The Reporting Persons expect to make additional dispositions of Common Stock from time to time, in light of their investment goals, subject to market conditions. Notwithstanding anything contained herein to the contrary, the Reporting Persons specifically reserve the right to change their intentions with respect to any or all of such matters. In reaching any decision as to their course of action (as well as to the specific elements thereof), the Reporting Persons currently expect that they would take into consideration a variety of factors, including, but not limited to, Capstead's financial condition, business, operations and prospects, other developments concerning Capstead and the mortgage business generally, other business opportunities available to the Reporting Persons, other developments with respect to the business of the Reporting Persons, general economic conditions and money and stock market conditions, including the market price of the securities of Capstead.
