Item 2.02 Results of Operations and Financial Condition

and

Item 2.06 Material Impairments

On October 14, 2008, Park National Corporation (Park) issued a news release (the News Release) announcing an expected material impairment charge to the goodwill recorded as a result of the merger of Vision Bancshares, Inc. (Vision) into Park on March 9, 2007. Park expects the reduction in goodwill and associated charge to earnings to be approximately \$55 million, which will be recorded as of September 30, 2008. This charge to earnings will have no impact on regulatory capital, cash, or Park s ability to pay dividends at historical levels.

Park acquired all of the stock and outstanding stock options of Vision for \$171.1 million, including \$87.8 million in cash and \$83.3 million in Park common shares. Total intangible assets recognized by Park as a result of the acquisition were \$121.7 million, consisting of \$109.0 million of goodwill and \$12.7 million in core deposit intangibles. The core deposit intangible balance continues to be amortized over six years and had a balance of \$9.4 million at September 30, 2008.

On January 15, 2008, Park had announced an impairment charge of \$54 million in respect of the value of the goodwill previously recognized as a result of the Vision acquisition. This goodwill impairment charge was recorded as of December 31, 2007 and based upon management s calculation of the estimated fair value of the assets of Vision Bank at December 31, 2007. Further disclosure regarding the goodwill impairment charge recorded as of December 31, 2007 is included in Item 2.02 Results of Operations and Financial Conditions and Item 2.06 Material Impairments of the Current Report on Form 8-K filed by Park on January 15, 2008 and in Note 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES Goodwill and Other Intangible Assets of the Notes to Consolidated Financial Statements included in Park s 2007 Annual Report and incorporated by reference into Item 8. Financial Statements and Supplementary Data of Park s Annual Report on Form 10-K for the fiscal year ended December 31, 2007.

Statement of Financial Accounting Standards (SFAS) No. 142, Goodwill and Other Intangible Assets (as amended) requires goodwill to be tested for impairment on an annual basis, or more frequently if events or changes in circumstances indicate that the asset might be impaired, by comparing the fair value of such goodwill to its recorded or carrying amount. If the carrying amount of the goodwill exceeds the fair value, an impairment charge must be recorded in an amount equal to the excess. In Note 2 Acquisitions and Intangible Assets of the Notes to Consolidated Condensed Financial Statements included in Item 1. Financial Statements of Park s Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2008, Park disclosed that based on the increased level of net loan charge-offs at Vision Bank during the first six months of 2008, management had determined that it would be prudent to test for goodwill impairment during the third quarter of 2008. Park has continued to experience credit deterioration in Vision Bank s marketplace during the third quarter of 2008.

On October 14, 2008, the Board of Directors of Park reviewed management s valuation of the fair value of Vision Bank and concluded that Vision Bank should recognize an impairment charge and write down the remaining value of the goodwill previously recorded as a

result of the Vision acquisition (approximately \$55 million), resulting in goodwill with a balance of zero.

Item 8.01 Other Events

Declaration of Cash Dividend

As reported in the News Release, on October 14, 2008, the Park Board of Directors also declared a \$0.95 per share regular quarterly cash dividend in respect of Park's common shares. The dividend is payable on December 10, 2008 to shareholders of record as of the close of business on November 26, 2008. A copy of the News Release is included as Exhibit 99.1 and incorporated herein by reference.
