#### Item 5. Other Events and Regulation FD Disclosure.

On September 2, 2003, Arbor informed The Home Depot, Inc., the customer that purchases more than 99 percent of Arbor's wood products, that Arbor would no longer do business with Home Depot due to increased difficulties in transacting business with Home Depot on a profitable basis. Arbor stated to Home Depot that these difficulties included Home Depot's prohibition against price increases despite increases in Arbor's increased costs of production, a diminution in the Home Depot territories Arbor was allowed to sell product to, and Home Depot's demands regarding returns of ordered products that Arbor was unwilling to accede to for economic reasons.

Arbor has discontinued its wood products business. Arbor intends to seek other business opportunities, but there can be no assurance that such opportunities will be identified, engaged in, or result in any profits.
