RECORD DATE

The Board of Directors of the Company (the "Board") has fixed the close of business on March 27, 2006 as the Record Date for the 2006 Annual Meeting (the "Record Date"). Only stockholders of record at the Record Date are entitled to notice of and to vote at the Annual Meeting or at any adjournments thereof, in person or by proxy. At the Record Date, there were 89,475,369 shares of Common Stock outstanding.

PROXIES

The proxy accompanying this Proxy Statement is solicited on behalf of the Board of Directors of the Company for use at the Annual Meeting and any adjournments thereof. Each holder of Common Stock is entitled to one vote for each share of such stock held at the Record Date. The holders in person or by proxy of a majority of the Common Stock entitled to be voted at the Annual Meeting shall constitute a quorum.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same upon receipt by the Company, prior to the time the proxy is voted, of a duly executed instrument revoking it, or of a duly executed proxy bearing a later date, or in the case of death or incapacity of the person(s) executing the same, of written notice thereof, or by such person(s) voting in person at the Annual Meeting. Unless revoked, all proxies representing shares entitled to vote which are delivered pursuant to this solicitation will be voted at the Annual Meeting and, where a choice has been specified on the proxy card, will be voted in accordance with such specification.

The inspectors of election for the Company with the assistance of the Company's transfer agent, Computershare, will tabulate the votes. Broker non-votes will be treated as votes cast for purposes of a quorum, but will not be counted as either voting for or against any proposal. Abstentions will be included in tabulations of the votes cast on proposals presented (other than the election of directors) in the same manner as votes cast against such proposals. **Where a choice has not been specified on the proxy card, the proxy will be voted in accordance with the recommendations of your Board of Directors.**

Proxies will be solicited by mail, telephone or other means of communication. The Company's directors, officers and regular employees who are not specifically employed for proxy solicitation purposes and who will not receive any additional compensation may also solicit proxies. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that the Company's executive officers and directors, and any persons who own more than 10% of the Company's Common Stock, file reports of initial ownership of the Company's Common Stock and subsequent changes in that ownership with the Securities and Exchange Commission ("SEC") and furnish the Company with copies of all forms they file pursuant to Section 16(a). As a practical matter, the Company seeks to assist its directors and officers by monitoring transactions and completing and filing reports on their behalf.

Based upon a review of the filings with the SEC and written representations that no other reports were required, the Company believes that during fiscal year 2005 and as of the date of this Proxy Statement all Section 16(a) filing requirements were made in a timely manner with the following exception. Mr. Loeffler, Mr. Cohane, Ms. Reardon, Mr. Naujoks and Mr. Anderson were granted stock option awards effective April 12, 2005 and the required Form 4 for each individual was not filed until May 2, 2005.

PROPOSAL 1. ELECTION OF DIRECTORS

The Amended and Restated Certificate of Incorporation and By-Laws of the Company provide for a Board consisting of three or more directors. Currently, the number of directors of the Company is seven. Directors of the Company are elected for terms of three years, with approximately one-third of the directors subject to election each year. Accordingly, action will be taken at the Annual Meeting for the election of two directors, Edward G. Jepsen and John R. Lord. Each of these directors will hold office for the three-year term ending in 2009 and until their respective successors are elected and qualified.

It is intended that the proxies delivered pursuant to this solicitation will be voted in favor of the election of Messrs. Jepsen and Lord except in cases of proxies bearing contrary instructions. In the event that any of these nominees should become unavailable for election for any presently unforeseen reason, the person named in the proxy will have the right to use his/her discretion to vote for a substitute.

The following information details offices held, other business directorships, the classes and terms of all directors and nominees. Beneficial ownership of equity securities of the directors and nominees is shown under the caption "*Security Ownership of Certain Beneficial Owners*" on page 3.

Governance Principles.

Amphenol Corporation's Corporate Governance Principles meet or exceed the Listing Standards of the New York Stock Exchange (the "NYSE Listing Standards"), including guidelines for determining director independence and reporting concerns to non-employee directors and the Audit Committee of the Board of Directors. The Company's most current Governance Principles, its Code of Business Conduct and Ethics and the Charters of the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee of the Board of Directors are published on the Company's website at www.amphenol.com which are reviewed and revised, if revision is deemed necessary or appropriate, at least annually.

Director Independence.

The Board has adopted the definition of "independent director" set forth in the NYSE Listing Standards to assist it in making determinations of independence. The Board has determined that all of the directors are independent of the Company and its management with the exception of Messrs. Loeffler and Jepsen, each of whom is considered an inside director because of his employment with the Company.

Board of Directors and Committees.

The Board currently consists of seven directors. Mr. Lietz is the Board's presiding director. The Board has five standing committees: the Audit Committee, the Compensation Committee, the Executive Committee, the Pension Committee and the Nominating/Corporate Governance Committee. The Board has determined that all voting members of the Audit, Compensation and Nominating/Corporate Governance Committees are independent and satisfy the relevant Securities Exchange Commission and the New York Stock Exchange independence requirements for the members of such Committees.

Audit Committee. The Audit Committee's principal duties include (1) the selection of independent auditors; (2) reviewing the plan of audit and the results of the audit including the audit report and the management letter; (3) consulting periodically with the Company's independent auditors with regard to the adequacy of internal controls; (4) approving permissible non-audit services to be provided to the Company by the independent auditor; (5) reviewing the Company's internal system of audit, financial and disclosure controls; and (6) overseeing financial reporting activities including quarterly and annual reports and press releases. See also "*Report of the Audit Committee*" on page 13. The members of the Audit Committee are Ronald P. Badie, Stanley L. Clark and Dean H. Secord (Chairman).

Compensation Committee. The Compensation Committee approves compensation guidelines, reviews the role and performance of executive officers and key management personnel, approves the base compensation, bonus and stock option awards for the Chief Executive Officer and reviews and approves the Chief Executive Officer's recommendations for base compensation and increases in base compensation, bonus targets and allocations and stock option awards for the other executive officers and key management employees of the Company and its affiliates. The Board has granted the Executive Committee the broadest authority permitted by Delaware General Corporation Law. The Executive Committee meets as necessary and all actions of the Committee are reported at the next meeting of the Board. The members of the Executive Committee are Ronald P. Badie (Chairman), Andrew E. Lietz and John R. Lord. Martin H. Loeffler serves as a non-voting *ex officio* member of the Executive Committee.

Pension Committee. The Pension Committee administers the Company's pension plan and consults with the Chief Financial Officer and the Treasurer of the Company and, as deemed necessary and appropriate, actuarial consultants and other advisors and the trustee and investment managers of the assets of the Company's pension plans. The members of the Pension Committee are Ronald P. Badie, Stanley L. Clark (Chairman) and Edward G. Jepsen.

Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee's principal duties include (1) assisting the Board in identifying individuals qualified to become directors; (2) selecting, or recommending that the Board select, the candidates for all directorships to be filled by the Board or by the stockholders; and (3) developing and recommending to the Board a set of corporate governance principles applicable to the Company. The members of the Nominating/Corporate Governance Committee are Andrew E. Lietz (Chairman), John R. Lord and Dean H. Secord.

The Nominating/Corporate Governance Committee shall actively seek individuals qualified to become board members for recommendation to the Board. The Board believes that an important component of the Board is diversity including background, skills, experience, expertise, gender, race and culture.

The Nominating/Corporate Governance Committee will consider candidates for Board membership suggested by its members and other Board members, as well as by management and stockholders. A stockholder may recommend any person for consideration as a nominee for director by writing to the Nominating/Corporate Governance Committee of the Board of Directors, c/o Secretary, Amphenol Corporation, 358 Hall Avenue, Wallingford, CT 06492. Recommendations must be received by December 26, 2006 to be considered for the 2007 Annual Meeting of Stockholders, and must comply with the requirements in the Company's bylaws. Recommendations must include the name and address of the stockholder making the recommendation, a representation that the stockholder is a holder of record of Common Stock, biographical information about the individual recommended and any other information the stockholder believes would be helpful to the Nominating/Corporate Governance Committee in evaluating the individual recommended.

Once the Nominating/Corporate Governance Committee has identified a candidate, the committee will evaluate the candidate based upon the following principles:

character, judgment, personal and professional ethics, integrity, values and familiarity with national and international issues affecting business;

depth of experience, skills and knowledge complementary to the Board and the Company's business;

willingness to devote sufficient time to carry out the duties and responsibilities effectively.

The Nominating/Corporate Governance Committee will also consider such other relevant factors as it deems appropriate. The Committee will make a recommendation to the full Board as to any persons it

believes should be nominated by the Board, and the Board will determine the nominees after considering the recommendation and report of the Committee. The procedures for considering candidates recommended by a stockholder for Board membership will be no different than the procedures for candidates recommended by members of the Nominating/Corporate Governance Committee, other members of the Board or management.

All directors attended all meetings of the Board and the Committees on which they served in 2005 except Mr. Lord who was unable to attend two Board meetings.

Non-Management directors of the Company meet in executive session as necessary and following the conclusion of each Meeting of the Board and each Committee Meeting. REPORT OF THE AUDIT COMMITTEE

The Audit Committee ("Committee") consists of three directors who are independent directors as defined under the listing standards of the New York Stock Exchange. The Board of Directors has determined that all current members of the Committee are financially literate and that Mr. Secord is an audit committee financial expert as defined by the applicable rules of the SEC and the listing standards of the New York Stock Exchange. The Committee has undertaken a review of its charter, practices and procedures in order to assure continuing compliance with the provisions of the Sarbanes-Oxley Act of 2002 and related regulatory initiatives. Following that review, the Committee approved certain limited changes to its Charter and to its policies and practices. A copy of the revised Audit Committee Charter is included as Annex A to this Proxy Statement and is available on the Company's website at www.amphenol.com by clicking on "Company", then "Corporate Governance".

The Audit Committee reports as follows:

1.
The Audit Committee has reviewed and discussed the Company's audited financial statements with Company management, which has primary responsibility for establishing and maintaining adequate internal financial controls, preparing the Company's financial statements and for the Company's public reporting process, and with Deloitte & Touche LLP, the Company's independent accountants for 2005, which is responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles and on management's and its own assessment of internal controls related to financial reporting.
2.
The Audit Committee has discussed with Deloitte & Touche LLP those matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).
3.
The Audit Committee has received written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and they have discussed with Deloitte & Touche LLP that firm's independence.
4.
Based on the Committee's discussions with management and Deloitte & Touche LLP, the Committee's review of the representations of management and the report disclosures, and letter from Deloitte & Touche LLP to the Committee, the Committee has recommended to the Board and the Company that the audited consolidated financial statements and report(s) on internal controls related to financial reporting of the Company be included in its Annual Report on Form 10-K for the year ended December 31, 2005. The Committee has also approved the retention of Deloitte & Touche LLP as independent accountants of the Company for fiscal year 2006.

Audit and Non-Audit Fees

Fees billed to the Company by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates, for services rendered in 2005 and 2004 were as follows:

Type of Fees(1)	2005	2004
	(\$ in Thousands)	
Audit Fees	\$ 2,937	\$ 2,827
Audit-Related Fees	716	181
Tax Fees	289	189
All Other Fees	0	0
Total	\$ 3,942	\$ 3,197

Deloitte & Touche LLP did not perform any work or receive any fees for financial information systems design and implementation for the Company in 2005 and 2004.

- (1) Audit-Related Fees include fees primarily for merger and acquisition due diligence work. Tax Fees primarily consist of state and local and international tax consultations. The Audit Committee considered, in reliance on management and the independent auditor, whether the provision of these services is compatible with maintaining the independence of Deloitte & Touche LLP.

Pre-Approval of Auditor Services

The Audit Committee has adopted and implemented approval policies and procedures related to the provision of permissible audit, tax and other non-audit services by the Company's independent auditors. Under these procedures the Audit Committee has pre-approved the use of the independent auditor for specific types of services, including merger and acquisition due diligence and audit services, tax services, internal control reviews and reviews of employee benefit plans where the estimated cost of such services is not expected to exceed \$25,000 on a project-by-project basis. Such engagements to provide pre-approved permissible services are reported to the Audit Committee on a quarterly basis. Any permitted services by Deloitte where the estimated cost of such services is expected to exceed \$25,000 for any given engagement must be pre-approved by the Audit Committee to ensure compatibility with maintaining the auditor's independence.

PROPOSAL 2. SELECTION OF INDEPENDENT ACCOUNTANTS

The Audit Committee of the Board of Directors has considered the performance and qualifications of Deloitte & Touche LLP and has selected Deloitte & Touche LLP to act as independent accountants to examine the financial statements of the Company for the current fiscal year, and a proposal to ratify this selection will be submitted to the Annual Meeting. Deloitte & Touche LLP has acted as accountants for the Company since June 1997, and management believes it desirable and in the best interests of the Company to continue the employment of that firm. Representatives of Deloitte & Touche LLP will be present at the Annual Meeting. Such representatives will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

If the foregoing proposal is not approved by the holders of a majority of the shares represented at the Annual Meeting and voting on the proposal, or if Deloitte & Touche LLP shall decline to act or otherwise become incapable of acting, or if its employment is otherwise discontinued by the Audit Committee of the Board of Directors, then in any such case the Audit Committee of Board of Directors will appoint other independent accountants whose employment for any period subsequent to the 2006 Annual Meeting will be subject to ratification by the stockholders at the 2007 Annual Meeting.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Composition and Purpose

The Compensation Committee of the Board of Directors is responsible for the compensation programs affecting the executive officers and key management employees of the Company and its subsidiaries including base compensation, changes in base compensation, target bonuses, bonus payments and stock option awards. The Committee is currently composed of three directors who are not officers or employees of the Company. Martin H. Loeffler, the Company's Chief Executive Officer, serves as a non-voting *ex officio* member of the Committee. The activities and actions of the Committee are subject to the review of the full Board. All actions of the Compensation Committee are reported at the subsequent meeting of the Board.

The Committee's specific responsibilities continue to include:

Review, at least annually, the overall compensation philosophy and guidelines for all executive officers and key management employees of the Company and its subsidiaries.

Review, at least annually, the goals and the performance of the Company's Chief Executive Officer and approve, as deemed necessary and appropriate, any changes in the level of his base compensation and bonus target. Approve any option awards to the Company's Chief Executive Officer.

Review and approve, as required, recommendations from the Company's Chief Executive Officer related to base compensation, bonus targets, bonus pool, bonus allocations, stock option awards and related matters for other executive officers, key management employees and prospective senior management employees of the Company and its subsidiaries.

Compensation Policies and Practices

Philosophy. The Committee's objective will continue to be the development, refinement and implementation of a complete compensation program that will serve to attract, retain and stimulate motivated senior executive and key management employees. The Committee also continues to recognize its responsibilities and obligations to the stockholders of the Company. The stock option programs summarized below are intended to maintain the alignment of the interests of the Company's senior executive and key management employees with the interests of the Company's stockholders and encourage decision making geared to continually increasing stockholder value. The Committee also recognizes its continuing responsibilities and obligations to other employees of the Company and its subsidiaries.

Base Compensation. The performance, salary and bonus targets of each executive officer and each senior management employee of the Company whose base compensation is at least \$200,000 shall be reviewed annually by the Committee. In establishing general compensation policies and in reviewing and assessing the appropriateness of base compensation levels and increases in base compensation levels, the Committee considers the recommendations of the Company's Chief Executive Officer and available information on similarly situated individuals in comparable companies. In the course of its reviews the Committee also considers the historical, current and forecasted performance of the Company and the contributions or expected contributions of each employee to those results.

Bonus Plan. Executive officers and key management employees participate in the Company's executive bonus plan, the parameters of which are defined in The 2004 Amphenol Executive Incentive

Plan (the "Executive Incentive Plan") approved by the stockholders of the Company at the 2004 Annual Meeting and are eligible to receive bonus compensation payments pursuant to the 2006 Management Incentive Plan (the "2006 Bonus Plan") approved by the Compensation Committee. Bonus payments under the 2006 Bonus Plan are contingent upon the Company's achievement and/or each individual operation's achievement of targeted levels of revenue, operating cash flow, operating income and certain additional performance criteria. Annual bonus targets based upon a percentage of average base compensation are established at the beginning of each year. Target bonuses for participants in the 2006 Bonus Plan range from 10% to 80% of average base salary. Discretionary payments are also considered when specific objectives are identified, undertaken and achieved.

Stock Option Plans. Stock options are granted at fair market value and vest in equal annual installments over a five year period. Stock options have been awarded annually to executive officers and other key management employees. All stock option awardees must enter into Management Stockholder's Agreements with the Company which set forth the terms and conditions and limitations applicable to any shares purchased pursuant to options granted under the 1997 Option Plan and its amendments or the 2000 Option Plan and its amendments (collectively, "Stock Option Plans"). In determining a stock option award, the Committee will consider the current value of the Company's Common Stock, an individual's base compensation, the amount of stock options, if any, previously awarded to an individual, an individual's past and expected future contributions to the Company's financial performance and an individual's responsibilities for assisting the Company in achieving its long-term strategic goals. The Committee believes that the five year prorata vesting periods for option awards help retain executive officers and other key management employees.

CEO Compensation

During 2005, the Company continued to outperform its peer group and the industry, in general. In 2005, the Company achieved new records for sales, earnings per share and cash flow. Mr. Loeffler, as Chairman, President and Chief Executive Officer of the Company, continues to play a vital role in the operation, growth and success of the Company and in maintaining and enhancing stockholder value.

Mr. Loeffler's base salary for 2006 has been increased by 3.6% from \$1,004,000 to \$1,040,000. His bonus payout pursuant to the 2005 Management Incentive Plan was \$808,220 representing approximately 80% of his 2005 base salary. His target bonus payment pursuant to the 2006 Management Incentive Plan has been increased from 70% to 80% of his 2006 base salary. During 2005, Mr. Loeffler was awarded 200,000 options pursuant to the 2000 Option Plan with an exercise price of \$36.79.

Mr. Loeffler's 2006 base salary and 2006 bonus target were established based upon the Compensation Committee's review and consideration of Mr. Loeffler's personal performance and the review and consideration of available information on compensation of chief executive officers of other companies in the interconnect industry and other companies of comparable size with comparable performance. The Committee believes that the option awards Mr. Loeffler has received will continue to closely align Mr. Loeffler's interests with the Company's stockholders.

Section 162(m) of the Internal Revenue Code

In 1993, Congress created a new Internal Revenue Code subsection 162(m) which could have the effect of limiting the deductibility of compensation paid to each of the Company's five highest paid executive officers to no more than \$1 million per year. However, certain performance-based compensation

is not subject to such limitation. The Executive Incentive Plan is a performance-based bonus plan and currently qualifies for such performance-based deductibility exception. The Committee and the Company do not believe that this legislation will have any material effect on the financial condition of the Company for the foreseeable future.

Pension Information

Merger of Pension Plans. Prior to 1998, the Company and its domestic subsidiaries maintained eight separate defined benefit pension plans covering substantially all U.S. employees. Effective December 31, 1997, these pension plans were merged into the Pension Plan for Employees of Amphenol Corporation (the "Plan"). The prior formulas for calculating pension benefits for employees from different operations were retained in different sections of the Plan. All executive officers of the Company except Mr. Naujoks participate in and their pension benefits are calculated under either the Amphenol Plan Section, the LPL Plan Section or the Sidney Plan Section of the Plan.

General Provisions of the Plan. The Plan provides for annual pensions to certain salaried employees, including executive officers, who complete five years of service with the Company. The normal retirement date under the Amphenol Plan Section is the first day of the month following a participant's 65th birthday. A participant may also retire as of the first day of any month subsequent to the participant's 55th birthday and completion of ten years of service, however, a participant's normal retirement benefit is reduced for early retirement. Retirement benefits are paid in the form of a life annuity (joint and survivor annuity for married participants).

Section 415 of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), currently limits the maximum annual benefit which may be paid to any employee from a tax-qualified plan to \$170,000 in 2005 and \$175,000 in 2006. Section 401(a)(17) of the Internal Revenue Code currently limits the amount of compensation taken into account under a tax-qualified plan to \$210,000 in 2005 and \$220,000 in 2006. These limitations are subject to future adjustment. The Company has also adopted a Supplemental Employee Retirement Plan ("SERP") which formally provides for the payment of the portion of an annual pension which cannot be paid from the Plan as a result of the Internal Revenue Code limitations described above. Final average pensionable compensation under the SERP, however, is limited to \$500,000.

Details About the Amphenol Plan Section. The Company is required to make all contributions necessary to provide benefits payable under the Amphenol Plan Section of the Plan. No participant contributions are required or permitted.

Retirement benefits are calculated based on final average pensionable compensation which under the Amphenol Plan Section is defined as the participant's highest average annual total compensation from the Company and its affiliates, excluding bonuses, during any five consecutive years of service with the Company or its affiliates during the ten calendar years of service preceding the participant's termination of employment. The annual normal retirement benefit for a participant is equal to the greater of: (i) 1.1% of the participant's average final pensionable compensation multiplied by the participant's years of credited service or (ii) 1.8% of the participant's average final pensionable compensation multiplied by the participant's years of credited service not in excess of 25 (1% for years in excess of 25) reduced by 2% of the participant's estimated annual social security benefit multiplied by the participant's years of credited service not in excess of 30.

The following table sets forth the estimated annual benefits under the Amphenol Plan Section payable on retirement for specified earnings and years of participation categories assuming retirement at age 65.

Details About the Tuchel Plan. Amphenol-Tuchel Electronics GmbH, a wholly-owned subsidiary of the Company ("Tuchel"), maintains the Pension Plan for Employees of Amphenol-Tuchel Electronics GmbH (the "Tuchel Plan") for all Tuchel employees who have attained age of 25 and who have completed 2 years of service. The normal retirement age under the Tuchel Plan is 65. If both Tuchel and the employee agree, a participant may elect early retirement under the Tuchel Plan before age 65 with calculated reductions in benefit. The normal retirement benefit for a participant in the Tuchel Plan is equal to 0.5% of "Pensionable Pay" up to the German social security ceiling and 1.25% of Pensionable Pay in excess of the German social security ceiling. Pensionable Pay is defined as a participant's average monthly gross pay during his/her entire period of employment with Tuchel. For those employees of Tuchel who were employed by Tuchel effective December 31, 1995 it is the participant's average monthly gross pay during the 36 months preceding the participant's termination of employment. A participant's normal retirement benefit is actuarially reduced for early retirement. A participant vests in his/her pension benefit after completion of 5 years of participation in the Tuchel Plan and attainment of age 30.

The Amended 1997 Option Plan for Key Employees of Amphenol and Subsidiaries

The Company's stock option plans are intended to help attract and retain outstanding personnel and to promote a closer identity of interests between key employees of the Company and its stockholders. In May 1997, the Board of Directors authorized and approved The 1997 Stock Option Plan for Key Employees of Amphenol and Subsidiaries (the "1997 Option Plan"). Only nonqualified stock options as defined in Section 422 of the Internal Revenue Code (the "Code") were granted under the Amended 1997 Option Plan.

In January 1998, the Board of Directors authorized and approved The Amended 1997 Option Plan for Key Employees of Amphenol and Subsidiaries (the "First Amended 1997 Option Plan") which increased the number of shares of Common Stock to be reserved for issuance under the 1997 Option Plan from 4,800,000 to 7,000,000 shares.

In January 2003, the Board of Directors authorized and approved the Second Amended 1997 Option Plan for Key Employees of Amphenol and Subsidiaries (the "Amended 1997 Option Plan") which decreased the number of shares of Common Stock to be reserved for issuance under the First Amended 1997 Option Plan from 7,000,000 to 5,652,000 shares.

Employees to whom options were granted under the 1997 Option Plan and its amendments were required to enter into a management stockholder's agreement with the Company which, among other things, (a) restricted the transfer of shares acquired upon the exercise of any awards until after May 2002,

(b) provided each optionholder with the right to resell option shares to the Company upon death, or under certain circumstances, disability of such optionholder and (c) provided the Company with the right to purchase all of an optionholder's option shares at varying prices depending upon the applicable circumstances if (i) such optionholder's employment with the Company is terminated, including, without limitation, as a result of the optionholder's death, disability or retirement; provided however, employment by the Company continued for at least three years from the date of grant, (ii) the optionholder effects an unpermitted transfer of option shares or (iii) the option shares become subject to a transfer pursuant to a call event, provided that in such event the right to purchase shall be only as to the number of option shares subject to the transfer resulting in the call event. The options vest in 20% annual increments over a period of five years from the date of grant.

The Amended 1997 Option Plan will continue to be administered by the Compensation Committee of the Board of Directors until it terminates in May 2007. No options have been awarded under the Amended 1997 Option Plan since February 2000 and the Compensation Committee does not expect that any additional grants under the Amended 1997 Option Plan will be made.

On April 3, 2006 the market value per share of Common Stock was \$51.84 (determined by reference to the closing price listed on New York Stock Exchange, Inc. Composite Tape) and, of the 5,652,000 shares of Common Stock previously reserved for issuance pursuant to the Amended 1997 Option Plan, 7,770 shares have not been awarded. The exercise prices of the 561,355 options outstanding under the 1997 Option Plan and its amendments as of April 3, 2006 range from \$6.50 to \$9.5469.

PROPOSAL 3. RATIFY AND APPROVE THE THIRD AMENDED 2000 STOCK PURCHASE AND OPTION PLAN FOR KEY EMPLOYEES OF AMPHENOL AND SUBSIDIARIES

In June 2000, the Board authorized the 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "2000 Option Plan"). The 2000 Option Plan is also used to help attract and retain outstanding personnel and to promote a closer identity of interests between key employees of the Company and its stockholders. The terms of the 2000 Option Plan are similar to the terms of the 1997 Amended Option Plan with the exception that shares acquired upon the exercise of any awards made pursuant to the 2000 Option Plan were generally nontransferable by any means prior to June 5, 2005.

In January 2003, the Board authorized and approved the Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "First Amended 2000 Option Plan") which increased the number of shares of Common Stock to be reserved for issuance under the 2000 Option Plan from 3,600,000 to 8,000,000 shares. The First Amended 2000 Option Plan also increased the number of options that may be granted to any one participant in the First Amended 2000 Option Plan from not more than 1,000,000 to not more than 2,000,000 options. The First Amended 2000 Option Plan was approved by stockholders at the 2003 Annual Meeting.

In April 2004, the Board authorized and approved the Second Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "Second Amended 2000 Option Plan") which amended the 2000 Option Plan to provide that no options could be granted under the 2000 Option Plan at less than the fair market value of the Company's Common Stock on the date of such grant, to eliminate the ability to grant any restricted stock awards, stock appreciation rights, dividend equivalent rights, performance units, performance shares or any other stock-based grants, other than non-qualified options under the 2000 Option Plan and to require stockholder approval of any further material amendments to the 2000 Option Plan. The Second Amended 2000 Option Plan did not require stockholder approval.

In January 2006, the Board, subject to stockholder approval at the 2006 Annual Meeting, authorized and approved the Third Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries which would *increase* the number of shares of Common Stock to be reserved for issuance under the Amended 2000 Option Plan from **8,000,000** to **12,000,000** shares (the "Third Amended 2000 Option Plan"). The Third Amended 2000 Option Plan would also *increase* the number of options that may be granted to any one participant in the Third Amended 2000 Option Plan from not more than **2,000,000** to not more than **3,000,000** options. Unless terminated earlier by the Board, the Third Amended 2000 Option Plan will terminate in June 2010. All other terms of the Third Amended 2000 Option Plan are the same as the Second Amended 2000 Option Plan. A copy of the Third Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries is attached hereto as ANNEX B to this Proxy Statement.

The Third Amended 2000 Option Plan is administered by the Compensation Committee of the Board. The Compensation Committee will consider recommendations of the Chief Executive Officer and other senior management employees of the Company and determine those employees of Amphenol and its subsidiaries who will be eligible to receive additional options, the number and the terms and conditions of each option grant, the form of the option agreement and any conditions on the exercise of an option award.

Employees to whom options were granted under the 2000 Option Plan and the First Amended 2000 Option Plan and the Second Amended 2000 Option Plan were required to enter into management stockholder's agreements with the Company. In September 2004 the transfer restrictions of the management stockholder's agreements were eliminated for any shares acquired upon exercise of options awarded. The management stockholder's agreements provide each optionholder with the right to resell option shares to the Company upon death, or under certain circumstances, disability of such optionholder and provide the Company with the right to purchase all of an optionholder's option shares at varying prices depending upon the applicable circumstances. Options awarded under the Third Amended 2000 Option Plan will vest in 20% annual increments over a period of five years from the date of grant with certain exceptions including without limitation, in the case of the termination of the optionholder's employment with the Company or retirement at age 65. Employees to whom options are granted under the Third Amended 2000 Option Plan will be required to enter into management stockholder's agreements with the Company.

A total of 1,025,400 options were granted in April 2005 at an exercise price of \$36.79 to the named executive officers and other key employees of the Company. In addition, 5,000 options were granted in August 2005 at an exercise price of \$43.90. Of the current 8,000,000 shares of Common Stock reserved for issuance pursuant to the Second Amended 2000 Option Plan, 739,660 shares are available for future grants as of April 3, 2006. The Compensation Committee does not presently intend to make any further awards under the Second Amended 2000 Option Plan pending the stockholder vote on the proposed Third Amended 2000 Option Plan at the Annual Meeting.

On April 3, 2006 the market value per share of Common Stock was \$51.84 (determined by reference to the closing price listed on the New York Stock Exchange, Inc. Composite Tape). The exercise prices of the 2,583,249 options outstanding as of April 3, 2006 under the 2000 Option Plan and its amendments range from \$18.55 to \$43.90.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION AND APPROVAL OF THE THIRD AMENDED 2000 OPTION PLAN

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Merger and Related Matters. Pursuant to the Merger Agreement with NXS Acquisition Corp. Shares subject to these new management stockholder's agreements were generally not transferable by any means prior to June 5, 2005. The transfer restrictions of the management stockholder's agreement were eliminated in September 2004 for any shares acquired upon exercise of options awarded under the Amended 2000 Option Plan. The other terms and conditions of the new management stockholder's agreements are substantially the same as the agreements pursuant to which stock options were granted under the Amended 1997 Option Plan.

ANNEX B

**THE THIRD AMENDED 2000 STOCK PURCHASE AND OPTION PLAN
FOR KEY EMPLOYEES OF
AMPHENOL AND SUBSIDIARIES**

1. Purpose of Plan

The Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "Plan") is designed:

- (a) to promote the long term financial interests and growth of Amphenol Corporation (the "Corporation") and its subsidiaries by attracting and retaining management personnel with the training, experience and ability to enable them to make a substantial contribution to the success of the Corporation's business;
- (b) to motivate management personnel by means of growth-related incentives to achieve long range goals; and
- (c) to further the alignment of interests of participants with those of the stockholders of the Corporation through opportunities for increased stock, or stock-based, ownership in the Corporation.

2. Definitions

As used in the Plan, the following words shall have the following meanings:

- (a) "Board of Directors" means the Board of Directors of the Corporation.
- (b) "Code" means the Internal Revenue Code of 1986, as amended.
- (c) "Committee" means the Compensation Committee of the Board of Directors.
- (d) "Common Stock" or "Share" means Class A Common Stock of the Corporation which may be authorized but unissued, or issued and reacquired.
- (e) "Employee" means a person, including an officer, in the regular full-time employment of the Corporation or one of its Subsidiaries who, in the opinion of the Committee, is, or is expected to be, primarily responsible for the management, growth or protection of some part or all of the business of the Corporation.
- (f) "Exchange Act" means the Securities Exchange Act of 1934, as amended.
- (g) "Fair Market Value" means such value of a Share as reported for stock exchange transactions and/or determined in accordance with any applicable resolutions or regulations of the Committee in effect at the relevant time.
- (h) "Grant" means an award made to a Participant pursuant to the Plan and described in Paragraph 5, including, without limitation, an award of a Non-Qualified Stock Option or Purchase Stock or a combination thereof. A "Grant" does not include an award of stock appreciation rights, dividend equivalent rights, restricted stock, performance units, performance shares or any other stock-based grants.

(i) "Grant Agreement" means an agreement between the Company and a Participant that sets forth the terms, conditions and limitations applicable to a Grant.

(j) "Management Stockholder's Agreement" means an agreement between the Corporation and a Participant that sets forth the terms and conditions and limitations applicable to any Shares purchased pursuant to this Plan.

(k) "Option" means an option to purchase shares of the Common Stock which will not be an "incentive stock option" (within the meaning of Section 422 of the Code).

(l) "Participant" means an Employee, or other person having a unique relationship with the Corporation or one of its Subsidiaries, to whom one or more Grants have been made and such Grants have not all been forfeited or terminated under the Plan; provided, however, that a non-employee director of the Corporation or one of its Subsidiaries may not be a Participant.

(m) "Subsidiary" shall mean any corporation in an unbroken chain of corporations beginning with the Corporation if each of the corporations, or group of commonly controlled corporations, other than the last corporation in the unbroken chain then owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain.

3. *Administration of Plan*

(a) The Plan shall be administered by the Committee. None of the members of the Committee shall be eligible to be selected for Grants under the Plan, or have been so eligible for selection within one year prior thereto; provided, however, that the members of the Committee shall qualify to administer the Plan for purposes of Rule 16b-3 (and any other applicable rule) promulgated under Section 16(b) of the Exchange Act to the extent that the Corporation is subject to such rule. The Committee may adopt its own rules of procedure, and action of a majority of the members of the Committee taken at a meeting, or action taken without a meeting by unanimous written consent, shall constitute action by the Committee. The Committee shall have the power and authority to administer, construe and interpret the Plan, to make rules for carrying it out and to make changes in such rules. Any such interpretations, rules and administration shall be consistent with the basic purposes of the Plan.

(b) The Committee may delegate to the Chief Executive Officer and to other senior officers of the Corporation its duties under the Plan subject to such conditions and limitations as the Committee shall prescribe except that only the Committee may designate and make Grants to Participants who are subject to Section 16 of the Exchange Act.

(c) The Committee may employ attorneys, consultants, accountants, appraisers, brokers or other persons. The Committee, the Corporation, and the officers and directors of the Corporation shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and binding upon all Participants, the Corporation and all other interested persons. No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or Grants, and all members of the Committee shall be fully protected by the Corporation with respect to any such action, determination or interpretation.

4. *Eligibility*

The Committee may from time to time make Grants under the Plan to such Employees, or other persons having a unique relationship with Corporation or any of its Subsidiaries, and in such form and

having such terms, conditions and limitations as the Committee may determine. No Grants may be made under this Plan to non-employee directors of the Corporation or any of its Subsidiaries. The terms, conditions and limitations of each Grant under the Plan shall be set forth in an Grant Agreement, in a form approved by the Committee, consistent, however, with the terms of the Plan and, if applicable, the Management Stockholder's Agreement.

5. *Grants*

From time to time, the Committee will determine the forms and amounts of Grants for Participants which grants may only include Non-Qualified Stock Options and/or Purchase Stock as set forth below. Such Grants may take the following forms in the Committee's sole discretion:

(a) *Non-Qualified Stock Options* These are options to purchase Common Stock which are not designated by the Committee as incentive stock options. At the time of the Grant the Committee shall determine, and shall include in the Grant Agreement or other Plan rules, the option exercise period, the option price, and such other conditions or restrictions on the grant or exercise of the option as the Committee deems appropriate, which may include the requirement that the grant of options is predicated on the acquisition of Purchase Shares under Paragraph 5(b) by the Optionee. In addition to other restrictions contained in the Plan, an option granted under this Paragraph 5(a): (i) may not be exercised more than 10 years after the date it is granted and (ii) may not have an option exercise price less than the closing price of the Common Stock as reported by the New York Stock Exchange on the date the option is granted. Payment of the option price shall be made in cash or in shares of Common Stock, or a combination thereof, in accordance with the terms of the Plan, the Grant Agreement and of any applicable guidelines of the Committee in effect at the time.

(b) *Purchase Stock* Purchase Stock refers to shares of Common Stock offered to a Participant at such price as determined by the Committee, the acquisition of which will make him eligible to receive under the Plan, including, but not limited to, Non-Qualified Stock Options; provided, however, that the price of such Purchase Shares may not be less than the closing price of the Common Stock as reported by the New York Stock Exchange on the date such shares of Purchase Stock are offered.

6. *Limitations and Conditions*

(a) The number of Shares available for Grants under this Plan shall be **12,000,000** Shares of the authorized Common Stock as of the effective date of the Plan. The number of Shares subject to Option Grants under this Plan to any one Participant shall not be more than **3,000,000** Shares. Unless restricted by applicable law, Shares related to Grants that are forfeited, terminated, cancelled or expire unexercised, shall immediately become available for new Grants.

(b) No Grants shall be granted under the Plan beyond ten years after the effective date of the Plan, but the terms of Grants granted on or before the expiration of the Plan may extend beyond such expiration. At the time a Grant is granted or amended or the terms or conditions of a Grant are changed, the Committee may provide for limitations or conditions on such Grant or purchase consistent with the terms of the Management Stockholders' Agreement.

(c) Nothing contained herein shall affect the right of the Corporation to terminate any Participant's employment at any time or for any reason.

(d) Other than as specifically provided with regard to the death of a Participant, no benefit under the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, or charge, and any attempt to do so shall be void. No such benefit shall, prior to receipt thereof by the Participant, be in any manner liable for or subject to the debts, contracts, liabilities, engagements, or torts of the Participant.

(e) Participants shall not be, and shall not have any of the rights or privileges of, stockholders of the Corporation in respect of any Shares purchasable in connection with any Grant unless and until certificates representing any such Shares have been issued by the Corporation to such Participants.

(f) No election as to benefits or exercise of Options or other rights may be made during a Participant's lifetime by anyone other than the Participant except by a legal representative appointed for or by the Participant.

(g) Absent express provisions to the contrary, any Grant under this Plan shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Corporation or its Subsidiaries and shall not affect any benefits under any other benefit plan of any kind now or subsequently in effect under which the availability or amount of benefits is related to level of compensation. This Plan is not a "Retirement Plan" or "Welfare Plan" under the Employee Retirement Income Security Act of 1974, as amended.

(h) Unless the Committee determines otherwise, no benefit or promise under the Plan shall be secured by any specific assets of the Corporation or any of its Subsidiaries, nor shall any assets of the Corporation or any of its Subsidiaries be designated as attributable or allocated to the satisfaction of the Corporation's obligations under the Plan.

7. Transfers and Leaves of Absence

For purposes of the Plan, unless the Committee determines otherwise: (a) a transfer of a Participant's employment without an intervening period of separation among the Corporation and any Subsidiary shall not be deemed a termination of employment, and (b) a Participant who is granted in writing a leave of absence shall be deemed to have remained in the employ of the Corporation during such leave of absence.

8. Adjustments

In the event of any change in the outstanding Common Stock by reason of a stock split, spin-off, stock dividend, stock combination or reclassification, recapitalization or merger, change of control, or similar event, the Committee may adjust appropriately the number of Shares subject to the Plan and available for or covered by Grants and exercise prices related to outstanding Grants and make such other revisions to outstanding Grants as it deems are equitably required.

9. Merger, Consolidation, Exchange, Acquisition, Liquidation or Dissolution

In its absolute discretion, and on such terms and conditions as it deems appropriate, coincident with or after the Grant of any Option, the Committee may provide that such Option cannot be exercised after the merger or consolidation of the Corporation into another corporation, the exchange of all or substantially all of the assets of the Corporation for the securities of another corporation, the acquisition by another corporation of 80% or more of the Corporation's then outstanding shares of voting stock or the recapitalization, reclassification, liquidation or dissolution of the Corporation (a "Transaction"), and if the Committee so provides, it shall, on such terms and conditions as it deems appropriate, also provide, either by the terms of such Option or by a resolution adopted prior to the occurrence of such Transaction, that,

for some reasonable period of time prior to such Transaction, such Option shall be exercisable as to all shares subject thereto, notwithstanding anything to the contrary herein (but subject to the provisions of Paragraph 6(b)) and that, upon the occurrence of such event, such Option shall terminate and be of no further force or effect; provided, however, that the Committee may also provide, in its absolute discretion, that even if the Option shall remain exercisable after any such event, from and after such event, any such Option shall be exercisable only for the kind and amount of securities and/or other property, or the cash equivalent thereof, receivable as a result of such event by the holder of a number of shares of stock for which such Option could have been exercised immediately prior to such event.

10. *Amendment and Termination*

The Committee shall have the authority to make such amendments to any terms and conditions applicable to outstanding Grants as are consistent with this Plan provided that, except for adjustments under Paragraph 8 or 9 hereof, no such action shall modify such Grant in a manner adverse to the Participant without the Participant's consent except as such modification is provided for or contemplated in the terms of the Grant.

The Board of Directors may amend, suspend or terminate the Plan except that no such action, other than an action under Paragraph 8 or 9 hereof, may be taken which would, without stockholder approval, increase the aggregate number of Shares subject to Grants under the Plan, decrease the exercise price of outstanding Options, change the requirements relating to the Committee or extend the term of the Plan.

Without limiting the generality of the foregoing, the Plan shall not be materially amended without stockholder approval.

11. *Foreign Options and Rights*

The Committee may make Grants to Employees who are subject to the laws of nations other than the United States, which Grants may have terms and conditions that differ from the terms thereof as provided elsewhere in the Plan for the purpose of complying with foreign laws.

12. *Withholding Taxes*

The Corporation shall have the right to deduct from any cash payment made under the Plan any federal, state or local income or other taxes required by law to be withheld with respect to such payment. It shall be a condition to the obligation of the Corporation to deliver shares upon the exercise of an Option that the Participant pay to the Corporation such amount as may be requested by the Corporation for the purpose of satisfying any liability for such withholding taxes. Any Grant Agreement may provide that the Participant may elect, in accordance with any conditions set forth in such Grant Agreement, to pay a portion or all of such withholding taxes in shares of Common Stock.

13. *Effective Date and Termination Dates*

The Plan shall be effective on and as of the date of its approval by the stockholders of the Corporation and shall terminate ten years later, subject to earlier termination by the Board of Directors pursuant to Paragraph 10.
