PROXY STATEMENT

APRIL 13, 2004

GENERAL INFORMATION

This proxy statement has information about the annual meeting of shareholders of Juniata Valley Financial Corp. We first mailed this proxy statement and the enclosed proxy card to shareholders on April 13, 2004.

We will pay the costs of preparing, printing and mailing the proxy and all related materials. In addition to sending you these materials, some of our employees may contact you by telephone, by mail or in person.

Our executive offices are located at Bridge and Main Streets, Mifflintown, Pennsylvania 17059, and our telephone number is (717) 436-8211. Our mailing address is P.O. Box 66, Mifflintown, PA 17059.

VOTING PROCEDURES

WHO CAN VOTE?

You can vote your shares of common stock if our records show that you owned the shares at the close of business on April 12, 2004 (the "Record Date"). A total of 2,284,703 shares of common stock were outstanding on March 1, 2004, and can vote at the annual meeting. You get one vote for each share of common stock that you own, and there is no cumulative voting for the election of directors. The enclosed proxy card shows the number of shares you can vote. We will hold the annual meeting if the holders of a majority of the shares of the common stock entitled to vote either sign and return their proxy cards or attend the meeting in person.

WHAT VOTE IS REQUIRED?

The directors will be elected by a plurality of the votes cast. Because five directors are being elected at the 2004 annual meeting, the five nominees receiving the greatest number of votes will be elected. All other matters to be voted on at the annual meeting must be approved by the holders of a majority of the shares of common stock present at the annual meeting in person or by proxy.

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form DEF 14A

WHAT IF OTHER MATTERS COME UP AT THE ANNUAL MEETING?

The matters described in this proxy statement are the only matters we know will be voted on at the meeting. If other matters are properly presented at the annual meeting, the proxy holders named in the enclosed proxy card will vote your shares in accordance with their best judgment.

HOW ARE VOTES COUNTED?

At the annual meeting, our judges of election will manually count all votes which are cast in person or by proxy. Voting is an important right of shareholders. Abstentions will be counted for purposes of determining whether there is a quorum, but they will not be counted as votes. Broker non-votes, which occur when a broker or a bank holding your shares does not have discretion to vote on your behalf or has not received voting instructions from you, may be counted to determine whether there is a quorum but will not be counted as a vote on any matter.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. At any time before the vote on a proposal, you can change your vote either by:

- o Giving the Company's secretary a written notice revoking your proxy card; or
- o Signing, dating and returning to us a new proxy card.

We will honor the proxy card with the latest date.

CAN I VOTE IN PERSON AT THE ANNUAL MEETING?

Yes. We encourage you to complete and return the proxy card to ensure that your vote is counted. However, you may attend the meeting and vote in person whether or not you have previously returned a proxy card.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors of the Company met 12 times in 2003. No director attended fewer than 75% of the total number of meetings of the Board and the committee(s) on which he served. The Board has audit, nominating and personnel committees, in addition to other committees that are more specifically related to the banking business. Following are descriptions of those committees and reports from the audit and personnel committees.

AUDIT COMMITTEE

Members, Number of Meetings, Function, Charter

and Audit Committee Financial Expert

The members of the Audit Committee are Joe Benner Chairman, Marshall Hartman, Don Haubert, Charles Hershberger and Robert Metz. Each member is an independent director, based on the qualifications for independence established by the Nasdaq Stock Market, Inc. and applicable Securities and Exchange Commission regulations. The Board of Directors has determined that Mr. Hartman is an audit committee financial expert. The Audit Committee, which met five times in 2003, oversees the Company's financial reporting process on behalf of

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form DEF 14A

the Board of Directors. The Committee, along with the Board of Directors, has formally adopted an audit committee charter setting forth its responsibilities. A copy of the charter is included in this Proxy Statement as Appendix A.

Report of the Audit Committee

Management has the primary responsibility for the financial statements and the reporting process including the systems of internal control. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability of the accounting principles, the reasonableness of significant judgments and the clarity of disclosure in the financial statements.

The Committee reviewed with the independent auditors who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees." We have also received from Beard Miller Company LLP, the Company's independent auditors, written disclosures and a letter concerning the firm's independence from the Company, as required by Independence Standards Board No. 1, "Independence Discussions with Audit Committees."

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Committee and the Board of Directors have also approved the selection of Beard Miller Company LLP as the Company's independent auditors for 2004.

By: Joe Benner, Chairman, Charles Hershberger, Marshall Hartman,
Don Haubert and Robert Metz

NOMINATING COMMITTEE

Members, Meetings, Function and Charter

The members of the Nominating Committee are Joe Benner, Martin Dreibelbis, Philip Gingerich, Jr., Tim Havice and Harold Shearer. Each member is an independent director, based on the qualifications for independence established by the Nasdaq Stock Market, Inc. The function of the Committee is to identify and recommend qualified candidates for election to the Board of Directors and to nominate candidates to fill vacancies that occur between shareholder meetings.

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form DEF 14A

The Committee has adopted a charter, which is included in this Proxy Statement as Appendix B. A current copy of the charter is also posted on the Bank's website at jvbonline.com, under the Investor Relations tab. Because the Nominating Committee was formed by the Board of Directors at its meeting in January 2004, it did not meet in 2003. Before recommending candidates for election to the Board, the Nominating Committee will consider the candidate's character, judgment, business experience, expertise and acumen, as well as any other criteria contained in the bylaws for membership on the Board.

Process for Identifying and Evaluating Nominees for Director -----

The Committee will utilize current board members, management and other appropriate sources to identify potential nominees. The Committee will conduct any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors, and recommend nominees for approval by the Board of Directors and stockholders. The Committee's process for the consideration of potential nominees will be the same for nominees identified by shareholders, as well as the other sources identified above.

The Nominating Committee will receive and consider nominee recommendations that shareholders address to the Secretary of the Company at the address listed on the first page of this proxy statement. If shareholders wish to nominate candidates for election at the Company's annual meeting of shareholders, however, they must comply with additional procedures contained in the Company's bylaws. To nominate someone at the annual meeting, you must deliver or mail a notice to the secretary of the Company not less than 45 days prior to the date of the annual meeting. Your notice must state your name and residence address and the number of shares of the Company which you own. Your notice must also contain the following information on each proposed nominee:

the name, address and age of the nominee;

the principal occupation of the nominee;

the number of shares of the Company common stock owned by the nominee; and

the total number of shares that, to your knowledge, will be voted for the nominee.

7

If you do not follow this procedure, the Chairman of the meeting will disregard a nomination made at the annual meeting, and the judges of election will disregard any votes cast for your nominees.

PERSONNEL COMMITTEE -----

Compensation Committee Interlocks and Insider Participation -----

The Personnel Committee makes recommendations to the Board regarding executive compensation. Its members are Timothy Havice, Chairman, Jan Snedeker, Richard Scanlon and Ronald Witherite, each of whom is independent based on the qualifications for independence established by the Nasdaq Stock Market, Inc. The Committee met three times in 2003. The report of the Personnel Committee is contained in the section of this Proxy Statement entitled "Compensation of Management." None of the members of the Personnel Committee has been an officer

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form DEF 14A

or employee of the Company or the Bank at any time. As is the case with other Board members, any indebtedness of the members of the Personnel Committee to the Bank is on the same terms, including interest rates and collateral on loans, as those prevailing at the time for comparable transactions with others, and did not involve more than the normal risk of collectibility or present other unfavorable features.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

The Board has established a process whereby shareholders are able to communicate directly with the Board by addressing communications either to the Audit Committee Chair, or in the case of recommendations for Board candidates, the Secretary, c/o Juniata Valley Financial Corporation, Bridge and Main Streets, Post Office Box 66, Mifflintown, Pennsylvania 17059. Every communication sent to the Audit Committee Chair will be delivered directly to that director, who will in turn forward the communication to the specific member of the Board to whom it has been addressed and to the Board as a whole. All communications regarding nominations that are sent to the Secretary will be forwarded to the Chair of the Nominating Committee.

TRANSACTIONS BETWEEN MANAGEMENT AND BANK

During 2003, the Bank had and expects to continue having banking transactions in the ordinary course of business with our directors and executive officers on the same terms, including interest rates and collateral on loans, as those prevailing at the time for comparable transactions with others. Management believes that these loans present no more than the normal risk of collectibility or other unfavorable features. During 2003, the highest aggregate amount of credit the Bank extended to directors, officers and their associates, either directly or indirectly, did not exceed 10% of equity capital. Also during 2003, extension of credit to any one director, officer, principal shareholder did not exceed 5% of equity capital.

ATTENDANCE OF DIRECTORS AT ANNUAL MEETINGS

The Board has adopted a policy requiring the attendance of all directors at the annual meeting, absent extenuating circumstances. All members of the Board attended the 2003 annual meeting.

8

EMPLOYMENT CONTRACTS

In 1998, we entered into an employment agreement with Mr. Evanitsky. The agreement provides that we will pay Mr. Evanitsky severance compensation equal to 2.95 times his average annual compensation over the five years immediately preceding termination of his employment if:

- o Mr. Evanitsky's employment is terminated without cause;

The agreement will expire when Mr. Evanitsky retires. In addition to his employment agreement, Mr. Evanitsky participates in the Supplemental Retirement and Split Dollar Life Insurance Agreements for Selected Officers compensation arrangement.

11

Supplemental Retirement and Split Dollar Life Insurance

----- Agreements for Selected Officers -----

In order to attract and retain key officers and to encourage such officers to remain with the Bank, the Bank has provided certain officers with retirement and death benefits, as described below; supplementing the retirement benefits they will receive under the qualified retirement plans.

The agreements provide the selected officers with supplemental retirement income benefits upon reaching age 65 with a reduced benefit available at age 62; such benefit is to be paid in 180 equal monthly installments. Benefits are also payable upon disability, early retirement, and change in control or death. It is projected that the supplemented retirement income benefit will allow each participant to receive an annual retirement benefit of 50% to 80% of his or her final salary, when such supplemental retirement benefit is added to the annual benefit that will be available from social security and the other retirement plan benefits sponsored by the Bank. In addition, the selected officers will be eligible to retain life insurance coverage equal to one or two times their final salary, if they comply with the terms of their split dollar agreements. The officer will not be required to contribute any premium payments, but will have the economic value of the coverage included in taxable income. Supplemental retirement income benefits accrue monthly, but no vesting occurs until age 62. The estimated liability under the agreements is accrued as earned by the employee. Benefits were accrued for Mr. Evanitsky in 2003 in the amount of \$39,423. Under the supplemental retirement plan, Mr. Evanitsky will be paid

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form DEF 14A

\$30,000 annually, upon his retirement at normal retirement age. This amount is in addition to the annual benefits payable to Mr. Evanitsky under the pension plan, as shown on the Pension Plan Table.

The program is funded with life insurance and is not expected to result in any material cost to the Bank.

PERSONNEL COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Personnel Committee makes recommendations to the Board of Directors regarding executive compensation. The Board of Directors then reviews and ratifies the Personnel Committee's recommendations.

The Personnel Committee's objective is to provide a level of salary competitive with that offered by other similar regional bank holding companies and banks. The Personnel Committee reviews the results of several salary and compensation surveys. Executive compensation is not based solely on the Company's corporate performance. The process of determining executive compensation is mostly subjective and not based on quantitative data.

Mr. Evanitsky participates in the same two bonus programs in which all of our employees participate. These programs pay modest bonuses. One bonus is paid at year end. The other bonus is paid after the Company's return on assets is calculated. We offer no special incentive programs for Mr. Evanitsky.

Executive officer compensation appears in the Summary Compensation Table on Page 9.

STOCK PERFORMANCE GRAPH

The following graph shows the yearly percentage change in the Company's cumulative total shareholder return on its common stock from December 31, 1998 to December 31, 2003 compared with the S&P 500, the Russell 3000 Index and a peer group index, (the "Juniata Valley Bank Peer Group"), consisting of eight Pennsylvania bank holding companies. The bank holding companies in the Peer Group Index are ACNB Corporation, Citizens & Northern Corporation, Codorus Valley Bancorp, Inc., Columbia Financial Corp., Community Banks, Inc., Fidelity D & D Bancorp, Inc., PennRock Financial Services Corp., and Union National Financial Corp. These companies were selected for our Juniata Valley Peer Group, because they are community-based banks of similar market capitalization. The Company has selected the Russell 3000 Index for inclusion in the graph, because it contains a broader array of publicly traded companies and provides a more comprehensive market comparison than the S&P 500.

DIRECTOR'S COMPENSATION

We pay each director an annual director's fee of \$8,700 for attending 12 regular meetings of the Board of Directors. We also pay each director who is not an executive officer \$90 for attending each committee meeting and special meeting of the Board of Directors. In addition to meeting fees, the Company compensated the directors under the following plans.

DIRECTOR'S DEFERRED COMPENSATION PLANS

The 1982 Plan

In 1982, we established a director's deferred compensation plan. This plan permitted participating directors to defer \$3,900 in director's fees each year for a five year period beginning with the election to participate in the plan. In return we agreed to pay each participating director a specified amount in 120 equal payments beginning at the age of 65 or five years after the date the director elects to participate in the plan, whichever is later. If the director were to die before that time, payments would begin upon the death of the director. We applied the deferred director's compensation to the purchase of life insurance policies which will fund our obligations under the plan. The Company is the owner and the beneficiary of these life insurance policies.

The 1987 Plan

In 1987, when the first director's deferred compensation plan was fully funded, we offered directors a second deferred compensation plan. Each director could elect to defer \$4,700 in director's fees each year for five years in exchange for an additional benefit similar to that offered under the 1982 plan.

The 1991 Plan

In 1991, when the second plan was funded, we offered a third deferred compensation plan to directors. Each director could elect to defer \$6,000 in director's fees each year for five years in order to receive an additional benefit similar to that offered under the 1982 and 1987 plans.

All three plans operate in substantially the same manner and all are funded by insurance policies as described above. The 1982, 1987 and 1991 plans will continue in effect.

The 1999 Plan

Effective January 1, 1999, the Board of Directors adopted a director's deferred compensation plan which is in addition to the other plans described above. The 1999 plan is different than the other deferred compensation plans. The 1999 plan is an unfunded plan. We do not make contributions to the plan. This plan simply allows our directors to defer receipt of their compensation to future dates.

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form DEF 14A

Prior to each calendar year, a director may elect to defer receipt of all or a part of his or her compensation for that calendar year. We will credit the deferred amounts to an account

14

maintained at the Bank. Each participating director will have a separate account. The deferred compensation will earn interest, compounded quarterly, at the current interest rate of the Bank's floating IRA savings program.

A participating director who resigns as director before reaching age 55 will receive his or her account balance in one lump sum distribution. A participating director who resigns as director after reaching age 55 will receive his or her account balance in equal semi-annual payments the ten years beginning on the earlier of January 1 or July 1 after the director resigns.

If a participating director dies prior to receiving all of his or her account balance, we will pay the director's remaining account balance in one lump sum to the director's designated beneficiary. In the event of a director's permanent disability or unforeseeable emergency, the Board of Directors has the discretion to accelerate payment of that director's account balance.

Director's Retirement Plan

In December, 1988, the Bank established a retirement program for directors. All persons who were directors of the Bank on January 1, 1988, are eligible for benefits under the plan. All directors who became directors after January 1, 1988, are eligible upon completing six months of service on the Board. The plan provides for a target retirement benefit of \$7,800 per year for 10 years beginning at age 65, or, if later, when the director has completed 10 years of credited service (as defined in the plan) with the Board. The retirement benefit for each director will accrue over his or her remaining projected period of service until he or she reaches age 65 or completes 10 years of credited service. The plan depends on annual funding which is subject to approval by the Board of Directors. If the Board terminates the plan or declines to make a contribution in any year, directors will receive only the benefits that have accrued, even if less than the targeted benefits. Lesser benefits are payable in the event of the director's death, disability, or other termination (except terminations caused by the director's fraud or dishonesty).

In January, 2001, certain directors who were not participating in the December, 1988 directors' retirement plan but who are now on the Board commenced participation in the retirement program. These directors included directors of the former Lewistown Trust Company, which merged into the bank in 1998. The benefit amount was increased to \$8,500 per year commencing in 2001, applicable to all active directors who will commence benefit payments in 2001 or later. In addition, the director life insurance benefit of \$25,000 per director will be provided through bank-owned life insurance ("BOLI") program because BOLI is a more cost-efficient way of providing the benefits. As a result, directors who remain on the Board until age 65 or later will be eligible to retain \$25,000 of life insurance coverage for the rest of their lives. The eligible directors will not be required to pay any premiums on the life insurance policy, but will have the imputed value of the insurance coverage included in their taxable incomes. Benefits are also payable upon death, disability, early retirement or change in control. Benefits were accrued for Mr. Evanitsky in 2003 in the amount of \$8,798. Mr. Evanitsky will be paid \$8,500 per year upon his retirement at normal retirement age.

OTHER MATTERS

SHAREHOLDER PROPOSALS FOR THE 2005 ANNUAL MEETING OF SHAREHOLDERS

Under the Company's Bylaws, no business may be brought before an annual meeting of shareholders unless it is specified in the notice of the meeting or is otherwise brought before the meeting by the Board of Directors or by a shareholder entitled to vote who has delivered notice to the Company (containing information specified in the Bylaws) not less than 120 days prior to the anniversary of the mailing of the previous year's proxy statement. These requirements are separate from and in addition to the SEC's requirements that a shareholder must meet in order to have a shareholder proposal included in the Company's proxy statement. A shareholder wishing to submit a proposal for consideration at the 2005 annual meeting of Shareholders, either under SEC Rule 14a-8, or otherwise, should do so no later than December 14, 2004. A proposal submitted after that date will be considered untimely.

If the corporate secretary of the Company receives notice of a shareholder proposal that complies with the governing Bylaw provision on or prior to the required date and if such proposal is properly presented at the 2005 annual meeting of shareholders, the proxies appointed by the Company may exercise discretionary authority in voting on such proposal if, in the Company's proxy statement for such meeting, the Company advises shareholders of the nature of such proposal and how the proxies appointed by the Company intend to vote on such proposal, unless the shareholder submitting the proposal satisfies certain SEC requirements, including the mailing of a separate statement to the Company's shareholders.

The presiding officer of the meeting may refuse to permit any proposal to be made at an annual meeting by a shareholder who has not complied with all of the governing Bylaw procedures, including receipt of the required notice by the corporate secretary for the Company by the date specified. If a shareholder proposal is received by the Company after the required notice date but the presiding officer of the meeting nevertheless permits such proposal to be made at the 2005 annual meeting of shareholders, the proxies appointed by the Company may exercise discretionary authority when voting on such proposal.

If the date of our next annual meeting is advanced or delayed more than 30 days from May 17, 2005, we will promptly inform you of the change of the annual meeting and the date by which shareholder proposals must be received.

OTHER BUSINESS

At the date of this proxy statement, we are not aware of any business to be

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form DEF 14A

presented at the annual meeting other than the election of directors discussed in this proxy statement. If other

17

proposals are properly brought before the meeting, the proxy holders named in the enclosed proxy card will vote your shares in accordance with their best judgment.
