Executive Officers and Directors

Currently, all of our directors hold office until the next annual meeting of our stockholders and until their successors have been duly elected and qualified. Our officers are elected and serve at the

discretion of our board of directors. There are no family relationships among any of our directors and executive officers.

Board Committees and Meetings

Our Board of Directors held 16 meetings and acted by written consent three times during our fiscal year ended December 31, 2005. Our Board of Directors has an audit committee and a compensation committee. Each director attended 75% or more of the aggregate of (i) the total number of meetings of our Board of Directors (held during the period for which such person was a director) and (ii) the total number of meetings held by all committees of our Board of Directors on which the director served (during the periods that he served).

Although the Board of Directors does not have a formal policy regarding attendance by members of the Board of Directors at the Annual Meeting, it encourages directors to attend. Each of our then-current directors attended the 2005 Annual Meeting of Stockholders.

Our compensation committee currently consists of two directors, Mr. Kenneth, who serves as chairman of the committee, and Mr. Herman, and is primarily responsible for reviewing and approving our general compensation policies and setting compensation levels for our executive officers. The committee held six meetings during our 2005 fiscal year.

Our audit committee currently consists of two directors, Mr. Nydam, who serves as chairman of the committee, and Mr. Herman. Each of the members of the audit committee is independent as defined pursuant to Rule 4200 of the National Association of Securities' Dealers listing standards and as required by applicable law and the SEC. Our Board of Directors has designated Mr. Herman as the audit committee's financial expert.

The audit committee generally meets at least quarterly to review our financial statements and to perform its other functions. The audit committee held nine meetings during our 2005 fiscal year.

Given our limited operating history, our Board of Directors has not yet formed a nominating committee for the election of directors. Currently, our full Board of Directors designates nominees for election to the Board of Directors at each Annual Meeting of Stockholders.

The Board of Directors has not adopted a formal policy concerning stockholder recommendations regarding the election of directors. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. Although our Board of Directors has historically designated nominees for election, the Board of Directors will consider nominations submitted by our stockholders, and our Bylaws contain provisions which address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at the Annual Meeting. To date, the Board of Directors has not received any recommendations from stockholders requesting that it consider a candidate for inclusion among the slate of nominees in the Proxy Statement.

In evaluating director nominees, the Board of Directors considers a number of factors, including the appropriate size of the Board of Directors; the knowledge, skills and experience of nominees, including experience in business, finance, administration or healthcare in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors; experience with accounting rules and practices; and the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members. The Board of Directors' goal is to assemble a Board of Directors that brings a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board of Directors also considers candidates with appropriate non-business backgrounds. Other than the foregoing there are no stated minimum criteria for director nominees, although the Board of Directors

and any nominating committee may also consider such other factors as it may deem are in the best interests of the Company and its stockholders.

The Board of Directors identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the desired criteria. Research may also be performed to identify qualified individuals. To date, the Board of Directors has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although it reserves the right in the future to retain a third party search firm, if necessary.

Historically, we have not adopted a formal process for stockholder communications with the Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner.

Code of Ethics

The Board of Directors has adopted a Code of Ethics that applies to all of our employees, officers and directors. The Code of Ethics contains general guidelines for conducting the business of our company consistent with the highest standards of business ethics, and is intended to qualify as a "code of ethics" within the meaning of Section 406 of the Sarbanes-Oxley Act of 2002 and Item 406 of Regulation S-K.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers, directors and persons who beneficially own more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us and written representations from such reporting persons, we believe that all filing requirements applicable to our executive officers, directors and more than 10% stockholders were met in a timely manner, except that (i) James D. Durham made one late filing with respect to a transaction in March 2005, (ii) MedCap Partners LP made a late filing with respect to a transaction in December 2005; (iii) MedCap Partners LP made a late filing with respect to a transaction in November 2005; (iv) MedCap Partners LP made a late filing with respect to a transaction in March 2005; (vi) C. Fred Toney made a late filing with respect to a transaction in December 2005; (vii) C. Fred Toney made a late filing with respect to a transaction in November 2005; and (viii) C. Fred Toney made a late filing with respect to a transaction in March 2005.

Members of the audit committee receive an annual payment of \$55,000, payable quarterly, for their service as members of the audit committee. All directors are reimbursed for reasonable expenses incurred in connection with serving as a director. The directors have agreed that the cash compensation payable to the directors shall be accrued indefinitely (but not forgiven) and not paid until such time as the board determines that the Company has sufficient cash flow; provided that Mr. Toney has waived the accrual of any cash compensation with respect to himself.

In addition, non-employee directors are issued 3,333 shares of common stock (or options to purchase such shares) upon their election to our Board of Directors. Such non-employee directors are thereafter issued 833 shares of common stock (or options to purchase such shares) in each of the next two years of their three year term, except for the chairman of the audit committee, who receives an aggregate of 1,666 shares of common stock (or options to purchase such shares) in each of the next two years. Each such grant will have a purchase price or exercise price per share equal to the fair market value per share of our common stock on the date of such grant.

Compensation Committee Interlocks And Insider Participation

There were no interlocking relationships between us and other entities that might affect the determination of the compensation of our directors and executive officers.

Employment Contracts, Severance Agreements and Change of Control Arrangements

Employment Agreement with James D. Durham

We have entered into an Employment Agreement with James D. Durham, our Chairman and Chief Executive Officer. Pursuant to the Employment Agreement, as amended to date, we have agreed to pay Mr. Durham a base salary \$320,000 for the 2004 calendar year, subject to adjustment each calendar year thereafter by the Board of Directors. In the event that Mr. Durham becomes subject to an "Involuntary Termination," we have agreed to pay severance to Mr. Durham in one lump sum within thirty (30) days of the date of such Involuntary Termination in an aggregate amount equal to

Edgar Filing: CRDENTIA CORP - Form 10KSB/A

two times his then-current rate of base salary. In addition, for a period of twenty-four months, Mr. Durham would also be provided with life, health and disability plan benefits.

As used in the Employment Agreement, the term "Involuntary Termination" means the termination of Mr. Durham's employment with us involuntarily upon his discharge, dismissal or our failure to renew the Employment Agreement. In addition, the term "Involuntary Termination" also means his termination, voluntarily or involuntarily, provided such termination occurs in connection with (i) a change in his position with us or any successor which materially reduces his level of responsibility or changes his title from Chairman and Chief Executive Officer, (ii) a reduction in his level of compensation, (iii) a relocation of his principal place of employment by more than forty-five (45) miles without his written consent, (iv) our failure to qualify for trading on the OTC Bulletin Board within ninety (90) days of the date of the Employment Agreement or to continuously be listed for trading on the OTC Bulletin Board or another national securities exchange at all times thereafter, or (v) the commencement of any action, arbitration, audit, hearing, investigation, litigation or suit conducted or heard by or before, or otherwise involving, the SEC, the National Association of Securities Dealers or any other federal or state governmental body which has a material adverse effect on the price at which our securities trade and is not principally attributable to his actions or omissions.

Under the Employment Agreement, if Mr. Durham receives the benefit of any payment or distribution of any type from the Company, any of its affiliates, any person who acquires ownership or effective control of the Company or ownership of a substantial portion of the Company's assets (within the meaning of Section 280G of the Code and the regulations thereunder) or any affiliate of such person, pursuant to the terms of the Employment Agreement or otherwise (the "Total Payments"), that is subject to the excise tax imposed by Section 4999 of the Code or any interest or penalties with respect to such excise tax (collectively, the "Excise Tax"), then Mr. Durham will be entitled to receive an additional payment (a "Gross-Up Payment") in an amount such that after payment by Mr. Durham of all taxes imposed upon the Gross-Up Payment, including any Excise Tax, Mr. Durham will retain an amount of the Gross-Up Payment equal to the Excise Tax imposed on the Total Payments.

In addition, under the Employment Agreement, in the event that, during the term of the Employment Agreement, the Company closes a sale transaction which constitutes a "Change in Control" thereunder (such transaction, a "Corporate Transaction"), Mr. Durham will be entitled to receive a bonus in the amount of one and one-half percent (1¹/₂%) of the Total Consideration actually paid to the Company's stockholders in connection therewith. As used therein, the term "Total Consideration" means the aggregate consideration actually paid to the stockholders of the Company in respect of capital stock of the Company owned by such stockholders and will not include "earn-out", escrow, hold back or similar contingent payments unless and until such amounts are actually paid to the stockholders of the Company. Such payment(s) will be made at the same time(s) and in the same form and combination (whether in cash, securities or other property) as the form and combination in which the Total Consideration is paid to the stockholders in respect of their ownership of the Company's capital stock.

Option Grant to James D. Durham

Mr. Durham was granted an option to purchase 86,666 shares of common stock, at a price per share of \$31.00, on August 3, 2004. This option is exercisable with respect to 43,333 shares and, due to the failure to satisfy certain vesting provisions, the option terminated with respect to the remaining 43,333 shares on December 31, 2004. This option terminates in full on August 2, 2014 and is exercisable for a period of three (3) months following the termination of Mr. Durham's employment or service to Crdentia, provided that the option may be exercised for a period of twelve (12) months following the termination of Mr. Durham's employment or service to Crdentia as a result of Mr. Durham's disability or death.
