common shares or factors that may influence the value of its common shares. Awards granted under the Plan will be upon such terms as may be approved by the Board and set forth in an evidence of award. An evidence of award will contain such

terms and provisions, consistent with the Plan, as the Board may approve.

Stock options and SARs will not be granted with an exercise price or base price, as the case may be, less than the market value per share. The closing market price of the Company's common shares as reported

Table of Contents

on the New York Stock Exchange on June 19, 2006 was \$40.41 per share. No option right or SAR may be exercisable more than 10 years from the date of grant.

Each grant of an award will specify the period of continuous service or other conditions that must be satisfied before the award is exercisable, vested or earned. Restricted stock and restricted stock units that vest upon the passage of time must be subject to restrictions for at least three years, except that the restrictions may be removed on an annual, ratable basis during the three year period. Restrictions relating to restricted stock and restricted stock units that vest upon the achievement of management objectives may not terminate sooner than one year from the date of grant. The specified performance period relating to performance shares and performance units will be a period of time not less than one year.

Any grant of option rights, SARs, restricted stock or restricted stock units may provide for the earlier vesting or termination of restrictions relating to such award in the event of the retirement, the attainment of reasonable age and service requirements approved by the Board, death or disability of a participant or a change in control of the Company. The performance period relating to any grant of performance shares or performance units may be subject to earlier lapse or modification in the event of the retirement, death or disability of a participant or a change in control of the Company.

Incentive awards may be granted that represent a conditional right to receive restricted stock or restricted stock units upon the achievement of management objectives. Restricted stock or restricted stock units awarded in settlement of such award will be subject to a risk of forfeiture and a restriction on transferability for a period of at least three years, except that the restrictions may be removed on an annual, ratable basis during the three year period and the Board may accelerate the lapse of such restrictions in the event of the retirement, the attainment of reasonable age and service requirements approved by the Board, death or the disability of a participant or a change in control of the Company.

The Board may, in its discretion, authorize the granting to nonemployee Directors of option rights, SARs or other awards under the Plan and may also authorize the grant or sale of common shares, restricted stock or restricted stock units to nonemployee Directors. Nonemployee Directors are not eligible to receive performance shares or performance units under the Plan. Each grant of an award to a nonemployee Director will be on such terms and conditions as approved by the Board, will not be required to be subject to any minimum vesting period, and will be evidenced by an evidence of award in such form as will be approved by the Board.

Management Objectives. The Plan requires that the Board establish management objectives for purposes of performance shares, performance units and incentive awards. When so determined, option rights, SARs, restricted stock, restricted stock units, other awards under the Plan or dividend credits may also specify management objectives. Management objectives may be described in terms of either company-wide objectives or objectives that are related to the performance of the individual participant or a subsidiary, division, department, region or function within Smucker or a subsidiary in which the participant is employed. The management objectives may be based on the performance of Smucker relative to the performance of other companies. Management objectives applicable to any award to a participant who is, or is determined by the Board likely to become, a covered employee within the meaning of Section 162(m) of the Internal Revenue Code, will be limited to specified levels of or growth in:

Profits (*e.g.*, operating income, income from continuing operations, EBIT, EBT, net income, earnings per share, residual or economic earnings these profitability metrics could be measured before special items and subject to GAAP definition);

Cash Flow (*e.g.*, EBITDA, operating cash flow, total cash flow, cash flow in excess of cost of capital or residual cash flow or cash flow return on investment);

Returns (*e.g.*, profits or cash flow returns on: assets, invested capital, net capital employed, and equity);

Working Capital (*e.g.*, working capital divided by sales, days sales outstanding, days sales inventory, and days sales in payables);

Table of Contents

Profit Margins (*e.g.*, profits divided by revenues, gross margins and material margins divided by revenues, and material margins divided by sales pounds);

Liquidity Measures (*e.g.*, debt-to-capital, debt-to-EBITDA, total debt ratio);

Sales Growth, Cost Initiative and Stock Price Metrics (*e.g.*, revenues, revenue growth, stock price appreciation, total return to shareholders, sales and administrative costs divided by sales, and sales and administrative costs divided by profits); and

Strategic Initiative Key Deliverable Metrics consisting of one or more of the following: product development, strategic partnering, research and development, market penetration, geographic business expansion goals, cost targets, customer satisfaction, employee satisfaction, management of employment practices and employee benefits, supervision of litigation and information technology, and goals relating to acquisitions or divestitures of subsidiaries, affiliates and joint ventures.

Administration and Amendments. The Plan is to be administered by the Board, except that the Board has the authority to delegate its powers under the Plan to the Executive Compensation Committee or another committee of the Board (or a subcommittee thereof). The Board has delegated the administration of the Plan to its Executive Compensation Committee. The Executive Compensation Committee is, therefore, authorized to interpret the Plan and related agreements and other documents. The Board may amend the Plan from time to time without further approval by the Company's shareholders, except where the amendment (1) would materially increase the benefits accruing to participants under the Plan; (2) would materially increase the number of securities which may be issued under the Plan, (3) would materially modify the requirements for participation in the Plan or (4) must otherwise be approved by the shareholders of the Company in order to comply with applicable law or rules of the New York Stock Exchange or, if the shares are not traded on the New York Stock Exchange, the requirements of the principal national securities exchange upon which the common shares are traded or quoted.

In the case of involuntary termination of employment or termination of employment by reason of death, disability, retirement, closing of business or operation units or elimination of job position, or in the case of unforeseeable emergency or other special circumstances of or relating to a participant, the Board may in its sole discretion accelerate the time at which awards may be exercised, the time at which the substantial risk of forfeiture or prohibition or restriction on transfer will lapse or terminate, or the time at which performance shares or performance units will be deemed to have been fully earned or may waive any other limitation or requirement under any award, except in the case of a covered employee where such action would result in the loss of the otherwise available exemption of the award under Section 162(m) of the Code.

Change in Control. An evidence of award under the Plan may provide that, upon a change in control of Smucker, any awards that are outstanding as of the date of the change in control that are subject to vesting requirements and that are not then vested, shall become fully vested and immediately exercisable and all restrictions and other conditions prescribed by the Board, if any, with respect to awards granted pursuant to the Plan will automatically lapse, expire and terminate and all such awards will be deemed to be fully earned. The events giving rise to a change in control are set forth in the Plan attached to this proxy statement.

Transferability. Except as otherwise determined by the Board, no award granted under the Plan is transferable by a participant except, upon death, by will or the laws of descent and distribution, and in no event shall an award granted under the Plan be transferred for value. Except as otherwise determined by the Board, option rights and SARs are exercisable during the optionee's lifetime only by him or her or by his or her guardian or legal representative.

Adjustments. The number of shares authorized under the Plan, subject to various limits contained in the Plan, covered by outstanding awards under the Plan and, if applicable, the prices per share applicable to such awards, may be adjusted in the event of stock dividends, stock splits, combinations of shares, recapitalizations, mergers, consolidations, spin-offs, split-offs, spin-outs, split-ups, reorganizations, liquidations, issuances of rights or warrants, and similar events. In the event of any such transaction or event, the Board, in its discretion, may provide in substitution for any or all outstanding awards under the Plan such alternative consideration, if any, as it, in good faith,

may determine to be equitable in the circumstances and

Table of Contents

may require the surrender of all awards so replaced. The Board may also make or provide for such adjustments in the number of shares available under the Plan and the other limitations contained in the Plan as the Board may determine appropriate to reflect any transaction or event described above.

Detrimental Activity. Any grant may provide that if a participant, either during employment by Smucker or a subsidiary or within a specified period after termination of employment, engages in any detrimental activity, as defined in the Plan attached to this proxy statement, the participant shall forfeit any awards granted under the Plan then held by the participant or return to Smucker, in exchange for payment by Smucker of any amount actually paid for the common shares by the participant, all common shares that the participant has not disposed of that were offered pursuant to the Plan within a specified period prior to the date of the commencement of the detrimental activity. With respect to any common shares acquired under the Plan that the participant has disposed of, if so provided in the evidence of award for such grant, the participant will pay to Smucker in cash the difference between (i) any amount actually paid therefor by the participant pursuant to the Plan and (ii) the market value per share of the common shares on the date they were acquired.

Withholding Taxes. To the extent that Smucker is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by a participant or other person under the Plan, and the amounts available to Smucker for such withholding are insufficient, it will be a condition to the receipt of such payment or the realization of such benefit that the participant or such other person make arrangements satisfactory to Smucker for payment of the balance of such taxes required to be withheld, which arrangements (in the discretion of the Board) may include relinquishment of a portion of such benefit.

Termination. No grant will be made under the Plan more than 10 years after the date on which the Plan is first approved by the Company's shareholders, but all grants made on or prior to such date will continue in effect thereafter subject to the terms of the grant and of the Plan.

Federal Income Tax Consequences

The following is a brief summary of some of the federal income tax consequences of certain transactions under the Plan based on federal income tax laws in effect on January 1, 2006. This summary is not intended to be complete and does not describe state or local tax consequences.

Tax Consequences to Participants

Non-qualified Option Rights. In general, (1) no income will be recognized by an optionee at the time a non-qualified option right is granted; (2) at the time of exercise of a non-qualified option right, ordinary income will be recognized by the optionee in an amount equal to the difference between the option price paid for the shares and the fair market value of the shares, if unrestricted, on the date of exercise; and (3) at the time of sale of shares acquired pursuant to the exercise of a non-qualified option right, appreciation (or depreciation) in value of the shares after the date of exercise will be treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

Incentive Option Rights. No income generally will be recognized by an optionee upon the grant or exercise of an incentive stock option, or ISO. The exercise of an ISO, however, may result in alternative minimum tax liability. If common shares are issued to the optionee pursuant to the exercise of an ISO, and if no disqualifying disposition of such shares is made by such optionee within two years after the date of grant or within one year after the transfer of such shares to the optionee, then upon sale of such shares, any amount realized in excess of the option price will be taxed to the optionee as a long-term capital gain and any loss sustained will be a long-term capital loss.

If common shares acquired upon the exercise of an ISO are disposed of prior to the expiration of either holding period described above, the optionee generally will recognize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such shares at the time of exercise (or, if less, the amount realized on the disposition of such shares if a sale or exchange) over the

Table of Contents

option price paid for such shares. Any further gain (or loss) realized by the participant generally will be taxed as short-term or long-term capital gain (or loss) depending on the holding period.

SARs. No income will be recognized by a participant in connection with the grant of a tandem SAR or a free-standing SAR. When the SAR is exercised, the participant normally will be required to include as taxable ordinary income in the year of exercise an amount equal to the fair market value of any unrestricted common shares received on the exercise.

Restricted Stock. The recipient of restricted stock generally will be subject to tax at ordinary income rates on the fair market value of the restricted stock (reduced by any amount paid by the participant for such restricted stock) at such time as the shares are no longer subject to forfeiture or restrictions on transfer for purposes of Section 83 of the Internal Revenue Code (Restrictions). However, a recipient who so elects under Section 83(b) of the Internal Revenue Code within 30 days of the date of transfer of the shares will have taxable ordinary income on the date of transfer of the shares equal to the excess of the fair market value of such shares (determined without regard to the Restrictions) over the purchase price, if any, of such restricted stock. If a Section 83(b) election has not been made, any dividends received with respect to restricted stock that is subject to the Restrictions generally will be treated as compensation that is taxable as ordinary income to the participant.

Restricted Stock Units. No income generally will be recognized upon the award of restricted stock units. The recipient of a restricted stock unit award generally will be subject to tax at ordinary income rates on the fair market value of unrestricted common shares on the date that such shares are transferred to the participant under the award (reduced by any amount paid by the participant for such restricted stock units), and the capital gains/loss holding period for such shares will also commence on such date.

Performance Shares and Performance Units. No income generally will be recognized upon the grant of performance shares or performance units. Upon payment in respect of the earn-out of performance shares or performance units, the recipient generally will be required to include as taxable ordinary income in the year of receipt an amount equal to the fair market value of any unrestricted common shares received.

Incentive Awards. No income generally will be recognized upon the grant of incentive awards. Upon payment in respect of the earn-out of the incentive awards, the recipient will be taxed as described above in the applicable section relating to restricted stock or restricted stock units.

Tax Consequences to Smucker or Subsidiary

To the extent that a participant recognizes ordinary income in the circumstances described above, Smucker or the subsidiary for which the participant performs services will be entitled to a corresponding deduction provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an excess parachute payment within the meaning of Section 280G of the Internal Revenue Code and is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Internal Revenue Code.

Registration with the SEC

Smucker intends to file a Registration Statement on Form S-8 relating to the issuance of common shares under the Plan with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended, as soon as is practicable after approval of the Plan by Smucker's shareholders.

Plan Benefits

In April 2006, the Executive Compensation Committee and the Board of Directors, as part of an overall review of director compensation, approved an annual grant of deferred stock units to each nonemployee Director. The annual grant of deferred stock units will, until otherwise changed by the Board, be equal in value to \$60,000 and will be granted to the nonemployee Directors each October 1, commencing on October 1, 2006. If the Plan is approved by shareholders at the annual meeting, the deferred stock units will be granted under the Plan. Set forth in the table below is the dollar value and number of common shares

underlying the deferred stock units that Smucker anticipates will be awarded on October 1, 2006 under the Plan to the nonemployee Directors as of the date of this proxy statement. It is not possible to determine other specific amounts that may be awarded under the Plan.

*New Plan Benefits***The J. M. Smucker Company 2006 Equity Compensation Plan**

Name and Position	Dollar Value	Number of Units
Nonemployee Director Group	\$420,000	10,393

As of the date hereof, the Nonemployee Director Group consists of seven nonemployee Directors. The table above reflects the receipt of common shares by each nonemployee Director equal in value to \$60,000 at an assumed fair market value of \$40.41 per share, the closing price of Smucker's common shares on June 19, 2006. The table does not reflect the receipt of any common shares that a Director may receive because of an election to receive additional compensation in the form of common shares.

Vote Required to Approve the Plan

VOTING RIGHTS OF COMMON SHARES

Under Article Fourth of the Company's Amended and Restated Articles of Incorporation, the holder of each outstanding common share is entitled to one vote on each matter submitted to a vote of the shareholders except for the following specific matters:

any matter that relates to or would result in the dissolution or liquidation of Smucker, whether voluntary or involuntary, and whether pursuant to Section 1701.86 or 1701.91 of the Ohio Revised Code or otherwise;

the adoption of any amendment of the articles of incorporation, or the regulations of Smucker, or the adoption of amended articles of incorporation, other than the adoption of any amendment or amended articles of incorporation that increases the number of votes to which holders of common shares are entitled or expands the matters to which Section 2(a) of Article Fourth applies;

any proposal or other action to be taken by the shareholders of Smucker, whether or not proposed by the shareholders of Smucker, and whether proposed by authority of the Board of Directors of Smucker or otherwise, relating to Smucker's rights agreement or any successor plan;

any matter relating to any stock option plan, stock purchase plan, executive compensation plan, executive benefit plan or other similar plan, arrangement, or agreement;

Table of Contents

adoption of any agreement or plan of or for the merger, consolidation, or majority share acquisition of Smucker or any of its subsidiaries with or into any other person, whether domestic or foreign, corporate or noncorporate, or the authorization of the lease, sale, exchange, transfer, or other disposition of all, or substantially all, of Smucker's assets;

any matter submitted to Smucker's shareholders pursuant to Article Fifth (which relates to procedures applicable to certain business combinations) or Article Seventh (which relates to procedures applicable to certain proposed acquisitions of specified percentages of Smucker's outstanding shares) of the Amended and Restated Articles of Incorporation, as they may be further amended, or any issuance of common shares of Smucker for which shareholder approval is required by applicable stock exchange rules; and

any matter relating to the issuance of common shares, or the repurchase of common shares that Smucker's Board of Directors determines is required or appropriate to be submitted to Smucker's shareholders under the Ohio Revised Code or applicable stock exchange rules.

On those listed matters previously stated, common shares are entitled to ten votes per share, if they meet the requirements set forth in the Amended and Restated Articles of Incorporation. Shares which would be entitled to ten votes per share include:

common shares beneficially owned for four consecutive years as of the June 19, 2006 record date;

common shares received as a result of the International Multifoods Corporation acquisition on June 18, 2004; or

common shares received through Smucker's various equity plans.

In the event of a change in beneficial ownership, the new owner of that share will be entitled to only one vote with respect to that share on all matters until four years pass without a further change in beneficial ownership of the share.

The ten vote per share provisions apply to Proposal 3, Approval of The J. M. Smucker Company 2006 Equity Compensation Plan, on this year's ballot.

The express terms of the common shares provide that a change in beneficial ownership occurs whenever any change occurs in the person or group of persons who has or shares voting power, investment power, the right to receive sale proceeds, or the right to receive dividends or other distributions in respect of those common shares. In the absence of proof to the contrary, a change in beneficial ownership will be deemed to have occurred whenever common shares are transferred of record into the name of any other person. Moreover, corporations, general partnerships, limited partnerships, voting trustees, banks, trust companies, brokers, nominees, and clearing agencies will be entitled to only one vote per share on common shares held of record in their respective names unless proof is provided to establish that there has been no change in the person or persons who direct the exercise of any of the rights of beneficial ownership. Thus, shareholders who hold common shares in street name or through any of the other indirect methods mentioned above must be able to submit proof of beneficial ownership to Smucker in order to be entitled to exercise ten votes per share.

The foregoing is merely a summary of the voting terms of the common shares and should be read in conjunction with, and is qualified in its entirety by reference to, the express terms of those common shares as set forth in Smucker's current Amended and Restated Articles of Incorporation. A copy of the Amended and Restated Articles of Incorporation is posted on the Company's website at www.smuckers.com. A copy will be provided free of charge to any shareholder submitting a written request to Shareholder Relations, The J. M. Smucker Company, Strawberry Lane, Orrville, Ohio 44667.

5. Appreciation Rights.

(a) The Board may also authorize the granting (i) to any Optionee, of Tandem Appreciation Rights in respect of Option Rights granted hereunder, and (ii) to any Participant, of Free-Standing Appreciation Rights. A Tandem Appreciation Right will be a right of the Optionee, exercisable by surrender of the related Option Right, to receive from the Company an amount determined by the Board, which will be expressed as a percentage of the Spread (not exceeding 100 percent) at the time of exercise. Tandem Appreciation Rights may be granted at any time prior to the exercise or termination of the related Option Rights; *provided, however*, that a Tandem Appreciation Right awarded in relation to an Incentive Stock Option must be granted concurrently with such Incentive Stock Option. A Free-Standing Appreciation Right will be a right of the Participant to receive from the Company an amount determined by the Board, which will be expressed as a percentage of the Spread (not exceeding 100 percent) at the time of exercise.

(b) Each grant of Appreciation Rights will be subject to all of the requirements contained in the following provisions:

(i) Each grant will specify that the amount payable on exercise of an Appreciation Right will be paid by the Company in Common Shares.

(ii) Any grant may specify that the amount payable on exercise of an Appreciation Right may not exceed a maximum specified by the Board at the Date of Grant.

(iii) Any grant may specify waiting periods before exercise and permissible exercise dates or periods.

(iv) Any grant may specify that such Appreciation Right may be exercised only in the event of, or earlier in the event of, the retirement, the attainment of reasonable age and service requirements approved by the Board, death or disability of a Participant or a Change in Control.

(v) Any grant of Appreciation Rights may specify Management Objectives that must be achieved as a condition of the exercise of such Appreciation Rights.

(vi) Each grant of Appreciation Rights will be evidenced by an Evidence of Award, which Evidence of Award will describe such Appreciation Rights, identify the related Option Rights (if applicable), and contain such other terms and provisions, consistent with this Plan, as the Board may approve.

(c) Any grant of Tandem Appreciation Rights will provide that such Tandem Appreciation Rights may be exercised only at a time when the related Option Right is also exercisable and at a time when the Spread is positive, and by surrender of the related Option Right for cancellation. Successive grants of Tandem Appreciation Rights may be made to the same Participant regardless of whether any Tandem Appreciation Rights previously granted to the Participant remain unexercised.

(d) Regarding Free-Standing Appreciation Rights only:

(i) Each grant will specify in respect of each Free-Standing Appreciation Right a Base Price, which may not be less than the Market Value per Share on the Date of Grant;

(ii) Successive grants may be made to the same Participant regardless of whether any Free-Standing Appreciation Rights previously granted to the Participant remain unexercised; and

(iii) No Free-Standing Appreciation Right granted under this Plan may be exercised more than 10 years from the Date of Grant.

6. **Restricted Stock.** The Board may also authorize the grant or sale of Restricted Stock to Participants. Each such grant or sale will be subject to all of the requirements contained in the following provisions:

(a) Each such grant or sale will constitute an immediate transfer of the ownership of Common Shares to the Participant in consideration of the performance of services, entitling such Participant to voting, dividend and other ownership rights, but subject to the substantial risk of forfeiture and restrictions on transfer hereinafter referred to.

(b) Each such grant or sale may be made without additional consideration or in consideration of a payment by such Participant that is less than the Market Value per Share at the Date of Grant.

(c) Each such grant or sale will provide that the Restricted Stock covered by such grant or sale will be subject to a substantial risk of forfeiture within the meaning of Section 83 of the Code for a period to be determined by the Board at the Date of Grant, or upon achievement of Management Objectives referred to in subparagraph (e) below. If the elimination of restrictions is based on the passage of time rather than the achievement of Management Objectives, the period of time will be no shorter than three years, except that the restrictions may be removed on an annual, ratable basis during the three year period.

(d) Each such grant or sale will provide that during the period for which such substantial risk of forfeiture is to continue, the transferability of the Restricted Stock will be prohibited or restricted in the manner and to the extent prescribed by the Board at the Date of Grant (which restrictions may include, without limitation, rights of repurchase or first refusal in the Company or provisions subjecting the Restricted Stock to a continuing substantial risk of forfeiture in the hands of any transferee).

(e) Any grant of Restricted Stock may specify Management Objectives that, if achieved, will result in termination or early termination of the restrictions applicable to such Restricted Stock; *provided, however*, that notwithstanding subparagraph (c) above, restrictions relating to Restricted Stock that vests upon the achievement of Management Objectives may not terminate sooner than one year from the Date of Grant. Each grant may specify in respect of such Management Objectives a minimum acceptable level of achievement and may set forth a formula for determining the number of shares of Restricted Stock on which restrictions will terminate if

performance is at or above the minimum or threshold level or levels, or is at or above the target level or levels, but falls short of maximum achievement of the specified Management Objectives. The grant of Restricted Stock will specify that, before the termination or early

A-7

Table of Contents

termination of restrictions applicable to such Restricted Stock, the Board must determine that the Management Objectives have been satisfied.

(f) Notwithstanding anything to the contrary contained in this Plan, any grant or sale of Restricted Stock may provide for the earlier termination of restrictions on such Restricted Stock in the event of the retirement, the attainment of reasonable age and service requirements approved by the Board, death or disability of a Participant or a Change in Control.

(g) Any such grant or sale of Restricted Stock may require that any or all dividends or other distributions paid thereon during the period of such restrictions be automatically deferred and reinvested in additional shares of Restricted Stock, which may be subject to the same restrictions as the underlying award.

(h) Each grant or sale of Restricted Stock will be evidenced by an Evidence of Award and will contain such terms and provisions, consistent with this Plan, as the Board may approve. Unless otherwise directed by the Board, (i) all certificates representing shares of Restricted Stock will be held in custody by the Company until all restrictions thereon will have lapsed, together with a stock power or powers executed by the Participant in whose name such certificates are registered, endorsed in blank and covering such Shares or (ii) all shares of Restricted Stock will be held at the Company's transfer agent in book entry form with appropriate restrictions relating to the transfer of such shares of Restricted Stock.

7. **Restricted Stock Units.** The Board may also authorize the granting or sale of Restricted Stock Units (which may also be referred to as Deferred Stock Units) to Participants. Each such grant or sale will be subject to all of the requirements contained in the following provisions:

(a) Each such grant or sale will constitute the agreement by the Company to deliver Common Shares to the Participant in the future in consideration of the performance of services, but subject to the fulfillment of such conditions (which may include the achievement of Management Objectives) during the Restriction Period as the Board may specify. If a grant of Restricted Stock Units specifies that the Restriction Period will terminate upon the achievement of Management Objectives, then, notwithstanding anything to the contrary contained in subparagraph (c) below, such Restriction Period may not terminate sooner than one year from the Date of Grant. Each grant may specify in respect of such Management Objectives a minimum acceptable level of achievement and may set forth a formula for determining the number of shares of Restricted Stock Units on which restrictions will terminate if performance is at or above the minimum or threshold level or levels, or is at or above the target level or levels, but falls short of maximum achievement of the specified Management Objectives. The grant of such Restricted Stock Units will specify that, before the termination or early termination of restrictions applicable to such Restricted Stock Units, the Board must determine that the Management Objectives have been satisfied.

(b) Each such grant or sale may be made without additional consideration or in consideration of a payment by such Participant that is less than the Market Value per Share at the Date of Grant.

(c) If the Restriction Period lapses only by the passage of time rather than the achievement of Management Objectives as provided in subparagraph (a) above, each such grant or sale will be subject to a Restriction Period of not less than three years, except that a grant or sale may provide that the Restriction Period will expire ratably during the three-year period, on an annual basis, as determined by the Board at the Date of Grant.

(d) Notwithstanding anything to the contrary contained in this Plan, any grant or sale of Restricted Stock Units may provide for the earlier lapse or other modification of the Restriction Period in the event of the retirement, the attainment of reasonable age and service requirements approved by the Board, death or disability of a Participant or a Change in Control.

(e) During the Restriction Period, the Participant will have no right to transfer any rights under his or her award and will have no rights of ownership in the Restricted Stock Units and will have no right to vote them, but the Board may at the Date of Grant, authorize the payment of dividend equivalents on

A-8

Table of Contents

such Restricted Stock Units on either a current or deferred or contingent basis, either in cash or in additional Common Shares.

(f) Each grant or sale will specify the time and manner of payment of the Restricted Stock Units that have been earned. Each grant or sale will specify that the amount payable with respect thereto will be paid by the Company in Common Shares.

(g) Each grant or sale of Restricted Stock Units will be evidenced by an Evidence of Award and will contain such terms and provisions, consistent with this Plan, as the Board may approve.

8. Performance Shares and Performance Units. The Board may also authorize the granting of Performance Shares and Performance Units that will become payable to a Participant upon achievement of specified Management Objectives during the Performance Period. Each such grant will be subject to all of the requirements contained in the following provisions:

(a) Each grant will specify the number of Performance Shares or Performance Units to which it pertains, which number may be subject to adjustment to reflect changes in compensation or other factors; *provided, however*, that no such adjustment will be made in the case of a Covered Employee where such action would result in the loss of the otherwise available exemption of the award under Section 162(m) of the Code.

(b) The Performance Period with respect to each Performance Share or Performance Unit will be such period of time (not less than one year) as will be determined by the Board at the time of grant, which may be subject to earlier lapse or other modification in the event of the retirement, death or disability of a Participant or a Change in Control.

(c) Any grant of Performance Shares or Performance Units will specify Management Objectives which, if achieved, will result in payment or early payment of the award, and each grant may specify in respect of such specified Management Objectives a level or levels of achievement and will set forth a formula for determining the number of Performance Shares or Performance Units that will be earned if performance is at or above the minimum or threshold level or levels, or is at or above the target level or levels, but falls short of maximum achievement of the specified Management Objectives. The grant of Performance Shares or Performance Units will specify that, before the Performance Shares or Performance Units will be earned and paid, the Board must determine that the Management Objectives have been satisfied.

(d) Each grant will specify the time and manner of payment of Performance Shares or Performance Units that have been earned. Any grant may specify that the amount payable with respect thereto may be paid by the Company in Common Shares, in Restricted Stock or Restricted Stock Units or in any combination thereof and may either grant to the Participant or retain in the Board the right to elect among those alternatives.

(e) Any grant of Performance Shares or Performance Units may specify that the amount payable or the number of Common Shares, shares of Restricted Stock or Restricted Stock Units with respect thereto may not exceed a maximum specified by the Board at the Date of Grant.

(f) The Board may at the Date of Grant of Performance Shares, provide for the payment of dividend equivalents to the holder thereof on either a current or deferred or contingent basis, either in cash or in additional Common Shares.

(g) Each grant of Performance Shares or Performance Units will be evidenced by an Evidence of Award and will contain such other terms and provisions, consistent with this Plan, as the Board may approve.

9. Awards to Nonemployee Directors. The Board may, from time to time and upon such terms and conditions as it may determine, authorize the granting to Nonemployee Directors Option Rights, Appreciation Rights or other

awards contemplated by Section 10 of this Plan and may also authorize the grant or sale of Common Shares, Restricted Stock or Restricted Stock Units (which may also be referred to as Deferred Stock

A-9

Units) to Nonemployee Directors. Each grant of an award to a Nonemployee Director will be upon such terms and conditions as approved by the Board, will not be required to be subject to any minimum vesting period, and will be evidenced by an Evidence of Award in such form as will be approved by the Board. Each grant will specify in the case of an Option Right an Option Price per share, and in the case of a Free-Standing Appreciation Right, a Base Price per share, which will not be less than the Market Value per Share on the Date of Grant. Each Option Right and Free-Standing Appreciation Right granted under the Plan to a Nonemployee Director will expire not more than 10 years from the Date of Grant and will be subject to earlier termination as hereinafter provided. If a Nonemployee Director subsequently becomes an employee of the Company or a Subsidiary while remaining a member of the Board, any award held under this Plan by such individual at the time of such commencement of employment will not be affected thereby. Nonemployee Directors, pursuant to this Section 9, may be awarded, or may be permitted to elect to receive, pursuant to procedures established by the Board, all or any portion of their annual retainer, meeting fees or other fees in Common Shares, Restricted Stock, Restricted Stock Units or other awards under the Plan in lieu of cash.

10. Other Awards.

(a) The Board may, subject to limitations under applicable law, grant to any Participant such other awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Common Shares or factors that may influence the value of such shares, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Common Shares, purchase rights for Common Shares, awards with value and payment contingent upon performance of the Company or specified Subsidiaries, affiliates or other business units thereof or any other factors designated by the Board, and awards valued by reference to the book value of Common Shares or the value of securities of, or the performance of specified Subsidiaries or affiliates or other business units of the Company. The Board shall determine the terms and conditions of such awards. Common Shares delivered pursuant to an award in the nature of a purchase right granted under this Section 10 shall be purchased for such consideration, paid for at such time, by such methods, and in such forms, including, without limitation, Common Shares, other awards, notes or other property, as the Board shall determine.

(b) The Board may grant Common Shares as a bonus, or may grant other awards in lieu of obligations of the Company or a Subsidiary to pay cash or deliver other property under this Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Board.

(c) Share-based awards, pursuant to this Section 10, are not required to be subject to any minimum vesting period.

11. Incentive Awards. The Board is authorized to grant Incentive Awards, which awards shall represent a conditional right to receive Restricted Stock or Restricted Stock Units upon achievement of pre-established Management Objectives, subject to the following terms and conditions:

(a) It is the intent of the Company that Incentive Awards under this Section 11 granted to persons who are Covered Employees within the meaning of Section 162(m) of the Code shall constitute qualified performance-based compensation within the meaning of Section 162(m) of the Code. Accordingly, this Section 11 shall be interpreted in a manner consistent with Section 162(m) of the Code.

(b) If the Board determines to grant Incentive Awards with respect to any one or more fiscal years, the Board shall select the Participants to be granted such awards and establish the Management Objectives, amounts payable and other terms of settlement, and all other terms of such awards. Such determinations by the Board shall be made, in the case of any Covered Employee, not later than the end of the first quarter of that fiscal year or such earlier date as may be necessary to comply with Section 162(m) of the Code.

(c) The Board shall specify whether and to what extent an Incentive Award shall be settled in shares of Restricted Stock, Restricted Stock Units or in a combination thereof at the time of grant of

Table of Contents

such award. If any Restricted Stock or Restricted Stock Units are awarded in settlement of such an Award, such Restricted Stock or Restricted Stock Units shall be subject to a restriction on transferability and a risk of forfeiture for a period extending until at least the end of the third fiscal year following the year to which such award related (except that the restrictions may lapse on an annual, ratable basis during the three-year period and the Board may accelerate the lapse of such restrictions in the event of the retirement, the attainment of reasonable age and service requirements approved by the Board, death or disability of a Participant or a Change in Control). The Board may specify additional or longer restrictions on transferability and risks of forfeiture with respect to such Restricted Stock or Restricted Stock Units.

(d) As promptly as practicable following completion of the year or other period with respect to which Management Objectives relating to Incentive Awards are to be achieved, the Board shall determine whether and to what extent such Management Objectives have in fact been achieved. All such determinations by the Board shall be made in writing. The Board may, in its discretion, increase or reduce the amounts payable in settlement of such an award after the date of grant and prior to settlement (including upon consideration by the Board of other performance criteria), except that the Committee may not exercise discretion to increase the amounts payable in settlement of such an award to a Covered Employee.

12. Administration of the Plan.

(a) This Plan will be administered by the Board, which may from time to time delegate all or any part of its authority under this Plan to the Executive Compensation Committee of the Board or any other committee of the Board (or a subcommittee thereof), as constituted from time to time. To the extent of any such delegation, references in this Plan to the Board will be deemed to be references to such committee or subcommittee.

(b) The interpretation and construction by the Board of any provision of this Plan or of any agreement, notification or document evidencing the grant of Option Rights, Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares, Performance Units, Incentive Awards or other awards pursuant to Section 10 of this Plan and any determination by the Board pursuant to any provision of this Plan or of any such agreement, notification or document will be final and conclusive.

(c) The Board or, to the extent of any delegation as provided in Section 12(a), the committee, may delegate to one or more of its members or to one or more officers of the Company, or to one or more agents or advisors, such administrative duties or powers as it may deem advisable, and the Board, the committee, or any person to whom duties or powers have been delegated as aforesaid, may employ one or more persons to render advice with respect to any responsibility the Board, the committee or such person may have under the Plan. The Board or the committee may, by resolution, authorize one or more officers of the Company to do one or both of the following on the same basis as the Board or the committee: (i) designate employees to be recipients of awards under this Plan; (ii) determine the size of any such awards; *provided, however*, that (A) the Board or the Committee shall not delegate such responsibilities to any such officer for awards granted to an employee who is a Director or an executive officer or any person subject to Section 162(m) of the Code; (B) the resolution providing for such authorization sets forth the total number of Common Shares such officer(s) may grant; and (iii) the officer(s) shall report periodically to the Board or the committee, as the case may be, regarding the nature and scope of the awards granted pursuant to the authority delegated.

13. Adjustments. The Board may make or provide for such adjustments in the numbers of Common Shares covered by outstanding Option Rights, Appreciation Rights, Restricted Stock Units, Performance Shares and Performance Units granted hereunder and, if applicable, in the number of Common Shares covered by other awards granted pursuant to Section 10 hereof, in the Option Price and Base Price provided in outstanding Appreciation Rights, and in the kind of shares covered thereby, as the Board, in its sole discretion may determine is equitably required to prevent dilution or enlargement of the rights of Participants or Optionees that otherwise would result from (a) any stock dividend, stock split, combination of shares, recapitalization or other change in the capital structure of the Company, or (b) any merger, consolidation,

spin-off, split-off, spin-out, split-up, reorganization, partial or complete liquidation or other distribution of assets, issuance of rights or warrants to purchase securities, or (c) any other corporate transaction or event having an effect similar to any of the foregoing. Moreover, in the event of any such transaction or event, the Board, in its discretion, may provide in substitution for any or all outstanding awards under this Plan such alternative consideration, if any, as it may determine to be equitable in the circumstances and may require in connection therewith the surrender of all awards so replaced. The Board may also make or provide for such adjustments in the numbers of shares specified in Section 3 of this Plan as the Board in its sole discretion, exercised in good faith, may determine is appropriate to reflect any transaction or event described in this Section 13; *provided, however*, that any such adjustment to the number specified in Section 3(b)(i) will be made only if and to the extent that such adjustment would not cause any option intended to qualify as an Incentive Stock Option to fail so to qualify.

14. Change in Control. For purposes of this Plan, except as may be otherwise prescribed by the Board in an Evidence of Award made under this Plan, a Change in Control shall be deemed to have occurred upon the occurrence of any of the following events:

(a) A filing pursuant to any federal or state law in connection with any tender offer for shares of the Company (other than a tender offer by the Company);

(b) The occurrence of or the signing of any agreement for a merger, consolidation, combination (as defined in Section 1701.01(Q), Ohio Revised Code), or majority share acquisition (as defined in Section 1701.01(R), Ohio Revised Code) involving the Company and as a result of which the holders of shares of the Company prior to the transaction become, or will become, by reason of the transaction, the holders of such number of shares of the surviving or acquiring corporation as entitle them to exercise less than one-third of the voting power of such corporation in the election of directors;

(c) The signing of any agreement for the sale of all or substantially all of the assets of the Company;

(d) The adoption of any resolution of reorganization or dissolution of the Company by the shareholders;

(e) The occurrence of any other event or series of events, which, in the opinion of the Board of Directors, will, or is likely to, if carried out, result in a change of control of the Company;

(f) If during any period of two consecutive years, individuals who at the beginning of such period constitute the Directors of the Company cease for any reason to constitute a majority thereof (unless the election, or the nomination for election by the Company's shareholders, of each Director of the Company first elected during such period was approved by a vote of at least two-thirds of the Directors then still in office who were Directors of the Company at the beginning of any such period); or

(g) The acquisition by any person (including a group within the meaning of Sections 13(d)(3) or 14(d)(2) of the Exchange Act other than the Company (or any of its Subsidiaries) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20% or more of the Company's then outstanding securities, unless such acquisition is approved by the vote of at least two-thirds of the Directors of the Company then in office.

15. Detrimental Activity. Any Evidence of Award may provide that if a Participant, either during employment by the Company or a Subsidiary or within a specified period after termination of such employment, shall engage in any Detrimental Activity, and the Board shall so find, forthwith upon notice of such finding, the Participant shall:

(a) Forfeit any award granted under the Plan then held by the Participant;

(b) Return to the Company, in exchange for payment by the Company of any amount actually paid therefor by the Participant, all Common Shares that the Participant has not disposed of that were offered pursuant to this Plan

within a specified period prior to the date of the commencement of such Detrimental Activity, and
A-12

(c) With respect to any Common Shares so acquired that the Participant has disposed of, pay to the Company in cash the difference between:

(i) Any amount actually paid therefor by the Participant pursuant to this Plan, and

(ii) The Market Value per Share of the Common Shares on the date of such acquisition.

(d) To the extent that such amounts are not paid to the Company, the Company may set off the amounts so payable to it against any amounts that may be owing from time to time by the Company or a Subsidiary to the Participant, whether as wages, deferred compensation or vacation pay or in the form of any other benefit or for any other reason.

16. Non U.S. Participants. In order to facilitate the making of any grant or combination of grants under this Plan, the Board may provide for such special terms for awards to Participants who are foreign nationals or who are employed by the Company or any Subsidiary outside of the United States of America or who provide services to the Company under an agreement with a foreign nation or agency, as the Board may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Board may approve such supplements to or amendments, restatements or alternative versions of this Plan (including, without limitation, sub-plans) as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of this Plan as in effect for any other purpose, and the Secretary or other appropriate officer of the Company may certify any such document as having been approved and adopted in the same manner as this Plan. No such special terms, supplements, amendments or restatements, however, will include any provisions that are inconsistent with the terms of this Plan as then in effect unless this Plan could have been amended to eliminate such inconsistency without further approval by the shareholders of the Company.

17. Transferability.

(a) Except as otherwise determined by the Board, no Option Right, Appreciation Right, Restricted Stock, Restricted Stock Unit, Performance Share, Performance Unit, award contemplated by Section 9 or 10 of this Plan, Incentive Award or dividend equivalents paid with respect to awards made under the Plan shall be transferable by the Participant except by will or the laws of descent and distribution and, in no event shall any such award granted under the Plan be transferred for value. Except as otherwise determined by the Board, Option Rights and Appreciation Rights will be exercisable during the Participant's lifetime only by him or her or, in the event of the Participant's legal incapacity to do so, by his or her guardian or legal representative acting on behalf of the Participant in a fiduciary capacity under state law or court supervision.

(b) The Board may specify at the Date of Grant that part or all of the Common Shares that are (i) to be issued or transferred by the Company upon the exercise of Option Rights or Appreciation Rights, upon the termination of the Restriction Period applicable to Restricted Stock Units or upon payment under any grant of Performance Shares or Performance Units or Incentive Awards or (ii) no longer subject to the substantial risk of forfeiture and restrictions on transfer referred to in Section 6 of this Plan, will be subject to further restrictions on transfer.

18. Withholding Taxes. To the extent that the Company is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by a Participant or other person under this Plan, and the amounts available to the Company for such withholding are insufficient, it will be a condition to the receipt of such payment or the realization of such benefit that the Participant or such other person make arrangements satisfactory to the Company for payment of the balance of such taxes required to be withheld, which arrangements (in the discretion of the Board) may include relinquishment of a portion of such benefit. If a Participant's benefit is to be received in the form of Common Shares, and such Participant fails to make arrangements for the payment of tax, the Company shall withhold such Common Shares having a value equal to the amount required to be withheld. Notwithstanding the foregoing, when a Participant is required to pay the Company an amount required to be withheld under applicable income and employment tax laws, the Participant may elect to satisfy the obligation, in whole or in part, by electing to have withheld, from the shares required to be delivered to the Participant, Common Shares having a value equal to the

Table of Contents

amount required to be withheld (except in the case of Restricted Stock where an election under Section 83(b) of the Code has been made), or by delivering to the Company other Common Shares held by such Participant. The shares used for tax withholding will be valued at an amount equal to the Market Value per Share of such Common Shares on the date the benefit is to be included in Participant's income. In no event shall the Market Value per Share of the Common Shares to be withheld and delivered pursuant to this Section to satisfy applicable withholding taxes in connection with the benefit exceed the minimum amount of taxes required to be withheld. Participants shall also make such arrangements as the Company may require for the payment of any withholding tax obligation that may arise in connection with the disposition of Common Shares acquired upon the exercise of Option Rights.

19. Compliance with Section 409A of the Code.

(a) To the extent applicable, it is intended that this Plan and any grants made hereunder comply with the provisions of Section 409A of the Code. This Plan and any grants made hereunder shall be administered in a manner consistent with this intent, and any provision that would cause this Plan or any grant made hereunder to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Company without the consent of Participants). Any reference in this Plan to Section 409A of the Code will also include any proposed, temporary or final regulations, or any other guidance, promulgated with respect to such Section by the U.S. Department of the Treasury or the Internal Revenue Service.

(b) In order to determine for purposes of Section 409A of the Code whether a Participant is employed by a member of the Company's controlled group of corporations under Section 414(b) of the Code (or by a member of a group of trades or businesses under common control with the Company under Section 414(c) of the Code) and, therefore, whether the Common Shares that are or have been purchased by or awarded under this Plan to the Participant are shares of service recipient stock within the meaning of Section 409A of the Code:

(i) In applying Code Section 1563(a)(1), (2) and (3) for purposes of determining the Company's controlled group under Section 414(b) of the Code, the language "at least 50 percent" is to be used instead of "at least 80 percent" each place it appears in Code Section 1563(a)(1), (2) and (3), and

(ii) In applying Treasury Regulation Section 1.414(c)-2 for purposes of determining trades or businesses under common control with the Company for purposes of Section 414(c) of the Code, the language "at least 50 percent" is to be used instead of "at least 80 percent" each place it appears in Treasury Regulation Section 1.414(c)-2.

20. Amendments.

(a) The Board may at any time and from time to time amend this Plan in whole or in part; *provided, however*, that if an amendment to this Plan (i) would materially increase the benefits accruing to participants under this Plan, (ii) would materially increase the number of securities which may be issued under this Plan, (iii) would materially modify the requirements for participation in this Plan or (iv) must otherwise be approved by the shareholders of the Company in order to comply with applicable law or the rules of the New York Stock Exchange or, if the Common Shares are not traded on the New York Stock Exchange, the principal national securities exchange upon which the Common Shares are traded or quoted, then, such amendment will be subject to shareholder approval and will not be effective unless and until such approval has been obtained.

(b) The Board will not, without the further approval of the shareholders of the Company, authorize the amendment of any outstanding Option Right or Appreciation Right to reduce the Option Price or the Base Price, as applicable. Furthermore, no Option Right or Appreciation Right will be cancelled and replaced with awards having a lower Option Price or Base Price without further approval of the shareholders of the Company. This Section 20(b) is intended to prohibit the repricing of Option Rights

Table of Contents

and Appreciation Rights and will not be construed to prohibit the adjustments provided for in Section 13 of this Plan.

(c) If permitted by Section 409A of the Code, in the case of involuntary termination of employment or termination of employment by reason of death, disability, retirement, closing of business or operation units, or elimination of job position, or in the case of unforeseeable emergency or other special circumstances (including reaching reasonable age and service requirements approved by the Board from time to time), of or relating to a Participant who holds an Option Right or Appreciation Right not immediately exercisable in full, or any shares of Restricted Stock as to which the substantial risk of forfeiture or the prohibition or restriction on transfer has not lapsed, or any Restricted Stock Units as to which the Restriction Period has not been completed, or any Performance Shares or Performance Units or Incentive Awards which have not been fully earned, or any other awards made pursuant to Section 10 subject to any vesting schedule or transfer restriction, or who holds Common Shares subject to any transfer restriction imposed pursuant to Section 17(b) of this Plan, the Board may, in its sole discretion, accelerate the time at which such Option Right, Appreciation Right or other award may be exercised or the time at which such substantial risk of forfeiture or prohibition or restriction on transfer will lapse or the time when such Restriction Period will end or the time at which such Performance Shares or Performance Units or Incentive Awards will be deemed to have been fully earned or the time when such transfer restriction will terminate or may waive any other limitation or requirement under any such award except in the case of a Covered Employee where such action would result in the loss of the otherwise available exemption of the award under Section 162(m) of the Code.

(d) Subject to Section 20(b) hereof, the Board may amend the terms of any award theretofore granted under this Plan prospectively or retroactively, except in the case of a Covered Employee where such action would result in the loss of the otherwise available exemption of the award under Section 162(m) of the Code. In such case, the Board will not make any modification of the Management Objectives or the level or levels of achievement with respect to such Covered Employee. Subject to Section 13 above, no such amendment shall impair the rights of any Participant without his or her consent. The Board may, in its discretion, terminate this Plan at any time. Termination of this Plan will not affect the rights of Participants or their successors under any awards outstanding hereunder and not exercised in full on the date of termination.

21. **Governing Law.** The Plan and all grants and awards and actions taken thereunder shall be governed by and construed in accordance with the internal substantive laws of the State of Ohio.

22. **Effective Date/Termination.** This Plan will be effective as of the Effective Date. No grants will be made on or after the Effective Date under the Existing Plans, except that (i) outstanding awards granted under the Existing Plans will continue unaffected following the Effective Date; (ii) the provisions relating to the deferral of Director retainers and fees under the Amended and Restated Nonemployee Director Stock Plan shall continue to apply to services rendered through December 31, 2006; and (iii) awards of performance shares and performance units granted under the 1998 Equity and Performance Incentive Plan (As Amended and Restated Effective as of June 6, 2005) and outstanding as of the Effective Date may be converted to restricted stock under such plan once such performance shares and performance units are earned. No grant will be made under this Plan more than 10 years after the Effective Date, but all grants made on or prior to such date will continue in effect thereafter subject to the terms thereof and of this Plan.

23. **Miscellaneous Provisions.**

(a) The Company will not be required to issue any fractional Common Shares pursuant to this Plan. The Board may provide for the elimination of fractions or for the settlement of fractions in cash.

(b) This Plan will not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary, nor will it interfere in any way with any right the Company or any Subsidiary would otherwise have to terminate such Participant's employment or other service at any time.

Table of Contents

(c) To the extent that any provision of this Plan would prevent any Option Right that was intended to qualify as an Incentive Stock Option from qualifying as such, that provision will be null and void with respect to such Option Right. Such provision, however, will remain in effect for other Option Rights and there will be no further effect on any provision of this Plan.

(d) No award under this Plan may be exercised by the holder thereof if such exercise, and the receipt of stock thereunder, would be, in the opinion of counsel selected by the Board, contrary to law or the regulations of any duly constituted authority having jurisdiction over this Plan.

(e) Absence on leave approved by a duly constituted officer of the Company or any of its Subsidiaries shall not be considered interruption or termination of service of any employee for any purposes of this Plan or awards granted hereunder, except that no awards may be granted to an employee while he or she is absent on leave.

(f) No Participant shall have any rights as a stockholder with respect to any shares subject to awards granted to him or her under this Plan prior to the date as of which he or she is actually recorded as the holder of such shares upon the stock records of the Company.

(g) The Board may condition the grant of any award or combination of awards authorized under this Plan on the surrender or deferral by the Participant of his or her right to receive a cash bonus or other compensation otherwise payable by the Company or a Subsidiary to the Participant.

(h) Except with respect to Option Rights and Appreciation Rights, the Board may permit Participants to elect to defer the issuance of Common Shares under the Plan pursuant to such rules, procedures or programs as it may establish for purposes of this Plan and which are intended to comply with the requirements of Section 409A of the Code. The Board also may provide that deferred issuances and settlements include the payment or crediting of dividend equivalents or interest on the deferral amounts.

(i) If any provision of this Plan is or becomes invalid, illegal or unenforceable in any jurisdiction, or would disqualify this Plan or any award under any law deemed applicable by the Board, such provision shall be construed or deemed amended or limited in scope to conform to applicable laws or, in the discretion of the Board, it shall be stricken and the remainder of this Plan shall remain in full force and effect.

THE J. M. SMUCKER COMPANY
LETTER TO ALL PARTICIPANTS IN:

**THE J. M. SMUCKER COMPANY EMPLOYEE STOCK OWNERSHIP PLAN AND TRUST,
THE J. M. SMUCKER COMPANY EMPLOYEE SAVINGS PLAN,
THE J. M. SMUCKER COMPANY ORRVILLE REPRESENTED EMPLOYEE SAVINGS PLAN,
AND THE J. M. SMUCKER COMPANY SALINAS REPRESENTED EMPLOYEE SAVINGS PLAN**

Enclosed are materials relating to the Annual Meeting of Shareholders of The J. M. Smucker Company, which will be held on August 17, 2006. You are receiving these materials because you were a participant in one or more of the benefit plans listed above as of the June 19, 2006 record date. As a participant in one of the plans, you are also a beneficial owner of common shares of Smucker that are held in the plans. As such, you are entitled to direct the trustee under each of the plans on how to vote those shares with respect to issues being submitted to the shareholders at Smucker's Annual Meeting. The trustee of The J. M. Smucker Company Employee Stock Ownership Plan and Trust is SEI Private Trust Company. The trustee of The J. M. Smucker Company Employee Savings Plan, The J. M. Smucker Company Orrville Represented Employee Savings Plan, and The J. M. Smucker Company Salinas Represented Employee Savings Plan is Fidelity Management Trust Company.

The purpose of this letter is to give you information on how to provide voting direction to the trustee on shares allocated to your account under one or more of the plans. The letter also discusses a right that you have under the plans to provide direction to the trustee on how certain other shares should be voted that are allocated to other participants, but are not voted, or which are not yet allocated to anyone. The letter also outlines what it means if you exercise your right with respect to those other shares. Before making a decision on how to instruct the trustee, you should carefully read this letter and the enclosed materials.

HOW DO I PROVIDE DIRECTION TO THE TRUSTEE?

As a participant in one or more of the plans referenced at the top of this letter, you may direct the trustee how to vote all shares allocated to your account. You may also direct the trustee how to vote the following other plan shares: shares allocated to the accounts of other participants who do not themselves provide direction to the trustee on how to vote those shares (these are non-directed shares); and

if you are a participant in the Employee Stock Ownership Plan, shares in that plan that have not been allocated to participants (these are unallocated shares).

If you do not direct the trustee how to vote the shares which are allocated to your account, those shares will be voted by the trustee in accordance with the direction of other participants.

The trustee will vote shares under a particular plan based upon the direction of participants in the plan who timely return voting instruction cards like the one that is enclosed. If you are a participant in more than one plan, you will receive one voting instruction card listing the shares for all plans in which you participate.

To direct the trustee how to vote shares allocated to your account under the plan or plans in which you participate, simply mark your choices on the back of the enclosed voting instruction card. With respect to non-directed shares and unallocated shares, you may, by marking the appropriate square on the back of the card, direct the trustee to either:

vote a portion of the non-directed shares and unallocated shares under a plan the same way you directed the trustee to vote your allocated shares;

Table of Contents

not to vote non-directed shares and unallocated shares pursuant to your direction because you do not wish to undertake the fiduciary duties described below which arise from that direction; or

vote the non-directed shares and unallocated shares differently than your allocated shares, in which case you should also contact the transfer agent, Computershare Investor Services, at (440) 239-7350 to obtain another voting instruction card for that purpose.

If you elect to direct the trustee how to vote your allocated shares and/or the non-directed shares and unallocated shares, the enclosed voting instruction card must be returned to the trustee. The address to which the card must be mailed or delivered is The J. M. Smucker Company, c/o Computershare Investor Services, P.O. Box A3800, Chicago, IL 60690-9608. In order for the trustee to be able to vote the shares at the Annual Meeting, the deadline for voting instruction cards to be received by the trustee is 12:00 noon, Eastern Daylight Time, August 14, 2006. A prepaid, addressed envelope is enclosed for you to use in returning the card.

Your decision whether or not to direct the trustee to vote shares in the plans will be treated confidentially by the trustee and will not be disclosed to Smucker or any of its employees, officers, or directors.

VOTING RIGHTS OF SHARES

Our Amended and Restated Articles of Incorporation provide generally that each common share will entitle the holder to one vote on each matter to be considered at the meeting, except for certain matters listed in the Amended and Restated Articles of Incorporation. On those listed matters, shareholders are entitled to exercise ten votes per share unless there has been a change in beneficial ownership of the common shares. In that event, the new owner will be entitled to only one vote with respect to that share on all matters until four years pass without a further change in beneficial ownership of the share. The ten-vote provisions apply to Proposal 3, Approval of The J. M. Smucker Company 2006 Equity Compensation Plan, on the ballot for this Annual Meeting.

FIDUCIARY STATUS

Each plan participant is a named fiduciary (as defined in Section 402 (a) (2) of the Employee Retirement Income Security Act of 1974, as amended) with respect to a decision to direct the trustee how to vote the shares allocated to his or her account. Individuals considered to be named fiduciaries are required to act prudently, solely in the interest of the participants and beneficiaries of the plans, and for the exclusive purpose of providing benefits to participants and beneficiaries of the plans. A named fiduciary may be subject to liability for his or her actions as a fiduciary. By signing, dating, and returning the enclosed voting instruction card, you are accepting your designation under the plans as a named fiduciary. You should therefore exercise your voting rights prudently. You should mark, sign, date, and return the voting instruction card only if you are willing to act as a named fiduciary.

If you direct the trustee how to vote non-directed shares and unallocated shares, you will be named fiduciary with respect to that decision also. You are similarly required to act prudently, solely in the interest of the participants and beneficiaries of the plan, and for the exclusive purpose of providing benefits to participants and beneficiaries of the plan in giving direction on non-directed shares, if you choose to do so.

All questions and requests for assistance should be directed to Smucker's shareholder relations department at (330) 684-3838.

Dear Shareholder:

The enclosed voting instruction card permits you to give instructions on how to vote the common shares of The J. M. Smucker Company (Smucker) at the Annual Meeting of Shareholders to be held on August 17, 2006.

The Company's Amended and Restated Articles of Incorporation provide generally that each common share will entitle the holder to one vote on each matter properly submitted to shareholders, except for certain matters listed in the Amended and Restated Articles of Incorporation. The reverse side of this letter sets forth the matters entitled to ten votes per share and the specific length of time you must hold these shares in order to receive ten votes per share treatment.

On those listed matters, shareholders are entitled to exercise ten votes per common share unless there has been a change in beneficial ownership of the common share within the last four years, as of the June 19, 2006 annual meeting record date. Additionally, Smucker common shares received in connection with the acquisition of International Multifoods Corporation on June 18, 2004 are also entitled to ten votes per share. In the event of a change in beneficial ownership, the new owner of that common share will be entitled to only one vote with respect to that common share on all matters until four years pass without a further change in beneficial ownership of the share.

The ten vote per common share provisions apply to Proposal 3, Approval of The J. M. Smucker Company 2006 Equity Compensation Plan on this year's ballot. In order to exercise the ten votes per common share provision, you must complete the Certification of Ten-Vote Shares section indicated on the voting instruction form. You will not be able to certify these ten-vote shares if voting by telephone. Should you choose not to complete the Certification of Ten-Vote Shares section, but have properly executed the voting instruction form, all shares represented will be counted as one vote per common share. Smucker reserves the right to request proof of beneficial ownership regarding shares you have certified which are entitled to ten votes per common share.

Please contact our shareholder relations department at 330-684-3838 or One Strawberry Lane, Orrville, Ohio 44667 if you have any questions on certifying ten-vote shares.

(ii) no holder shall be entitled to exercise more than one vote on any such matter in respect of any Common Share if the aggregate voting power such holder otherwise would be entitled to exercise as of the date of such a determination (disregarding the voting power of any Common Shares held by such holder on August 20, 1985 or acquired by such holder in a transaction not involving any change in beneficial ownership by reason of Section 2 (c) of this Division II) would constitute one-fifth or more of the voting power of the Company and the holders of the Common Shares have not authorized the ownership of Common Shares by such person as and to the extent contemplated by Article Seventh hereof.

Common Share.

(A) In the absence of proof to the contrary provided in accordance with the procedures referred to in Section 2 (d) of this Division II, a change in beneficial ownership shall be deemed to have occurred whenever a Common Share is transferred of record into the name of any other person.

(B) In the case of a Common Share held of record in the name of a corporation, general partnership, limited partnership, voting trustee, bank, trust company, broker, nominee or clearing agency, if it has not been established pursuant to the procedures referred to in Section 2 (d) of this Division II that there has been no change in the person or persons who direct the exercise of the rights referred to in clauses (b)(1) through (b)(4) of Section 2 of this Division II with respect to such Common Share during the period of four years immediately preceding the date on which a determination is made of the shareholders who are entitled to take any action, then a change in beneficial ownership shall be deemed to have occurred during such period.

(C) In the case of a Common Share held of record in the name of any person as a trustee, agent, guardian or custodian under the Uniform Gifts to Minors Act as in effect in any state, a change in beneficial ownership shall be deemed to have occurred whenever there is a change in the beneficiary of such trust, the principal of such agent, the ward of such guardian or the minor for whom such custodian is acting or in such trustee, agent, guardian or custodian.

(D) In the case of Common Shares beneficially owned by a person or group of persons who, after acquiring directly or indirectly the beneficial ownership of five percent of the outstanding Common Shares, failed to notify the Company of such ownership, a change in beneficial ownership of such Common Shares shall be deemed to occur on each day while such failure continues.

(c) Notwithstanding anything in this Section 2 of this Division II to the contrary, no change in beneficial ownership shall be deemed to have occurred solely as a result of:

(1) any event that occurred prior to August 20, 1985 or pursuant to the terms of any contract (other than a contract for the purchase and sale of Common Shares contemplating prompt settlement), including contracts providing for options, rights of first refusal and similar arrangements in existence on such date to which any holder of Common Shares is a party;

(2) any transfer of any interest in a Common Share pursuant to a bequest or inheritance, by operation of law upon the death of any individual, or by any other transfer without valuable consideration, including a gift that is made in good faith and not for the purpose of circumventing this Article Fourth;

(3) any change in the beneficiary of any trust, or any distribution of a Common Share from trust, by reason of the birth, death, marriage or divorce of any natural person, the adoption of any natural person prior to age 18 or the passage of a given period of time or the attainment by any natural person of a specific age, or the creation or termination of any guardianship or custodial arrangement;

(4) any appointment of a successor trustee, agent, guardian or custodian with respect to a Common Share if neither such successor has nor its predecessor had the power to vote or to dispose of such Common Share without further instructions from others;

(5) any change in the person to whom dividends or other distributions in respect of a Common Share are to be paid pursuant to the issuance or modification of a revocable dividend payment order; or

(6) any issuance of a Common Share by the Company or any transfer by the Company of a Common Share held in treasury unless otherwise determined by the Board of Directors at the time of authorizing such issuance, or transfer, including without limitation those Common Shares issued pursuant to the Merger Agreement.

(d) For purposes of Section 2 of this Division II, all determinations concerning changes in beneficial ownership, or the absence of any such change, shall be made by the Company or, at any time when a transfer agent is acting with respect

to the Common Shares, by such transfer agent on the Company's behalf. Written procedures designed to facilitate such determinations shall be established by the Company and refined from time to time. Such procedures shall provide, among other things, the manner of proof of facts that will be accepted and the frequency with which such proof may be required to be renewed. The Company and any transfer agent shall be entitled to rely on all information concerning beneficial ownership of the Common Shares coming to their attention from any source and in any manner reasonably deemed by them to be reliable, but neither the Company nor any transfer agent shall be charged with any other knowledge concerning the beneficial ownership of the Common Shares.

(e) In the event of any stock split or stock dividend with respect to the Common Shares, each Common Share acquired by reason of such split or dividend shall be deemed to have been beneficially owned by the same person continuously from the same date as that on which beneficial ownership of the Common Share, with respect to which such Common Share was distributed, was acquired.

Section 3. No reference to any matter in this Division II shall be deemed to entitle any shareholder of the Company the right to vote thereon, consent thereto, grant a waiver or release in respect thereof, or take any other action with respect thereto.

Section 4. Each Common Share, whether at any particular time the holder thereof is entitled to exercise ten votes or one vote pursuant to Section 2 of this Division II, shall be identical to all other Common Shares in all respects, and together the Common Shares shall constitute a single class of shares of the Company.
